ANTI-SEMITISM IN SOVIET RUSSIA

IS COMMUNISM CLOSING IN ON US THRU CUBA?

**GEORGE DEATHERAGE, Director
AMERICA FIRST
ANSWERS SENATOR DODD**

Senator Thomas J. Dodd
Senate Office Bldg.
Washington, D. C.

Dear Sir:

Although I appreciate your forwarding me a copy of your speech on anti-Semitism, the Swastika epidemic and Communism as inserted in the Congressional Record of March 15th, I must conclude that it is about as stupid attempted piece of propaganda as has ever appeared in the Record.

In the first place you entirely overlook the historical record as to the Jewish responsibility for the Communist revolution in Russia—and of which their leadership for years has boasted. The detailed record of the intimate details of that historic event fill bookshelves of the libraries of the world—and the archives of governments.

One event, the fact that out of 416 Kommissars of the original revolutionary government of the Soviet . . . 376 were Jews, it is but a drop in the bucket of evidence establishing that it was Jewish brains and financing that created the reign of terror in which more than 30 million Christians died under the lash and by starvation.

NOW—you charge the Russians with a worse anti-Semitism than alleged against Germany under Hitler. You repeat the same falsehoods, the same propaganda myth—such as the death of 6,000,000 Jews under the Hitler regime—something not subjected to an iota of proof.

If I were you I would not be proud of your selection by the Jewish agencies to place your alleged speech in the Record. These agencies must have taken some time to decide on a Senator either too stupid or too ignorant as to accept that stuff as recorded facts.

As one reflects upon the Judeo-Communist reign of terror in Russia, one wonders where your tears are for the untold millions in Russia, those currently in Hungary and elsewhere, who have been murdered by the Jewish inspired revolutionaries; they also are Russians in a racial sense. Where are your groans and sobs for the millions of dead Christians?

It is true of course that the Jews do not now hold power in the Soviet Union, and the exodus from Russia and Europe during recent years is—because being deposed they now seek safety from reprisal. Could less be expected? Yet—Jews in Russia are not being terrorized as you state—not as yet . . . although that is a distinct possibility.

It is quite clear why the Judeo-Communist element have started to make an attempt to convince the American people that Jews are anti-Communist . . . and to cover up that they have been the leaders of the Marxist revolutions in every country in the world subjected to it. They wish to establish an alibi in case circumstances develop which will call them to account and may result in their mass liquidation. To place the idea in the minds of the uninformed

Jews would now have us forget they sparked the Russian Revolution in 1917, set up, financed and spread communism throughout the entire world.

that to be anti-Semitic is, to be pro-Communist . . . as in the last war where they worked on the basis that if one were anti-Communist they must be pro-Nazi; working both ends against the middle.

What is behind this recent action of the Jewish elements to establish the Soviet Union as being more anti-Semitic than Nazi Germany?

1. In this world wide crisis there are three possible results. The Cold War will continue indefinitely; there will be a Hot War—a nuclear war . . . or the Western Powers, including the USA—will get together with the Soviet Union to combat the communism and terrorism of the Red Chinese.

2. It seems beyond the bounds of probability that the Cold War will keep on indefinitely in the face of the Red Chinese menace and the Soviet Union's fear of this menace to them. The trend of events in Washington is pointed towards reapproachment with the Soviet Union in the face of the greater Chinese menace.

In such a policy as the above, Judeo-Communists; fellow-travellers; left-wingers, misguided Liberals; left wing egg-head intelligentsia in the schools and churches; the race-mixers, political opportunists; leftwingers in government employ and otherwise . . . NOW all collaborators with the Soviet Union . . . will be sitting pretty. They to be Kommissars at the death of the Republic.

3. If the Cold War develops into a Hot War . . . then all those named in (2) above will be liquidated by the remaining populace. Survival will make it necessary to liquidate all collaborators—including Senators who get caught on the wrong side of the fence.

It does not take much imagination to realize what will happen in this country at the first bomb drop. Millions will die—and millions will flee in an attempt to survive. The jails, prisons, mental institutions will release criminals, the criminally insane. Loot, terror, rape and murder is the order of the day unless decent citizens liquidate them.

The mob now out for vengeance are

bound to liquidate any collaborator they can get their hands on. The least suspicion or possible enemy association will be evidence enough. Any thinking person can visualize this hysterical situation.

The "underground resistance" is born! The Freedom Fighters take to the field! There will be no quarter! The families of these men have been burned, fried and roasted. Blood has been spilled and blood they will have in return.

But—are all those named in (2) above to be considered as "collaborators? Are not many misguided Liberals? Remember, you were one of the men who made "guilt by association" legal. It was again made a part of the government's legal prosecution in the Mass Sedition Trial during the last war. Certainly it will be all that is needed at the aftermath of the first nuclear bomb explosion in this country.

It can be assumed that all those currently collaborating with the Soviet Union under the guise of "Liberalism"; including the One Worlders—United Nations fanatics etc.—are not all dumb; that they understand the risks they are taking of being liquidated.

4. The above being the case . . . a Hot War is the last thing that they wish to see happen. The Jews must not permit it to happen if they can avoid it. In spite of the mass of the populace's direct knowledge of collaboration, the evidence of "guilt by association" is common knowledge by the majority of the population.

5. It is simple to see therefore that the Judeo-Communists are between two fires and, if possible . . . they must prepare a foundation for their alibi.

6. It seems quite clear that the current foreign relations policy is one of appeasement with the Soviet Union; a further co-existence ending in a reapproachment in the face of the nebulous threat of the Red Chinese Communists. If the Soviet Union is anti-Semitic—what then happens to the Jewish alibi?

Selling Out Korea? Who Are The Betrayers?

OUR STATE DEPARTMENT COOPERATES WITH REDS

By Merwin K. Hart, Pres.
National Economic Council

Republished from Economic Council
Letter No. 478

A distinguished American citizen had two sons killed in action in the Korean War. Both won high decorations, one the Congressional Medal of Honor.

These two were among some 35,000 young Americans (out of a total of 450,000 fighting) who laid down their lives in that War. For what?

The theory was that our men were fighting for liberty—the liberty of the Korean people. 500,000 South Koreans fought bravely and ably. But overall direction of this "Police Action" lay in the United Nations.

Only 45,000 men of all other member countries of the UN took part. This episode should teach us for all time that we cannot count on the UN. We, alone among the Western nations, are supporting a government-paid propaganda for the United Nations, which propaganda means propaganda against the United States as an independent country.

And it was the United Nations, if not Soviet Russia itself, that caused us to end the un-won war in 1953, leaving a divided Korea. So those 35,000 lives were thrown away!

One of our friends returned from Korea a few days ago, after many months there. Referring to the "student" riots, about which we hear so much, he gave this explanation. All students in Korea wear the same uniform. A lot of the riff-raff element and worse got themselves into this uniform; and it is these that started all the trouble—communist-inspired, of course. As further proof that the mobs were not actually students, they attempted to overthrow a statue of Douglas MacArthur, the national idol of Korea.

So a few days ago, following almost the precise pattern set for South Africa, Secretary of State Christian Herter went into action, taking the side of the Korean revolutionaries without any apparent information from our long-time ally and that gallant hero, President Syngman Rhee. David Lawrence, in his column of April 28, says:—

"The Korean public needed no further word of encouragement to carry on bigger and bigger street demonstrations."

On April 27 Rhee resigned. All this can be simply a prelude to the taking over of South Korea by the communists. Once again we have abandoned our friends. Perhaps betrayed them is a truer statement. Nothing must be allowed to stop the advance of communism—though defenders of this policy are careful to prate about "democracy."

Meanwhile we sit quietly by while communists, both Russian and Chinese infiltrate Cuba and other Latin American countries. They are preparing for the kill—the kill of the United States.

What in hell is our State Department thinking of? Traitors are obviously in position to control the destiny of the United States and her citizens.

Ex-President Syngman Rhee—Gallant Hero.

MARXISTS - MENACE TO AMERICA

Resume from a recent address by
THE HONORABLE HERBERT HOOVER
to the United Presbyterian Men.

The minds of thoughtful Americans are greatly troubled, for we are in the midst of several dangerous crises.

We have Communist nations determined to destroy us and they are succeeding at our very doorstep, where we are not only plagued with their conspiracies but with the infection of Karl Marx in both the thinking of our people and these actions of our own government.

One crisis which haunts us is the spread of Karl Marx Virus. The agents of this infection are like hermit crabs which crawl into such terms as "Liberal", "Progressive", "Managed Economy", "Welfare State", etc.

This infection creeps through our Nation by deluded and misled men and by disguised organizations, cults, clubs, congresses and committees.

The clergy can perform a great spiritual service to America if they would tear away the disguise and expose the meaning of this infection.

Christian Faiths need to realize and resist the ultimate end of this infection among us.

American Youth particularly needs the organized support of The Whole Clergy of the U.S.

You should try to awaken the people from apathy and arouse a great stir of conscience that certain evils be ended.

The constant exposure and demands of the press for reforms in law enforcement needs the impassioned force of the pulpit.

The American way of life has proved to be pretty tough. It needs to be even tougher right now.

Our implacable enemy is COMMUNISM.

-From BROWDER'S BOOK

"It is significant that the Communist Party, more than any other labor group, has been able to achieve successful united fronts with church groups on the most important issues of the day. This is not due to any compromise with religion as such, on our part. In fact, by going among the religious masses, we are for the first time able to bring our anti-religious ideas to them."

—From Earl Browder's book "What Is Communism?" Browder was top leader of the Communist Party in the United States for 16 years.

HELP SPREAD THE TRUTH

By Henry Allen

Those children who attended public schools 70 years ago, were taught that Benedict Arnold was the sum total of disloyalty to his native land. In the minds of every 10 year old student of that era, who had passed 5th or 6th grade, Benedict Arnold was the personification of treason and a symbol of perfidy and contempt for his attempt to betray his country.

To confirm that statement, suppose we look in upon that typical American school-room of 70 years ago and listen to the teacher who asks her class of some 40 pupils, "Who was the man who tried to betray his country? Without a moment's hesitation there came a loud chorus of young voices in lusty unison, "Benedict Arnold" . . . I know, because I was one of those pupils in that American school-room at the old Dwight School on West Springfield Street in Boston, Massachusetts, in the year 1890.

That was in the golden age when our school teachers were not afraid to teach the truth about our glorious American history and to inculcate in those young minds lofty respect and reverence for the great men and women who had made it. This nation had not yet suffered the subversive blight of UNESCO, and its programs for "Progressive Education," or the pernicious poisonous influence of the National Educational Assn. We were taught the exalted characteristics of those thousands of illustrious patriots who had built our National independence in those formative years, and we had a feeling of great pride that, in all that era, there had been only one man, Benedict Arnold, who had sunk to the lowest depths possible, in his attempt to betray his country. In those days, any teacher who would dare attempt to destroy that patriotic feeling and faith of our American youth, would have been quickly dismissed and summarily dealt with.

Within a brief span of 70 years, however, our school-children have found all of that has been changed because of the combined and organized conspiracies which flourish within the United Nations Organization, and the National Education Association. This is vividly revealed in that UNESCO series of publications "TOWARD WORLD UNDERSTANDING" (in book 5) which emphatically states that, "Your children should be weaned away from whatever remains of traditional love and respect for family and country."

Again, in book 5, "As long as the child breathes the poisoned air of NATIONALISM, education in world-mindedness can only produce precarious results."

Again in book 5, Education for 'world mindedness' encounters much difficulty outside the school. The principal one is certainly NATIONALISM."

A careful reading of the foregoing and numerous other volumes of treason published by UNESCO, should make it clear why our school-children today have become frustrated and confused, especially when they come to realize that contemporary American history, — if they are allowed to study it at all, — has become a history of intrigue, treason, and traitors; to mention a few:

Franklin D. Roosevelt and his New Deal Administration
Julius and Ethel Rosenberg
Alger Hiss, Owen Lattimore
Klaus Fuchs, Harry Dexter White
John Stewart Service, Harold Glasser
Dave Weintraub, Sol Adler
Remington, and a host of others.

WHY ALL THESE TROUBLES?

RECRUIT SEX MANIACS INTO ARMY OF TERROR — SHADES OF RED REVOLUTION

By C. F. Langly

The editors of "Common Sense" have consistently warned our readers of the political tyranny, perversion of jurisprudence, and biased action by pawns for **Political Zionism** and the **Communist Party**. And how these manipulators by subterfuge and intrigue slant the news by deleting factors which are necessary to newsworthy reporting.

Conclusively to this point is the widespread publicity given to the **Jimmy Wilson** case in Alabama. The **Alabama Supreme Court** upheld the death sentence of Jimmy Wilson, a three time loser for highway robbery. Wilson had invaded the sanctity of the home, raped and robbed an 82 year old white woman of \$1.95 for which he was sentenced to the electric chair. To the defence of Wilson came bleeding hearts of **Europe**, the **American State Department**, **liberals** and **reds** from over the U.S. Says the State Department: "If Wilson dies in the electric chair it will have a terrible effect upon our foreign relations policy." Such appeals ranged from the crocodile tear type to demands for a complete release of Wilson.

Now contrast the **Wilson** case with the 27 year old negro **Frank Peterson** in Holmes County, Florida, where, within 24 hours of his release from a prison camp, invaded a white man's home, killed the father and a two year old daughter. Stripped to the nude, he began his bloody orgy with an axe, struck the father three fatal blows on the head, struck a four year old daughter, a two year old daughter, and a six year old son. He beat, choked and raped the mother until she lost consciousness. The Holmes County sheriff says that the four year old girl was saved by surgery. When he picked her up, her brains were protruding from her skull. By a miracle the six year old boy was saved. Five members of the family had been bludgeoned by the axe in the hands of a vicious killer, and the mother received the same type treatment outlined in Communist Party meetings.

Peterson escaped by boarding a migrant workers' bus headed for the Eastern states. He was taken into custody in Springfield, N.Y., placed in the Buffalo jail for safe keeping. Although he agreed to wave extradition to Florida, when the Holmes County sheriff arrived, he found Peterson had been counseled by the NAACP attorney **William Sims** to fight extradition.

In the **Wilson** case, every Zionist-owned and Zionist-controlled news service including newspapers, radio and television mesmerized public opinion, resulting in an avalanche of letters to the executive department in Alabama to commute the death sentence of Wilson to life imprisonment.

The fact of the crime, and the nature of the crime committed by the two negroes is not the significant factor in this story; but, what is important, the pseudo hucksters for justice have been silent in the Peterson case. Neither the State Department, nor the Justice Department in Washington intervened to force **Governor Averell Harriman** to release the negro **Frank Peterson** to the Florida authorities. Nor in the course of four months has **Governor LeRoy Collins** pressed the matter to a conclusion. In the same vein it is significant that the U.S. Supreme Court has not issued a ruling for the negro **Frank Peterson** to have a full and speedy trial. In other negro and communist cases, the Court ruled the prisoner was unduly held because they were held overnight before being arraigned on the docket. **WHERE IS JUSTICE**, except for those whose atrocities are leagued with the pattern of communist invasion in Europe. Here in America, a negro who ravishes, rapes and kills white people can get favorable consideration under the im-

provided U.S. Supreme Court rulings. The **Wilson** and **Peterson** cases are merely samples of what will happen on a wholesale scale in the communist revolution in America

Investigation discloses the NAACP has a "hard core cell" in every state and federal prison in America. Organizing communism in the American prisons is identical with the pattern the Bolsheviks used in Russia. On the eve of the revolution, sex-crazed maniacs were turned loose to ravish, rape and terrorize the people. **Kenneth Goff**, a defected communist who surrendered his documents to the **House Un-American Activities Committee** testified that the negro will be used by the Communist Party in America to ravish and rape white women to develop a brown race for the future. Through this avenue, the Communist-Zionist-Jew proposes to erase all Christian heritage.

Outlined in the **Bridgman, Michigan Communist convention** August 20, 1922, plans were laid down for the basis of "civil rights" agitation, and step by step these methods have been used since that day by the Communist Party and its subsidiary, the **National Association for the Advancement of Colored People**.

Presently, 4000 negroes are funneled into England each week from the British colonies.

Race relations in Africa are becoming more estranged. Isn't it time to do some accounting of the facts?

Though many gentile Christians disregard the fact by defending the Jew as God's chosen people, let us look into some Jewish writings for proof of their plot to Judaize the World. (This is the purpose for Communism.) The capsule point of view of the Judaist is "Christ is a fake and an imposter, and is not the messiah of the world; that we are God's chosen people and it is up to us to establish a messianic reign on the face of the earth to control all people for God." Additional testimony is taken from the book **PEACE OF MIND**, by Rabbi Joshua Loth Liebman, Simon and Schuster, publishers . . . page 171: "A NEW GOD IDEA FOR AMERICA . . . " To come to a new idea of God will require genuine growth and maturity on our part. It may well be that in this age, when we realize we must give up our old ideas about economics, isolationism, and national sovereignty, we shall also come to a new idea of God—an idea that will reflect America's democratic experience and culture" . . . again on page 173, we quote; "There is a chance here in America for the creation of a new idea of God; a God reflected in the brave creation of self reliant

social pioneers." The ultimate purpose of Zionism in America is to change all values to the Old Testament equations. Such was the purpose for the late President Roosevelt to place the same pattern on the American people that Joseph had in the house of Pharaoh on the day Roosevelt closed the banks. Chief Justice Warren of the Supreme Court studied Talmudic Laws for one week and was given a Degree of Law to place the Court under Kosher action. Watering down Christian values and enforcing Talmudic principles to become the basic faith for all the world is the goal of the Jewish philosophy.

Basing their claims as God's chosen people, let us quote from **Milton Stienberg's** work **BASIC JUDAISM**, Brace and Company, New York; publishers . . . page 93 "The goal and final objective of the Mission are then none other than the deliverance of mankind. But in that happy event, when it has come to pass, what will be the servant's portion?"

"Israel will be present at the denouement to experience his Vindication. His time of service ended, his commission discharged, he will partake, as he deserves, of the universal redemption he has labored so mightily to bring to pass."

"His children so long dispersed and persecuted, will be reassembled in their ancient land, there to enjoy peace and security proportionate to the bitterness and length of their exile."

"The Jewish religion, so long mocked at and scoffed, will be universally recognized as the true faith. The ruined Temple in Jerusalem will be rebuilt to stand as a house of prayer for all nations."

Here in America the Jewish people have enjoyed peaceful living "par excellence." They have taken advantage of every opportunity; by methods of duplicity they have sabotaged our church literature and our educational structure through modernistic programs. They have become a parasite sucking the life blood from a now sick, but a once great nation. Wherever the Jew has lived peacefully, that nation suffered through social disintegration, financial strain and blood baths. Quoting from page 8 of the 1953 **American Jewish Committee** book "The status of Jews is more secure in most of the civil and political right areas than that of some other groups, especially negroes; the rights of Jews are riskfully in balance. Accordingly, a large proportion of our work has been directed towards securing greater equalization of opportunities for such other groups, rather than for ourselves."

In short, America is the only nation in Western Civilization in which the Jewish people have not been persecuted and dispossessed of their personal property. To secure these rights, the negro has become their tool of agitation to invoke a revolution whence Zionism will emerge the victor. To resist integration is to resist Zionist authority. To buy Gentile is to resist Zionist control. To employ States Rights is to resist Zionist militant power. To build a new political party is to disemploy Judaism and rebuild Christian America.

Crime and Communism

A wise man of ancient Greece was once asked how crime could be abolished. His answer was that it would end when those who are not wronged feel the same indignation as those who are; and so with communism.

When the majority of Americans feel the same as the Hungarian Christians, communism will be abolished.

WHO ARE THE BETRAYERS?

—o— Continued from page 2 —o—

Utter confusion is reflected in the minds of young students as they ask why so many convicted traitors have been coddled and promoted by men in high political positions during the **Roosevelt, Truman, and Eisenhower administrations**,—and staunchly supported by thousands of so-called prominent political leaders and certain members of **Earl Warren's United States Supreme Court** who have showered maudlin sympathy upon them.

What answer can be given a teen-ager who asks why **Harry Dexter White** and his communist associates **Ludwig Ullman**(☆), **Soloman Adler** (☆), **Harold Glasser** (☆), **Irving Kaplan**(☆), **Abraham Silverman**(☆), and **Frank Coe**(☆), were allowed to continue as members of **Henry Morgenthau's United States Treasury Department Staff**, for years after Congressman **Martin Dies** had sent the name of **Harry Dexter White** to **Attorney General Francis Biddle** in Oct. 1941 as a suspected Soviet spy.

Is it any wonder then, that our school teen-agers demand to know why our voting citizens,—“the sovereign people with political power to make decisions,”—permitted themselves to be guided by the lying voices of scores of radio and television commentators who persisted in protecting this vile treason-cult by falsely interpreting the crucial events which, at that time, affected the security of this Republic. Many of the Nation's “moulders of public opinion” are to be found in this category, and the nauseating treason of such public purveyors of public information should be carefully studied by this, and future generations. Such a study would reveal the shocking truth that, during the past 70 years, America has become honey-combed with domestic traitors in high places of Government who have cooperated intimately with that swarm of alien termites, saturated with atheistic and anti-Christian philosophies, who have invaded our glorious country, and who work night and day for the destruction of our Christian way of life, the morality of our children, and the seizure of our homes not already confiscated, by predatory, money lending parasites.

Every thoroughly informed American knows that the United Nations Organization, conceived in iniquity, born of corruption, and perpetuated upon our free American soil by means of deceit and hypocrisy, is the **HUB** of international conspiracies to abolish the National sovereignty of the United States.

In the early part of November 1959, Senator **Hubert Humphrey** wrote President **Eisenhower**, urging him to make new efforts for arms control. Under date of November 17, 1959, the President replied to Senator **Humphrey**. This letter, however, was not confined to discussion of arms control. It contains some paragraphs which reveal the willingness of the President to join hands with some queer “playfellows” in his efforts to expand the powers of the United Nations World Court. One of the paragraphs reads as follows:—

“The Administration supports elimination of the automatic reservation of the World Court's jurisdiction by which the United States has reserved to itself the right to determine whether a subject of litigation lies essentially within domestic jurisdiction. I intend, therefore, on an appropriate occasion, to restate to the Congress my support for the elimination of this reservation.”

**WE CALL A SPADE A SPADE;
MOST PEOPLE THINK IT
WHY NOT SAY IT?
WE WILL NEVER SAVE OUR
COUNTRY UNLESS WE DO.**

(the Connally Amendment.)

The foregoing becomes especially interesting when it is recalled that the New York business and international interests which maneuvered the selection of General **Eisenhower** for Presidential candidate back in 1951, appear to be the identical proponents of “**One World Government**” and represent the “**liberal policy**” of the United States towards Latin America, designed, or at least approved, by **Milton Eisenhower**, and which has established a Communist Government 90 miles from continental United States, thereby threatening us with the loss of the Panama Canal. After 20 years of sickening attempts to reduce this glorious Republic to an impotent province under one-worldism, the foregoing and a host of other items, appear as strong evidence of a gigantic intrigue to “soften up” the American people for the final betrayal.

In the words of **Ralph Waldo Emerson**:—
“For what avail the plow, or sail,
Or land, or life,—if Freedom fail.”

— “IT'S YOUR COUNTRY” —

By **John W. Beck**, noted columnist
in **L. A. Highland Park NEWS-HERALD**

“Everybody, parent or not, has a vital personal stake in thwarting the Communist plan to destroy the United States through corruption of our children. The **AMERICAN LEGION MAGAZINE**, Nov. 1954, (page 6) under the heading ‘**Master Plan**,’ contains a verbatim list of the official **Communist Party Rules for Revolution**. Here is the first rule on the list:

‘**CORRUPT THE YOUNG; get them away from religion. Get them interested in SEX. Make them superficial. Destroy their ruggedness.**’

“And who are the eager beavers, the dupes, the stooges used by the Communist Party to carry out the ‘**Master Plan**’? Foremost among them is a thing called **UNESCO**—the United Nations Educational, Scientific and Cultural Organization. Under its auspices American teachers are trained . . . and today UNESCO hangs like a giant evil shadow over our schools, feeding its propaganda to teachers, and from them to pupils, through such organizations as the National Educational Association and its offshoots.

“The old moral standards and traditions, such as reverence for God, country, flag and parents, are ignored or scorned and the children are to be educated in ‘**world-mindedness**’ with considerable accent on **SEX**. Part IV of the UNESCO Series contains hundreds of particularly offensive questions . . . This UNESCO booklet (for children 13 and younger) recommends that teachers pry into the most intimate personal details of family life, with special and revolting emphasis on **SEX**.

“Here are just a few of the . . . questions to which teachers are supposed to learn the answers:

Is there any arrangement for illegitimate children?

Is masturbation in children recognized as being common?

How do parents behave toward each other before the children?

What are the boys' chief sources of sex knowledge?

How much emphasis is placed on chastity?

What adolescent **SEX ACTIVITIES** are common?

“In line with the Communist edict to **CORRUPT THE YOUTH** and get them interested in sex, obscene books have been placed in school libraries and even in the curriculum. One such case which attracted nationwide attention was that of **Marin County, California**, where high school libraries were found to contain books describing in raw and complete details such things

as sexual relations, prostitution, perversion, incest and drug addiction, often in the form of fiction which could hardly fail to incite the sex urge and encourage corruption.

“I cannot quote here the objectionable excerpts from these books. They are much too filthy and obscene to appear in public print. After the books were presented to the Marin County Grand Jury, which found them shocking and objectionable, the school board ordered that they be retained on the shelves . . . Filth is filth . . . Vile sentences, creating equally vile images, aren't cleansed by any surrounding text. Yet the N. E. A. chose to commend the school board for placing the books back on the shelves in the school library. N. E. A.'s publication, “**American Citizen's Handbook**,” gives ‘to help perfect world government’ as a GOAL for education. In ‘**The Enemies and the Critics of the Schools**,’ **R. A. Skaife** refers to ‘the rotten patriotic fringe.’”

(This Skaife is paid Executive Secretary of **ATOLA -Affiliated Teachers Organizations** of Los Angeles - which provides legal counsel to defend any member whose job is threatened . . . It may be noted that the **Elementary Teachers Club** has withdrawn from this organization).

“Consider the foregoing and decide for yourself **WHO** is helping the Communist Party to corrupt America's youth!”

ANTI-SEMITISM IN U.S.S.R.

—o— Continued from page 1 —o—

Can the Bilderbergers, the Foreign Policy Association, the Inter-national Bankers so guide this international situation—so as to insure there will be no Hot War . . . and their liens on future production of the peoples of the world be conserved? For after all—it is they who direct the executive branch of our government.

7. So, whatever the Judeo-Communists have in mind in the face of these few probable situations—the coming meeting at the Summit and as to disarmament,—will soon develop.

8. In any case, it is quite plain, as a stooge for Judeo-Communists you have placed yourself irrevocably on the record for the future. You are either on the inside . . . or it seems, pretty stupid. That also applies to the Congressional supporters of the Civil Rights Bill—who knowingly seek to impress this on the people—as fulfilling one of the main planks of the Communist Party.

All of this on your part and the “collaborators” may be part of the plan which you calculate cannot fail . . . but God help all of you if you slip a decimal point.

Yours very truly,
George E. Deatherage

SO-CALLED "JEWS" COINED THE TERM "ANTI-SEMITISM" AS A SMEAR-WORD; AS SMOKE-SCREEN FOR COMMUNISM!

**FREEDOM OF SPEECH AND FREEDOM OF THE PRESS ARE CONSTITUTIONAL RIGHTS;
THE EQUAL RIGHTS OF ALL CHRISTIANS TO BROADCAST ALL NEWS AND ALL VIEWS
ABOUT SO-CALLED "JEWS" UNCENSORED BY FEAR OF AN "ANTI-SEMITISM" SMEAR!**

**"Anti-Semitism" the smear-word, the world's most meaningless, most misunderstood and most misused term;
coined as their smear-word by so-called "Jews" in 1880's for sole purpose of smearing Christian resistance,
defense against "revolutionary activity" by so-called "Jews" as "spearhead" of communist world-revolution;
now their smear-word weapon for character-assassination of those who expose or oppose their "activities"!**

By Benjamin H. Freedman

Unsuspecting Christians find themselves today the victims of a great deception, which is without an equal in all the recorded history of civilized mankind, as a sinister and sordid betrayal. The purpose projected for this deception is the ultimate substitution of communism for Christianity, wherever Christianity is practised in this world today. If the aim of this deception is realized in full, it means that Christianity will be forever eradicated from the face of this earth, and the name of Jesus Christ will be blotted from the mind of Man in perpetuity. That is the price Christians will pay for their ignorance, and the penalty they will suffer for their indifference, to a deception which threatens to extinguish the light of Christianity for all time. It may soon be too late to turn back the clock of history.

It has long been planned by so-called "Jews" to achieve this objective by relentless use of the term "anti-Semitism" as a lethal weapon for the character-assassination of Christians who come to the defense of Christianity in this life-and-death struggle for survival against communism. Their monopolistic control of the media of mass-communication by so-called "Jews", the newspapers, magazines, radio, television and motion pictures, gives so-called "Jews" the power to ruin Christians, by smearing them as "anti-Semites." The fear of that smear terrorizes Christians. The "anti-Semitic" smear wreaks political, economic and social havoc in the lives of Christians, more cruel than the most sadistic physical torture.

It must be made clear to Christians that the world's greatest authorities on the history, theology, philology and etymology of the term "anti-Semitism" are in unanimous agreement that the term was conceived as a fraud upon the Christian world. They characterize the use of the term "anti-Semitism" as a dangerous distortion of historic fact. They feel certain if any advertiser misrepresented his product, to the extent so-called "Jews" misrepresent the term "anti-Semitism" in the media of mass-communication monopolized by them, the Federal, State or local authorities would soon have the guilty party behind bars,

under the laws for the protection of the public against fraud.

MOST MISUSED TERM

Christians in all walks of life must be alerted that the term "anti-Semitism" is the world's most misleading, most misunderstood, and most misused term. It was coined as a smear-word in the 1880's by so-called "Jews" as a device to conceal from Christians their sole responsibility for the existence of communism. Christians were brainwashed by so-called "Jews" to believe the term "anti-Semitism" defined an unjustified dislike by Christians for so-called "Jews", based only upon religious differences, and allegation that Jesus Christ and so-called "Jews" were both "Semites."

SPEARHEAD OF COMMUNISM

The term "anti-Semitism" was intended as a smoke-screen to conceal from Christians responsibility of so-called "Jews" for the origin, organization and operation of communism. The *Encyclopaedia Britannica* characterized so-called "Jews" as the "spearhead" of communism from its birth. After the most extensive investigation into the origin of communism, *Encyclopaedia Britannica* research uncovered the fact that the

"energy" of their "revolutionary activity" made so-called "Jews" the 'spearhead' of communism's first effort to implement Karl Marx's program for world-revolution. In all editions of the *Encyclopaedia Britannica* since that discovery, including the 1960 edition, the *Encyclopaedia Britannica*'s history of the origin of communism makes the following reference to so-called "Jews":

"They ["Jews"] engaged in revolutionary activity on a large scale, and their ["Jews"] energy made them the spearhead of the Party."

The history of the origin of communism from which the above quotation was taken, was written for the *Encyclopaedia Britannica* by Harold J. Laski, himself a so-called "Jew," and the world's foremost authority on the history of communism, resulting from a lifetime of close personal identification with communism. At the time Laski wrote this history of communism for *Encyclopaedia Britannica*, it was owned by Julius Rosenwald, himself also a so-called "Jew", of Sears Roebuck & Co. of Chicago fame and fortune. Under the circumstances, the *Encyclopaedia Britannica* would not have published the above quotation, unless it was founded upon fact, and approved by Rosenwald and Laski at the time the Soviet Union was pictured by them as a "Utopia" and a "workingman's paradise." It is a tribute to *Encyclopaedia Britannica*'s reliability that they continue to publish that historic fact when altered circumstances must now embarrass so-called "Jews."

Furthermore, the Library of Congress contains thousands of domestic and foreign newspapers, magazines, religious periodicals, documents, records and books dealing with communism, published between 1917 and 1945, supplying confirmation that leading so-called "Jews", in all walks of life throughout the world, demanded recognition for exclusive authorship of communism, and for establishing the first communist government in history, the Union of Socialist Soviet Republics in Russia in 1917, as a showcase for the world to see communism at work. Their pride of authorship for the rise of communism to world prom-

DOMINICAN REPUBLIC - ONLY FRIEND IN CARIBBEAN

By Santiago Rey
(Former Cuban Minister of State)

International Communism, victorious in Cuba, consolidated through force and terror by the bloody regime of **Fidel Castro**, now looks towards the Dominican Republic as its immediate objective.

This anti-Communist bulwark in the Caribbean, more than an insurmountable obstacle to progressive red infiltration in the Hemisphere, has become an irritant to the overall hierarchy of the Marxist doctrines by virtue of the virile, brave and decided attitude adopted before the Americas by the great leader of that country, **Generalissimo Rafael Leonidas Trujillo Molina**.

For this reason, now that Cuba has become the first satellite the Russians have in the Americas, the Government of the Dominican Republic, and her insuperable leader, are the focal point for their attacks; allowing them to prove to the rest of the Latin American nations that Red activities, gradually, though relentlessly, are being successfully carried on by the blind slaves who obey the orders of their lords and masters in Moscow.

In the same way as happened in Cuba, now, at this moment, a section of the press and radio, though not Marxist, is playing, into the hands of the Russian agents. And, with a mixture of naivete and stupidity, they are falling into the trap of facilitating their propaganda and dissemination media for use against the Dominican government without it occurring to them that they are backing the Bolshevik cause and fighting against the most outstanding and impregnable anti-Communist fortress throughout the whole of the Caribbean.

The Dominican Republic, which is assaulting no one, and which only aspires to live in peace with other nations, is imperturbably withstanding all these mendacious and insidious campaigns; it has beaten off, in an exemplary manner, several attempts at invading its territory; and it will continue, inspired by the leadership of its guide and mentor, **Generalissimo Trujillo**, to perform fully the historic mission God has given to it at this moment of decision for the world. Luckily for the nation, the firm hand of **Generalissimo Trujillo** will continue, with that energy that characterizes it, to steer the ship of state through rough and difficult seas in which the audacity and the aggressiveness of the Reds contrast most clearly with the incomprehensible timidity and inexplicable vacillations of the nation representing the great antagonistic force.

The flourishing economy of the Dominican Republic, its magnificent transformation, the solidity of its institutions, the development of its wealth, the stability of its political regime and its permanent advance post in the universal war against Communism, are things that the service minions of the Kremlin are not disposed to tolerate. It is for this reason that, against this nation and against its guide and symbol, **Generalissimo Trujillo**, plots are hatched, crimes planned, invasions attempted and an adverse public opinion created by means of lies, slander and defamation.

As a slight, though expressive, example of the nefarious publicity campaign that is being carried on, it is worth placing on record how, as the result of a frustrated plot against the powers of the State, and because of the arrests carried out (as is only logical in such cases), there have appeared news items in the papers, and loud voices have been heard over the radio, with that insistence which proves the insincerity and bias of their origin, giving tongue to hypocritical lamentations by reason of the number of arrests made.

And yet, not a word is said about the twenty thousand political prisoners, heaped together and hungry, in tunnels, cellars, and medieval prisons, ill-treated, tortured, mutilated and murdered in Cuba. Do the

dramatic denunciations published by the families of these Cuban prisoners, unfortunate victims of the sadism of their unscrupulous jailors and of those who torture for pleasure, not rouse compassion and horror? Does it mean nothing? Is not indignation aroused by the affronts suffered by these families and, particularly, by the wives of these prisoners, when they attempt to see them or to ask about them?

Take any month of those that Cuba has been suffering **Castro's tyranny**, and look at the list of prisoners and people arrested, published by Castro's press itself, and you will see the amazing number there have been. And yet, this fact does not appear to have moved any sensitive soul, to have caused any voice to be raised in protest, nor to have disturbed the peaceful sleep of those composing the **UNO's Committee on Human Rights**, nor even to have produced words of warning or mercy on the part of shepherds of souls. Nor does the democratic press and radio make mention of the monstrous crimes being perpetrated in the largest of the islands of the Caribbean.

YOUR EDITOR—

Conde McGinley, is in the hospital — too long hours — too much strain — hence our correspondence will suffer. Please bear with us and remember him in your prayers. Any help you can give us now will be appreciated.

His son, Bill

Rather the contrary is the case, a culpable silence has been kept about the death of **Lieutenant Jose Castano**, the most useful, intelligent and prepared of all the Cuban anti-Communists, murdered in cold blood by **Che Guevara** in a prison cell in the **La Cabana fortress**. And no one speaks of the unjust imprisonment, of the oppression, of the torture to which is subjected the brave and brilliant newspaperman, the Hemispheric leader of anti-Communism, **Ernesto de la Fe**, whose forehead was severely cut as a result of a gun whipping from one of his infamous jailors, leaving a deep and permanent scar. And they continue to torture him, mixing the insufficient and miserable food they give him with all kinds of offal and filth, as **Ernesto de la Fe** himself reported on an occasion when he was able to escape the vigilance of his jailors.

Complete silence is maintained regarding the continual and public slights to which **Castro** subjected **Ambassador Bonsal**, the diplomatic representative of the United States, by not receiving him nor attending to him, in complete contrast to his servile adulation of **Mikoyan**, about whom he moves ridiculously, behaving like a playful and happy small boy, though dirty, fat and bearded. And no one is moved by the sacrilege committed with the memory of **Jose**

Marti, before whose statue the representative of Russian despotism deposited a wreath in the form of a hammer and sickle. And, in face of general indifference, **Raul Castro** and **Che Guevara** mock the U. S. flag. And **Fidel Castro** outrages the Cuban flag, placing alongside it and in a preferential position, that of Soviet Union.

And the same thing occurs when the permanently genuflected puppet **President, Dorticos**, bows so deeply that he becomes a mat on which the arrogant Moscovite wipes his insolent boots, splashed with the blood of millions of victims, with the tears and mourning of oppressed peoples and with the mud of steppes, and whom the traitors to their country who are wielding power in Cuba, receive as if he were their master.

And yet, around the whole of this tragic and grotesque picture, which produces pain, indignation and nausea, a heavy shroud of silence, indifference and conformity is wrapped, denoting at bottom a secret and incomprehensible cowardice.

By reason of it all, the contrast between certain exasperating sensibilities in the case of the Dominican Republic, and a suspicious dullness in face of ruthless forms of repression and vengeance like those that are savagely used daily in Cuba, there arises the preoccupying and anguished question: is it possible that the Communists have a right to oppress, jail, steal and murder, as they did in Hungary and are doing today in Cuba, helped by the general cowardice and complicity of those who maintain a guilty silence and inhuman indifference?

The Communist conspiracy in the Americas, against which I have been battling, and will continue to do so without pause or rest, employs, it must be recognized, intelligent factors, and carries out well coordinated plans which, on occasions, confuse public opinion, through malicious campaigns, often achieving their goal.

They are attempting something like this at the present moment. There is a small country with a brave people and a great and tranquil Chief, a Chief who will not abdicate, give up, surrender, and much less become afraid. This is the Dominican Republic. It is the Dominican people. It is **Generalissimo Rafael Trujillo Molina**. Thus, despite everything, the Dominican Republic will follow the course of its destiny, maintaining itself as an example to other nations as to how those who fight against the infamous Communist doctrine and keep themselves loyal to the fundamental of Christian morality and to the principles of human dignity to which Western civilization devotes itself, should adopt an upright and irreducible attitude.

PRAYER OF ST. FRANCIS OF ASSISI (1226)

Lord, make me an instrument of Your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is discord, union; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love, for it is in giving that we receive; it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

Do we at **COMMON SENSE** subscribe to the above? We certainly do, every line. We hate no one but love **Jesus Christ** and **Our Country** sufficiently to prompt us to expose the **Marxist Anti-Christians** regardless of how clever they are or how they squirm.

ANTI-DEFAMATION LEAGUE SMEAR BACK-FIRES

FEARLESS AMERICAN PATRIOT

Congressman Francis E. Walter

In 1954 The American Jewish Committee prepared a bogus report and had a Zionist member of the staff of House Un-American Activities Committee leak this to Drew Pearson. The Zionists have used the columns of newspapers and every opportunity to convince the public that "Common Sense" has been condemned by the Un-American Activities Committee. We have answered this several times, especially in our issue No. 221 which is still available for the asking. Congressman Walter's letter (right) speaks for itself, but they will go on and on spreading false smears against us while our circulation increases.

Mr. D. P. Armstrong
834 S. W. 13th Court
Miami 35, Florida

Dear Mr. Armstrong:

This will acknowledge and thank you for your letter of April 8.

The report to which you refer, entitled "Preliminary Report on Neo-Fascist and Hate Groups", which carries the date of December 17, 1954, is one which was not finally approved by the members of this Committee of that session of Congress. As a result, it cannot be considered an official report of the Committee on Un-American Activities.

This is the reason why, when inquiry is made in connection with "Common Sense", that the response must be that it has not been cited by any official federal agency, nor has it been the subject of hearings. I hope that this will satisfactorily explain the situation to you.

With very best regards, I am

Sincerely yours,

Why Are Catholics Kept In The Dark?

The fully-informed know that radio, TV and newspapers are strictly controlled, by preventing whole truths from appearing in newspapers or discussed over TV and radio, an entire population is deliberately 'tranquillized' into submission, offering no resistance to the swift accuracy of the hangman's axe under the conspiratorial-drive of Metropolitan Regional Government—the 'American' version of Soviet-Metro—more dangerous than commUNism—the most dangerous of all Centralist Movements—now taking place in every home town, in one or more forms. It may be slum clearance, rehabilitation, city manager or county manager government—the drive to eliminate counties and centralize county authority in a regional or state authority; it may be a move to remodel or modernize your state constitution; it may be a drive for more Authority. Whatever the drive for more concentrated authority may be in your community, you'll find the not-too-Hidden-Hand of "1313" behind that drive!

The tragedy is that no effort is made to warn Catholics about this hangman's noose—this made-to-order straitjacket—through Catholic magazines,—nor will the Church itself or its dignitaries—arouse Catholics to this deadly and frightful Satanic conspiracy now taking place right under their own noses! Why were Hungarians, Poles, Czechoslovakians, even Russia's Catholics and Christians, "overcome"? They had no advance warning! Just as Catholics here in this country have no advance warning! We look for guidance from our Church and our priests—but our Church and priests remain silent—though keenly aware of the true meaning and full impact of the Marxist

drive.

Thus, America's bloodless revolution gains terrifying momentum with each passing hour; whilst Christianity—threatened with annihilation—offers no resistance. Few realize the Church itself maintains a "stained-glass" curtain over Catholics. Were it otherwise, were Catholics told—an overwhelming surge of resistance would have been evident long before these words were written. Alas, it boils down to "every dog for himself."

At long last, a tiny item appeared in the New York Times of Oct. 22, 1959. The substance was that Church leadership and vigorous Church objection should manifest itself with regard to Urban Renewal—and its cruel 'relocation' of low-income families, displaced by housing projects not being handled realistically.

Why is commUNism only discussed as it affects Hungary, Poland and other countries behind the Iron Curtain—and not emphasized as it attains Frankensteinian proportions here in our own country? Why is it there always seems time to campaign for monies for this or that worthy cause, but never time to organize lay groups for the purpose of 'awakening' Catholics, especially, to the 11th hour catastrophe about to swallow us—or bury us—under the atheistic boot! The Vatican states Catholicism cannot co-exist with communism! Yet—even at the 11th hour—in our own country—though we draw to the very brink of Totalitarianism—our Church, its priests and dignitaries — its Catholic magazines, its weekly bulletin-papers—studiously avoid the tiniest mention of Metropolitan Regional

Government—the most dangerous of Centralist Movements—as dangerous as Communism—now taking place in every home town. Witnessing for Christ will soon be the lot of all of us—whether we like it or not. A pity—a tragedy—our Church and its priests remain frozen in their tracks, almost a betrayal to Christianity itself!

"ANTI-SEMITISM" SMEAR

—o— Continued from page 1 —o—

inence was registered in no uncertain terms in the material available in the Library of Congress.

And furthermore, the National Archives of the United States, Great Britain, France, Netherlands, Belgium and other countries, have made available countless official documents and records, also confirming the claims by so-called "Jews" between 1917 and 1945, for exclusive authorship of communism, and for establishing the 1917 revolution in Russia, which unloosed communism upon an unsuspecting world. This data shatters the illusion of Christians before 1945 that the Soviet Union was a "Utopia" and "a workingman's paradise." Christians have learned a lot about communism since 1945. The communist cat got out of the bag after the end of World War II.

In the 1880's, Christians in eastern Europe were compelled to adopt measures in self-defense against the rising tide of communism. Communist aggression against Christianity was increasing rapidly under the leadership of so-called "Jews" as the "spearhead" of "revolutionary activity." Christians aimed to preserve the Christian political, economic and social systems in eastern Europe. The term "anti-Semitism" was coined by so-called "Jews" at that time. They aimed to silence Christians who opposed communism by smearing them as "anti-Semites." Christians had been brainwashed that the so-called "Jews" were survivors of the Semite "race", "religion" and "nation" which gave Christians their Semite Lord and Saviour, Jesus Christ, and consequently it was un-Christian for Christians to dislike so-called "Jews."

"JEWS" NOT SEMITES

It is an undeniable fact that Jesus Christ was a "Semite" in the true sense of the term. It is equally an undeniable fact that the so-called "Jews" were not "Semites" in any sense of the word, by any stretch of the imagination, nor were their ancestors, back to the beginning of time "Semites" either, according to the *Jewish Encyclopedia*, Volume IV, pages 1 to 5, and every other authentic history of the so-called "Jews" under consideration here.

WHAT IS A "SEMITE?"

What is the correct meaning of that word?

Noah had three sons, Japeth the legendary ancestor of the European populations, Ham the legendary ancestor of the African population and Shem the legendary ancestor of the Middle East population. The name "Shem" became "Sem" in Greek and Latin when the legend of Noah was accepted by the Greeks and Romans. In 1781, Professor August Ludwig von Schlosser, a professor in Göttingen University in Germany, in writing about language-groups coined the word "Semitic" to describe the language-group spoken by the legendary descendants of "Sem", the nations in the Middle East, who spoke many languages with similar vocabularies and similar grammar structures. Prior to 1781, the term "Semitic" did not exist in any language of the world. The term "Semitic" did not infer or imply race, religion or nationality. The terms "Semite" and "Semitism" did not yet exist in any language of the world.

In 1899, Ludwig Bamberger was recognized as the world's leading authority on

this subject, and was himself a so-called "Jew." In his "Memoirs," Ludwig Bamberger stated that in 1858 the term "Semitism" had "not yet been invented." In 1881 a leading authority on this subject published in the "Allgemeine Zeitung des Judentums" that "anti-Semitism" was "a designation which recently came into use." In the same publication in the same year, another authority published the fact that "anti-Semitism" is a "quite recent" designation that was "hardly three years old." The first appearance of the word "anti-Semitism" in print appeared in 1880 in Wilhelm Marr's collection of articles on that subject.

A TERM WITHOUT MEANING

In the 1880's so-called "Jews" coined the term "anti-Semitism" from the term "Semite." In view of what the term "Semite" meant, it is not certain what the term "anti-Semitism" can mean. It must be apparent that it is meaningless, misunderstood and misused, if it was intended to mean a dislike for so-called "Jews." There was no necessity to coin a term to express a dislike for so-called "Jews" because such a word already existed in the dictionaries, and was then in use by so-called "Jews", including the Chief Rabbis of leading European countries.

JUDAEOPHOBIA CORRECT TERM

Prior to the 1880's the dictionary term for a person who disliked so-called "Jews" was "Judaephobe." The dictionary term for dislike of so-called "Jews" was "Judaephobia." The Chief Rabbi of England, Herman Adler in *Electic Magazine* XXXV in 1882 states on page 205. "The most rabid Judaephobe," and on page 196, "Recent phases of Judaephobia." Thousands of other quotations are available showing the use of "Judaephobe" and "Judaephobia" before "anti-Semitism" was coined. The so-called "Jews" evidently wished to discontinue the use of terms "Judaephobe" and "Judaephobia" because it drew unfavorable attention to the term "Judaephobia", reflecting adversely upon so-called "Judaism." The use of the terms "Judaephobe" and "Judaephobia" put so-called "Judaism" on the defensive, whereas "anti-Semitism" put Christians on the defensive, as an enemy of Jesus Christ, the "Semite." But so-called "Jews" continue to use the term "Judaephobia", as they do in the term "Judaephobia-Christian", to which they attach more complimentary connotation as in their use of "Judaephobia-Christian."

"JEWS" OF KHAZAR ORIGIN

The term "so-called 'Jews'" is used to describe the persons of Khazar origin who profess a religious belief called "Judaism" in modern times, and who conceived, created and cultivated communism. The term "Jew" was coined in the 18th century, as the English term for the Greek "Ioudaios" and the Latin "Iudaeus." The Greek "Ioudaios" and the Latin "Iudaeus" meant "Judean." Jesus Christ was mentioned either as a "Ioudaios" or as a "Iudaeus" in the original Greek and Latin manuscripts of the Bible from which the first English translation was made in the 14th century. When the first English translation of the Bible was made, the converted Khazars in eastern Europe were not known as "Jews." They elected in modern times to call themselves "Jews", based upon their allegation that if Jesus Christ was a "Jew" they were also "Jews", because they were allegedly "Semites."

CHRIST NOT A "JEW"

If Jesus Christ was a "Jew," there are no "Jews" in the world. If the descendants of the converted Khazars call themselves "Jews", Jesus Christ was not a "Jew." Inscribed on the Crucifix by Pilate was "Iesu Nazarenus, Rex Iudaeorum." Any first-year Latin student knows that "Iudaeorum" can only mean "of the Judeans," the Genitive Plural of the Nominative Single "Iudaeus," meaning "Judean" in Latin. Jesus Christ, in English translations of the Bible, is a "Jew" only in the sense He was a "Judean." The converted Khazars were not "Judeans," and neither they nor their de-

scendants can truthfully be called "Jews." The Middle East province of the Roman Empire called "Judea" ceased to exist after the fall of the Roman Empire. There are only "so-called 'Jews'" in the world today, there are no "Jews" in the world in the sense Jesus Christ is called a "Jew."

STOP USE OF FALSE TERM

Christians must do everything in their power to stop the use of the term "anti-Semitism." Christians must stop the use of the term "anti-Semitism" or permit the creeping-conquest of Christianity to take its toll. Christians can soon stop the use of the term "anti-Semitism." Christians should "Boo" speakers who use the term "anti-Semitism" in their presence. If this were done, they will soon stop using it. Christians should make no exceptions to that rule. Christians should write letters to newspapers, magazines, radio and television networks and local stations, motion-picture producers, their Congressmen and Senators, their other elected officials and religious publications. Protest against the use of the term "anti-Semitism." Protest you are not an ignoramus. Protest against their insult to your intelligence.

If Christians had the courage to use methods like those used by the Anti-Defamation League of the B'nai B'rith, the terms "anti-Semitism," "anti-Semitic" and "anti-Semite" would soon never be seen or heard again. If Christians want to see Christianity go down the drain, just do nothing to stop so-called "Jews" from using the terms "anti-Semitism", "anti-Semitic" and "anti-Semite." Christianity is worth saving from communism. Start the "Boo" campaign in your neighborhood today, and write letters whenever you see these terms in print. It is up to Christians to save Christianity. The so-called "Jews" will not do it for Christians, hardly!

Enclose a copy of this issue of "Common Sense" with your letter—you will help to SPREAD THE TRUTH.

Some people become excited when accused of being "anti-semitic," however ridiculous to those of us who know that all followers of Christ are considered "anti-semitic" by the anti-Christ forces.

Robert Donner, prominent Zionist writer, in the *REPUBLIC OF ISRAEL*, page 10, states:

"To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century on, Jesus became the symbol of anti-semitism, of libel, of cruelty, of violent death."

created the Soviet Union and unleashed communism upon the world**By **BENJAMIN H. FREEDMAN**

It will come to Christians in the United States at this very late date, in the year 1960, as their most shocking surprise since news of the bombing of Pearl Harbor rocked the nation on December 7, 1941 to now learn for the first time **THE UNITED STATES WAS MANEUVERED INTO THE WORLD WAR IN 1917 BY THE OCTOBER 1916 "NECESSARILY SECRET 'GENTLEMEN'S AGREEMENT'" BETWEEN THE ZIONISTS AND GREAT BRITAIN UNDER WHICH THE ZIONISTS WERE TO OCCUPY PALESTINE AFTER THE WAR AND IN DUE COURSE MAKE PALESTINE THEIR AUTONOMOUS AND INDEPENDENT SOVEREIGN SO-CALLED "JEWISH STATE" WITH ALL NECESSARY CO-OPERATION AND SUPPORT FROM GREAT BRITAIN AS PAYMENT TO THE ZIONISTS FOR MANEUVERING THE UNITED STATES INTO WORLD WAR I AS GREAT BRITAIN'S ALLY.**

The most eminent authorities on this subject throughout the world today unanimously acknowledge as an undeniable historic fact that **THE OCTOBER 1916 "NECESSARILY SECRET 'GENTLEMEN'S AGREEMENT'" BETWEEN THE ZIONISTS AND GREAT BRITAIN PRODUCED THE SOVIET UNION AND UNLEASHED COMMUNISM UPON THE WORLD** in the due course of implementing the Zionist program for occupying Palestine after the war and thus make Palestine their autonomous and independent sovereign so-called "Jewish State" all according to plan.

"Great Britain, The Jews and Palestine", written by Mr. Samuel Landman of London, the well-known English Zionist, recognized inside and outside Zionist circles throughout the world as the greatest authority on the October 1916 "necessarily secret 'gentlemen's agreement'", was published in 1936 by the New Zionist Press of 47 Finchley Road, London, N. W. 8, for Mr. Vladimir Jabotinsky's New Zionist Organization in London, the world's most ultra-Zionist organization, as the New Zionist Organization's "New Zionist Publications—No. 1", from which the following quotation is taken from page 4:

"DURING THE CRITICAL DAYS OF 1916 . . . MR. JAMES A. MALCOLM, WHO WAS ALREADY AWARE OF GERMAN PRE-WAR EFFORTS TO SECURE A FOOT-HOLD IN PALESTINE THROUGH ZIONIST JEWS . . . SPONTANEOUSLY TOOK THE INITIATIVE, TO CONVINCE FIRST OF ALL SIR MARK SYKES, UNDER SECRETARY TO THE WAR CABINET, AND AFTERWARDS MONSIEUR GEORGES PICOT, OF THE FRENCH EMBASSY IN LONDON . . . THAT THE BEST AND PERHAPS THE ONLY WAY, WHICH PROVED SO TO BE, TO INDUCE THE AMERICAN PRESIDENT TO COME INTO THE WAR WAS TO SECURE THE CO-OPERATION OF ZIONIST JEWS BY PROMISING THEM PALESTINE, AND THUS ENLIST AND MOBILIZE THE HITHERTO UNSUSPECTEDLY POWERFUL FORCES OF ZIONIST JEWS IN AMERICA AND ELSEWHERE IN FAVOUR OF THE ALLIES ON A "QUID PRO QUO" CONTRACT BASIS. THUS, AS WILL BE SEEN, THE ZIONISTS, HAVING CARRIED OUT THEIR PART, AND GREATLY HELPED TO BRING AMERICA IN[TO THE WAR], THE BALFOUR DECLARATION OF 1917 WAS BUT THE PUBLIC CONFIRMATION OF THE NECESSARILY SECRET 'GENTLEMEN'S AGREEMENT' OF 1916 . . . AND NOT MERELY A VOLUNTARY ALTRUISTIC AND ROMANTIC GESTURE ON THE PART OF GREAT BRITAIN AS CERTAIN PEOPLE EITHER THROUGH PARDONABLE IGNORANCE ASSUME OR UNPARDONABLE ILLWILL WOULD REPRESENT OR RATHER MISREPRESENT."

In a series of articles on this subject called "Balfour Declaration: Secret Facts Revealed", which appeared in the important Zionist weekly publication "World Jewry", Samuel Landman

therein described the circumstances under which Zionist leaders in London in October 1916 exacted their so-called "necessarily secret 'gentlemen's agreement'" from Great Britain's War Cabinet, in Great Britain's "blackest hour" in World War I. The following quotation is from "Balfour Declaration: Secret Facts Revealed", which appeared in the installment of the series in the February 22, 1935 issue of "World Jewry":

" . . . NOT EVERYONE KNOWS WHAT TOOK PLACE DURING THE CRUCIAL SUMMER OF 1916 . . . THE BRITISH AND FRENCH GOVERNMENTS HAD ENTERED INTO A SECRET PACT, KNOWN AS THE SYKES-PICOT TREATY . . . FOR THE PURPOSE OF DIVIDING PALESTINE, GIVING THE NORTHERN HALF TO FRANCE AND THE SOUTHERN TO ENGLAND. IN THIS PACT THERE IS NO SUGGESTION OF ANY JEWISH INTEREST IN PALESTINE. THAT WAS THE SITUATION IN THE LATE SUMMER OF 1916 . . . THE WAR CABINET WAS GREATLY DISTURBED AT THE FAILURE, UP TO THAT TIME, OF ALL EFFORTS TO ENLIST THE PRACTICAL SYMPATHY AND HELP OF THE UNITED STATES. THE FRENCH GOVERNMENT HAD SENT A SPECIAL EMISSARY, WITHOUT SUCCESS. ITALY HAD TRIED TO USE THE INFLUENCE OF POWERFUL ITALIAN CITIZENS IN THE U.S.A. BUT TO NO AVAIL . . . HAD THOUGHT OF ENLISTING THE SUBSTANTIAL JEWISH INFLUENCE IN THE UNITED STATES, BUT HAD BEEN UNABLE TO DO SO . . . THE JEWISH HATRED OF TSARIST RUSSIA WAS SO STRONG AS TO MAKE IT IMPOSSIBLE FOR AMERICAN JEWS TO BE OTHER THAN PRO-GERMAN . . . MALCOLM INFORMED SYKES THERE WAS A WAY TO MAKE AMERICAN JEWS THOROUGHLY PRO-ALLY . . . MALCOLM CONTINUED, 'YOU CAN WIN THE SYMPATHY OF JEWS, EVERYWHERE, IN ONE WAY ONLY, AND THAT WAY IS BY OFFERING TO TRY AND SECURE PALESTINE FOR THEM' . . . SIR MARK [SYKES], THINKING OF THE SYKES-PICOT TREATY, SAID THAT SUCH A MOVE WAS IMPOSSIBLE. MALCOLM INSISTED THERE WAS NO OTHER WAY, AND URGED A CABINET DISCUSSION . . . MALCOLM POINTED OUT THE INFLUENCE OF JUDGE BRANDEIS OF THE AMERICAN SUPREME COURT, AND HIS STRONG ZIONIST SYMPATHIES. IF SIR MARK SYKES COULD OBTAIN FROM THE WAR CABINET AN ASSURANCE THAT HELP WOULD BE GIVEN TOWARDS SECURING PALESTINE FOR THE JEWS, IT WAS CERTAIN THAT JEWS IN ALL NEUTRAL COUNTRIES, ESPECIALLY THE UNITED STATES, WOULD BECOME PRO-BRITISH, AND PRO-ALLY . . . HE COULD GO TO THE ZIONISTS AND SAY, 'IF YOU HELP THE ALLIES, YOU WILL HAVE THE SUPPORT OF THE BRITISH IN SECURING PALESTINE FOR THE JEWS' . . . IF THE ALLIES WANTED THE HELP OF THE UNITED STATES, PALESTINE MEANT JEWISH SUPPORT, WHICH WAS BECOMING INCREASINGLY NECESSARY . . . A DAY OR TWO LATER, MALCOLM WAS INFORMED THAT THE CABINET HAD AGREED TO HIS SUGGESTIONS, AND AUTHORIZED HIM TO OPEN NEGOTIATIONS WITH THE ZIONISTS . . . SAYING THAT THE TIME HAD COME FOR JEWRY TO CEASE TO BE ANTI-RUSSIAN AND PRO-GERMAN, AND TO COME DEFINITELY ON THE SIDE OF THE ALLIES. IF THIS COULD BE DONE, THERE WAS A GREAT OPPORTUNITY FOR THE JEWS TO SECURE PALESTINE . . . IN THIS WAY WERE THE ZIONIST LEADERS FIRST BROUGHT INTO CONTACT WITH THE BRITISH WAR CABINET."

President Woodrow Wilson declared war against Germany in 1917, allegedly "to keep the world safe for democracy", but George Sylvester Viereck, in "The Strangest Friendship in History", p. 180, quoted President Wilson as having stated in 1915:

"THIS COUNTRY WILL NEVER GO INTO WAR WHILE I AM PRESIDENT."

In a letter to Senator William J. Stone, Chairman of the Senate Committee on Foreign Relations on February 25, 1916, quoted by President Wilson's former secretary Joseph P. Tumulty in "Woodrow Wilson as I Knew Him", page 206, President Wilson is quoted as having stated:

"... I shall do everything in my power to KEEP THE UNITED STATES OUT OF WAR."

George Sylvester Viereck, in his classic history, page 118, quotes President Wilson as having also stated in December 1915:

"I am not justified in forcing my opinion upon the people of the United States AND BRINGING THEM INTO A WAR WHICH THEY DO NOT UNDERSTAND."

In "The Strangest Friendship in History", page 106, George Sylvester Viereck reveals President Wilson's secret agreement with England and France which pledged the United States to intervene in World War I ten months before President Wilson campaigned for a second term as President in 1916 with the slogan "He kept us out of war":

"Ten months before the election which returned Wilson to the White House in 1916 'BECAUSE HE KEPT US OUT OF WAR', Colonel House negotiated a secret agreement with England and France on behalf of Wilson which PLEDGED THE UNITED STATES TO INTERVENE ON BEHALF OF THE ALLIES. On March 9, 1916, Woodrow Wilson formally sanctioned the undertaking. If an inkling of the conversations between Colonel House and the leaders of England and France had reached the American people before the election, IT MIGHT HAVE CAUSED INCALCULABLE REVULSIONS OF PUBLIC OPINION."

The Saturday Evening Post of May 11, 1940 carried an article by Demaree Bess which revealed how President Wilson looked with favor on getting the United States into the war, in the Spring of 1916 while at the same time he was planning to campaign six months later for his second term on the slogan "He kept us out of war":

"THE AMERICAN PUBLIC DID NOT KNOW FOR YEARS how far President Wilson had been willing to commit us in that Spring of 1916. If they had known, they might not have responded so trustfully TO HIS CAMPAIGN SLOGAN: 'HE KEPT US OUT OF WAR.'"

President Wilson's Secretary of State Robert Lansing, in "War Memoirs of Robert Lansing", page 27, explained that the sentiment throughout the nation in 1915 was very much against war against Germany under any foreseeable circumstances:

"... As far as one could judge from the press and from statements of observers in various parts of the country, A MAJORITY OF THE PEOPLE WERE OPPOSED TO TAKING STEPS WHICH WOULD LEAD TO WAR WITH GERMANY..."

In his "War Memoirs", Volume 3, page 1665, David Lloyd George reveals that while President Wilson was ostensibly giving the world the impression he was trying to keep the United States out of war, President Wilson was seeking a pretext for the declaration of war against Germany at that very time:

"The President was waiting for Germany to declare herself by some 'overt act' which would serve as a pretext for resolving his perplexities... THE PRESIDENT... WAS RELUCTANT TO TAKE ANY ACTION WHICH WOULD LOOK AS IF HE CONTEMPLATED WAR."

The "New York Times" of January 16, 1936, page 1, thus corroborated the view Rabbi Wise expressed in his address in London on December 28, 1918, after the Zionists had transferred their allegiance to Great Britain from Germany in payment to them for the November 2, 1917 so-called "Balfour Declaration":

"Evidence from Foreign Relations Committee file shows Wilson to have stated the United States would have entered the war on the Allied side EVEN IF GERMANY HAD COMMITTED NO UNJUST ACT."

In his "America Goes to War", Professor Charles Callan Tansill reveals that in the "Diary of Robert Lansing" for February 21, 1916, in the Division of Manuscripts of the Library of Congress, Secretary of State Lansing disclosed that President Wilson desired war with Germany as early as February 21, 1916:

"MONDAY NIGHT MANY MEMBERS OF THE HOUSE WERE INFORMED THAT THE PRESIDENT DESIRED WAR WITH GERMANY. This followed an interview between the President, Senators Stone and Kern and Representative Flood. On Tuesday the House was seething. Wednesday and Thursday it was the same. OPPOSITION TO WAR DEVELOPED CONSIDERABLE STRENGTH."

In his "War Memoirs of Robert Lansing", page 22, Secretary of State Lansing again calls attention to the strong feeling in the United States in 1915 against any war with Germany:

"The opposition to entering the war on the side of the Allies was strong in 1915 IN SPITE OF THE LUSITANIA AFFAIR."

In his "War Memoirs of Robert Lansing", pages 24-25, Secretary Lansing explains why President Wilson adopted a policy

of delay in the declaration of war against Germany in 1915:

"... The passage of a declaration of war against Germany in the summer of 1915 was certainly impossible... To have attempted it and to have failed would have been an irreparable disaster to the cause of the Allies... THE WHOLE COURSE OF HISTORY MIGHT HAVE BEEN CHANGED IF PRESIDENT WILSON HAD ATTEMPTED AND FAILED TO OBTAIN A DECLARATION OF WAR AGAINST THE GERMAN EMPIRE SOON AFTER THE 'LUSITANIA' AFFAIR. THE UNCERTAINTY OF THE RESULT WAS TOO GREAT TO WARRANT THE ATTEMPT, AND MR. WILSON WISELY ADOPTED A POLICY OF DELAY..."

President Wilson was Governor of New Jersey in 1911 at the time Rabbi Wise and Mr. deHaas, in their "The Great Betrayal", on page 35, revealed President Wilson was well rehearsed on what the Zionists expected of him after they installed him in the White House in the 1912 Presidential elections:

"... President Wilson... AS EARLY AS 1911 AND REPEATEDLY THEREAFTER HAD MADE KNOWN HIS PROFOUND INTEREST IN THE ZIONIST CAUSE."

In "Challenging Years—The Autobiography of Stephen Wise", Rabbi Wise reveals the indoctrination he gave President Wilson on Zionism prior to 1912, and how his associate Brandeis viewed President Wilson's attitude towards Zionism:

"I had taken occasion to give President Wilson, EVEN BEFORE HIS INAUGURATION A RATHER FULL OUTLINE OF ZIONISM. FROM THE BEGINNING OF HIS ADMINISTRATION, BRANDEIS AND I KNEW THAT IN WILSON WE HAD AND WOULD ALWAYS HAVE UNDERSTANDING SYMPATHY WITH THE ZIONIST PROGRAM AND PURPOSE."

Mr. Selig Adler, in "The Palestine Question in the Wilson Era", published in "Jewish Social Studies" of October 1948, Vol. 10, No. 4, pages 303-334, reveals the pressure exerted upon President Wilson on behalf of Zionist plans by Supreme Court Justice Brandeis as early as 1914:

"As early as 1914 Brandeis had approached Wilson on Zionist plans and RECEIVED VERBAL ASSURANCES OF AMERICAN SUPPORT."

In "Louis D. Brandeis", his biography of Supreme Court Justice Brandeis, Mr. deHaas called attention to President Wilson's resolve to aid the Zionist cause:

"... President Wilson whose interest in Palestine... was profound made it abundantly clear that... HE WAS DETERMINED TO AID IN THE ZIONIST CAUSE."

In the Jubilee Supplement of "The Jewish Chronicle" of London, on May 3, 1935, page iii, the anti-Russian sentiment of English Zionists against Great Britain's ally at the outbreak of the war in 1914 received comment:

"That England entered upon its great struggle in alliance with Russia... WAS A BITTER PILL FOR ENGLISH JEWS TO SWALLOW."

In the "Jewish Advocate" of Boston, U.S.A. on January 20, 1916, page 8, Jacob deHaas gives an insight into why Zionists in the United States were pro-German:

"IT IS ON ACCOUNT OF THE RUSSIAN JEWS THAT THE MAJORITY OF JEWS IN AMERICA WERE PRO-GERMAN."

Rabbi Stephen Wise explains in Paul Goodman's "The Jewish National Home" of London for 1943, page 41, why "Jewish forces" in the United States withheld their support of the Allies from the outbreak of the war in 1914 until the overthrow of the Tzarist regime in Russia in 1917:

"... JEWISH FORCES WERE EXPLICITLY DIS-AFFECTED BY THE INCLUSION OF TZARIST RUSSIA AMONG THE ALLIES."

"The Jewish World" of London, on August 9, 1916, page 12, discouraged support of the Allies on account of "Jewish oppression" in Russia:

"... Pro-Germans in the United States and other neutral countries... are able to point out the Jewish oppression... AS A REASON WHY JEWS SHOULD NOT SUPPORT THE ALLIES... The Russian policy towards Jews has even been put to the fullest profit by the Germans in their conquest of Poland."

In "Jews In Palestine" published in New York in 1936, Abraham Revusky explains on page 276 the reluctance of "Jewish masses" in neutral countries and in the United States, to support Allied war effort until the Tzarist regime was overthrown in 1917:

"There is no denying that in the first period of the war the Jewish masses in neutral countries, and particularly in the United States, FEARED THAT A VICTORY OF THE ALLIES WOULD STRENGTHEN AND PERPETUATE THE REACTIONARY AND JEW-BAITING RUSSIAN REGIME."

Rabbi Stephen Wise and Jacob deHaas in their "The Great Betrayal", pages 25-26, expressed their reluctance to support Great Britain's war effort because Russia was Great Britain's ally:

"To side with England was natural enough to the overwhelming majority, BUT BY SIDING WITH ENGLAND TO SUPPORT RUSSIA... SEEMED IMPOSSIBLE."

In his "Two Studies In Virtue" published in London in 1953, Christopher Sykes, the son of Sir Mark Sykes who negotiated the October 1916 "necessarily secret 'gentlemen's agreement'", on page 169, points out that as early as 1914-1915 the Zionists had planned the overthrow of the Tsarist regime in 1916-1917:

"In the first part of the war, Jewish influence in America tended towards neutrality coloured by hopes THAT GERMAN WOULD DESTROY THE ROMANOV EMPIRE. THIS JEWISH DISPOSITION WAS DESTINED TO HAVE RESULTS OF THE GREATEST POSSIBLE IMPORTANCE."

In "David Lloyd George—The Official Biography", pages 272-274, Malcolm Thompson points out that when Russia's military strength was breaking down in 1916, it appeared possible to keep Russia in the war as an ally with the help of the "Russian Jews" only if Palestine was promised to them to do so.

"Russia was clearly breaking down. BUT THE RUSSIAN JEWS, WHO HAD HITHERTO BEEN PRO-GERMAN WERE STRONG SUPPORTERS OF ZIONISM, and an Allied declaration in favor of its aims might hold them on the side of the Entente. IT WOULD ALSO RALLY AMERICAN JEWRY, WHICH WAS SIMILARLY PRO-GERMAN."

Samuel Landman is quoted in "The Jewish Chronicle" of London, on February 7, 1936, page 33, as having stated:

"DURING THE CRITICAL DAYS OF THE WAR, IN 1916, WHEN THE DEFECTION OF RUSSIA WAS IMMINENT AND JEWISH OPINION GENERALLY WAS ANTI-RUSSIAN and had hopes that Germany if victorious would in certain circumstances give them Palestine, several attempts were made by the Allies to bring America into the War on their side. THESE ATTEMPTS WERE UNSUCCESSFUL."

David Lloyd George, in "The Truth About The Peace Treaties", published in London in 1938, Vol. 2, page 1121, described the difficulties created for Great Britain by the anti-Russian sentiment among Zionists from 1914 until the overthrow of the Tsarist regime in Russia in 1917:

"Quite naturally JEWISH SYMPATHIES WERE TO A GREAT EXTENT ANTI-RUSSIAN AND THEREFORE IN FAVOUR OF THE CENTRAL POWERS."

The eminent editor of "The Times" of London, H. Wickham Steed in his address before the Royal Institute of International Affairs in London on June 9, 1936, reported in "International Affairs" of London for September-October 1936, Vol. 15, No. 5, regarding the war situation in 1916 stated:

"There was the war situation. THE FRONT IN RUSSIA WAS CRUMBLING, AND IN THE UNITED STATES THE JEWS WERE VERY ANTI-ALLY, and it seemed that the idea of a national home might help to win support from that quarter for the Allies."

The Hon. Eric H. Louw, a Member of Parliament, in a speech before the South African Assembly in Capetown, South Africa on February 24, 1939, is quoted in "The Congressional Record" in Washington, D. C. on August 1, 1940, pages A 4719-4720, described Great Britain's "most critical hour" in 1916: (Hon. Eric H. Louw is today Foreign Minister of South Africa.)

"... The position became so acute that the British Government was obliged to do something in order to secure the support of the Jews. IT WAS DURING THE MOST CRITICAL HOUR OF THE WAR. What did they do? It came in the form of the Balfour declaration on Palestine ... It was necessary for England to enlist Jewish help. THE JEWS WERE AGAINST ENGLAND, BUT THE JEW WAS PREPARED TO GIVE HIS HELP TO THE ALLIED CAUSE FOR A PRICE, AND THE PRICE THAT THE BRITISH GOVERNMENT PAID WAS THE BALFOUR DECLARATION."

Sir William Joynson-Hicks, a member of the House of Commons of the British Government, was quoted in "The Times" of London of June 15, 1922, page 8, as follows:

"The Balfour Declaration of 1917 WAS NOT A SPONTANEOUS ACT on the part of the Government."

Sir William Joynson-Hicks, M.P. on another occasion was quoted in "The Jewish World" of London of May 11, 1922, page 3, as follows:

"Why the Balfour Declaration was ever made was one of the mysteries of modern politics. It was never approved by the House of Commons, never approved by a representative assembly in this country. IT WAS ENGINEERED BY THE ZIONIST ORGANIZATION."

"The Morning Post" of London, on October 16, 1922, page 6, characterizes the so-called "Balfour Declaration" as suggestive of Zionist "blackmail":

"We have frequently complained of the atmosphere of intrigue and secrecy in which they worked, and we do not at all like the coincidence BETWEEN THE TIME OF DIRE BRITISH NECESSITY AND THE BALFOUR DECLARATION, A COINCIDENCE TOO SUGGESTIVE OF BLACKMAIL."

The Chairman of the Manchester Zionist Association, Mr. B. Hirsh is quoted in the "Manchester Guardian" of Manchester, England on November 18, 1943, page 4, as calling attention to the "low ebb" of the fortunes of war for Great Britain when the October 1916 "necessarily secret 'gentlemen's agreement'" was made with the Zionists by Great Britain:

"THE PROMISE WAS MADE AT A TIME WHEN THE FORTUNES OF THE ALLIES WERE AT A LOW EBB, WHEN THE WAR MIGHT HAVE BEEN DECIDED EITHER WAY ..."

In his biography of Lord Milner, "Alfred Lord Milner", published in London in 1958, John Evelyn Wrench on page 305 calls attention to Great Britain's difficulties in 1916:

"THE YEAR 1916 WAS AGAIN A PERIOD OF FURTHER DISASTERS FOR THE NATION, though from Milner's standpoint it was the turning of the tide."

Paul Goodman in his "The Jewish National Home", published in London in 1943, on page 30-31, stated:

"THE FACT THE WAR WENT BADLY FOR THE ALLIES, and that the United States of America were averse to any active participation in the conflict on either side ... It came to be recognized in London that the sympathies of the American Jews, WHOSE PRO-ALLIED SENTIMENTS WERE WITHHELD OWING TO THE BARBARITIES INFLICTED BY TZARIST RUSSIA UPON ITS JEWISH SUBJECTS, COULD BE WON IF THE BRITISH GOVERNMENT TOOK THE LEAD IN A PRO-JEWISH GESTURE ..."

Sir Winston Churchill, a Member of Parliament at the time, in "Parliamentary Debates", House of Commons, Great Britain, column 329, on July 4, 1922, is quoted there as having stated:

"Pledges and promises were made during the war, and ... they were made because IT WAS CONSIDERED THEY WOULD BE OF VALUE TO US IN OUR STRUGGLE TO WIN THE WAR. It was considered that the support the Jews could give us all over the world, AND PARTICULARLY THE UNITED STATES, AND ALSO IN RUSSIA, would be a definite palpable advantage."

The "Manchester Guardian" of December 4, 1943, page 4, quoted Mr. James A. Malcolm, who initiated and carried on the negotiations which resulted in the October 1916 "necessarily secret 'gentlemen's agreement'", which Rabbi Wise termed the "informal agreement with the British Government":

"... A GENTLEMEN'S AGREEMENT WAS CONCLUDED BETWEEN THE BRITISH GOVERNMENT, with the concurrence of our Allies, on the one part AND THE ZIONIST LEADERS IN LONDON on the other part."

The "Manchester Guardian" of December 4, 1943, page 4, further quoted Mr. James A. Malcolm, referring to the aforesaid October 1916 "necessarily secret 'gentlemen's agreement'":

"THE BALFOUR DECLARATION WAS BUT THE WRITTEN CONFIRMATION OF THIS GENTLEMEN'S AGREEMENT WHICH WAS DISCUSSED AND DEBATED FOR SEVERAL WEEKS BY THE INTERESTED PARTIES. MR. BALFOUR, WHO MEANWHILE HAD BECOME FOREIGN SECRETARY, WAS THE OBVIOUS PERSON TO SIGN THIS DOCUMENT ON BEHALF OF THE BRITISH GOVERNMENT."

Viscount Herbert Samuel, a leading English Zionist and the first High Commissioner for Palestine under the British Mandate of 1920, in his "Memoirs" published in London in 1945, page 119, stated:

"ALL THROUGH 1915 AND 1916 THE WAR HAD BEEN GOING BADLY."

Richard H. C. Crossman, a Zionist and a Member of the British Parliament, in "Palestine Mission—A Personal Record", published in New York in 1947, page 29, stated:

"One of the purposes of the British Government in issuing the Balfour Declaration had been TO WIN JEWISH SUPPORT AT A TIME WHEN THE FIRST WORLD WAR WAS GOING BADLY."

David Lloyd George, Great Britain's Prime Minister in World War I, is quoted in "The Jewish Chronicle" of London on November 3, 1937, page 16, justifying the issuance of the so-called "Balfour Declaration" by Great Britain during the blackest hours of the war, as having stated:

"THE DECLARATION WAS ISSUED AT A TIME OF UNPARALLELED STRESS AND ANXIETY FOR THE BRITISH PEOPLE ... It received the full assent of all the Allied Powers and of the United States."

In his "War Memoirs", Vol. 3, page 1676, David Lloyd George describes the course of the war for Great Britain in 1916 in these few words:

"THE ALLIED CAUSE WAS NOT PROSPERING."

David Lloyd George, in his "War Memoirs" published in London in 1934, Vol. 3, page 1676, describes German submarine success on the high seas as a justification for the October 1916 "necessarily secret 'gentlemen's agreement'" with the Zionists in London:

"ON SEA THE SUBMARINE PERIL WAS AT ITS HEIGHT AND THE HEART OF OUR ADMIRALS AT ITS LOWEST."

David Lloyd George is quoted in "The Jewish Chronicle" of London, on October 31, 1930, page 22, as having stated:

"AT THE MOST CRITICAL MOMENT IN THE WAR we were anxious to secure the goodwill of the Jewish Community throughout the world on the side of the Allies. The Balfour Declaration about Palestine was a gesture, not merely on our part but on the part of the Allies, TO SECURE THAT VALUABLE SUPPORT."

In his biography of David Lloyd George, "David Lloyd George" published in London in 1948, Malcolm Thompson, David Lloyd George's biographer, on page 257, describes how badly Great Britain was faring in the war when the October 1916 so-called "necessarily secret 'gentlemen's agreement'" was made:

"AS THE AUTUMN DREW ON THE FAILURE OF OUR MILITARY EFFORTS AND THE FUTILITY OF OUR STRATEGY OF ATTRITION, THE GROWING WEAKNESS OF RUSSIA AND THE SWIFT DWINDLING OF OUR FOOD SUPPLIES AS A RESULT OF THE GERMAN SUBMARINE WARFARE, ALL COMBINED TO PRESENT A HOPELESS PICTURE IN WHICH NOTHING GAVE ANY PROMISE THAT WE WERE ADVANCING TOWARD VICTORY. TO SOME, THIS DARK OUTLOOK SUGGESTED THAT IT WAS TIME TO CALL OFF THE WAR."

General Christian Jan Smuts, a Member of the British War Cabinet in 1917, and an Ex-Premier of South Africa, was quoted in "The Jewish Chronicle" of London, on October 31, 1930, page 22, as having stated:

"... The Balfour Declaration ... was intended to rally powerful Jewish influence for the Allied Cause AT THE DARKEST HOUR OF THE WAR."

Rabbi Stephen Wise and Jacob deHaas, in their "The Great Betrayal", page 8, quote General Smuts as having said the same about the so-called "Balfour Declaration":

"... Its intention was to obtain the powerful Jewish influence for the Allied cause AT THE DARKEST HOUR OF THE WAR."

Samuel Landman is quoted in "The Jewish Chronicle" of London, on November 29, 1935, page 31, as having stated:

"The Balfour Declaration was not given out of sentimental love of the Jewish people, but was actually a contract given to the Jewish people in exchange for certain political advantages to the Allies DURING THE MOST CRITICAL PERIOD OF THE WAR YEARS."

In "Louis D. Brandeis", his biography of Supreme Court Justice Brandeis, Mr. Jacob deHaas recalled that Brandeis first impressed his Zionist views for the future of Palestine upon President Wilson in the first months after the outbreak of World War I in Europe in July 1914 and that Brandeis was able to get President Wilson to then discuss the future of Palestine with the British and French Ambassadors in Washington, on page 79 Mr. deHaas stated:

"EARLY IN THE FALL OF 1914 BRANDEIS ... DID NOT HESITATE TO APPROACH PRESIDENT WILSON, WHO SYMPATHIZED FULLY WITH BRANDEIS' ZIONIST VIEW, AND THEN PROCEEDED TO DISCUSS THE FUTURE OF PALESTINE WITH THE BRITISH AND FRENCH AMBASSADORS IN WASHINGTON."

In "The Real Origin of the Balfour Declaration", published in London in 1946, page 11, Captain H. C. Head-Jenner confirmed that the October 1916 so-called "necessarily secret 'gentlemen's agreement'" was made one year before the issuance of so-called "Balfour Declaration":

"Further talks were held, at which Dr. Weizmann was present, all of which were held with the knowledge of Lord Hankey, at that time Secretary of the Cabinet. These resulted in an understanding, OR GENTLEMEN'S AGREEMENT, that Zionists should work for active Jewish sympathy and support for the Allied cause, especially in the United States, so as to bring about a radical pro-Ally tendency in that country, AND THAT THE BRITISH CABINET WOULD HELP THE JEWS TO GAIN PALESTINE IN RETURN FOR THIS."

United States Senator Robert F. Wagner of New York, father of the present Mayor of New York City, and the moving spirit in the so-called American Christian Palestine Committee, the most effective Zionist front in the United States, is quoted in "America and Palestine" published by the American Zionist Emergency Council, on page 93, as having stated the following to the United States Senate on March 1, 1944:

"Although it was issued in the name of the British Government, the Balfour Declaration was, as a matter of fact, a joint policy of the Governments of Great Britain and the United States. BEFORE ITS OFFICIAL PUBLICATION IT WAS THE SUBJECT OF PROLONGED AND CORDIAL NEGOTIATION BETWEEN MR. WOODROW WILSON AND MR. LLOYD GEORGE, the respective heads of the two Governments."

The extent to which Brandeis was able to influence President Wilson on matters concerning the so-called "Balfour Declaration" is described in "The Jewish National Home" by Paul Goodman, on page 33:

"The beneficent influence exerted by the American Jews LED BY LOUIS D. BRANDEIS ... MANIFESTED ITSELF IN THE POLICY BY WHICH PRESIDENT WILSON ... APPROVED AND SUPPORTED THE BALFOUR DECLARATION."

Dr. Chaim Weizmann acknowledged the valuable support Brandeis gave to Zionist plans in his tribute to Brandeis which appeared in the Universal Jewish Encyclopedia, Vol. 2, page 46:

"The Zionist leaders received valuable support from the United States, WHERE THE ZIONIST MOVEMENT HAD MADE GREAT STRIDES UNDER THE LEADERSHIP OF SUPREME COURT JUSTICE BRANDEIS ..."

Christopher Hugh Sykes, the son of Sir Mark Sykes, the Assistant Secretary of the British War Cabinet which negotiated the October 1916 so-called "necessarily secret 'gentlemen's agreement'" between Zionists and Great Britain, advances in his "Two Studies in Virtue" on page 183, the generally understood explanation of the powerful influence exerted over President Wilson by Brandeis:

"... Sykes (was told in 1916) of a very curious and powerful influence which Zionists could exert. One of President Wilson's closest advisers and friends was Justice Louis D. Brandeis, a Jew with the passionate Zionist faith of a recent convert. It was believed, with what if any degree of truth it would be hard to say, that Wilson was attached to Brandeis by ties of peculiar hardness, because, so the story ran, in his earlier days the future President had been saved by this man from appearing in a damaging law-suit. It was said that Brandeis was regarded by Wilson as the man to whom he owed his career."

Rabbi Stephen S. Wise, the uncrowned king of the Zionist dynasty in the United States, in "The New Palestine" of New York, of October 28, 1927, Vol. 13, No. 11, corroborated Senator Wagner's statement to the United States Senate:

"If President Wilson had not been ready to give explicit assent to the terms of the Balfour Declaration, IT WOULD NOT HAVE BEEN MADE."

Senator Wagner's statement to the United States Senate is corroborated again in the Zionist London publication "World Jewry", in its November 2, 1934 issue, page 635, where Mr. Jacob deHaas of New York, the close collaborator of Rabbi Wise, is quoted as follows:

"... THE DECLARATION WOULD NEVER HAVE BEEN ISSUED IF THE ACT HAD NOT HAD THE ENCOURAGEMENT, SUPPORT AND APPROVAL OF PRESIDENT WILSON."

In "The New Palestine" of November 11, 1927, Volume 13, No. 13, Rabbi Wise is quoted on President Wilson's support:

"Great Britain would never have issued the Balfour Declaration, IF SOME OF US IN AMERICA STANDING AT WILSON'S SIDE HAD NOT MOVED THE PRESIDENT OF THE UNITED STATES TO SEE THE FITNESS OF MAKING AN INFORMAL AGREEMENT WITH THE BRITISH GOVERNMENT, WITHOUT WHICH THE BALFOUR DECLARATION WOULD NEVER HAVE BEEN UTTERED."

In "Challenging Years—The Autobiography of Stephen Wise", Rabbi Wise stated on page 39:

"IF THE PRESIDENT HAD NOT BEEN READY TO GIVE EXPLICIT ASSENT TO THE TERMS OF THE BALFOUR DECLARATION, IT WOULD NOT HAVE BEEN MADE."

Jacob deHaas had first-hand knowledge of the part President Wilson played in the issuance of the so-called "Balfour Declaration" and is quoted as follows in "The Jewish Chronicle" of London on May 22, 1936, page 44:

"... THE BALFOUR DECLARATION WOULD NEVER HAVE BEEN ISSUED WITHOUT THE CONSENT AND APPROVAL OF PRESIDENT WILSON ..."

The security and survival of the United States as a sovereign nation are endangered as the direct consequence of an existing so-called "necessarily secret 'gentlemen's agreement'" between Zionist leaders in the United States and leaders of the Republican and Democratic Parties in fierce competition with each other since 1912 for the political victories at the polls assured by Zionist support for their respective candidates for political office in election years. This situation is a more ominous threat to the security and survival of the nation than appears on the surface. This demands serious consideration by the nation before it is too late to do anything to eliminate this ever-present danger without resorting to war.

How Red Is NAACP & Its Leaders?

The NAACP, supposedly a Negro organization, is controlled by Asiatic Marxist Jews who do not have the welfare of the Negro at heart! They use the Negro to create strife and disorder—The oldest trick in the book—**DIVIDE AND CONQUER!** !

Some people in Northern States are under the impression that Negro people want to abolish segregation and that it is the colored people who are pushing for integration.

After interviewing people of both the Black and White race in 20 States we can truthfully say that approximately 90% of the colored people throughout the South **WANT** separate schools for their children

Why shouldn't they? Most people like to be with their own kind. We saw Negro schools which appeared equal, and in many cities the Negro schools were better than those for whites!

The two races have been living in harmony in the South for a long time, and they understand each other. **Clever Jewish Communist organizers** from New York area

have been agitating young Negroes in the South, using false promises just as they did with the Hungarian workmen to secure their support in communist Hungary. Later when Jewish Communism had gained full control of Hungary, the workers asked for recognition and were mercilessly slaughtered. We now state that the **National Association for the Advancement of Colored People** is positively a **Communist dominated**, agitating group which has never had a **Negro as head of the organization** since it was founded and financed by the **Communist Garland Fund**. A **JEW** has always headed the National Association for the Agitation of Colored People (A more appropriate name for the NAACP).

The NAACP derives its real power from the **Anti-Defamation League of B'nai B'rith** which is the **Jewish F.B.I.** Twenty-four years study of the Marxist conspiracy enables us to state that the United States is in the process of being brain-washed and slowly but surely being prepared to **give up its freedom**.

Since the Supreme Court decision on

segregation has focused attention on the NAACP, and they have been exposed time and again as a Communist-front, at important public meetings they cleverly state that they must be careful to screen out all Communist influence. Then, why don't they start with themselves? All the important officers in the NAACP we know of, have been tied up with Communism for years. When the Communists are put on the spot or in a corner they conveniently take the "**FIFTH AMENDMENT**" or "**don't remember**," or like **Alger Hiss**, who in an effort to deceive the public, sued **Whittaker Chambers** for calling him a **Communist**. **Major Jordan's Diary** shows conclusive evidence that former Senator **Herbert Lehman** (Zionist) is a powerful man in the world Communist movement and certainly he is the most powerful man behind the NAACP!

The **Zionist controlled NAACP agitators** hand-pick Negroes to force into schools of the South as an opening wedge to break down segregation. The **Autherine Lucy** case

Martin Luther King Jr. MARXIST TOOL & RACE AGITATOR

By Sam Crockett

On Jan. 1, 1958, the power-crazy Negro "leader" Rev. Martin Luther King Jr., led a "Pilgrimage for Public Schools on Emancipation Day" march on Richmond, Va. The Va. branch of the NAACP and the Congress of Racial Equality (CORE) co-sponsored the march. This school integration propaganda gesture is another in the long series of racial agitation activities led by King, and as usual was reported in the *Worker*, 12/21/58, p. 16, with full approval by the Communist Party's official organ.

Let's take a good look at King's record since he was picked as one to "lead" the Negroes down the crimson path to a Soviet America.

"Over the Labor Day weekend (8/30 to 9/2/57), Highlander Folk School, at Monteagle, Tenn., staged its 25th anniversary seminar on 'the . . . integration struggle.' Notorious communists, veteran communist fellow travelers, and Negro leaders in all the recent major incidents attending integration were present at the seminar . . . (This) School was organized by . . . Don West." West was District organizer of CP of No. Carolina. This school is actually a Communist Training School. The closing address at this seminar was made by Martin Luther King. Pictures taken at that time shows him together with Abner Berry, Negro member of the Central Committee of the Communist Party and columnist for the *Daily Worker*. Pete Seeger, participant in the N. Y. State Youth Board of the CP (*Daily Worker*, 2/22/49) and long time CP member, entertained the delegates.

King is president of the Southern Christian Leadership Conference and led the Montgomery Boycott and the March On Washington, the latter with Bayard Rustin his manager, who, according to the *Daily Worker*, attended the 1957 convention of the Communist Party.

"Leading Communists have been writing enthusiastically about King's movement . . . the Party looks upon King's work and movement as a new opportunity to incite racial animosity."

King's manager, Bayard Rustin, is listed as a member of the Editorial Board of *Liberation* (April 1956; Jan. 1957 issues). This is a pacifist-anarchist publication. Its contributors included typical communist-fronters Norman Mailer, Dorothy Day, Lewis Mumford, Pitirim Sorokin. A. J. Muste, infamous pacifist, communist-collaborator, also is listed on the Editorial Board. Martin Luther King contributed an article to the April 1956 issue in which he stated that "The extreme tension in race

Martin Luther King Jr.

in part by the revolutionary change in the Negro's evaluation of himself" Ruskin contributes another article and is identified as having "had many years of direct experience in racial conflicts in the South." In 1946 he served a sentence on the chain gang in N. C. for refusing to sit in the Negro section of a bus. He went to India in 1947 and Africa in 1953. He is an expert on civil disobedience. The title of his speeches delivered in Africa and U. S. was "AFRICA AND THE WORLD STRUGGLE." Bayard Rustin was sentenced to 60 days in jail as a sex pervert in Pasadena, Calif., January 22, 1953 by Judge H. Burton Noble.

The Youth March for Integrated Schools to Washington, D. C., 10/25/58, was another of King's activities. He was co-chairman along with veteran Communist-fronter A. Philip Randolph, Roy Wilkins of the NAACP, who also has a record, and committee member Algernon Black (66 fronts), George B. Ford, Harry Fosdick, Milton Galamison (Brooklyn NAACP head), Clarence Pickett, James H. Robinson, Bayard Rustin, all of whom have front records. (See Call) Three bus loads of Communists from the cited Communist N.Y. Teachers' Union participated in the March (N. Y. Teachers News, 10/18 & 11/1/58). The *Worker* (11/2/58, p. 3) reported the March with the heading "Rev. King said: The Oppressed Always Marched For Freedom" accompanied by a picture of Mrs. King, who delivered the speech for her ailing husband. The Youth Pledge of the Marchers was reprinted in its entirety by the *Worker*. The entire front page of this issue and 14 columns of print were devoted to the March, May 17, 1959. Communist-fronter

Harry Belafonte was a speaker to the Marchers. The *Worker* stated (p.15) that "Large numbers of the Left (Communist) forces actively aided in mobilizing support for the Youth March and were in vast audience." Challenge, official publication of the Young Peoples Socialist League (11/1/58) headlined the story and pointed out that the Marcher's White House Student delegation leader and 14 of the main youth organizers were members of the YPSL.

The N. Y. Post (7/11/58) reports an interview with King by Mike Wallace (Myron Wallikoff) - in which King asserted "I'm sure that integration will lead to inter-marriage. I don't deny that . . ."

The Communist National Guardian, 10/20/58, p. 8, carried a laudatory review of King's book "Stride Toward Freedom."

While autographing copies of this book in a Jewish department store in Harlem, King was stabbed in the chest by a Negro woman who resented his integration activities and yelled as she stabbed him "You made enough people suffer in the last six years." (N.Y. Journal American, 9/20/58). With King was the president of NAACP, Arthur B. Spingarn (☆). The woman also stated that Rev. King has ruined my life; he is no good; the NAACP is no good, it's Communistic. (N.Y. Amsterdam News, 9/27/58, p. 11).

The *Daily Worker*, 3/10 & 14/57, described the celebration marking the birth of the Communist-run Negro state of Ghana in Africa under the premiership of Communist Party member Kwame Nkrumah. Soviet representatives were present: Communist W. E. B. DuBois (72 Fronts) was invited by Nkrumah; Cedric Belgrave, CP member, was present; Communist-fronter A. Philip Randolph and identified Party member Ralph Bunche were there, and so were King and his wife.

The one organization in this country which has been supporting the South African communists traitors currently on trial is the American Committee on Africa. An 11/7/58 letterhead shows King listed as a member of its national committee, along with a long list of communist-fronters: John Gunther (☆), Oscar Hammerstein II (☆), Will Maslow (☆), identified Communist Party member Alex Meiklejohn (☆), Reinhold Niebuhr, Sidney Poitier. A. Philip Randolph, Mrs. FDR (over 100 Fronts), Rex Stout, Channing Tobias (50 Fronts), and about three dozen more. A Jan. 11, 1956, letterhead shows Bayard Rustin on the Executive Board (Also 1957 letterheads).

The 1958 CORE (See above) letterheads show King on the National Advisory Committee along with red-fronters Roger Baldwin, Will Maslow, A. J. Muste, A. Philip Randolph, Ira DeA. Reid, and Goodwin Watson (82 Communist fronts).

With the Zionist Jews controlling practically all the news outlets, you will seldom read or hear about the Negro leaders who are proud of their race and want to keep segregation of the races. Here are just a few and you can bet there are many more who are not being fooled by the NAACP!

Above are a group of distinguished Negro leaders who are **REALLY** concerned with the welfare and advancement of their race. These people are rarely heard of in the controlled press and they are despised by the **Jewish controlled NAACP**. Due to lack of space, the pictures of five other Negro leaders had to be left out.

They are proud of America and their race—and oppose desegregation in any form whatsoever. They believe the Negro was

created by God with a culture all of his own and should remain as such.

They are shocked and appalled at the harm and unrest the NAACP has brought to their people here in the U.S. as well as abroad.

These sterling Christian Negro leaders are well aware, as are most level headed Americans that the Negro is being **used by the NAACP to confuse and divide our people and create strife and turmoil, and in the end mongrelize BOTH races!**

The Southern people, Black and White, have lived in harmony all these years until **Marxist agitators out of N.Y.** upset the South in their program to condition our country for **Communism**.

Time and again it has been proven the

NAACP, with trouble in mind, has picked certain Southern schools as their opening target for agitation and had hand-picked "students" enroll at the opening classes knowing full well the trouble that would result.

To create trouble between races is one of the oldest **communist tricks** in the book. The NAACP which is supposedly organized to **HELP the Negro** has been dutifully following the Reds to the letter!

Only the whole-hearted support of the type Christian Negro leaders such as are pictured here can bring back the harmony and respect of White for Negro and Negro for White. To be proud of your race is not a crime—to mongrelize what the good Lord created most certainly **IS!**

Force The Races To Mix At Any Cost - NAACP'S Goal

In considering the problem of race segregation, it must be approached from the standpoint of the greatest good both to Negro and White. Sentimentality or prejudice cannot properly enter into the merits of segregation.

The only logical method to determine the best situation is to depend on well authenticated facts as to results when conditions have been in effect long enough to have produced a definite pattern.

Free, indiscriminate, intermingling of the races is the NAACP's goal. It is a sinister plot by the Marxist masterminds out of New York and Washington, D.C., to weaken and degenerate the entire White race.

The Negro should be proud of his **OWN** heritage and **NOT** let the Jewish controlled NAACP force him into seeking the unnatural association of the whites!

If our Creator intended only one race, a mulatto race, he would have so created it in the beginning and **NOT** expected the NAACP to finish His work for Him. Our Lord gave each race its own character, individuality and charm. It is obvious He intended they should remain so. The Jewish organizations and the NAACP intend to change the wishes of our Creator.

If the Communist policy of conquest by absorption can be fulfilled through racial intimacy and the inevitable intermarriage of Whites and Blacks, then this evil Marxist philosophy will prove the downfall, if not the actual disappearance of the entire White Race !!

The North, like the South is not without its share of the segregation problem in its schools as well as its public housing projects.

In the latter part of 1957, deep in Brooklyn's Bedford-Stuyvesant area, which has a predominantly Negro population, public school 258 incurred the wrath of

the Jewish controlled NAACP!

P.S. 258, a new junior high school with 1,500 Negro students and less than 5 or 6 white students was not integrated enough to suit the NAACP.

The white families, trying to protect their children had moved out of the neighborhood as fast as the Negro families had moved in, thus making the Bedford-Stuyvesant section all Negro. Disregarding this fact, the NAACP, always on the offensive when there is a chance to agitate, contended that if the school was "not good for whites it is not good enough for Negroes" and went into their usual tactics. They created such a disturbance and pressured the school board to such an extent that the Negro children are now being transported by bus several miles out of their way to schools in all-white districts at taxpayers expense! All this just to pacify the NAACP and forcefully integrate the races.

A great majority of New York schools are being **FORCEFULLY** integrated in this manner. The white students are being transported or "reassigned" to previously all-Negro school districts, despite their parents disapproval!

As a direct result of this NAACP inspired **FORCED** integration the teaching standards of New York schools have dropped far below par due to the loss of many qualified teachers quietly leaving the profession in disgust. Crime is rampant throughout the school corridors to such extent that school authorities cannot cope with it and many schools require police protection for its students as well as its faculty members.

The only safe alternative for many white families is to move out of the city and into the suburbs, or as a last resort, out of New York state itself! This very same pattern of forced integration is being enacted in

many large metropolitan areas throughout the North with the inevitable happening—the cities automatically become segregated.

In Washington, D.C. with the forced integration of previously all-white schools, the wholesale muggings, stabbings and rapings of decent girls has forced the white families to send their children to private schools across the line to Arlington, Va., where the NAACP is now agitating in the Courts for immediate integration of all Virginia schools. In our Capitol, Washington, the schools, after integration, are now 75% Negro.

Is This What You Want?

Here is the inevitable result of integration. The young child in school can come under the influence of the increasing crop of one-world minded teachers. Lenin's theory was to capture the young minds of the children at school, indoctrinate them, and parents would lose them forever. This is the same type of philosophy the Jewish controlled NAACP thrives on. The seating of a Negro child besides a White child in school is just the opening wedge!

REDS RACIAL RECORD

William Z. Foster, present head of the Communist Party in America, declared in his book entitled —

TOWARDS SOVIET AMERICA

"The American Soviet will of course abolish all restrictions upon racial inter-marriage The revolution will only hasten this process of integration, already proceeding throughout the world with increasing tempo."

(page 305-306)

David Lawrence reported in his newspaper column (Times-Picayune, Nov. 12, 1958) that Prof. Allen Nevins, long time professor of American history at Columbia University, two time Pulitzer prize winner—

"is emphatically in favor of desegregation and calls upon the Southern people to face reality, as he tells them that intermarriage between the races in the coming years is inevitable."

Today, the Kremlin leadership in Moscow feels so firmly entrenched in the NAACP that the top official organ of the Communist Party in the US has advised all of its followers that:

"We must support the NAACP in this struggle with every ounce of energy at our disposal."

(Political Affairs, official organ of the CPUSA, Feb. 1950, p. 26).

HOW RED IS THE NAACP?

—o— Continued from page 1 —o—

was an outstanding example of this type agitation, the same tactics were used in Little Rock. Anyone who has studied the NAACP and its questionable leaders should be able to see right through their evil schemes.

The master-minds in New York are directing this attack on segregation, fully realizing that it is going to bring trouble between White and Black — that is the reason they work so feverishly. Few people realize that this is only part of the plan to further weaken and condition our country for Communism!

A great part of the world in which half the population of the world exists, has already been broken down and Marxist rule set up. All kinds of deception were employed to bring this about, camouflaged with high-sounding purposes.

The Jews of the South may join the Citizens' Councils, but each and every Jewish organization and publication in the U.S. are whole-heartedly backing the fight to mongrelize the races through integration!! If Zionist pressure were withdrawn from the race-mixing movement, it would die a sudden death!

Careful research has been done on Marxist leaders within the NAACP and key Government positions. With this information, the subject of integration will be approached with a better understanding of exactly who controls the NAACP and the Supreme Court of the United States!

The NAACP was a member of American Youth For A Free World, which was organized in 1942 and, in 1948, was described by the California Un-American Activities Committee as "heavily infiltrated and effectively dominated by the Communist Party." The House Un-American Activities Committee in its 1951 Guide to Subversive Organizations and Publications described the American Youth For A Free World as "a Communist clearing house."

"If our buildings, our highways, our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our white race should become corrupted and mingled with the blood of Africa, then the present greatness of the United States of America would be destroyed and all hope for the future would be forever gone. The maintenance of American civilization would be as impossible for a negroid America as would be redemption and restoration of the white man's blood which had been mixed with that of the negro."

All Jewish Groups Urged to Consult On Integration

BOSTON (NJP) — The view that consultation between all the Jewish agencies and the Jews of all parts of the U.S. on problems involved in the school integration fight was desirable was expressed by several speakers at the 17th plenary session here of the National Community Relations Advisory Council. DID UNITED STATES BACK WRONG SIDE IN WORLD WAR 2?

The following editorial was written by the late William Randolph Hearst and published June 23, 1941 during World War II in all of the 27 newspapers which, together with a number of magazines published in the United States and England, comprised the Hearst publications empire. Mr. Hearst was a top authority on world affairs and the most successful publisher in the nation. We republish this at this time so that people who may have been confused as to facts may now know them.

The war between Germany and Russia has obviously been developing for a long time.

In the first place, it is the one natural conflict in the whole European situation.

Germany dreads Russia and the possibility of an Asiatic invasion of Europe led by Russia.

Hitler has always opposed Communism.

In fact, both Fascism and Nazism sprang up as political parties to overcome Communist anarchy.

Opposition to Communism was the link that united Italy and Germany in spite of their former antagonisms.

Germany anticipated war with Russia.

Hitler built his armies for two reasons.

First, to insure Germany against aggression from the West.

Second, to create a formidable force for the successful invasion of the Ukraine, Russia's most valuable and useful province.

Germany has sufficient reason for invading Russia and appropriating the Ukraine.

One reason was that the black soil belt of the Ukraine is of immense richness and fertility.

The Ukraine is the granary of Russia.

The acquisition of that valuable province would almost insure Europe against Russian invasion.

The separation of the Ukraine from Russia would greatly diminish Russian reserve food supplies, and would make the provisioning of great armies difficult.

While the acquisition of Ukraine by Germany would make the protection and provisioning of Germany and of Europe easier.

Still another reason why Germany projected the invasion and acquisition of the Ukraine was because a great many German farmers had settled in that section and these Germans had been brutally treated by the Communist Russian Government for the reason that they objected to the Communization of their lands.

Many thousands of these German colonists had been slain or sent to Siberia.

Hitler was pledged to avenge them.

Germany's program—before war was declared upon her by England—was to make long time peace treaties with the

western powers,—Italy, Spain, France and England,—and to direct her armies in an eastern campaign against Russia, and particularly against the Ukraine.

It was mainly for this purpose that the Germans occupied Czechoslovakia. It was to this end that Hitler offered the 25 year peace treaties, in which France, England, Italy and Germany would become the contracting parties.

Chamberlin was inclined to accept these terms.

But when he came back from Munich, carrying his blessed umbrella of peace to ward off the storm of war, he found the British parliament under the control of the radical Labor Party and other elements who did not want to see radical Russia injured or Nazi Germany strengthened.

It was an interesting thing to see radicalism and commercialism in England uniting to oppose Germany and favor Russia.

This meant war for England instead of peace, and on the Third of September, 1939, England declared war.

Chamberlin was a good man, but not a strong man.

He had not the character to make the fight for the peace program of western coalition.

He folded up his old worn peace umbrella, and passed out of the picture.

Then the British plan—which the Duke of Windsor denounced—for the encirclement of Germany began.

UNWISE METHOD

Usually there is a right and a wrong way to do something.

To deface synagogue doors with paint is a useless, foolish thing. It is the wrong way. In some localities it is just what the Jews want and it is not unlikely that they themselves have done this. They have done it before. Certain type Jews want and promote persecution. Every person who reads this has heard the persecution cry since they were a child.

If organized Jews are not doing enough to warrant persecution, they will promote it. It is magic in opening checkbooks of the large Jewish merchants. Otherwise hundreds of Zionists with the Anti-Defamation League would have to work for a living.

Certainly many people know now that they arranged for the bombing of their Atlanta Synagogue. No one will deny Jews bombed the King David Hotel in Jerusalem; the LONDON NEWS, August 3, 1946 stated that the casualties in this atrocity were 66 dead, 43 missing and 47 injured. The Jewish terrorist-gang Irgun Zvai Leumi claimed credit for this, the leader being Menachem Beigin (characterized in various items as a communist from Poland); the NY TIMES, November 23, 1948 carried a full page ad honoring this terrorist "Who Brought Britain to Her Knees." This advertisement contained a veritable "Who's Who" of Senators, Congressmen, rabbis, ministers, professional, mercantile and business leaders who were duped into signing this advertisement when he arrived in New York and Newark N. J.

Rabbi Elmer Berger in his book - WHO KNOWS BETTER MUST SAY SO - (pages 34, 35, & 36) mentions "Zionist agents began to appear in Iraq. Several caches of arms were 'discovered' in synagogues. Some local Jews suspect the arms were 'planted' by Zionist agents; 'What did we want with them?' the Rabbi said. 'Were we going to fight all of Iraq—even if our loyalties were with Israel, which they were not?' " Again from the same book: "Meanwhile, reports of vast sums of American money for Iraqi Jews—really for the State of Israel—kept spreading and with the legalizing of emigration, campaigning among Jews increased. . . . THEN A SYNOGOGUE WAS BOMBED. Who was responsible has never been finally determined, but the Iraqi Jews believe it was ALSO THE WORK OF ZIONIST AGENTS."

It is queer the same type of defacing of synagogues occurs simultaneously all over the world just a week before AntiDefamation League representatives from all over the

A Preview of Socialized Medicine

By Congressman Bruce Alger
5th District, Texas

H.R. 4700, the Forand Bill, would again increase Social Security taxes (already scheduled to double during next 10 years) and extend hospitalization, nursing home care, and surgical service to recipients of Social Security benefits. The prospect of socialized medicine is no less controversial now than before. Many arguments have been presented for and against. I find little to commend compulsory health insurance and much that condemns it. Therefore, I shall present the arguments of witnesses against the **Forand Bill**, which, in total, comprise an overwhelming body of material to discredit such compulsory health insurance even though any one or a combination of these arguments themselves could be eliminated from consideration according to each individual's judgment.

Constructively there are far more sensible alternatives, some now in effect, to provide medical care for the aged. These include: The rapid growth of progressively better **voluntary** health insurance plans. The present State and local assistance programs already provide free care for those unable to pay. Those on State welfare roles and the "medically indigent", while a community problem, hardly justify a vast compulsory insurance program covering all of those over 65 on OASI. Of the 15 million people over 65 today, 6 million are excluded under this bill since they are not eligible for social security; 9 million others are already covered under voluntary medical programs. This leaves about 3 million individuals who might benefit from H.R. 4700. True, new and better insurance plans need to be developed, not nullified and killed by federal compulsory insurance, alongside which no private plan could survive. Better medical care is more certain to result from the normal incentives of free society than government regimentation and compulsion.

Specific criticisms include: (1) Compulsory federal insurance will kill voluntary insurance programs, an irreversible step; (2) The Forand Bill does not cover those who need medical help, but only those over 65 now covered by OASI; (3) The cost of this program is not known, though estimated to be between \$1.126 and \$2.3 billion per year at the outset, then going up; (4) As the HEW Report states, "The existence of a problem does not necessarily indicate that action by the federal government is desirable"; (5) Those now over 65 immediately will receive medical care free, without any contribution, the cost charged to wage earners of the future; (6) Since no "needs" test is included, those not wanting this federal insurance will be forced to accept it and pay for it; (7) Health problems of the aged are varied, while this plan would provide for but a few of them; (8) The Forand Bill is a "foot in the door", its expansion necessarily will follow, if only because of its own inequities—the age requirement will be removed; all those covered by OASI will be included; and finally all citizens, for complete socialization of medicine; (9) The alleged free choice of the Forand Bill is a misnomer: (a) There is no choice whether or not you want this compulsory health insurance or whether you pay, and (b) there is no freedom of selection of doctors, hospitals nursing facilities, only a choice of those presented to you. This is not free choice; (10) If medicine is socialized then other services and industries will be socialized; (11) There is no "right" to have free medical care, food, clothing or other necessities (unless the voters so choose); (12) Medical and hospital care is now available to those who need it and cannot afford to pay; (13) The story of

federal control and regimentation is this—Federal administration, certification of doctors, hospitals and nursing homes, fixing of fees and costs, promulgation of regulations, and enforcement with fines and jail sentences. These total socialized medicine without recourse; (14) The search for better insurance plans and medical care will also be discouraged by federal regimentation; (15) Diagnostic service, internal medicine and other forms of medical aid are not covered by the Forand Bill, thereby creating an inequity; (16) Where health facilities and services are provided free of cost, a tendency can be expected towards excessive utilization resulting in overcrowded facilities, malingering and indigency, the normal human reaction (the end result? poorer medical care). Britain's Socialized medicine can teach us the lessons we need to know about the unhappy effects of socialized medicine on all the people, lessening the quality of medical care. Let us benefit from their experience; (17) A government program normally follows this pattern: The cost is underestimated and the government over-commits itself in extending service; (18) No government program is justified until the voluntary plans have been found inadequate; (19) No federal legislation should be forthcoming until the findings of the White House Conference on Aging in 1961 are known and studied; (20) And many others. The great overriding danger in the consideration of a compulsory federal program is always the same. Does the recognition of a "need", in this case that sick people need medical care, immediately presuppose a federal solution. I suspect that politicians are afraid that "being against the proposed federal legislation" will be confused in the voters' minds with "being against the need itself", in this case helping the aged getting medical care.

If we concede that this is a world wide demonstration of dislike for the Jews; why? This reminds us of the mother watching the parade who believes everyone is out of step but her son.

There is a right way to prevent the ever-increasing swarm of European Marxist Jews from taking complete control here. We believe the practical way is prayer to Jesus Christ while exposing the guilty with printed facts. That is what we here at **COMMON SENSE** are doing.

If the opposition dares meet us face to face and prove we publish anything but facts, we will quit. This we have been saying in print for 14 years.

"HE WHO MUST DIE"

An anti-Christian filthy film presented by Communists to water down Christianity and confuse our people so they will more easily accept Communism. This film is now being promoted in schools to be seen by students after school hours.

Before you allow the school authorities to run this screen play for your children you will be interested in knowing who the directors are. **Two Communist Jews. Jules Dassin and Ben Barzman.**

In this film the shepherd boy, the "Christ-like" character, attempts to commit adultery with the harlot who plays Mary Magdalene. Judas had first had Mary for his own; a feud develops between him and Christ, so he stabs Christ. (The year 1921, time of the film, marked an actual similar situation involving **Bolsheviks in Turkey**. The original novel by the deceased Communists, **Nikos Kazantzakis**, drew data from this event.)

Jules Dassin skipped the United States to avoid a subpoena from the House Un-American Activities Committee while he was directing a play for **Bette Davis** back in 1953. When committee investigators sought him at the playhouse, he was not available; Bette Davis was incensed at the injustice of it all at the time. And why did Dassin skip this country and not return?

The Senate Fact-Finding Committee of the Committee on Un-American Activities of California's Report for 1948, page 97, tells us that Jules Dassin was a member of the Executive Board of the Communist-front Hollywood Actors' Laboratory, a training unit for communists in entertainment.

He was also, according to the 1949 Report of the same committee, page 480, a sponsor of the Communist-front, Scientific and Cultural Conference for World Peace, in New York, sponsored by the National Council for the Arts, Sciences and Professions, in 1949. Page 503 of the same Report lists him as a sponsor of the Communist-front "Artists Front To Win the War." (10/16/42). He signed a protest petition in 1941 at MGM against a pro-American picture made at that studio which attacked a hero of the Communist Party, **Thaddeus Stevens**. (House Un-American Activities Committee hearing's on Communist Infiltration in the Motion Picture Industry, 10-47, p. 138.)

Jules (Julius) Dassin was identified as a member of the Communist Party, and thus dedicated to the overthrow and destruction of the government of the United States and the destruction of Christianity, by fellow Communists **Edward Dmytryk**, on April 25, 1951, and **Frank Tuttle**, on May 24,

WARNING: Our Country in Jeopardy

By Helen Allen

In November of 1945 one of the most vicious and insidious attempts to deprive this Republic of its sovereignty, was made in the Congress of the United States. Had it not been for the alertness and patriotic fervor of a group of Senators headed by Senator Connally, legislation which bore the elements of treason, known as the "Morse World Court Resolution", would have been enacted into law by which the United Nations WORLD COURT, would have been vested with supreme power and jurisdiction to settle any and all disputes occurring in any part of the world.

Opposition by Senator Connally and his group of Senators, however, became so hostile that a Senate majority developed which refused to accept the original draft of this vile treason unless it was amended with definite provisions which would reserve to this Nation the right to determine which of its cases should be heard by the United Nations WORLD COURT. Pursuant to the will of our people, expressed by a Senate majority, an amendment introduced by Senator Connally was accepted. This amendment provides that the United States shall not accept COMPULSORY JURISDICTION of the United Nations WORLD COURT in "matters which are essentially within the domestic jurisdiction of the United States,— **AS DETERMINED BY THE UNITED STATES**". The Connally Amendment was added to the "Morse World Court Resolution", and in that form was translated by the United States Senate, of the 79th Congress into law . . . The last six words of that amendment, "**AS DETERMINED BY THE UNITED STATES**", — are all that protects this Republic from destruction of its Sovereignty.

The United Nations WORLD COURT is composed of 15 judges. ONLY ONE OF THESE JUDGES CAN BE AN AMERICAN. Nine of these judges constitutes a majority of the quorum which is enough for a decision. FROM THAT DECISION THERE IS NO APPEAL. From this it should be easily understood that, without the Connally Amendment "reservation", the United Nations WORLD COURT could easily invade the field of our domestic laws, already confused and muddled with international law by various commitments under the United Nations, as interpreted by Chief Justice Warren's Supreme Court, and the treason cult in our State Dept.—for example, Genocide laws, Civil Rights, Metropolitan Government, Urban Renewal, Foreign Aid, and the Supreme Court's 24 decisions in favor of Communist leaders.

Last August, 1959, the American Bar Association held their 82nd annual convention at Miami Beach, Florida. At the second general session, according to published information, William P. Rogers, Attorney General of the United States, and head of the Justice Department, addressed the membership of some 70,000 professional lawyers whose minds have been trained to know fact from fancy, and presumably to know when they are not hearing both sides of a case. Mr. Rogers persistently held the platform, obviously for the express purpose of calling for an American Bar Association resolution to be addressed to the U. S. Senate, FOR A REPEAL OF THE CONNALLY AMENDMENT, now a part of the "World Court Law". Rogers further told the lawyers assembled, that the United Nations World Court has practically nothing to do, and that it behooves this Nation to give it some cases by removing the Connally Amendment so that it could take up any United States cause at issue without the present necessity of Government permission. Then, said Rogers, "the World

THE LATE SENATOR FROM TEXAS

TOM CONNALLY

Court would become the great instrument for 'world peace through law', that it was designed to be."

Rogers' plea for "world peace" by means of United States submission to the United Nations World Court made the "liberal" newspaper headlines, but there was abundant audible muttering from the distinguished audience of professional lawyers. The applause was merely perfunctory; in fact it was the consensus of opinion, freely expressed, that the 82nd annual convention of the American Bar Association had provided the leftist "liberal press" with the biggest ammunition dump since "agrarian reformers" took over China.

During the past few years, an intense, concerted drive has been set in motion to soften public opinion to the repeal of the Connally Amendment. This became particularly noticeable on September 2, 1959, when plotting of the conspiracy became apparent to those who still remain alert for the welfare of this Nation. On that day Attorney General William P. Rogers made a speech at the New York University Law Centre. His subject was "International Order Under Law". In this speech Mr. Rogers attempted to "prove" that the American people could trust the United Nations World Court by saying, "The International Court of distinguished jurists has not engaged or attempted to engage in usurpation of jurisdiction which does not belong to it. Nor is there any reason to believe it ever would". But,— Mr. Rogers closed his speech on September 2, 1959, by telling his audience the time has come to "re-examine" the "domestic jurisdiction reservation" clause, of the Connally Amendment, which is now a part of the "WORLD COURT LAW",— in other words to work for the repeal of that vital amendment.

Repeal of the Connally Amendment would place every citizen of this Republic in jeopardy. At any time, in any place, for any trumped up charge brought by the United Nations against any citizen, as, for instance, non-conformity with World Government, racial prejudice, violation of unconstitutional civil rights laws, etc., etc., that citizen would be liable to arrest and trial before an alien tribunal presided over by judges of the World Court (alien to our national philosophy and way of life), and who could inflict sentence of imprisonment in any foreign land.

Repeal of the Connally Amendment removes all barriers against "treason unlimited". The proponents of this vile scheme are now working full time for its accomplish-

ment by attempting to condition public opinion for its acceptance. On March 24, 1959, Senator Humphrey introduced a resolution to strike out the six words "as determined by the United States", from the old Morse resolution of 1945-46. Strangely enough, Vice-President Nixon, in his speech before the Academy of Political Science in New York on April 13, 1959, referred to the Connally Amendment as a major obstacle to the ideal goal of "world peace through law". He said, "The administration will shortly submit to Congress, recommendations modifying this 'reservation clause.'"

In thus advocating this new look in how to lose our National sovereignty, Vice President Nixon appears to have joined hands with some queer playfellows. Perhaps Mr. Allen might suggest some maneuvers by which the Vice President, Senator Humphrey, Supreme Court Justice Douglas, Attorney General Rogers, Congressman Porter (Oregon), Charles Rhyne, former president American Bar Association, Arthur Larson, former ghost writer for President Eisenhower, and many more, known for their appeasement attitudes towards Communism, could be curbed of their intense enthusiasm for surrendering our National sovereignty to the United Nations World Court by repeal of the Connally Amendment with its last six words,— "**as determined by the United States**", — our vital protection against forcing this Nation (according to United Nations Charter to which United States is a signatory) to bow down to an alien, anti-American United Nations World Court of 15 judges, only one of which (Green H. Hackworth) is allowed to represent the United States.

It should be noted here that, at the time of the United Nations Charter ratification and the debate over the World Court, Secretary of State Christian A. Herter (then a Congressman), introduced a joint resolution under which the President would be "authorized" and "requested by Congress" to accept the jurisdiction of the World Court, — a court composed of 14 foreigners and 1 American; a plan under which American citizens could be transported overseas for trial, and deprived of the Constitutional safeguards accorded them in this country.

Has anyone forgotten the Status of Forces Treaty?

The Soviets celebrate May 1 by worldwide Communist demonstrations. In accordance with President Eisenhower's high sounding proclamation last year, we now celebrate May 1 as Law Day, — a day when we are to pay tribute to law, and order, and justice. Alert citizens, however, suspect the proclamation to be a forerunner of concerted drive to set in motion a "softening up" of public opinion to repeal of the Connally Amendment. This suspicion was amply justified later when speeches, built around the insistent theme that the Connally Amendment must be repealed, were frequently made by Vice President Nixon, Attorney General Rogers, and Charles S. Rhyne, president of the American Bar Association. If this treasonable scheme is accomplished during the second session of the 86th Congress, we can celebrate, on May 1, the destruction of our National sovereignty as we become a United Nations province of subservient zombies under the domination and jurisdiction of its World Court. All, with the blessing of the Eisenhower Administration and the "treason cult" in the State Department.

A study of the foregoing statements should most certainly urge every citizen of this Republic to demand from every member of Congress an emphatic rejection of the whole

WORLD WAR 2

—o— Continued from page 1 —o—

One by one the nations around Germany were brought into an anti-German alliance—all but Russia.

What was the matter with Russia?

Special ambassadors were sent by England to Russia to bring that great nation into the circle; but Russia hesitated.

She feared Germany.

She had internal troubles.

Moreover, she could secure nothing by an alliance with England equal to what she would secure by an alliance with Germany.

England and Germany bid for Russia's aid.

Germany won.

The Russian alliance was a bitter pill for Hitler; but he swallowed it.

There was nothing else to do—for the moment.

It meant peace with the eastern power he wanted to attack.

It meant war with the western powers with which he wanted to make alliance.

But it also meant salvation from economic strangulation.

So he took his medicine and carried out his part of a bad bargain.

What has happened now completely to change the situation, and to return Hitler to his old plan of invading the Ukraine?

First, encirclement of Germany is no longer possible.

Norway, Sweden, Finland, Hungary, Rumania, Bulgaria are all more or less on the side of Germany.

Even France has made some common cause with Germany, and Turkey, England's former ally, has made a treaty with Germany.

But these things are probably not the immediate cause of the invasion.

It is evident that Russia took all she could get out of Germany and then "double crossed" her, in the expressive phrase of slang.

Russia took part of Finland in the face of German protest.

Russia insisted on half of Poland and all of Estonia, Latvia and Lithuania.

She then demanded and received Bessarabia.

Now Russia is accused of contemplating the annexation of all of Finland, and even of endeavoring to restore her former dominion over Norway and Sweden.

Russia's demands on Germany's compliance were too great.

Russia's benefactions were too little.

Russia did not even carry out the agreements she had made.

She employed her own Communist method of sit-down or slow-up strike.

She defaulted on oil and grain shipments.

She demanded more lands, more concessions, more power than Germany was willing to allow.

The old antagonisms grew apace.

Armies were massed on each frontier.

Finland and Rumania for their own protection have joined with Germany.

The Ukraine has been invaded.

War is on between the great military power of the East and the great military power of the West.

We are back to where we started from.

Let us hope that Occidental peace can still be made and Europe united against the expansion of Asiatic Communism.

1951. (See page 44 of the Annual Report for 1952 of the House Un-American Activities Committee, issued on December 28, 1952.)

Dassin has had the effrontery to return briefly to this country recently (N.Y. Times theatre clipping by A. H. Weiler, undated) to make arrangements to do the screen version of James T. Farrell's "Studs Lonigan" trilogy, which Ben Barzman will produce independently. Farrell has a Communist-front record (Appendix IX, see index) and his trilogy has been banned at various times as obscene, lascivious, pornographic. After "Celui Qui Doit Mourir" ("He Who Must Die"), Dassin planned to do "La Loi" ("The Law"), a dramatization of the novel by Roger Vailland, another Communist-propaganda vehicle.

And what of the co-author of the screenplay of "He Who Must Die," namely, Ben Barzman?

He also has been identified as a member of the Communist Party by Leo Townsend, September 18, 1951; Martin Berkeley, Sept. 19, 1951; Charles Daggett, Jan. 21, 1952; Stanley Roberts, May 20, 1952; Roy Huggins, Sept. 29, 1952; George Glass, Jan. 21, 1952.

And Ben Barzman's wife, Norma was identified as a member of the Communist Party by: Leo Townsend, Sept. 18, 1951; Roy Huggins, Sept. 29, 1952. (See HUAC Annual Report for 1952 as listed under Dassin.)

The Annual Report of the same committee for 1953, released 2/8/54, p. 29, lists further identifications of Ben Barzman and his wife as members of the Communist Party: Robert Rossen, May 7, 1953, and Pauline Townsend, March 12, 1953, identified Ben Barzman.

Pauline Townsend, March 12, 1953, also identified Norma Barzman.

Ben Barzman was an instructor at the Communist People's Educational Centre in Los Angeles in 1947. (HUAC Communist Infiltration of the Motion Picture Industry, 10/47, page 343); he was a member, as was his wife, of the Communist Hollywood Writers' Mobilization, and identified as a Communist Party member, with his wife, at that time, by Judith Raymond. (HUAC Investigation of Communist Activities in the State of California, Part 10, 4/54, page 4981.) Leopold Atlas identified Ben Barzman as a member of the Communist Party. (HUAC Investigation of Communist Activities in the Los Angeles Area, Part 5, page 940, 12/52 to 4/53) Ben Barzman was a member of a panel of the Communist Hollywood Writers Congress in 1942, sponsored by the Hollywood Mobilization listed earlier. (See Atlas listing for Source.) And finally, Nicholas Bela identified Ben Barzman: (HUAC Communist Methods of Infiltration (Entertainment, Part 2), 12/54, page 7264.)

Anyone who knowingly promotes this Christ-hating film by these identified revolutionaries, with its agitation-propaganda, blasphemous-obscene content, on the youth of America is a Traitor To Our Country.

Kuhn Loeb and Lehman Brothers Control Uranium In United States

By Sam Crockett

Under cover of the smoke screen of battle which arose between the two power factions involved in the titanic conflict waged last year over Lewis (Lichtenstein) Strauss' nomination to the post of Secretary of Commerce, a secret of great import to this nation slipped out into print. It dealt with the control of uranium.

Lewis Strauss, as is well known now, was associated with Kuhn, Loeb and Company from 1919 to 1947, the last 18 years as a full partner. He married Alice Hanauer, the only child of Jerome Hanauer (✕), who had been with Kuhn, Loeb and Company since 1891 and a partner of Jacob H. Schiff (✕) since 1912. Among the multiplicity of private activities of Lewis Strauss (who un-Jewishly pronounces his name 'Straws') are his trusteeship in the cited Communist-front Institute of Pacific Relations; membership on the executive committee of the American Jewish Committee, and on the board of directors of the Jewish Theological Seminary; treasurership of the Jewish Theological (Talmudic) Seminary of America; presidency of the sinister Institute for Advanced Study at Princeton, N.J. operating center for the Soviet espionage agent Albert Einstein and his successor, Julius Oppenheimer, named communist who also was accused of being a Soviet agent by the executive director of the Joint Committee on Atomic Energy, William Borden (A); co-chairman of the National Conference of Christians and Jews; financial advisership to the Rockefeller family (Anna Rosenberg also advises the same family); membership on the Atomic Energy Commission (AEC) from 1946-50 and chairmanship of the same agency from 1953-58 (B).

Lewis Strauss is evidently a very powerful Jew indeed, therefore why was he ignominiously ousted from public service during the recent fight mentioned above; and why was Senator Clinton P. Anderson of New Mexico, Chairman of the Joint Committee on Atomic Energy, the leader in the fight to force Strauss out of the Government? One very potent reason—and very valid one—lies buried in the Congressional Record of May 28, 1959 on pages 8433-34. Senator Anderson, during a speech he made on the selection by acting Secretary of Commerce Strauss of Armand G. Erpf to head the Department of Commerce study of national transportation policy did a very courageous thing; he not only attacked Kuhn Loeb and Company, but also revealed a hidden aspect of Kuhn Loeb's operations which pointed the finger unerringly towards an act of super-treason beyond belief. What that act was will be dealt with shortly.

First, however, we should identify Mr. Armand Grover Erpf, the investment banker whose selection by Strauss provided Anderson with an excuse to take on the murderously powerful international banking firm of Kuhn Loeb. Erpf (C) was an official of Carl M. Loeb, Rhoades and Company from 1933-36 and a general partner of the firm from 1936 to date. The partners of this firm and their customers own more than 20

Lewis (Lichtenstein) Strauss

million in shares in the biggest railroads (D); Erpf himself having holdings of \$321,000 in Seaboard Airline Railroad Company (the total assets of which in 1956 were only \$355,853 (E)). No wonder Anderson felt there was a conflict-of-interest between Erpf's association with his firm and his duties to study the transportation needs of the nation. But what has Erpf to do with Kuhn Loeb, whose interest Strauss serves?

The answer lies in the interlocking relationship of all the top Jewish firms on Wall Street, which includes arranged marriages between the controlling families. Adele Lewisohn married Arthur Lehman (brother of Herbert Lehman) and had two daughters by him: Helen, who married Benjamin J. Buttenwieser, limited partner in Kuhn Loeb and intimate friend to Alger Hiss before and after his conviction for perjury; and Frances, who married John L. Loeb, son of Carl M. Loeb, founder and senior partner of Carl M. Loeb, Rhoades and Company. (F) Anyone who is at all acquainted with the meaning of marital ties among the Jewish banking families—witness the incestuously related Rothschilds—will understand the Lehman Brothers-Kuhn Loeb-Carl M. Loeb relationship here indicated for what it is. Strauss had other motives, however, than just favoritism when he selected Erpf to conduct a transportation study for the Department of Commerce. What were they? Here is what Senator

T.V. TRAP EXPOSED

By The Editor

On November 24th, Mr. Bill Peters of Columbia Broadcasting System in New York, was in our office for an hour. He said CBS was preparing a two hour program on TV Channel 2, Sunday between 7 and 11 P.M. to be put on in March. He said this would be an opportunity to tell our story to 25 to 40 million people. They wanted to bring 7 men with equipment and film to interview me in each room of our headquarters.

Peters, who apparently is not a Jew, makes a good appearance. He said they were going to interview several who represent nationalist opinion and put on one large program. He named two he had interviewed on film. They would screen the interview and he admitted that only 5 minutes of the 3 hour interview with me would be used.

When I told Peters, CBS was not interested in helping COMMON SENSE, but wanted to end us, he assured us that CBS wanted to give such as us an opportunity to broadcast our ideas and we would not be interrupted or interfered with. Peters called seven times from New York during the following three weeks. I suggested they put Ben Freedman and myself on a live TV program, in a debate, with four of the A.D.L.'s best men. Peters said someone may be libeled and CBS sued. I then arranged for Peters to meet Ben Freedman in New York; they talked an hour in the Commodore Hotel.

Mr. Freedman proposed that CBS give a letter agreeing that I was to OK the script before it was shown, and failing, was to be paid \$250,000. This was turned down by Will Weston who was to have charge of the program. Peters arranged an appointment for Mr. Freedman with Irving Gitlin, head of Public Relations for CBS for Tuesday, December 22nd. The talk lasted three hours with Will Weston and Peters present. When Mr. Freedman asked Weston if he was a Jew he said "No, he was an atheist." Under pressure from Mr. Freedman, Weston then admitted he was a Jew.

Freedman and Weston had bitter exchanges; Mr. Freedman called him a stinker and told him it was evident he intended to sandwich me in between bombed synagogues and schools, and that it appeared to be a trap in which the Anti-Defamation League and CBS were cooperating. They seemed extremely anxious to film our offices from inside and discredit us on the air.

F. Allen Mann, editor of CHRISTIAN PATRIOT'S CRUSADE, Hinsdale, Illinois, had a similar experience. Peters called on him after several phone calls from New York, then came to Chicago with Will Weston and four technicians, registering at the Palmer House. They arrived in Hinsdale to film an interview with Mr. Mann; how-

Are Zionists taking control of American Legion?

OPEN LETTER

CAMPBELLTON FARM

Barboursville, Virginia

December 9, 1959

Hon. Martin B. McKneally
National Commander, The American Legion
Indianapolis 6, Indiana

Dear Sir:

In the December number of the **American Legion Magazine** I observe that a portrait of Rabbi Robert Kahn is given top position, along with a portrait of you, above the National Vice Commanders and others who constitute the National Executive Committee of the American Legion.

I also observe that the feature article of the December number of the **American Legion Magazine** is a Christmas message from "the well known columnist" George Sokolsky.

Since the population of this country is overwhelmingly Christian, as far as numbers are concerned, and since the membership of the American Legion doubtless has a similar proportion of those who believe in Christianity and its type of civilization, I cannot understand why a Rabbi was named National Chaplain. If Jews insisted on having the needs of their cult looked after by a "chaplain," it seems to me that the Legion might have chosen two chaplains — one of them a Christian.

With regard to the Christmas message, it struck me as strange that no suitable message could be had from some person, clerical or lay, among the more than 150,000,000 people in this country who adhere to Christianity or Christian civilization. It is of course the privilege of the American Legion to do what it pleases. If it wishes its spiritual needs looked after by a Rabbi, and its Christmas message sounded off by Mr. Sokolsky, that is the Legion's right and privilege. Under such circumstances, however, I don't see how any self-respecting Christian American can be satisfied with things as they now are in the American Legion.

If I were younger, I should wish to join any other Christians in the Legion who might hope to see a Christian viewpoint given at least some representation in such matters as chaplaincies and Christmas messages. In view of my age, however, there is nothing I can do as a Christian, except resign from an organization which accepts guidance in spiritual matters from the one force in the world which has the longest and most consistent record of denying the basic facts on which Christianity was founded.

I hereby submit my resignation as a member of the American Legion. I hope you will find it possible to print this letter in full and unchanged, in an early number of **The American Legion Magazine**.

Respectfully,

John Beaty

UNDENIABLE EVIDENCE

In connection with the above we give you interesting quotes from **THE AMERICAN JEWISH COMMITTEE'S BUDGET FOR 1953**. This is a 281 page secret report made only to the Jewish officers of this organization which reveals clever brainwashing of Christians.

Exerpts from page 122: "Having responsible leaders speak for or endorse causes of concern to the American Jewish Committee and condemn those groups or individuals who engage in activities which the American Jewish Committee considers inimical to the best interests of the community, state and nation.

Col. John Beaty

"We frequently supply speeches or speech material to officials of the Legion and Veterans of Foreign Wars. Content covers civil rights and civil liberties; public school issues; the current rise of Nazism in Germany; the danger of attempts to divide our population on the basis of race, creed or color; the need of stronger community service activities; the importance of UN efforts to strengthen human rights.

"We have met with fairly good success in the use of this material by leaders. Practically all of the addresses delivered by the National Chaplain of the Legion during 1950-1 were supplied by us, for which he expressed appreciation. Many of our speeches were used in national broadcasts by the Commander-in-Chief of the Veterans of Foreign Wars, and those not thus used were printed and circulated to departments and posts of the VFW in clip-sheet form. . . . "Knowing of our interest in liberalization of the immigration laws, we were informed, by a prominent Legionnaire, of a move to have the 1951 convention endorse the **McCarran Act in toto**. Thereupon, the Chairman of the Executive Committee of the American Jewish Committee and the Director of this Division met with the persons involved and agreed on plans which ultimately prevented endorsement.

"... We supplied much of the material and photographs for the **AMERICAN LEGION MAGAZINE** article, "Israel and the Soviet Union," wherein the American Jewish Committee was quoted as the source of several statements. A recent Legion article suggested by us showed how unsuccessful the Communists have been in their attempts to recruit Jews, Negroes and other minority group to their cause.

Page 124: "It is interesting to note the replies reported by **Elmo Roper** to the question of where people prefer to turn for political advice during the current political campaign. First choice on the list was **THE AMERICAN LEGION**. If polls may be relied on, this points to the desirability of more active participation in post activities on the part of those AJC members who are veterans.

"We know from experience that many posts are looking for sound leadership; indeed, the lack of it accounts for projects which are looked upon with disfavor by the community at large. Our members might well serve as a liberalizing influence in veterans' undertakings, and would at least help to block reactionary proposals.

"It is strongly recommended that the Veterans Division be authorized to work diplomatically to this end.

"It is also recommended that we organize a National Veterans Advisory Committee,

composed of Jewish leaders located in various parts of the country who would not only give guidance and advice to the Veterans Division, but would also work as individuals to advance our aims."

CHRISTIANS BRAINWASHED

This Budget Report is indexed as to subjects dealt with and lists the enormous amounts spent on each project where Christians are brainwashed.

Some of the divisions are **FACTFINDING, LEGAL, PUBLIC INFORMATION, EDUCATION, PRODUCTION, RADIO & TELEVISION, FILM, MAGAZINE & PRESS, LABOR, INTER-RELIGIOUS, VETERANS, YOUTH INTERGROUP EDUCATION, SCIENTIFIC, COMMUNITY SERVICE, FOREIGN AFFAIRS, JEWISH INFORMATION, JEWISH COMMUNITY RELATIONS, AMERICAN JEWISH COMMITTEE INTERPRETATION, EDUCATION IN AMERICAN JEWISH ATTITUDES, WASHINGTON OFFICE SERVICE OPERATIONS & UNMET NEEDS.**

These people spend millions to direct every phase of Christian lives. **WHY?**

Who Hates Who?

Compare the world-wide excitement by Jews over the painting of synagogue doors in 34 countries with the interest shown by non-Jews when millions of Christians were being slaughtered by Jewish Communists. How much newspaper space was devoted to condemning the extermination of Christians? Since 1917, when the Jews from the East Side of New York set up communism in Russia, between 50 and 75 million Christians were slaughtered in communist controlled countries. While these Christians were being killed in the process of enslavement of their countries by communists, the U. S. Government did not protest. 30,000 Ukrainian U. S. citizens signed a petition to **President Roosevelt**, asking that he protest the slaughter in Ukraina, but when communist Jews swarmed into Germany from the Soviet Union to take over from the inside, just as the European Jews are swarming into the U. S. now, and camps were set up to keep them under surveillance, Zionists in the U. S. set up a scream of persecution. No one had accused Germany of killing even one Jew, but the Jews in the U. S. used F. D. R., who had opened the gates of Washington to the Marxists, to bring war on the German people. West Germany is now forced to bleed their citizens to give hundreds of millions to Israel, which did not even exist in the war days. Cold war by the Jews against Germans is carried on now, 16 years after the war. Every week the controlled TV and Radio feature several "Hate German and Love the Jew" programs. Warner Brothers, the Russian Jews, are bringing out their old anti-German films, round table discussions, speeches, etc. against "anti-semitism," but not against communism, which is taking the world. Today many publications in New York are flaming with exciting articles about synagogues.

The **New York Journal American**, January 15th, carries a picture of three boys, caption underneath states: "3 youths accused of anti-semitism." Have we arrived at a time when anti-semitism is classed as a crime? These boys had only known each other two days. No one accuses them of harming anyone or painting any synagogues. The New York City Magistrate **Milton Solomon** (X)

ordered treason charges punishable by death against three young men who formed a Nazi-type organization and "planned to beat up some Jews."

He stated it is treason when one plots against the society and the government in which he lives. Jews are now the society and the government.

The New York Times, January 16th, stated the United Nations has proposed that member governments take strong measures to curb anti-semitism. The U.N. was not concerned about communism in Hungary, but anti-Jewish sentiment is different!

Gullible Christians are being forced to express their horror at this rash of anti-Jewish expression, but few take the time to learn the basis for universal dislike for these people. How many have consulted the 36 volumes of the Talmud that Rabbis boast they teach? There is no set of books in existence which compares with the Talmud for its sickening filth and anti-Christian teachings. Samples: Relations between animals and women; they boast they gave Christ five deaths, too horrible to print here; Christians are like cattle to be used by the Jews. No Rabbi dare deny this. We have the Talmud in English.

This excitement is being used to prepare the United States to pass a law similar to the ones in communist countries where it is a crime to criticize Jews.

Say anything you want about a German, Englishman, Irishman, Frenchman, Pole, etc. Protestant or Catholic and nothing is said, but say something about a Jew and you are attacked as an anti-Semite, hatemonger, bigot, etc.

MARXISM MARCHES ON

We have never advocated violence. We have never cooperated with, or encouraged those who do. Ours has been the Christian approach: PEACE ON EARTH TO MEN OF GOOD WILL. We believe in PRAYER, but as Our Divine Lord said: "NOT EVERYONE WHO SAYS TO ME, LORD, LORD, SHALL ENTER THE KINGDOM OF HEAVEN."

We believe in prayer, but we know that we must hate the devil and all his works, and repudiate the synagogue of Satan. The PEN is mightier than the SWORD and that has always been the method of COMMON SENSE. Common Sense has always been operated in the SPIRIT OF ST. IGNATIUS, who said: "PRAY AS IF EVERYTHING DEPENDED UPON GOD; WORK AS IF EVERYTHING DEPENDED UPON YOU."

- U. S. URANIUM CONTROL -

-o- Continued from page 1 -o-

Anderson had to say:

"In the year 1956, a very young newspaperman in Denver came to me with a suggestion that the Joint Committee on Atomic Energy should make a study of the method by which one banking firm in New York and its affiliates had woven a complete web in the control of uranium."

And there in one sentence is the opening salvo in an attack almost without precedent in recent years on the floor of the once mighty United States Senate.

Anderson continued: "He said he had made the suggestion to the Department of Justice . . . But no particular investigation ever was undertaken there."

"I have some notes which that newsman sent me under date of September 17, 1956. He said to look at the cast of characters and their known connections. He started with Kuhn, Loeb and Company. He mentioned the fact that Lewis L. Strauss, the Chairman of the AEC, was associated with Kuhn, Loeb and Company from 1919 to 1947 . . . The newspaperman pointed out to me that Benjamin J. Buttenweiser, a limited Kuhn, Loeb and Company partner, was out of the firm 2 years . . . while he was serving as Assistant U. S. High Commissioner for Germany, but that when he quit the post, he was promptly taken back into the firm. That fact was mentioned by that person, and by others who had been talking to the Department of Justice, as evidence that these individuals do not separate themselves from their responsibilities, but return to them and retain their rights." What Anderson is here saying of course is that he and others believe that Strauss, as Chairman of the AEC, was not serving the Government and the people of America but rather the Jewish firm with which he had been associated for 28 years.

Anderson went on: "In addition to Mr. Strauss, there was Percy M. Stewart, a general partner in Kuhn, Loeb and Company, who is a director of Uranium Reduction Company, one of the dozen or so private firms milling uranium . . . always back into Kuhn, Loeb and Company there comes a director who is tied into these organizations." Uranium Reduction Company, operates an eight and a quarter million uranium processing mill at Moab, Utah, with a daily milling capacity of 1500 tons of ore a day, making it one of the 7 "giants" among the 23 mills in operation in this country. (G) All purchasing of uranium by the AEC is done through the mills. The shippers have to depend on these mills as an outlet for their ores (H), and since there were 727 mine operators in 1957 (a decrease from the peak of 843 in 1956) depending on these mills, it can easily be seen what degree of control over the industry is involved. (And only 6 of the 727 produced over 100,000 tons annually in 1956!) (G).

Anderson quoted his source further: "Sir William G. E. Wiseman was a partner of Kuhn, Loeb and Company in 1956. He was a partner of the Transoceanic Development Corporation, Ltd., formed in September 1955, by Kuhn, Loeb and Company, S. G. Warburg and Company of London, headed by Frederick M. Warburg, another Kuhn, Loeb and Company partner, and by the First Boston Corporation. The First Boston Corporation was the . . . institution which sent Mr. Wenzell to take charge of the first study of the Tennessee Valley Authority; and then he became the man whose conflict of interest caused the raising of questions when he was financial adviser to the Bureau of the Budget, and also was recognized as vice president of the First Boston Corporation."

Phillips Petroleum owns one of the "giant" mills, at Grants, New Mexico, a 9½ million operation with a 1725 ton capacity (G). Harry M. Addinsell, a partner in Kuhn,

Loeb's associate First Boston, is director of Phillips Petroleum. (E) William Wiseman of Kuhn, Loeb was adviser on American Affairs to the British Delegation to the 1919 Peace Conference and Lewis Strauss was a member of the American delegation. Wiseman was also chief of British intelligence during World War I and as such immensely valuable to Kuhn, Loeb. (I)

Senator Anderson said that his attention has been called many times to "a chart which that Denver financial reporter worked out, . . . in which he traced all the interlocking directorships between these uranium companies, all leading finally to concerns in Wall Street."

"Frederick M. Warburg, another general partner in Kuhn, Loeb and Company, is a grandson of Solomon Loeb, one of the original founders of Kuhn, Loeb and Company . . . lives in London." Anderson quoted from the New Yorker, June 11, 1955, pages 31-33, in a piece by Geoffrey T. Hellman, which stated: "Frederick M. Warburg's brother Paul Felix Warburg is an investor who makes his office with Carl M. Loeb, Rhoades and Company . . . They are the American Metal, Climax Molybdenum, Loeb's."

This shows another connection between Strauss, Kuhn Loeb, Carl M. Loeb and the uranium mills. For the 3 million dollar Climax Uranium Company's mill at Grand Junction, Colorado (site of the western AEC office), even though of small capacity, is 84 percent owned by Climax Molybdenum, which merged with American Metals to form American Metal Climax, Inc. (G) Carl M. Loeb, of Frankfort on Main, was sent to this country in 1892 with the American Metal Company of which he eventually became president. He also is a director of Climax Molybdenum, and incidentally is a member of Temple Emanuel of New York (C), whose Finance Committee has as its chairman Lewis Strauss. (B) Carl M. Loeb, Jr., has been associated with Climax Molybdenum from 1932 to date (a vice-president since 1937) and was also an officer of Anaconda (C), which has a 19-1/4 million dollar mill at Grants, New Mexico, with a 3,000 a day tonnage capacity. (G) Also of interest is the fact that the Lehman Corporation for many years has held in its portfolio of securities common stock of Climax Molybdenum in the amount of 10,000 shares worth (J) over \$450,000. Lehman Brothers or Corporation officers are members of the board of directors of Climax. It also has held as many as 13,000 shares of American Metal.

Senator Anderson ended his excursion into the never-never land of Jewish finance with the observation that "that reporter went on to trace associations . . . to the point where he realized that the entire American uranium business was directed in 1954, 1955, 1956 in such a way as to constitute a pattern which brought Kuhn, Loeb and Company and various of these other companies, . . . into these ventures." We will try to carry on where he of necessity left off. An interesting connection to this whole pattern, the meaning of which is not yet clear, is Secretary of the Treasury Robert B. Anderson's recent past presidency of Ventures Limited, a holding company which owns 34 percent of the stock of Frobisher, Ltd., Toronto, Canada, which in turn wholly owns Rare Metals Corporation, the owner of a 3½ million dollar mill at Tuba City, Arizona, with a 250 ton a day capacity. (G)

Lucky Mc Uranium Corporation, 60 percent-owned by Utah Construction Company, runs a 7 million dollar mill at Fremont County, Wyoming, with a capacity of 750 tons per day. (G) Green Mountain Uranium Corporation is closely associated with this operation, and in turn is controlled by Phelps-Dodge Corporation. (G) Lehman Corporation has underwritten security issues for this firm and has held as many as

-o- Continued from page 3. -o-

25,000 shares of its common stock in its portfolio in recent years. (J) Kerr-McGee Oil Industries owns a 3 million dollar mill at Shiprock, New Mexico, with a 500 ton a day capacity; this firm also owns 56 percent of the 16 million dollar plant at Grants, New Mexico, owned by Kermac Nuclear Fuels, which has the top capacity, 3300 tons a day, of all the uranium processing mills. (G) Lehman Corporation's holdings in Kerr-McGee have reached 40,000 shares valued at 1-3/4 millions, and members of Lehman Brothers or the Corporation have been directors of Kerr-McGee for years. (J) Union Carbide and Carbon Corporation owns three uranium mills: Union Carbide Nuclear's 5 million dollar, 1100 ton capacity, mill at Uravan, Colorado; the same company's 8 1/2 million dollar, 1000 ton capacity, mill at Rifle, Colorado; and Trace Elements Corporation's 2-1/4 million dollar, 300 ton capacity, mill at Maybell, Colorado. (G) Lehman Corporation started underwriting and holding shares in Union Carbide in 1954. (J)

In 1947 more than 90 percent of our uranium was bought from the Belgian Congo. However—and this is not too widely realized by the public—this is no longer true. In 1959 proven ore reserves in the United States are estimated to be in excess of 70 million tons, averaging about 5 lbs. of uranium oxide per ton. (G) In 1953 there were only 5 million tons reserve known. Domestic production is now more than 15,000 tons a year. (G). South Africa uranium deposits from gold tailings only average about 1/2 a pound of U-308 per ton. Canada's production is about 15,000 a year, but at only 2 pounds per ton. Portugal's supply and average is quite low also. Australia, France, and Russia keep their own supplies. (G) From these figures it is obvious that the richest supply, and the best in terms of availability and reserve potential, is that which is right here in our own country.

So what happened under Lewis Strauss as Chairman of the AEC when it became evident that the United States had reached a position where it had no need to depend on foreign sources any longer? His firm's international Jewish connections took precedence over any mere question of patriotism, duty, legality, or national security. Even though we now lead the world in uranium production (G), the free world ore reserves of 1 million tons of U-308 are evidently scheduled by their Jewish owners for sale to the American government, which means its citizens. In 1959 \$450,000,000 was spent by us on foreign uranium and \$280,000,000 for domestic uranium (oxide). These foreign contracts run until 1962 and options will run them on to 1966 or even later, while in the United States only the top six or seven millers have favored contracts from AEC.

On October 28, 1957, a spokesman for Strauss delivered a message to the uranium producers of America which constituted an act bordering on treason on the part of Strauss and his Kuhn. Loeb mentors with consequences beyond belief for the United States and all Christians and free peoples of the world. On that date the small operators were notified that the AEC would authorize no more mills to be built nor additional capacity allowed for the mills already in operation. This "was a serious shock to the uranium industry which, until then, had been expanding at a tremendous rate." (See G for all quotations to follow.) "There was a devastating effect [of this announcement] on the already precarious values of uranium securities . . . in the money markets of New York, Chicago and San Francisco . . . as well as Denver and Salt Lake City. Almost overnight 'uranium' became a dirty word . . . the stocks decreased two-thirds [in 4 months] . . . no

banker . . . will loan a nickel on proven uranium resources [February 1958]." The AEC (Strauss) gave as a reason for the curtailment of domestic milling that there was too much uranium. "It is felt . . . that the AEC has grossly overestimated known ore resources."

Since the AEC's sudden policy switch called for only enough ore production to last 10 years "this would be actually a Government granted monopoly to the companies [with] permits, since they would be the only ones through market control, who could afford to extend reserves for their own mills." The February 1958 issue of *Uranium* had this editorial comment on the AEC policy switch: "Some uranium producers have it good. They have contracts . . . they couldn't be happier. Then there are large numbers of producers . . . who are bitterly unhappy . . . They complain that the market for their ore suddenly has disappeared."

Also it must be noted that the AEC discriminated against small domestic producers of uranium. It in another way "made contracts for Canadian concentrates in 1955 representing approximately 43,000 tons of mine ore per day at a price ranging from \$1.50 to \$3.50 more per pound than is being paid for domestic concentrates." What was the result of all these pressures? One of the smaller mine owners summed it up thusly: "We were forced from lack of financing to quitclaim or farm out to large, well-financed companies practically all of our original discoveries."

It should be clear from the foregoing quotations what Lewis Strauss meant to do and almost accomplished. By stopping further uranium exploration and production, he threw millions of dollars of uranium property at bargain prices into the hands and control of the "giant" millers, who in turn are all controlled by Kuhn Loeb-Lehman Brothers (operating through its Corporation) complex. This centralized control of uranium which means atomic energy, which means war power, which means world control in the hands of a small group of international Jews was accomplished by one of their own men, Lewis Strauss. Is there anyone so naive as to consider this anything other than an act of super treason? Senator Anderson and others fought the ruling after it was made and forced the AEC to ease the ruling to a certain extent, otherwise the power grab would have been accomplished without a hitch. Then Strauss was dropped from the AEC and afterwards from the Department of Commerce post he thought he had in the bag. But the first step in the plot—for that was what it was—had been taken, and it is inevitable that all the American uranium supplies will be eventually controlled by the Kuhn, Loeb cabal, by one means or another. What they want they will get—control of the world's richest and biggest supply of uranium.

ever, before they arrived it was learned that Peters had spent a day in the Anti-Defamation League office in Chicago. The Anti-Defamation League being the Jewish F.B.I., Mr. Mann wanted nothing to do with them. When Mann refused to cooperate the CBS men entered the place of business where Mann was employed as assistant manager, taking pictures and creating such a rumpus that they were ejected by the manager and later Mr. Mann was discharged. Peters and Weston had agreed to give Mr. Mann \$950.00 to allow the interview. Mann has a contract signed by Irving Gitlin, head of Public Relations for CBS in New York.

We have since learned this is the same William Peters who wrote the smear article in the April, 1959 Jewish-owned CORONET magazine entitled, "How to Fight Hate Merchants." This is covered in our issue No. 319 — "A Judge Answers Coronet."

The Anti-Defamation League uses gullible Christians, publications and Jewish-owned concerns like CBS to destroy patriots who expose the Marxist plot. We also learned the A.D.L. had cooperated with Bill Peters in publishing a book.

SECOND TRAP ATTEMPT

When it developed that we were not going to be trapped by the A.D.L. smear artists and CBS, the A.D.L. offices in Los Angeles got busy. On January 13th, a telegram was received by COMMON SENSE, requesting me to appear on TV in Hollywood, the telegram being signed Dan Fowler. During two phone conversations with Mr. Fowler, alluring promises were made, but upon investigation it was learned Mr. Fowler was only the bird dog for the Jew smear artist, Paul Coates, who would conduct a vicious question program in Hollywood and we would not be allowed to speak uninterrupted, as was promised.

Such is the way the Zionist Jews meet the facts published in exposing their activity. Down through the years, all efforts to get the Jews to face up to the charges against them failed. Of the thousands of factual charges made, they have failed to try to discredit one. Common Sense has offered them ample space in our paper to prove to our readers that we print lies. They go ahead spending approximately 20 million a year in TV, Radio, Newspapers and Magazines, calling patriots Bigots, Nazis, hate merchants, anti-semites, anything to prevent the public from learning the truth.

This is the only group that has to spend millions to endure tolerance of them? Their opponents are always wrong, but they dare not meet them and the Jews never admit that their actions have warranted animosity of Christians. They refuse to reform the slightest. Mark Twain said: "If you cannot answer a man's argument you can always call him names."

AGAIN WE MAKE THIS CHALLENGE WHICH WILL BE REPEATED FROM TIME TO TIME.

WE CHALLENGE

- the Anti-Defamation League
- the American Jewish Congress
- the American Jewish Committee

to furnish four of their top men to meet two of us, in public debate, on THREE charges.

1. We will affirm that the New York Jews financed the communist revolution in Russia in 1917; that Jews set up communism there and spread it throughout the world.
2. We will affirm that 95% of the atomic spies in the United States were Jews.
3. We will affirm that the Jewish Holy Books, The TALMUD (now 36 volumes), teaches hatred of all Christians.

If we fail, we will give COMMON SENSE to the Jews and quit. There are at least 1000 other charges we will affirm as time permits, if our challenge is accepted, but it will never be. **THEY DO NOT DARE.**

The Pornographic War on America

DIRECTED BY "STUDENTS OF THE TALMUD"

By Sam Crockett

There is a mass of historical evidence concerning the affinity of the Jew for sensual pleasures. He is not alone in this of course, but the notable difference between the average degenerate Jew and Gentile lies in the Jew's innate tendency to make a profession of his debauched desires.

In this plainly written article we hope to awaken to action the parents of children to the menace of filth merchants.

COMMON SENSE has gone into this slowly and carefully. When the average person hears of this filth, they regard it as likely exaggerated, and something that does not concern them. If your child picks up one of these easily obtainable 50¢ books, or other smut material, it is only the start. It will be his moral and physical destruction, as bad as if he started on dope. This activity to demoralize our youth, is part of the overall plot to corrupt and control us. Don't be afraid of this subject—wade into it and let's knock it out.

Editor

The white-slavery, prostitution, narcotics, and liquor rackets are all almost completely Jewish controlled. The Protocols attest this fact, but statistical results from police investigations prove the assertion. All law-enforcement officials know this; none dare to talk openly on the subject.

Burlesque is a Jewish monopoly: the Kane Circuit(☆), the Minski theatres(☆), the Midwest Circuit (Milt Schuster ☆), the Herst Circuit (J.J. Hornick ☆), are all Jewish. The filthy minded comedians that once worked those circuits are now parading their Jewish perversions across the TV screens of the nation.

Sex crimes, when committed by Jews, usually have an extra element of horror lacking when other races are involved. The unnatural relations of Richard Loeb(☆) and Nathan Leopold(☆) with one another and with the boy they murdered in 1924 has never been forgotten in this country. Typical cases in recent years in New York City newspapers include the case of Walter Ormond(☆), custodian at Temple Sinai, who kidnapped a man, his wife and daughter, and raped the two women before the eyes of the father. (8-2-57); and of the four Brooklyn "thrill-killers": Jack Koslow (☆) ("The Vampire"), Melvin Mittman (☆), Jerome Lieberman (☆), and Robert Trachtenberg (☆), (8-26-54). Koslow owned a collection of bull whips with which he beat bums and helpless girls. These four Jews, among a myriad of other sadistic crimes, stomped a steeplejack to death after he had come to the aid of a vagrant they were torturing; later they seized a Negro bag-maker, burned him with lighted cigarettes, made him kiss their feet, walked him eight blocks to the East River and laughed delightedly at the "supreme thrill" of watching him expire in agony. In a Jewish community

with a Jewish judiciary, and with Jewish legal talent, the four monsters—supported by a Jewish press—were described as "victims" of society who could not possibly have been morally guilty of the crimes. Not one word was printed or uttered calling for their execution in Sing Sing. On the contrary, the two youngest gangsters—Lieberman and Trachtenberg (the latter a synagogue-attending regular)—were released for "lack of evidence". The other two, in the normal course of events, will see the light of freedom before they are 25 years old.

PORNOGRAPHY ADDICT

Jack Koslow, "The Vampire," and leader of the four Jews, who derived his philosophy from Nietzsche—the most anti-Christian of all the philosophers (and insane to boot)—had tastes so unspeakable that the Jewish Attorney General on the case used every device at his command to suppress the truth. Nevertheless, Dr. Frederic Wertham, a psychiatrist, interviewed Koslow in jail for ten hours and reported that the boy was addicted to horror pornography (as was Mittman). Wertham was not called to testify. Koslow admitted to Wertham that he had read all 14 volumes of a series of books entitled "Nights of Horror." After this came out, the City Corporation Counsel sought an injunction to destroy the plates and all copies of the books. The publisher and address given on the books were both fictitious; the source, however, was traced. Guess

To the following who are trying to make it appear that this committee has condemned COMMON SENSE, we dare them to endorse the Un-American Activities Committee on the front page of their publication as we are doing:

THE ANTI-DEFAMATION LEAGUE
OF B'NAI B'RITH.
THE AMERICAN JEWISH

THE AMERICAN JEWISH
CONGRESS.

They cannot take this stand for it would cause pandemonium among their members. The smears and demands for abolishment of this valuable committee made by these three pressure groups alone would require books to cover. They have passed resolutions, published booklets, attacked the Committee and members in the press. Why?

The Committee's function is to expose COMMUNISTS; but these Jews don't like the Committee. Still they plant a Zionist—Robert L. Kunzig on the Committee so he can leak a Marxist smear to the press after the Committee had adjourned at the end of the year while chairman Velde was in Mexico on a honeymoon.

The smear, if sponsored by a Jewish organization, would be a dud. After COMMON SENSE exposed the plot in Issue No. 221 on January 1, 1955, Kunzig was fired and the whole thing backfired and was dead as a salt mackerel. The ADL, believing the public has forgotten, maneuvered THE PROVIDENCE JOURNAL and Associated Press into quoting from this fraud.

We reproduce below report published the following day the fraud was released by Robert Kunzig(☆).

PHARISEES AT WORK

Admiral John G. Crommelin's open letter to Census Director on 7 million illegal immigrants in the United States today.

JOHN G. CROMMELIN
Rear Admiral U.S. Navy Retired
P.O.Box 441, Wetumpka, Alabama
January 19, 1960

OPEN LETTER TO:

Mr. Robert W. Burgess, Director
Bureau of Census
Washington, 25, D.C.

Dear Mr. Burgess:

As a result of Supreme Court decisions and other factors, the Central Alabama area for the past five years has been subjected to almost continual harrassment and racial turmoil initiated by out-of-state influences.

The great mass of evidence which has been accumulated by many patriots indicates that most of the racial discord has been generated by what is termed "the communist-jewish conspiracy," with political and financial headquarters in New York and Washington, D.C. Also it appears to many of the native local residents that the proportion of modern so-called self-styled jews, (condemned as Pharisees by our Lord Jesus Christ), has been alarmingly on the increase in the U.S.A. since World War II.

It is understood from published statements of Congressman Francis P. Walter of Penn., and former Attorney General Tom Clark (now Associate Justice of the Supreme Court) that there have been millions of illegal immigrants pouring into this great nation of ours from every point of the compass. It is reported that this number closely approximates the seven million (7,000,000) mark.

As native born American citizens, my associates and I are vitally interested in answers to the following questions:

(1) Have seven-million immigrants illegally entered the United States since World War II? (If the Bureau of Census does not have exact figures, we would like to have the best figures available to you). It is understood on reliable authority that 16 large armytype transport ships of the "Boy V. Eltinge" class were by order of Harry Truman modified to accommodate women and children in order to bring a tremendous number of so-called refugees in excess of quota,—a very high percentage of them Pharisees—to this country.

(2) In preparing our Census for 1960, what effort is being made to ferret out and catalog the illegal immigrants by the Bureau of the Census?

(3) Do you not consider that a reliable census of illegal foreign-born non-Christian immigrants is of vital importance to the present and future security of our nation?

(4) Do you not consider that the recent

Chief target of this staff report—which has not yet been approved by the committee—is a New York right-wing organization known as the National Renaissance party.

Also sharply criticized in the projected report is an anti-Semitic publication named "Common Sense" published in Union, N.J.

Copies of the proposed report were leaked to reporters yesterday.

Procedure Assailed

Rep. Francis E. Walter (D., Pa.), who will take over the committee chairmanship next month, denounced the whole procedure today.

He charged that the committee had held no hearings relating to the report and had not discussed the subject in executive hearings. He said he had not seen the report.

Mr. Walter noted that committee rules bar the release or disclosure of any report until after its approval by a majority of the members.

"This kind of thing is going to stop next year," he declared. "This committee is going to stop operating under rugs and carpets."

Mr. Walter did not challenge the findings and conclusions of the report, but only the procedure under which it was prepared and made public.

Chairman Harold H. Velde (R., Ill.) is honeymooning and could not be reached for comment.

The report marked the first Congressional investigation of right-wing organizations since before World War II, when the German-American Bund and similar groups existed

We urge those who would like a full expose' of this Zionist plot to discredit COMMON SENSE to write for Issue No. 221 which is devoted entirely to answering this smear. No charge.

Act which prevents our census-takers from asking the former questions concerning religious affinity of American residents a clever communist-jewish trick to prevent the American people from knowing the terrific percentage of so-called self-styled mongoloid jews (proselyte Pharisees) which has poured into this country from the slums of Central Europe?

(5) Do you feel that this denial of the previous right of our census-takers to determine the religious affinity of American residents helps protect illegal immigrants from rightful and necessary exposure?

(6) Do you not agree that a large percentage of the six-million jews (Pharisees) that the Germans are accused of having killed are in fact walking around in virtual Paradise in the United States today?

Although White Christian American Citizens who have discussed the matters outlined above know that it may be politically distasteful for you to answer these questions, we would like to remind you of your Oath as a public federal servant "to uphold and defend the Constitution of the United States against all enemies, foreign and domestic," and as a servant of the people of this great nation of ours we citizens await your categorical replies to the six (6) questions enumerated above with hope and no immediate misgivings.

Sincerely yours,

John G. Crommelin

P.S. As the authentic number, status and so-called race (whether jewish or not) of the reported seven-million illegal immigrants is a matter of grave concern, we are certain that in the public interest you would have no objection to this letter and your answer being published in the local press.

COURAGEOUS CONGRESSMAN

Congressman Francis E. Walter, (Penn.) Chairman of the Un-American Activities Committee.

Here is a Congressman with sufficient character and with steel in his backbone so he stands up for America in face of insults, smear and attacks by organized Marxists. In Congressional hearings in Newark, N.J. during May 1955, similar to others in United States, communists being examined, defied him, called him dirty names, while over a thousand communist pickets marched outside the court room.

Top officers of the American Jewish Congress supported the communist teachers by articles in Newark papers demanding that the teachers be re-instated by the school board. (Later they were re-instated with back pay.) Twenty-three reds took the fifth amendment after tongue-lashing the Congressmen. Altho forced to abandon the Newark hearings, Congressman Walter renewed hearings in Washington.

God bless and give strength to patriot Francis Walter.

Do Something for Your Country

Do something for your country
In this her hour of need,
Do something for your country
If you only say, "God-speed",
Do something for your country
In all this toil and strife,
Do something for your country,
If need be, give your life.
A ruthless foe is standing
All ready for the fray,
With iron hand to crush the land
Where freedom holds its sway,
Let not his evil footstep
Profane our sacred soil,
Won by our fathers in the past
With so much blood and toil.
Arise! My countrymen, arise!
Meet the foe in stern array,
Unfurl our starry banner,
It will light you on the way,
To honor and to glory
And to victory I pray.

The U. S. S. Government, by force if necessary. — Shreveport Times, January 9, 1959.

THE PORNOGRAPHIC WAR

—o— Continued from page 1 —o—

who was behind the books? None other than one Martin Kleinberg (☆).

One book (Vol.8) contained seventeen separate acts of male torturing female . . . The gruesome punishments included such horrors as placing hot coals against a female's . . . placing hot irons against a female's arm-pits, pulling off a female's fingernails with a hot pincher, working a female's skin away from her flesh with a knife, besides the more modest tortures of hanging by the thumbs, the torture rack, hair pulling and skin burning . . . Sucking a victim's blood occurred only six times in volume 8. Rape, voluntary sexual, . . . and young teen-agers disrobing in the presence and to the great pleasure of elderly males were commonplace and mild incidents compared to most of the activities engaged in . . .

The only obvious purpose of the publication "Nights of Horror" is to excite the youthful readers to acts of violence, sex perversion and to deprave and corrupt his immature mind . . . It presents to the youthful and immature reader a steady stream of filth wherein masochism, sadism, flagellation, homo-sexuality, lesbianism, rape and other indecent acts of sex relations are depicted and glorified . . . the result is drastic, all too often culminating in the horrible orgies of sex and crime which are becoming commonplace in our present day society. — Affidavit to Motion by Corporation Counsel, 9-10-54. (D, page 159).

Thousands of these books were sold, before their suppression, to youngsters in New York City. No one except Martin Kleinberg knows how many reached other parts of the country. They may still be on sale, reprinted by some other enterprising Jew. Your child may have a set! Nor are these volumes unique today in 1960 after six years of unending literary sewerage has been poured into the minds of our youth. The penalty for writing, publishing, distributing and retailing such books should be execution, not freedom! Kleinberg was not even charged with a crime!

PORNOGRAPHY-SADIST "EXPERT"

What kind of a mind could produce such indescribable filth? Harold K. Wood, U.S. Attorney, Eastern District of Pennsylvania, gave the answer before a House committee (J, page 197 & 202). In describing the findings of a grand jury investigation conducted in Philadelphia in April 1958 concerning major pornography operators he named:

The Gargoyle Corporation . . . operated by Frank Silver(☆), of E. Orange, N.J., and Frank Russo(☆), of New York. This company has moved several times as a result of the discovery of its operations and is believed to be presently operating in Toms River, New Jersey. Testimony revealed that 100 orders were being handled each day at \$10 each by this organization. The Gargoyle Corporation specializes in the symbolic and sadistic type of printed matter. Mr. Aaron Shapiro(☆), believed to be a former owner and present adviser for this company, determines what should and should not be printed in order to effect the desired objective of perversion along sadistic lines. He is responsible for the design and creation of many of the symbolic types of material sent through the mail by this company. It is believed that he lives in Brooklyn, N.Y. The printer of this material is located in Newark, N.J., although his identity at present is unknown. Mr. Wood described the symbolic

form of obscenity as taking the form of carefully prepared photographs, writings, and drawings, which use as their spearhead of influence, symbols and other visual stimulus psychologically proven to induce thoughts and conduct along sadistic and masochistic lines to satisfy compelling sexual needs . . . such influence . . . in weak minded persons and in adolescents . . . has resulted in murder and violent sex crimes . . . against unwilling and innocent victims of either sex and any age who, through innocent circumstances, are unfortunate enough to be in the wrong place at the wrong time.

Pin Smut Guilt On 5 Bookmen

Five men in the book business in the Times Square area were convicted yesterday in Special Sessions of selling pornographic literature.

Those convicted were Louis Finkelstein, 47, of 379 Winthrop Road, Teaneck, N. J., owner of stores at 225 and 251 W. 42d St.; Joseph Kleinberg, 65, of 1658 Popham Ave., Bronx; Louis Schaeffer, 39, of 226-29 Manor Road, Queens Village, Queens; Nathan Goldstein, 38, of 67-23 Kissena Blvd., Flushing, Queens; and Herman H. Schenkman, 50, of 351 W. 42d St. The latter four are store managers.

They will be sentenced March 25. Each faces up to a year in jail or a \$500 fine or both.

Justice Benjamin Gassman said the books involved dealt with sex in its most corrupt and degenerate form and held that they did not qualify for the protection the First Amendment extends to literature. Justice Arthur Dunaif and Magistrate Evelyn Richman concurred.

Does the reader understand the purport of this responsible and authoritative testimony? It means that such a product of the TALMUD as Aaron Shapiro, creator of "Fetish Magazine," a man whom Wood's investigation had revealed to have "spent 30 years determining what type of picture was most acceptable either to an adolescent or a pervert" is running around free, without the slightest retaliation (in terms of jail sentences) from law-enforcement officials or from criminally negligent parents.

PORNOGRAPHY TYCOONS — ALL JEWS

Other major pornography operators were named by Mr. Wood. First was William Glanzman(☆) of 210 Harborview Road, Lawrence, L.I., who has operated under 25 names throughout the country. He has made hundreds of thousands of mailings. He used mail drops under the name of Viking Co., Box 213, Kesterbros, Copenhagen, Denmark and Derey, Box 4, Gentoffe, Denmark. The Brooklyn Tablet (4-11-59), in reporting a Federal grand jury indictment of Glanzman (along with two others named below) as being "among the biggest operators on the East Coast" in the national \$300 million obscene materials business — according to Postmaster General Arthur E. Summerfield — gave his address as 1610 Park Street, Atlantic Beach, L.I., N.Y. He was listed as head of Bowery Enterprises, Monart, Inc., A & B Co. and Bomby Co. at 171 East 33rd St., NYC. and was indicted on 70 counts.

Wood named Sidney Poss(☆), owner of Jefferson Creations Co., Milco Specialties and Camerart Studios at 22 East 17th St., NYC., who is related to Glanzman (indicted on 20 counts). He also owns Glamacolor Productions of 1234 Broadway. The third operator was Ben Himmel(☆), of 99-52 66th Road, Forest Hills, Queens, head of

Pigalle Imports, 247 West 46th St., NYC., (39 counts). All three have previous records and should be imprisoned for life—but they won't be!

"The kingpin of the pornographic industry in this country doing a 1 million dollar a year business," stated N. Y. District Attorney Frank S. Hogan, was Abraham Rubin (☆), alias Al Stone ("Stoney"), of 1639 41st St., Brooklyn. He had been cited for contempt by the Kefauver Senate Subcommittee to Investigate Juvenile Delinquency in May 1955 for refusing to answer questions during its hearings on the relationship between pornography and delinquency. He was arrested in his car with a load of "filthy material" including 24,000 "filthy comic books" and 100 reels of film. But what was he charged with? Possession of indecent literature with intent to sell, a misdemeanor which carries a penalty of a year in jail, \$500.00 fine or both. This is the equivalent of no penalty. See (Brooklyn Tablet, 2-4-56).

The same subcommittee listed above cited two more pornographers for contempt who had invoked the 5th Amendment 35 times each during its hearings: Irving Klaw(☆), "king of the pin-ups," doing a \$1,500,000 business from 121 East 14th St., NYC, and Edward Mishkin(☆), 220 East 42nd St., partner with Klaw in three Broadway area bookshops. (The Kefauver Subcommittee Release, 7-12-55).

On July 21, 1955, the New York Journal American, (J.A.) reported that a Federal grand jury had indicted two publishing companies and their owners for violating six Federal statutes forbidding the mailing of obscene material and for conspiring since 1951 to disseminate obscene books with certain distributors, named as co-conspirators but not defendants. Named were Gilbert Fox(☆), owner of Vixen Press, 125 Christopher St.; Milton Gladstone(☆), and David Turner(☆) of Arco Pub. Co., 480 Lexington Ave. Distributors: Alex M. Yudkin(☆) of Associated Book Sellers, Westport, Conn. and Philip S. Foner(☆) and Morris Sorkin (☆), of Remainder Book Co., 220 4th Ave., Samuel Roth(☆), (Washington Star, 7-23 55), publisher of "Good Times" was indicted by the same grand jury, which named as co-conspirators Chief Miller(☆), Y.I. Distributors, Sorkin, and Foner, and Abraham Lieberman(☆), Book Sales, Inc. Roth had appeared before the Kefauver subcommittee. Another Senate subcommittee (M) named Roth as "one of the nation's biggest dealers in obscenity," operating for 40 years, and called Foner, co-owner with Sorkin of Cit-

adel Press, "publisher of party-line works," to account. Foner, named in prior testimony as a Communist Party member, took the 5th Amendment. Roth was eventually sent to prison for five years on Feb. 7, 1956.

Hyman Greenspan(☆), co-owner of Co-Art Associates photo studio at 1225 Broadway, and his partner, David Schoer(☆), of 1831 Lincoln Ave., E.Meadow, L.I., N.Y., were arrested for possession of a huge amount of obscene pornographic material. (N.Y. Daily News, 4-9-57).

Newark Evening News (8-7-57, page 25) reported that a Union County, N.J., grand jury had indicted two distributors for conspiracy to sell obscene material: Reliable News Delivery, 1039 E. Grand St., Elizabeth (Harry and David Goldstein(☆)), and Newark Newsdealers Supply Co. (David Kaplan(☆) and Samuel Klinghoffer(☆)), listed in care of Jacob Slavitt, 17 Academy St., Newark (attorney for the company.) They pleaded innocent.

A Brooklyn druggist, Efreim Berkowitz(☆), of 2045 East 21st St., was raided and thousands of dirty pictures and dozens of reels of lewd movies were confiscated by the D.A. Among the pictures, "the filthiest imaginable," were those of women patients of local doctors. The druggist was suspected of peddling the pictures to school children. (N.Y. Daily News, 6-27-58).

Police raided two Greenwich Village apartments and two photo studios to confiscate over 120,000 photos and sketches of naked men, and mailing lists of 100,000 men. Prints were sold at \$1 each. Seized were Sidney Corn(☆), 1818 Burnett St., Brooklyn; Walter Lowenthal(☆), 1 West 4th St., Freeport, L.I.; Frank Lowell, 407 S. Hewlett Ave., Merrick, L.I.; Gerald Finberg(☆), 237 Steamboat Road, Great Neck, L.I.; Leonard Dunn, and John P. Platinus of 9 Jones St.; and Harry Krebs(☆), 90 St. Mark's Place, Staten Island. Lowenthal is head of Rainbow Studios, 1372 Broadway. General Photos, of 31 W. 37th St., was the other company. (J.A., 1-30-59, page 4).

Jack Goldstein(☆), 2551 Aqueduct Ave., Bronx, seized by police for possession of pornographic literature and films which he had been advertising as far away as Indonesia to exchange for guns, had an arsenal in his home. (J.A., 8-21-57).

The same paper reported (1-7-57, p.7) that Msgr. Joseph A. McCaffrey, pastor of Holy Cross Church on 42nd Street, assailed City Councilman Daniel S. Weiss(☆), of the Lower East Side, for serving as defense attorney for publishers of pornography.

And now we come to the only report in recent years which deals with a possible non-Jew. An AP news item from Newark, dated September 27, 1958(?) reported that J. Mercer Burrell, Newark attorney, had been arrested on a charge of printing and possessing obscene pictures. Police found 3,000 obscene pictures. Burrell was listed as "a member of the board of directors and legislative chairman of the state conference of the NAACP." He was presumably found innocent.

The foregoing items were given in full, including addresses, as a public service, and to illustrate the fact that over 99 per cent of all arrests made during the past five years, as reported in the press, were of Jews, about the same percent as communist Jew spies.

An examination of police records would merely extend the list. Other Jew pornographers will be named from hearings and reports throughout the article.

IS PORNOGRAPHY A RED PLOT?

Jack Mabley, in the Richmond Times Dispatch, Dec. 3, 1959, page 13, reported from Chicago that:

A town in western Poland was the scene of a grotesque gathering in the late spring of 1954. Communist agents had gone through prisons throughout Russia and Poland, rounding up hundreds of sex criminals, perverts and prostitutes.

All were transported to this Polish town. Simultaneously, the Communists brought into the town scores of movie and still photographers and thousands of feet of film. The criminals were turned loose in the town, and for 10 days there was an incredible orgy. The photographers recorded everything. After 10 days, the criminals were sent back to prison. The thousands of pictures were developed in another Polish town. Millions of prints were made . . . taken to a port in Turkey . . . put on a ship which several weeks later put in at Mobile, Alabama . . . American intelligence agents . . . were unable to follow their course from Mobile.

However, it is established that they fanned out through the United States and were put into the hands of youngsters through pornography dealers.

Today these pictures . . . are poisoning the minds of countless young Americans. This was the aim of the Communist agents. The story sounds fantastic, and yet I personally cannot question the source . . . pornographic books and pictures seized in Chicago have been analyzed by federal agents . . . The source has been Europe. The FBI has a major unit working on pornography . . . But they won't talk about it.

The story quoted above is undoubtedly authentic; it is the kind occasionally given out in desperation by patriotic intelligence agents who know what is really going on and are helpless to do anything.

ACLU, RED CRUSADER FOR PORNOGRAPHY

So much has been written about the American Civil Liberties Union in the past that there is need here only to mention that it is a cited Communist front (California Legislative Committee Investigating Un-American Activities, 1943 and 1948 Reports) which has been in operation for forty years. Felix Frankfurter has been intimately connected with ACLU from its inception. Morris L. Ernst(☆) of the ACLU, another fronter, has been an expert on obscenity for decades, has written books on the subject, and defended major pornographic books in court(O). The ACLU officially supported Grove Press in the recent "Lady Chatterley's Lover" case(N) as did the Communist Party editorially in the Daily Worker (by a columnist's praise

of the book, reciprocated by Grove Press's "Thank you" note for the column. See D.W., 11-15-59, page 10). For Grove Press's Jewish complexion, see later item. Grove Press' attorneys in the case were Jewish, and the coplaintiff, Readers' Subscription, also had the services of Paul(☆), Weiss(☆), Rifkind(☆), Wharton and Garrison, a very sinister Communist-fronting firm.(N)

The ACLU mounted a major offensive against the National Organization (Office) for Decent Literature, 33 E. Congress Pkwy., Chicago, Ill. The ACLU's statement against the NODL was printed in the Daily Worker, 5-17-57, page 6 in part, with the signers of the statement, and in full in a New York State Report on pornographic literature. (G, pp. 168-171) The statement against "censorship activity by private organizations . . . more difficult to attack" is a typical Jewish-drafted rehash of dialectical arguments against the suppression of filth. What is of interest is the high percent of Jews on list of signers. Among the authors, playwrights and composers signing were: S. N. Behrman(☆), Marc Blitzstein(☆), Irving Caesar(☆), Jerome Chodorov(☆), Laura Z. Hobson(☆), Arthur Miller(☆), Elmer Rice(☆), Richard H. Rovere(☆), Budd Schulberg(☆), Gilbert Seldes(☆), Irwin Shaw(☆), Louis Untermeyer(☆), and Victor Wolfson(☆), all Communist-fronters. (For that matter, signatures of this statement constituted a Communist-front activity, since the ACLU is cited.)

Editors and publishers who signed this statement by a cited front included: Arthur A. Cohen(☆), President, Meridian Books; Kurt Enoch(☆), President, The New American Library of World Literature; Max Gissen(☆), Book Review Editor, Time Magazine; Harold K. Guinzburg(☆), President, The Viking Press; B. W. Huebsch(☆), Viking Press; Donald S. Klopfer(☆), Executive Vice President, Random House; Alfred A. Knopf(☆), Chairman of Board, Alfred A. Knopf, Inc. (a Communist-fronter); Horace S. Manges(☆), Counsel, American Book Publishers Council (see later); Frederic G. Melcher(☆), President, R.R. Bowker Co.; Arthur J. Rosenthal(☆), President, Basic Books; M. Lincoln Schuster(☆), President, Simon and Schuster(N); and Ben D. Zevin(☆), President, The World Publishing Co. These men are powers in the publishing field. Is it a little more clear why such streams of pornographic and obscene literature are issuing from their presses? When such men will sign a statement attacking the suppression of filthy and lascivious reading material, issued by a notorious Communist-front, the public cannot expect such publishers to care a whit about the public morality.

The ACLU was also upset because NODL has banned books by Arthur Koestler(☆), "The Age of Longing"; Norman Mailer(☆), "Barbary Shore" Budd Schulberg(☆), "What Makes Sammy Run"; Irwin Shaw(☆), "The Young Lions"; Leon Uris(☆), "Battle Cry" (author of "Exodus"—about Israel); Nathanael West(☆), "The Day of the Locust"; and Ira Wolfert(☆), "Act of Love".

MASTERMIND SPY TRAPPED

WELL KNOWN AGENT — 15 YEARS

Sanford "Sandy" Griffith, Top ADL (Anti-Defamation League of B'nai B'rith) Spy Chief for New York area. Sandy Griffith has a number of ADL (Jewish FBI) spies under him and directs activities against Christian patriots throughout the U. S.

Well known as an ADL agent for at least 15 years, Sandy was surprised when the camera trapped him at COMMON SENSE headquarters. Right after this photo was taken, he was thrown out as others before him.

If you have any information on this man, let us add to our file on him.

PORNOGRAPHIC WAR ON AMERICA

PART II

DIRECTED BY "STUDENTS OF THE TALMUD"

By Sam Crockett

The White Slave Traffic has always been a Jewish monopoly; in it, the Jew has combined his instinct for the degradation of women with his hatred of the Gentile, to whom the Talmud denies any more rights than are given to animals. And what is our source for this statement?

The Jewish Chronicle, April 1, 1910 stated:

All who know anything of the conditions prevailing in the White Slave Traffic are agreed that, if the Jews could be eliminated, it would shrink to comparatively small dimensions.

The Jewish World, March 18, 1914, stated: Indeed, the part which Jews all over the world play in white slavery is one of the foulest blots on our people.

The Jewish Guardian, May 23, 1924, expressed passionate regret at the indisputable fact that the sin of the so-called White Slave Traffic lies partly at least on Jewish shoulders . . . The International association which is trying to deal with it reports that a certain class of rogues, still successfully evading their efforts, is predominately Jewish . . . More deplorable . . . is the fact that the tempters and procurers . . . are often recognisably Jews . . . It is one of the stains on the Jewish name that Jews of a sort seem to gravitate to the stem of that detestable trade.

And why, might one ask, should Jewish sources make such admissions? The answer lies below:

Jewesses were enslaved, too; not just Gentile women. The Times, March 13, 1914, reported via its Constantinople correspondent that that city was a chief centre of this Traffic, "which locally is in the hands mainly of Russian Jews." Sir E. Pears in Forty Years in Constantinople (H. Jenkins, 1916, p. 130), said that the women were mostly Jewesses.

The Daily Mail (London), April 20, 1932, reported that a shipload of alien gangsters had been deported from Argentina in the S.S. Chaco. One was an "Englishman named Cohen." The account stated that he was a

member of a notorious Jewish gang known as the Zwi Migdal. For years past, this gang has specialised in procuring European Jewesses for the South American White Slave Market 400 members of this gang were expelled (from Argentina) to Montevideo.

Zwi Migdal ran about 1,000 houses with 3,000 women. Another gang, "Asquenasum," was runner-up in this traffic.

Real Detective, July 1935, contained an article by Lady Terrington "Showing Up New York's Sex-Vice Vultures," which named Polly Adler (☆) as the top madame (who later moved to Hollywood). Another madame, Leibstone (☆), kept a disorderly house with a card-index listing of 5,000

women, who paid her 10 percent of their earnings. Recent news accounts naming Jewesses as call-house madames are the rule rather than the exception.

A few years ago the so-called Jelke case exploded into headlines in New York City. A Non-Sectarian Anti-Nazi League and Anti-Defamation League agent named Mana Truhill (Cohen ☆)—now in prison in Canada for forgery—was flagrantly and publicly involved in that case. He was also an ex-student of an official communist training school and procured a number of prostitutes for his dirty work while in the pay of the Jewish action agencies. Jelke was a catspaw. What never came out in the case—and Truhill knew the whole story—was the role two famous Broadway Lesbians played in financing the ring's operations for the benefit of the Communist Party (blackmail!)

In Jack Lait's and Lee Mortimer's Confidential series of books, unveiled a part of the Jewish control of vice. In Chicago Confidential, in the chapter on "The Scarlet Sisterhood," the two authors wrote:

Vice-President in Charge of Prostitution is Jack "Greasy Thumb" Guzik (☆), who was cashier for the Capone mob . . . his brother . . . Harry, who died in 1949 in Florida, was the cause of the Mann Act, introduced by a Chicago congressman to wipe out a hotel run by Harry, . . . where women were brought from all over the world and from farms and coal-mine towns, and sold and shipped to houses throughout the nation. Under him Jack Guzik got his education . . . and he has risen high . . . He . . . has bragged, "I have more cash than Rockefeller." He has more influence too. Any cop who raises a hand at him—and this is not hypothetical—is not only broken, but he is arrested and indicted for violating the civil rights of Greasy Thumb Guzik, and he is hounded forever after by open and unseen forces. . . .

PORNOGRAPHIC WAR

—o— Continued from page 1 —o—

The same two authors, in their book, *U. S. A. Confidential*, in the chapter on "Reds In Clover," wrote:

Sex is the subversives' secret weapon . . . **Marxism** came into Russia on a wave of free love . . . Communist families must teach their children that sexual activities are biological . . . Sex is offered as an inducement to comrades for attending meetings . . . Negro men get first choice of white women.

See also the section in *Washington Confidential* on the thousands of homosexuals in the State Department, and the Interim Report No. 241 of the Senate Committee on Expenditures in the Executive Department on "Employment of Homosexuals and Other Sex Perverts in Government" (Dec. 15, 1950) which pinpointed the Departments of Agriculture, Interior, Commerce and Treasury, and the Economic Cooperation Administration, Federal Security Agency and Veterans' Administration as hot beds of perverts.

FIVE PORNOGRAPHERS CONVICTED

The *Brooklyn Tablet* (One Hanson Place, Brooklyn 17, N.Y.) in its Feb. 13, 1960, issue, quoted the judge's opinion at length in the case of the five pornographers named in the *Daily News* clipping reproduced in Part One of this article. This was the first decision to follow the recent Supreme Court ruling which struck down a California law banning sale of indecent literature on the basis that a bookdealer is innocent if he hasn't read the books he sells.

In the New York case the five Jews claimed they hadn't read the pornography they were selling. The judge rejected this argument, pointed out that on the cover of one of the books in question, *Queen Bee*, sold for \$5.00, was the following statement:

Nothing is hidden . . . A tale that is wilder and more sizzling than a barrel of sly French novels. A Roman orgy is tame compared to some of the bedroom scenes.

The two other books named by the judge were *Succulent* and *Garden of Evil*. We can tip the cops to the fact that the emporiums of smut operating at 105, 117, 228, 251, & 259 West 42nd Street, and at 598 7th Ave., NYC are also run by Jews and that they too stock pornography. The Jews in the back at the 105 and 259 addresses sell magazines containing absolutely nude figures of women. The Jew at 105 also sells a complete stock of the *Pigalle Imports* torture pornography books. (See first article, page 3, Ben Himmel(☆), arrested owner of this firm.)

THE JEWISH ULYSSES

The first famous obscene book case in America which turned the tide in favor of the Jewish merchants of filth was the revolutionary decision entitled *U.S. v. One Book Called "Ulysses"* (1933). Morris L. Ernst(☆), the Communist-Aiding American Civil Liberties Union lawyer, who is the foremost defender of pornographic and obscene literature and films in the nation—as "censorship" cases—next to Felix Frankfurter, handled the *Ulysses* case for Random House, a Jewish firm. (See Appendix) Donald S. Klopfer(☆), Exec. VP of Random House, signed the ACLU statement favoring pornography. (See Part One)

There was a very good reason that James Joyce's prolix and unspeakably filthy *Ulysses* was chosen as a vehicle for the first successful major attack against the forces of morality in this country. *Dialectics, A Marxist Literary Journal*, No. 5, 1938 (A Communist Party organ) supplies the answer in its Jewish-edited article by R. Miller Budnitskaya(☆), entitled "James Joyce's 'Ulysses' ". Leopold Bloom, a pornographic

Jew is "Ulysses", hero of the novel.

The Gathings Committee (P) attacked this ruling in the strongest possible terms (O) in 1952 and also the *Pennsylvania Commonwealth v. Gordon et al* decision in 1949 by Judge Curtis Bok involving nine books, including *God's Little Acre*, by Erskine Caldwell.

Erskine Caldwell was identified as a "well known communist" on page 567 of Appendix IX(Q) with 21 Communist-front citations listed in that one volume. Even more interesting is the reference in *Whittaker Chambers' book, Witness* (Random House, 1952, p. 44), to:

"Paul" . . . the pseudonym of a secret Communist who had been turned over to the Soviet apparatus by the American Communist Party for the specific purpose of using his business to provide legal "cover" for a Soviet underground apparatus to be set up in England . . . The world knew Paul better as Maxim Lieber(☆), an authors' agent who handled, among others, the profitable marketing problems of Erskine Caldwell, author of *Tobacco Road*, *God's Little Acre* and other best-selling fiction. Paul also handled *Tobacco Road* when it was made into a play which, lacing social consciousness with a dash of pornography, ran so long on Broadway (that it) enabled Paul to buy a farm . . . which also played its small part in the underground . . . (p. 224) in matters of sex, Communists, who deny that it has any importance, are invariably as prurient as gutter urchins . . . (p. 333) Ella Reeve Bloor . . . a kind of dowager fertility goddess . . . at sixty . . . was as frolicsome as a school-girl . . . provided the party's inner circles with unlimited droll stories.

Thus we see that a Soviet espionage agent, Maxim Lieber, handled the named "communist" Caldwell's pornographic books and plays. And along comes Judge Curtis Bok with a decision that the book is not obscene. The Gathings Committee had this to say:

So important and far reaching is such a decision affecting all the elements of our social structure, sanctioning by negative action the flow of salacious, scatological, and suggestive literature, reaching the degree of mass media, that it invites inquiry with reference to the background of the case.

Judge Bok is a grandson of Cyrus H. K. Curtis, founder of the Curtis Publishing Co., and Judge Bok's mother, Mary Louise Curtis, married Edward Bok, Curtis Bok being their son. Cary W. Bok, brother of Judge Curtis Bok, is vice president and director of the Curtis Publishing Co. Judge Curtis Bok's mother, who is now Mrs. Efrem Zimbalist(☆), is a member of the board of directors of the Curtis Publishing Co. Bantam Books, Inc., is . . . one of the largest producers of pocket-size books of the type of those referred to in the committee hearings.

Curtis Publishing Co. owns 42 1/2% of the stock of Bantam Books, Inc. (Bantam pocket-books were condemned in the hearings.)

Further it should be stated that the *Saturday Evening Post*, a Curtis publication, is partly owned by the Wall Street firm of Bache and Co.(☆). Curtis Circulation Co.

distributes *Esquire* and *Coronet*. Mr. and Mrs. Efrem Zimbalist are cited as **Communist-fronters in Appendix IX**. Caldwell's book was ruled obscene and pornographic in a Massachusetts decision quoted by the Gathings Committee. See Appendix for Jewish complexion of companies.

AMERICAN BOOK PUBLISHERS COUNCIL, INC.

1959 sales of pocket books is in excess of 3 hundred million copies. The Gathings Committee noted the high proportion of pornographic and obscene pocket books sold in 1951. The proportion now is many times over what it was nine years ago. "Of the 1951 output, about 80 percent originated in seven publishing houses, all members of the American Book Publishers Council, Inc., (ABPC)."

The general counsel for the ABPC is Horace S. Manges(☆), of Weil(☆), Gotshal(☆) and Manges of NYC. Manges signed the ACLU statement (see Part I); has repeatedly testified against any legal restraint against pornography before various committees; represented Random House and Bantam Books, — co-counsel was Jacob F. Raskin(☆), of Manges' firm—publishers of *Ten North Frederick*, by John O'Hara, in an action brought to force the Detroit Police Department to withdraw its ban against the book as obscene.

In June 1958 Detroit Judge Carl M. Weideman(☆), ruled in favor of the publishers(R). Manges also appeared for Bantam Books to oppose an indictment brought against the same novel as obscene in Albany, N.Y. Judge Martin Schenck(☆), ruled in favor of Bantam Books.(R)

The ABPC has 12 directors inclusive of Curtis G. Benjamin(☆), President of the ABPC and of McGraw-Hill Book Co.; Cass Canfield, Chmn. of the Editorial Bd. of Harper and Bros., a Communist-fronter and United World Federalist; Oscar Dystel(☆), President of Bantam Books; Wm. Jovanovich, President, Harcourt Brace and Co.; Norvell B. Samuels(☆), Associate Dir., Princeton University Press; and Ben D. Zevin(☆), President, World Pub. Co., and a signer of the ACLU statement. The ABPC is a tremendous power in the publishing world; provides counsel in pornography court cases; lobbies against anti-pornography legislation; has extensive files it makes available to sources sympathetic to its viewpoint; issues a *Censorship Bulletin* containing material such as that quoted in its August, 1958, issue: a report by Brown University psychologists, Drs. Nissim Levy(☆), Lewis Lipsitt(☆), and Judy F. Rosenblith(☆), commenting on statements linking delinquent behavior to salacious reading. This trio of Jews reported that "there is some evidence that delinquent behavior is actually lessened by 'bad' reading, etc. . . Among those who have expressed such a view in the case of adults is Dr. Benjamin Karpman(☆), (of St. Elizabeth's Hospital in Washington, D.C.—head of the Psychiatric Division.)" The same bulletin stated that Joseph B. Ullman(☆), counsel for New American Library of World Literature (See Appendix), had succeeded in persuading the Post-Office to reverse its ban on the New American Library's paperback reprint of the obscene book, *The Woman of Rome*, by Alberto Moravia.

JEWISH OCTOPUS IN PORNOGRAPHY

There is not one area of the communication media—particularly as it relates to the dissemination of pornographic and obscene material—which is not controlled by Jews (Khazars).

The American News Co. until 1957 held a virtual monopoly in this country as distributors of periodicals to wholesalers, while its subsidiary, the Union News Co.,—the largest retailer in the world—owned 1200 key outlets. An antitrust suit in July 1952, finally brought this monopoly to an end. At present American News Co. has 27 wholesale branches and Union News has

1500 outlets. Henry Garfinkle(☆) is President, Herbert Frilen(☆) VP, Malcolm Kingsberg(☆) Cons., Serge Semenenko(☆) a Dir. and also Senior VP of 1st Nat'l Bank of Boston. Officers include at least seven Jews, including Roy Cohn(☆), the General Counsel. Union News' VP is Morris Strassman(☆). This company and its subsidiary for years pushed pornography onto the newsstands. It now stocks 47,000 books for sale and accounted for 10 percent of all publishers' sales in America. In the case of Peyton Place American News accounted for 21 percent of total sales! (Annual Report, 1957, p. 15)

Of the 30 ad agencies listed in Literary Market Place(LMP) 23 are obviously Jews. Those which are listed as handling the products of firms listed in the Appendix are Friend-Reiss(☆), Mort Junger(☆), Mogul Lewin Weiss and Saylor(☆), Roeding and Arnold(☆), Wm. Seidenbaum(☆) (Arco Pub. Co.), Franklin Spier(☆), Sussman and Sugar(☆) (Evergreen Review, Grove Press, Julian Messner, Random House, Simon and Schuster), Waterman-Getz(☆) and Martin S. Wiener(☆).

Probably the top key foreign representative for the firms that handle pornographic material is Feffer and Simons(☆). (Pornographic as used throughout this article, unless otherwise indicated by the context, refers to lewd, filthy, salacious, obscene material in any form, be it the "hard core" type or the so-called "erotic realism.") Any party who wishes to take the trouble of leafing through the pages of the LMP Directory can extend this list almost indefinitely. The percentage of Jews in key spots in the categories under Agents, Book Reviewers, Columnists and Commentators, Direct Mail and Promotion, Newspapers and News Services, Radio and TV, etc., is well-nigh unbelievable. Of the 15 major wholesalers 9 are obviously Jewish. The major Wholesale Remainder dealers are Marboro Books (Frederick Weitzen ☆), Publishers Clearance(Abraham Epstein☆), and Remainder Books Co.(Morris Sorkin☆ and Philip S. Foner☆, the latter an identified Communist).

JEWISH BOOK CLUBS

Book Clubs are the most notorious offenders in the respect of "pushing" pornography. The Book-of-the-Month-Club is the most powerful and has consistently chosen authors' books which have been declared obscene. Harry Scherman(☆), a Communist-fronter, is its Chmn. of the Bd. The Book Find Club is equally notorious, if not as powerful. Its Dir. is George Braziller(☆) with his own publishing firm (See Appendix); its Ed. is Richard Seaver(☆), also Mg. Ed. of the unspeakably vile Evergreen Review of Grove Press.(See Jewish Pornography Index.) Book Find News No. 21 for example advertises for sale Theodore Reik's vile recording, *The Psychology of Sex Relations*. Reik's early mentor was Freud. See other reference to Reik who is the foremost Jewish psychiatrist in the country in the field of pornography.

The recording referred to—sold in record shops all over the country—is "a conversation on love-feeling and love-making. He is assisted by Dr. Eberhard Kronhausen(☆) & Dr. Phyllis Kronhausen." (Authors of the book, *Pornography and the Law*(N). The same Book Find News bulletin advertises *Advertisements for Myself*, by the cesspool-minded Communist-fronter Norman Mailer(☆), a book which has a chapter on his relations with a Jewess which is the vilest, most unspeakably filthy, pornographic, obscene, degraded and debauched material ever printed and sold openly to the American public. A book dealer who allows this book to be sold to children deserves the worst penalty that can be meted out under the law. (But of course the only "penalty" will be increased sales).

Readers' Subscription brought suit—with Grove Press—in the *Lady Chatterley's Lover* Case. The President of this club is

Arthur J. Rosenthal(☆). He and his staff also run Basic Books and its book club, the Library of Science book club, the Natural History Book Club and the Science Book Club. Geo. Braziller, of Book Find, also—with the same staff—runs the Seven Arts Book Society. Angus Cameron(☆), an identified Communist Party member, runs the Liberty Book Club, and puts out Prometheus paperbacks. Mid-Century Book Society's President is Arnold Bernhard(☆); Exec. VP is Sol Stein(☆). It issues the *Mid-Century* and sells *The Henry Miller Reader* and *Justine* and *Balthazar*, both studies in filth edited by Lawrence Durrell.

JEW PORNOGRAPHERS AND THE LAW

Nearly 100 percent of all legal suits brought in this country against pornography have involved Jews, either as defendants, as purveyors of pornography or as plaintiffs complaining because some local or national authority had interfered with their activities. A listing of the cases would be far beyond the scope of this work and would be dry reading. The ACLU has listed these cases over the years and any lawyer can locate the information for an interested party. A very high percentage of the cases can be identified as Jewish from the names given. When publishers' firm names were given, the publishers invariably are found to be Jewish. *Alberts v. Cal.*, *Chaplinsky v. N.H.*, *Glanzman and Bowery Enterprises v. Schaffer*, *Joseph Burstyn v. Wilson*, *Roth v. U.S.*, *Commonwealth v. Gordon*, *U.S. v. Levine*, *Commonwealth v. Isenstadt* (Strange Fruit), *Roth v. Goldman*, *Penna. v. Martin Blumstein*, represented only a tiny fraction of the major obscenity cases involving Jews. The *Ulysses*, *Nights of Horror*, *Chatterley*, and the *Miracle* cases were all Jewish. Jewish law firms monopolize the pornographic cases—as defenders of the merchants of filth. Felix Frankfurter is the key justice in the Supreme Court in all decisions relating to pornography. Such cases are almost invariably brought before Jewish judges on the premise that a Jew judge is automatically pornographic minded and inclined by nature to decide in favor of the smut writers, publishers and dealers.

APPENDIX

Book "publishers are responsible for the inception, preparation, distribution, and sale of pornographic literature, which now reaches an incredible volume and produces profits of such magnitude as to encourage resistance on their part to all efforts leading to control by law. Any effort toward controlling this menace effectively must begin at the source, which is the publisher (who) is primarily responsible, since he is the architect and creator without whom the chain of distribution could not function." (Gathings Committee Rep. p. 17)

The following book publishers—all Jewish owned or Jewish staffed—have published pornographic or obscene literature. *Literary Market Place, The Business Directory of American Book Publishing - 1959-60* (R.R. Bowker Co., N.Y.) was consulted for this compilation. Sources which were utilized to determine whether publishers should be included on this list are given in parenthesis following each listing.

Martin Luther King Jr. MARXIST TOOL & RACE AGITATOR

By Sam Crockett

On Jan. 1, 1958, the power-crazy Negro "leader" Rev. Martin Luther King, Jr. led a "Pilgrimage for Public Schools on Emancipation Day" march on Richmond, Va. The Va. branch of the NAACP and the Congress for Racial Equality (CORE) co-sponsored the march. This school integration propaganda gesture is another in the long series of racial agitation activities led by King, and as usual was reported in the *Worker*, 12/21/58, p. 16, with full approval by the Communist Party's official organ.

Let's take a good look at King's record since he was picked as one to "lead" the Negroes down the crimson path to a Soviet America.

"Over the Labor Day weekend (8/30 to 9/2/57), Highlander Folk School, at Monteagle, Tenn., staged its 25th anniversary seminar on 'the . . . integration struggle.' Notorious communists, veteran communist fellow travelers, and Negro leaders in all the recent major incidents attending integration were present at the seminar . . . (This) School was organized by . . . Don West." West was District organizer of CP of No. Carolina. This school is actually a Communist Training School. The closing address at this seminar was made by Martin Luther King. Pictures taken at that time show him together with Abner Berry, Negro member of the Central Committee of the Communist Party and columnist for the *Daily Worker*. Pete Seeger, participant in the N.Y. State Youth Board of the CP (*Daily Worker*, 2/22/49) and long time CP member, entertained the delegates.

King is president of the Southern Christian Leadership Conference and led the Montgomery Boycott and the March On Washington, the latter with Bayard Rustin his manager, who, according to the *Daily Worker*, attended the 1957 convention of the Communist Party.

"Leading Communists have been writing enthusiastically about King's movement . . . the Party looks upon King's work and movement as a new opportunity to incite racial animosity." (See additional data from which foregoing quotations were drawn in the folder on Highlander Folk School and Communism and the NAACP, Vol. 1 & 2, Ga. Comm. on Education, Atlanta, Ga.)

King's manager, Bayard Rustin, is listed as a member of the Editorial Board of *Liberation* (April 1956; Jan. 1957 issues). This is a pacifist-anarchist publication. Its contributors included typical communist-fronters Norman Mailer, Dorothy Day, Lewis Mumford, Pitirim Sorokin. A. J. Muste, infamous pacifist, communist-collaborator, also is listed on the Editorial Board. Martin Luther King contributed an article to the April 1956 issue in which he stated that "The extreme tension in race

Martin Luther King Jr.

in part by the revolutionary change in the Negro's evaluation of himself Ruskin contributes another article and is identified as having "had many years of direct experience in racial conflicts in the South." In 1946 he served a sentence on the chain gang in N. C. for refusing to sit in the Negro section of a bus. He went to India in 1947 and Africa in 1953. He is an expert on civil disobedience. The title of his speeches delivered in Africa and U. S. was "AFRICA AND THE WORLD STRUGGLE." Bayard Rustin was sentenced to 60 days in jail as a sex pervert in Pasadena, Calif., January 22, 1953 by Judge H. Burton Noble.

The Youth March for Integrated Schools to Washington, D. C., 10/25/58, was another of King's activities. He was co-chairman along with veteran Communist-fronter A. Philip Randolph, Roy Wilkins of the NAACP, who also has a record, and committee member Algernon Black (66 fronts), George B. Ford, Harry Fosdick, Milton Galamison (Brooklyn NAACP head), Clarence Pickett, James H. Robinson, Bayard Rustin, all of whom have front records. (See Call) Three bus loads of Communists from the cited Communist N.Y. Teachers' Union participated in the March (N. Y. Teachers News, 10/18 & 11/1/58). The *Worker* (11/2/58, p. 3) reported the March with the heading "Rev. King said: The Oppressed Always Marched For Freedom" accompanied by a picture of Mrs. King, who delivered the speech for her ailing husband. The Youth Pledge of the Marchers was reprinted in its entirety by the *Worker*. The entire front page of this issue and 14 columns of print were devoted to the March, May 17, 1959. Communist-fronter Harry Belafonte was a speaker to the Marchers. The *Worker* stated (p. 15) that

"Large numbers of the Left (Communist) forces actively aided in mobilizing support for the Youth March and were in vast audience." Challenge, official publication of the Young Peoples Socialist League (11-1-58) headlined the story and pointed out that the Marcher's White House Student delegation leader and 14 of the main youth organizers were members of the YPSL.

The N. Y. Post (7-11-58) reports an interview with King by Mike Wallace (Myron Wallik ☆) in which King asserted "I'm sure that integration will lead to inter-marriage. I don't deny that . . . Many of the most violent segregationists in the South have fathered children with Negro women—and their guilt makes them scream the loudest!"

The Communist National Guardian, 10-20 58, p. 8, carried a paudatory review of King's book "Stride Toward Freedom."

While autographing copies of this book in a Jewish department store in Harlem, King was stabbed in the chest by a Negro woman who resented his integration activities and yelled as she stabbed him "You made enough people suffer in the last six years." (N.Y. Journal American, 9-20-58). With King was the Yiddish Communist-fronter, President of the NAACP, Arthur B. Spingarn (☆). The woman also stated that Rev. King has ruined my life; he is no good; the NAACP is no good, it's Communist. (N.Y. Amsterdam News, 9-27-58, p. 11)

The *Daily Worker*, 3-10 & 14-57, described the celebration marking the birth of the Communist-run Negro state of Ghana in Africa under the premiership of Communist Party member Kwame Nkrumah. Soviet representatives were present: Communist W. E. B. DuBois (72 Fronts) was invited by Nkrumah; Cedric Belgrave, CP member, was present; Communist-fronter A. Phillip Randolph and identified Party member Ralph Bunche were there, and so were King and his wife.

The one organization in this country which has been supporting the South African communists traitors currently on trial is the American Committee on Africa. An 11-7-58 letterhead shows King listed as a member of its national committee, along with a long list of communist-fronters: John Gunther (☆), Oscar Hammerstein II (☆), Will Maslow (☆), identified Communist Party member Alex Meiklejohn (☆), Reinhold Niebuhr, Sidney Poitier (☆), A. Philip Randolph, Mrs. FDR, Rex Stout, Channing Tobias (50 Fronts), and about three dozen more. A Jan. 11, 1956, letterhead shows Bayard Rustin on the Executive Board (Also 1957 letterheads.)

The 1958 CORE (See above) letterheads show King on the National Advisory Committee along with red-fronters Roger Baldwin, Will Maslow, A. J. Muste, A. Philip Randolph, Ira DeA. Reid, and Goodwin Watson (82 Communist fronts)

JEW STIR UP NEGROES

AL. LEVENSTEIN(☆), delegate from So. Africa to U. N. photographed while speaking to negroes March, 7, 1960 in Montgomery, Ala. Although a citizen of a foreign country, this Jew is traveling over our southern States sowing discord and confusion among our citizens. As the **PROTOCOLS** state, Jews will turn classes and races against each other so that confusion reigns while the Marxists spring the trap as they have already done in 17 other countries.

WEED OUT THESE RED VOICES

DOES N. Y. TIMES LEAD PARADE OF RACIAL CHAOS IN SOUTH?

What is really behind the current racial turmoil in the U. S. South? We have only to tear off the camouflage and sure enough—we find the same old pack of weasels hiding beneath in their lair and again instigating all the confusion and chaos.

On March 29, 1960 a full page ad entitled "Heed Their Rising Voices", appeared in the notoriously pro-Zionist N. Y. Times, soliciting funds from unsuspecting Americans, for a newly created "Committee To Defend Martin Luther King And The Struggle For Freedom in The South."

This ad has since been denounced by a host of prominent Southern officials, newspapers, citizens, and Alabama State College which was attacked in the ad. According to dispatches, authorities at the college said "There was not a modicum of truth in the statement." Alabama Attorney General, Macdonald Gallion, was reported to have charged that the ad contained "vicious, unfounded and malicious lies." The Attorney General is said to be considering legal action against the ad's sponsors. The Montgomery Advertiser said in an editorial that the advertisement was replete with "lies and crude slanders." Alabama's Secretary of State Bettye Frink was quoted as saying that the signers of the ad "should have warrants served on them."

Indeed they should; for the list of signers of the statement supporting King, himself neck deep in perjury indictments and possible income tax evasion charges, is so infested with known communist-fronters that it would practically require a derrick to rake them all out.

There are sixty signers of the ad. The communist-fronters have a total of at least 400 citations. These include notorious Langston Hughes with 73 communist-front citations, A. Philip Randolph with 38, Marc Blitzstein with 24, and, of course old red-lie Eleanor Roosevelt with 56.

American Committee on Africa

FOUR WEST FORTIETH STREET, NEW YORK 18, N. Y. • LA 4-9738

June 19, 1959

George M. Houser
Executive Director

Dear Friend:

Responsibilities which have fallen to the American Committee on Africa have been unusually great this year. Tom Mboya, Kenya's African leader, just completed a nation-wide speaking tour under the auspices of the Committee. Almost 3000 people attended the Committee's celebration of the first Africa Freedom Day at New York's Carnegie Hall on April 15. \$15,000 has been sent through the South Africa Defense Fund since January (making a total of almost \$50,000 since 1957) to help the treason trial defendants.

The enclosed report gives more details on these and other recent activities of the Committee. I believe you will be impressed by the amount of work our small staff has been able to carry on. But the demands on the Committee are such that further staff expansion is necessary, and I am happy to announce that Dr. Homer A. Jack is joining the staff as Associate Executive Director on July 1.

Dr. Jack is widely known for his keen interest in and knowledge of African affairs. He has traveled in Africa three times, most recently as a representative of the Committee to the All African People's Conference. He attended the Bandung Conference in 1955 as an American correspondent. He has written and spoken widely on African and Asian developments and American responsibility in relation to them. He was able to make his trips to Africa and Asia while serving as minister of the Unitarian Church in Evanston, Illinois. For five years prior to his church work, he was Executive Secretary of the Chicago Council Against Discrimination, a 'citizens' organization pioneering in problems of civil rights.

The Committee is very fortunate in having Dr. Jack join its staff. He and George Houser will form an excellent team. But the decision to invite Dr. Jack to join the staff, while a necessity, was also an act of faith, as was the original founding of the Committee. The continuing work of the Committee depends upon your support.

I urge you to justify this act of faith by making your present contribution to our expanding program as generous as you can.

Sincerely yours,

Donald Harrington

NEW YORK MARXISTS DIRECT RACE RIOTS

CENTER FOR AFRICAN STUDIES

SANFORD GRIFFITH, Director

Opening: Tuesday, September 24, 8:30 P.M.

The courses listed in this leaflet inaugurate the development at the New School of a meeting place for the study and exchange of ideas about Africa, an area vital to the world both for the collaboration of its peoples and for its vast undeveloped resources.

Our knowledge about Africa has come mainly by way of Europe, and has emphasized what outsiders might gain from its resources. There is much European colonial history about Africa, but, except for a few areas, very little is known about the history of the African nations themselves to which not a few American citizens are proud to claim connection. Also too little is known about the African people, their ways of life, and about what they themselves want as they confront the future.

These courses aim at giving a basic orientation in African history and geography, and in current social and economic developments. Special emphasis is given to the concerns of those who contemplate some firsthand contact with Africa and of those who have a more general though personal interest in African affairs, including Negro Americans who desire to know more about their racial origins and about life and its opportunities in Africa.

Opening Meeting

AFRICA — ITS PAST GLORIES AND PRESENT PROMISE

Panel: WILLIAM LEO HANSBERRY, JOHN V. MURRA, WILLIAM B. SCHWAB, GEORGE W. SHEPHERD AND SANFORD GRIFFITH.

Tuesday, September 24, 8:30 P.M.
New School Auditorium. Admission Free.

Following the meeting, there will be a reception and exhibition of African Art (7th floor).

MARXIST ARE OUT TO END THE WHITE RACE

THE CAT IS OUT OF THE BAG!

Below is an Associated Press dispatch from England dated Feb. 15, 1960:

HELP BREAK COLOR BAR, QUEEN URGED

NEWCASTLE - ON - TYNE, England, Feb. 15.—A Presbyterian clergyman today urged Queen Elizabeth to encourage her children to make interracial marriages.

This, said the Rev. William

H. Barbour, 47, would set a Christian example and help solve the color bar.

Writing in his parish magazine, the minister added:

"Christian people must not be unwilling to marry Chinese, Indians or Africans or we shall never solve the color problem.

"It would be a wonderful help and inspiration if our royal family, who are themselves good Christians, would give a lead to us, their subjects, and fellow Christians.

"It would make a wonderful difference if our royal family would themselves think about marrying colored people."

The NEW YORK TIMES of Feb. 15, 1960 headed an article "MINISTER URGES STORE BOYCOTTS" — "DECRIES SEGREGATION POLICIES OF KRESS AND WOOLWORTH STORES IN SOUTH."

The article quotes Reverend Harrington of Community Church of New York, 40 East 35th Street.

Rev. Harrington told the congregation that "segregationists were correct in one of their 'more emotional concepts' — that the ultimate goal of integration is intermarriage."

SPY TRAPPED IN OFFICE OF "COMMON SENSE" 3-14-60

SANFORD "Sandy" GRIFFITH, alias Otto Kollmar, Al Scheffer, etc. Top ADL spy.

GRIFFITH is one of the main wheels in the Marxist combine of American Committee on Africa and New School for Social Research, New York City.

These two organizations train speakers to go into Africa and our southern States, where they stir up discontent and hatred among Negroes who do not realize they are being regimented by Marxist Jews to be used as a pressure block. Little does the Negro realize that under communism he will exist under worse slavery than before the Civil War. Just as the working men in Hungary were promised a new life under communism, after they helped set it up and asked for recognition they were slaughtered.

Fifteen lectures "Social Changes in Emerging Africa" conducted by Sanford Griffith at New School for Social Research, 66 West 12 Street, N.Y.C. . . . Every Wednesday night 6:20 to 8 P.M. . . . \$1.00.

We list five of them:

Feb. 17, 1960: "Color as a Political Irritant in the U.S. & South Africa."

March 6, 1960: "Israeli and Arab Competing Influences in Emerging Africa."

May 4, 1960: Debate—"A Comparison between Government & Free Enterprise Projects in Africa Development."

May 11, 1960: (1) "Current Social Problems in Egypt & Nasser's Revolution."

(2) starting 8:30 P.M.—"Discussion of International Effort toward Co-Existence Inside Africa, Multi-Regional Area Algeria, Kenya, So. Africa."

Adam Clayton Powell, U.S. Congressman from New York, appearing on the Mike Wallace's television program Channel 13 at 11 P.M. Friday, March 20, 1959 made several significant statements.

Powell stated that in New York City 64% of the school population are Negroes and Puerto Ricans; 50% of the city population is Negro and Puerto Ricans; that in the U.S. 28 million whites have Negro blood and 70% of the Negroes have white blood. When asked by Mike Wallace what he thought was the best way to solve the race problem, Powell quoted an educator at Harvard University as stating that intermarriage would solve the race problem.

38 Billion Down A Rat Hole

By Robt. E. Nesmith
Houston, Texas

You will be asked by many people — "How can the Government operate without the Personal Income Tax?" The answer is simple.

Not one penny of your personal income tax is used by the Federal Government to finance any part of the government authorized by the Constitution of the United States of America. It does not pay the President, the Vice President, Senators, Congressmen or any other person on a job authorized by the Constitution.

Now here is how it is used. In excess of \$6 billion is used to pay farmers to grow more wheat, corn, cotton, tobacco, etc. than the public can consume; and they are also paid for not farming. In excess of \$5 billion per year is used as so-called Federal Aid to states, which has been one of the tools used by the Federal government to destroy the sovereignty of the states. Approximately \$4 billion per year is being used to construct in foreign countries highways, airports, shipping canals, and to build plants in foreign countries which are competing with American private enterprise and with no investment in their plants. It is used to finance the TVA program and the TVA Fertilizer program which compete with private enterprise.

It is used to finance over 700 Government owned corporations that are split into 3,000 companies, and each competes with every known phase of American private enterprise, and this is done **TAX FREE, RENT FREE, OVERHEAD FREE** and with no possibility of loss, they just **RAISE OUR TAX**. The value of these government-owned corporations is estimated from 50 to 100 billion dollars, and if these were sold to private enterprise, this amount of money could be deducted from the national debt, and these same corporations would go on American tax rolls, paying corporation tax, county tax and school tax; thereby helping to finance all local issues, and since it would eliminate the annual loss of 38 billion dollars, which is the exact amount of personal income tax paid, the personal income tax can and should be abolished.

It is estimated these corporations would pay corporate income taxes to the Federal Government in the amount of 8½ billion dollars per year, and this could be used to reduce the debt annually, and through the repeal of the 16th Amendment, the United States of America could and should be debt-free within a period of 25 years.

THE SOMETHING FOR NOTHING BOYS MEAN SOMETHING FOR THEMSELVES AND NOTHING FOR YOU.

Listed below are 31 of the over 700 government corporations showing their losses. These compete with taxpaying private enterprise and are destroying the natural and needed growth of business to provide jobs for an expanding population. All should be sold to private enterprise, or eliminated entirely.

Question No. 2 is: "Where will the government get its money to operate on? The answer is Section 8 Article I of the Constitution: "The Congress shall have the power to lay and collect taxes, duties, import and excise to pay the debts and provide for common defense and general welfare of the United States, but all duties, import and excises shall be uniform throughout the United States."

- (a) Duties are custom taxes; import and export.
- (b) Excise are sales; cigarettes, amusement, corporation and business.

These bring in 48 billion dollars per year, now, which more than meets the needs of government, if the government got out of business.

Archbishop C. C. ADDISON SPEAKS

In the New York Age, Saturday, Feb. 20th issue headline, "Walk Together Children," with a picture of a picket outside the Harlem Woolworth store on 125th St. marching in protest against the national chain's bias policies in the South. This spectacle proves my statement in the Herald-Dispatch February 13, 1960, that the fountain head of the intoxicated organizers of these destructive mobs are in the North. This wild propaganda is spreading like wild fire throughout the South. It proves the destructive education the Negro is getting in the classroom in America. Negro students have been trained to hate themselves to the extent that they want to get away from self. There is no people on God's earth that want to associate with a people that hate themselves. There is no law between heaven and hell that can compel them to do so.

Why should the Negro die a fool? (Prov. 26:3) Fools because of their transgression, and because of their iniquities, are afflicted (Psa. 107:17). Has he not served America and the world? Has he not borne the burden of civilization in the Western World for three hundred years? Has he not contributed of his best to America. Surely all this stands to his credit. But the Heavenly Father has spoken, "Let My People Go," into industry enterprises of their own.

Yes! A seat side by side with the white people will dispossess the American Negro in the South of all the business that he possesses, and become an economic slave in the South just like they are in the North. Why will you die an economic death just for a seat side by side with white people? The white man is doing the Negro a favor when he refuses to sit aside of him anywhere, the Negro is doing himself lots of injustice when he tries to force his way on the white man anywhere.

AIR FORCE MANUAL

By Rev. Billy James Hargis

Publisher **CHRISTIAN CRUSADE**
Tulsa, Oklahoma

Everyone who loves America and her great system of "private enterprise" and "individual freedom" and whose very life is dedicated to the cause of evangelical Christianity should thank God for the **Air Force Manual Controversy**. It has focused the attention of millions upon the reality of communist infiltration into the ranks of organized religion in the U. S. A.

Congressman Wint Smith (Republican-Kansas), said on the Floor of the House of Representatives, Tuesday 23: "The recent furor raised by some members of the National Council of Churches in regard to a statement in an Air Force Manual has brought forth many ideas and comments. I have found NO one who denies that there are no ministers to be found in the International Communist Conspiracy. The statement in this Air Force Manual simply said this: 'From a variety of authoritative sources there appears to be overwhelming evidence of communist anti-religious activity in the United States through the infiltration of fellow travelers into churches and educational institutions.'

"Everyone who has read just a country newspaper . . . knows that is a true statement. The Committee on Un-American Activities has probably hundreds of names throughout America . . . of people who follow this classification . . . either in the churches or in the educational field.

"This Air Force Manual in substance says that many people are innocently duped, deceived and flagrantly exploited by the 'Social Gospel Doctrine' that has been advocated by many ministers. This article does not condemn churches and religion . . . it simply calls attention to a well-known fact that some ministers fail to see that their placing of emphasis on the political-economic and Social Gospel matters . . . is simply following the Collectivist Communist Road.

--"This article in no way belittles spiritual values or basic beliefs of religion. All this article is attempting to point out is this fact . . . that many persons in some church groups who support 'political-economic fronts' render a greater service to these international propaganda projects than card-carrying Communists".

However, the National Council of Churches is unwilling to concede that there is a single communist or communist sympathizer among its "officers, staff or executives". Instead, Dr. Roy G. Ross, general secretary of the Council, in a bigoted attack against Christian Crusade, myself, Carl McIntire and the International Council of Christian Churches, Myers G. Lowman, head of the Circuit Riders of Cincinnati, and Verne P. Kaub, organizer of the American Council of Christian Laymen of Madison, Wisconsin, accused us of being "hate mongers" . . . "Church destroyers" . . . "dissident persons who are devoting

CONTROVERSY...

STILL CARRYING ON THE FIGHT FOR A SOVIET AMERICA!

their lives to the undermining of the churches and their regularly constituted agencies". This attack was carried on the wires of the United Press International, Friday, March 18.

Typical of communist maneuvering, the prejudiced leaders of the National Council attacked the men who are devoting their lives to trying to save this country from communist enslavement, rather than answering our charges. We have made some serious charges . . . in the material which I wrote, which was quoted in the Air Force Manual. I accused certain NCC clergymen of having communist sympathies and being affiliated with certain communist-front organizations. These charges stand unanswered. They have attacked me and all others who are militantly anti-communists, but they have not and cannot answer our factual charges, based not on opinion, but the records of the House Un-American Activities Committee and the American Legion.

In the above mentioned UPI story, Ross also attacked the House Un-American Activities Committee . . . he said, "We know that there are statements in the files of the Committee on un-American Activities made by irresponsible and malicious individuals . . . we know also, however, that the implied charges of communist affiliation or communist sympathy are totally false".

**HISTORIANS OF THE FUTURE
WILL MARVEL MOST OF ALL
AT THE NON-RESISTANCE
OF THOSE WHO HAD
THE MOST TO LOSE.**

—General George Van Horn Moseley

The American people, and especially our National Congress, are going to take a dim view of this unwarranted attack against the Congressional Committee whose responsibility is protecting the internal security of this Country.

This wild, fanatical attack by the National Council leaders, shows that they are vulnerable and they know it. They will stop at nothing to suppress these facts. But the fact remains and the NCC leaders attempt to discredit them by discrediting those of us who published the facts. They must answer these printed facts. Only an admittance or denial based on facts will suffice.

Lynn Landrum, editorial writer for the Dallas Morning News, on Thursday, March 3, asked a question which best summarizes our position: "Who best serves the true interest of the Church - he who sees infiltration in the Church and demands that it be cut out or he who will not see it and insists that it isn't there?"

By God's grace, Christian Crusade intends to push this battle against the apostate leadership of the National Council. Their sympathies are a matter of public record—they have advocated entrance of Red China into the United Nations; diplomatic exchange with Communist China; disarmament and "surrender, on the enemy's terms" in event of a shooting war with Russia; abolition of all Congressional committees investigating communism.

Christian Crusade's record of defending the faith "once and for all delivered unto the saints", relentless opposition to atheistic anti-Christ communism, and our militant opposition to religious apostates that mislead the church into the camps of communism, modernism, and socialism . . . is a 12 year record, of which we are proud.

Brainwashing As An Art

Each year the American Jewish Committee issues a budget report to the wealthy Jews who have contributed to A. J. C.

Below we give you a small part of the report for 1954. The object is to show how effectively they work and the progress made in influencing non-Jews. The part here deals only with religions and schools. Each year they report also on the millions of dollars spent to influence labor, government, fraternities, the press, radio, T.V. and movies which are owned by their co-religionists. The reader should meditate on the results if each religious group infiltrated the others.

Why is it necessary for the Jews to spend millions each year in the U. S. for this purpose? Would the Jews allow any religious group to tell them how to think and how to teach? Haven't they already tried and succeeded in removing the Bible and Lord's Prayer from many of our public schools?

AMERICAN JEWISH COMMITTEE BUDGET 1954

FROM PUBLIC INFORMATION & EDUCATION DEPARTMENT

INTERRELIGIOUS ACTIVITIES DIV. PROGRAM STATEMENT - 1954 BUDGET

Part 1. Religious Education & Social Action

1. FIELD AND OBJECTIVES

We recognize the church as a primary factor in determining the attitudes of Americans towards Jews and Judaism. The church has grown in numbers and now influences some 85,000,000 members. Church groups are increasingly vigorous in the political, social and economic field and have become articulate in the fields of labor, civil rights and international relations.

This Division seeks to encourage and assist Protestant and Catholic churches and church groups to develop educational and social action programs that will create favorable attitudes towards Jews and Judaism. Recognizing the commitment of church groups to better human relations, we seek to enlist their support in mutually agreed upon social action programs such as combating discrimination, and the protection of civil rights and civil liberties. In areas of controversy it is our responsibility to interpret the Jewish view point and to seek, wherever possible, to "make those differences benign."

Towards this end we deal with national Protestant and Catholic agencies; denominational groups; various Catholic dioceses; educational bodies responsible for the creation of curricular materials, the training of religious school teachers and clergy and the production of audiovisual material; synagogue bodies, local and national; and such interfaith agencies as the National Conference of Christians and Jews.

We also regard the whole field of church-state relationship as an integral part of the problem. Our aim is to strengthen the forces maintaining separation of church and state. Powerful religious forces are now striving with increasing intensity towards a reinterpretation of the First Amendment. This is revealed in efforts to introduce religious education into the public curriculum, and to obtain support for the religious school.

Our responsibility is to provide our agency with a sound policy; to work with Christian groups in interpreting that policy and to develop through the local Jewish community an educational program that will give Jews an adequate understanding of the church-state problem particularly as it affects public education.

11. PROJECTS CONTINUING IN 1954

A. Yale University Survey: The Yale University survey of Protestant lesson material will not only continue, but be expanded into a full-fledged research fellowship. The results of the survey will be channelized into the

Curriculum Committee of the National Council of Churches for guidance to the publishers, editors and lesson writers. We also plan to invoke a seminar for the lesson material publishers at Yale in order to involve them in the process.

B. NCC Intergroup Education: During 1953 this Division developed training courses for church teachers and leaders. The director also set up intergroup education committees in various church councils throughout the country. Many resources of our agency are being used for the publication of the February, 1954 edition of the *International Journal of Religious Education*, which will be devoted entirely to Jewish Christian relations. It will provide a kind of textbook for Jewish-Christian relations in the Protestant field.

C. Religion in the Mass Media: We plan to continue cooperative efforts with our Radio-TV Division in the production of Jewish religious programs. In addition, the ever-growing problem of dramatic presentations and literary works that affect negatively the attitude of Christians towards Jews will be a major concern in 1954.

We also plan to help organize a second annual radio-TV institute for rabbis such as the one held in June, 1953.

Work in this area will involve close contacts with the major networks; the Broadcasting and Film departments of the National Council of Churches; Catholic mass media agencies and synagogue groups.

D. Top Level Meetings with Christian Leaders: We plan to continue the series of meetings with Protestant and Catholic leaders in two areas:

- 1) Religious and Public Education.
- 2) Civil Liberties and Religious Bodies.

The first issue presents a problem of attempting to resolve differences if possible and interpreting our position; the second issue in which most religious groups see eye to eye, will involve the exploration of possibilities for joint action.

E. Religious Press: We plan to continue our close contacts with both the Protestant and Catholic press, not only to provide factual information in areas of mutual concern but also to gain an understanding of current Protestant and Catholic thinking.

F. Specific Issues: From time to time we are called upon to enlist support of religious groups in such matters as the problem of Soviet anti-Semitism. This was a major concern in 1953. We succeeded in eliciting vigorous public pronouncements condemning Soviet anti-Semitism. We also furnished the National Council of Churches and individual denominational groups with information

through our Library, that provided the basis for information bulletins and fact sheets. This type of work will continue in 1954.

G. Study Visits to Catholic Schools: We plan to continue in 1954 a program of visits to Catholic parochial schools, which have two purposes:

- 1) Securing first-hand information regarding intergroup emphasis in these schools; and
- 2) Providing teachers and principals with guidance in teaching methods and use of lesson material in social study courses involving intergroup education.

In 1954 we plan to concentrate our efforts in one city such as Hartford or Pittsburgh in order to provide us, through intensive work, with a full picture of Catholic education.

H. Work with the National Catholic Welfare Conference: This will include furnishing of factual information to the Press Department; enlisting the support of the Social Action Department in various issues as they arise; and offering the Education and Youth Departments with materials on Jews and Judaism as we have done in the past.

I. Work with Educational Bodies: We will continue our efforts with the Educational Policies Commission of the National Education Association, and with the American Council on Education, to assure careful study of the proposal that the public schools teach about religion.

III. NEW PROJECTS IN 1954 WITHIN 1953 BUDGET LIMITATIONS

A. Work in the Catholic Textbook Field: New efforts will be made during the coming year to seek the publication of revised editions of Catholic textbooks through the offices of the Catholic Biblical Association. In addition, we will help the Committee on Citizenship of the Catholic University of America in the preparation of texts on Jews and Judaism and articles for youth magazines.

B. Civil Liberties and Religious Groups: The threat to civil liberties as applied to religious groups is likely to assume greater proportions in the next year. We expect to expand the program in 1954 to coalesce religious forces in the face of these attacks.

IV. APPLICATION OF RESOURCES TO OPERATIONS IN COMMUNITIES

A. We propose, in 1954, to develop in two or three communities an intensive inter-religious program on the Chapter level. This will require extended visits to these Chapter cities, over a period of one to two weeks at

a time; the creation of a local interreligious committee; the formation of Protestant-Jewish and Catholic-Jewish liaison committees; intergroup workshops for religious teachers, etc., also cooperative programs between the Chapters and local inter-group councils. In addition, techniques will be developed for the maximum use of Chapter people in CRC interreligious problems.

B. To supplement the work done at Yale University we will attempt, in 1954, to engage in a study of Protestant lesson material on a regional basis. In the Southwest, for example, it is altogether possible that local lesson materials are used in a good part. Through the cooperation of our Chapters in the Southwest we shall explore the desirability of setting up a survey in a leading Texas university.

C. We have had several requests to establish radio-TV institutes for rabbis on a regional basis. In 1954 we shall attempt to arrange for one or two of these workshops, perhaps in the Midwest or Far West.

V. MAJOR ACCOMPLISHMENTS IN 1953

A. **The Yale University Studies:** During the current year, we established the research project at Yale University Divinity School as a functioning program. Initial opposition from some Protestant groups has been overcome by a clear interpretation of the project. Plans have been made to involve the editors and lesson writers in the study. We have also completed arrangements for the use of National Council of Churches educational facilities to channelize the findings of the study to religious educators.

B. The National Council of Churches Inter-group Education Department:

We have begun to see the fruits of our efforts, together with those of the A.D.L., to stimulate various departments of the National Council of Churches to develop intergroup programs. Accomplishments of the year include the creation of numerous interfaith committees within local Councils of Churches, the establishing of a series of Leadership Education courses in intergroup work on the local level; and the preparation of a special issue of the *International Journal of Religious Education*, devoted exclusively to intergroup work. The various curricula committees of the NCC Division of Christian Education have accepted many suggestions for improving their material and the elimination of objectionable material.

C. **Work with Protestant Leaders:** We have continued to hold top-level conferences with Protestant leaders during the year, and have established close relations with them. In addition we have intensified our relations with Jewish religious leaders who have participated in these meetings.

A significant development has been the creation of similar top-level meetings in local communities. In New York City this involved all three faiths.

D. **Work with the Chapters:** During the past year the Division director has met with Chapter leaders in the following cities: Chicago, Philadelphia, Boston, Cincinnati, Cleveland, Detroit, Pittsburgh, Birmingham, Los Angeles, San Francisco, Youngstown, Louisville, Portland, Ore., Seattle, Baltimore, Kansas City, St. Louis and New York. This wide area of contacts has not only enabled us to offer our constituency a first-hand interpretation of our work, but has also stimulated the chapters to build up interreligious programs on a local level.

E. **Work with Jewish Religious Groups:** We have continued our close associations with religious groups such as the Synagogue Council and its constituent bodies, the seminaries and local Boards of Rabbis. We have offered them guidance in a variety of matters, including radio and TV programming; interfaith problems; public pronouncements,

and fact sheets on Soviet anti-Semitism. These cooperative efforts have given us a desirable reservoir of goodwill among the rabbinate, and synagogue leaders.

F. **The Finaly Case:** Our Division worked closely with other arms of our agency in building up sentiment for the release of the two Finaly children in France. Through our

local contacts, we were able to communicate to Catholic authorities abroad, to convey the extent of American sentiment in favor of the release.

A limited quantity of photo copies from the 1954 American Jewish Comm. Budget available, excellent for reference. Price \$3.00 includes attractive book and commentary.

The Printed Record of THE NATIONAL COUNCIL OF CHURCHES

1. The National Council of Churches sponsored Soviet Secret Police Member, Metropolitan Nicolai's tour of Churches, denominational conventions and Seminaries in the United States in 1956. Nicolai is the Kremlin-picked head of Foreign Relations of the Russian Orthodox Church . . . Member of Presidium of the Communist World Peace Council . . . leader in charging germ warfare and U.S. aggression in Korea . . . awarded Soviet Union's Red Flag Order of Work . . .

2. The President of the National Council of Churches, Rev. Edwin T. Dahlberg, was exposed by the American Legion Publication, *FIRING LINE*, January 15, 1958, as having been affiliated with numerous communist activities. J. B. Matthews, former assistant to Senator Joseph McCarthy and Congressman Martin Dies, said of him: "Mr. Dahlberg has supported communist causes over a period of fifteen years. His record of collaboration with the Communist apparatus places him among the leading communist frontiers who are clergymen."

3. Officers of the National Council, World Council of Churches, who make up the Central Committee of the World Council, met in Nybork, Denmark, August 23, 1958, to "define what Christians should do about the threat of atomic war." A report which received "minor" criticism from the Central Committee, declared Christians should find surrender preferable to all-out war. "If all-out war should occur," it said, "Christians should urge a cease fire, if necessary on the enemy's terms, and resort to non-violent resistance."

4. The attitude of pro-communism among ranks of the NATIONAL COUNCIL OF CHURCHES, and the results of the traitorous attitude, is mirrored in a denominational magazine published by an affiliated denomination of the NCC, "Presbyterian Survey," September, 1959, Presbyterian Church, U.S. The magazine, which is circulated in the Churches of the denomination, said: "Our Church leaves a man free to follow his own conscience in regard to the organization with which he will affiliate. He can be a member of a White Citizen's Council or of the NAACP; he can join the Communist party or the Republican Party and not jeopardize his official standing as a member or an officer in the Presbyterian Church U.S."

5. At the Fifth World Order Study Conference held in Cleveland on November 22, 1958, 600 delegates attending this National Council of Churches meeting urged the United States government to recognize the Red dictatorship on China's mainland and agree to their admittance to the United Nations. Donald Bolles, Director of Public Relations for the National Council, said during the Cleveland meeting: "The Conference is part of extensive plans of the National Council's 33 Protestant and Orthodox communions to join . . . in a year-long emphasis on Christian responsibility in international affairs." He went on to state that this Fifth World Order Study Conference program . . . which called for the recognition of God-hating godless Communist China . . . would be taken through the churches in an intensive campaign for "peace."

EDITORIAL COMMENT

Remember this fundamental rule when op-

posing communism and any or all enemies of Christ's Church. TRUTH is on our side. We don't have to lie to nail them. They indict themselves with their traitorous-apostate deeds. All they can do is to smear and slander those who oppose their un-American and un-Christian actions. But TRUTH WILL OUT. God is on the side of truth. Be bold, for we are "more than conquerors through Christ".

A Core of Hate

Ghetto Racial Inbreeding For Centuries Has Created a Festering Cult of Insane Malice With Vengeful Warmongering,

Historian Gibbon's Scathing Stigma: — "Implacable Hatred Of All Mankind" Is The Modern Version Of The Biblical Truism: "Jews Are Adversaries of All Men."

The United Nations Genocide Pact Is The Apparent Source Of The Fantastic "Mental" Illness Epidemic Craze Deluding Gullible Do-Gooders.

INSANE ASYLUMS FOR AMERICAN PATRIOTS

"American Jews must come to grips with our contemporary anti-Semites. We must fill our jails with anti-Semitic Gangsters. We must fill our insane asylums with anti-Semitic lunatics. We must harass our Jew-baiters to the extreme limit of the laws. We must humble anti-Semitic hoodlums so that none will dare to become fellow-travelers."

—Rabbi Leon Spitz in The American Hebrew of March 1, 1946.

The foregoing neuroticism apparently emanates from this: Dr. Raphael Lemkin of the Jewish International B'nai B'rith headed its crusade which put the Genocide Pact into the "UN", which lists as a crime the act of ANY INDIVIDUAL or group causing "MENTAL HARM" to members of a minority—especially the hysterical Jewish minority.

A PROFOUND HATE CONFESSION

"Every Jew to the depth of his soul is a hater of everything non-Jewish. In reality nothing is so vivid as the belief that if there is one thing uniting all the Jews of the world, it is this grand hatred."

—Zionist Cheskel Zwi Kloetzel, in "The Great Hatred" abortion published in the Berlin periodical "Janus" No. 2, 1912-13.

"CONQUER THE WORLD WITH HATE"

"We hate Christianity and Christians. Even the best of them must be looked upon as our worst enemies, Down with love of neighbors! What we want is hatred! We must learn to hate! It is only then that we shall conquer the world."

—Former Soviet Jewish Commissar of Public Education, reported by Elner Aberg of Norrviken, Sweden.

A PEACE OFFENSIVE TO CAMOUFLAGE WAR

"War to the hilt between Communism and Capitalism is inevitable. Our time will come in 20 to 30 years. The bourgeoisie will have to be put to sleep. We shall begin by launching the most spectacular peace movement on record. There will be unheard of 'concessions'. Capitalist countries, decadent and stupid, will co-operate for their own destruction. As soon as their guard is down we shall smash them!!"

—Dimitry Z. Manuisky (Jewish Presiding Officer in UN Security Council) extract from speech before the Lenin School of Political Warfare in 1931. (From "U.S. News & World Report" of June 3, 1955.)

ROTHSCHILD PROTOCOL OF HATE

On Jan. 1, 1489, Chemor, Jewish Rabbi of Arles, France, wrote to the Grand Sanhedrin at Constantinople for advice, as the people of Arles were threatening the synagogues. What should Jews do? This was the reply:

"Dearly Beloved Brethren in Moses: As the King of France obliges you to become Christians, do it; but let the Law of Moses be kept in your hearts . . . As to the command to despoil you of your goods: Make your sons merchants that, little by little, they may despoil Christians . . . Make

your sons doctors and apothecaries that they may take away Christian lives . . . Make your sons canons and clerics, that they may destroy churches . . . Arrange that your sons become lawyers, and see that they mix themselves in the affairs of State, so that by putting Christians under your yoke you may dominate the world and be avenged on them. Do not swerve from this Order, because you will find by experience that you will reach the actuality of power." (From "Revue des Etudes Juives", financed by James Rothschild in 1880.)

IKE FRONTS FOR B'NAI B'RITH

Report published by the Jewish-edited newspaper "Novoe Russkoe Slovo" ("New Russian Word" of New York) on Oct. 13, 1959.

Only now the information came that during the Khrushchev visit to Camp David, President Eisenhower had a talk with him about the fate of the Jews in the USSR.

Khrushchev assured the President that "the Jews are treated there exactly like any other Soviet citizens."

The President replied that the American Jews are much alarmed about the fate of their compatriots living in the USSR and do not share his, Khrushchev's, view on this subject.

That this discussion took place was made known from the letter of one of the Eisenhower aides, General Wilton Persons, addressed to the chairman of the "B'nai B'rith" organization Label Katz. This letter, dated October 5th, was published by the "B'nai B'rith" secretariat.

As it is known before the Khrushchev arrival, 21 leading Jewish-American organizations prepared a special memorandum about the persecution of Jews in the USSR, and chose a special delegation headed by Philip Klutznik; this delegation had to meet Khrushchev and deliver to him the memorandum.

The delegation applied to the Soviet embassy in Washington for an audience.

There was no reply.

Then the Assistant Secretary of State Murphy informed Ambassador Menshikov about the desire of this delegation to meet Khrushchev.

Still there was no reply.

The delegation was received on Sept. 23rd in the White House by President Eisenhower to whom the memorandum about Soviet anti-Semitism was delivered.

There is reason to believe that during his conversation with Khrushchev about the Jewish question Eisenhower mentioned several facts which were contained in this memorandum.

WORLD FEDERALISTS ACTIVE AGAIN

Republished from Southern Conservative, that great conservative paper, Fort Worth, Texas.

There are so many organizations throughout the United States which are subtly working for the peaceable overthrow of the American form of government and the inclusion of this Republic into a One World Socialist State, that it would be impossible to list them all.

One of the most sinister, however, is the United World Federalists which is becoming active again after having been driven underground some years ago after exposure following an official hearing in the Legislature of the State of California.

Certain international forces have been promoting the idea quietly long before World War I, but the actual working unit known as United World Federalists was set up in Feb. of 1947 when several hundred Socialist, Communists-fronters, One-Worlders and other assorted "Liberals" got together in Asheville, N. C., and laid down their program after having elected one Cord Meyer, Jr., as president. Later, branches were set up in 600 communities throughout the country in colleges, universities and even in high schools.

To off-set the unfavorable public reaction which would inevitably follow the association of so many known Communist fronters with the movement, the old trick was employed of inducing many innocent men prominent in the business and industrial world, and those appearing in the Social Register to allow the use of their names in the project.

Claiming 18,000 members, the outfit went into a whirlwind campaign in 1949 and 1950 and got the legislature of 25 States to memorialize Congress to submit an amendment embodying the policies set forth in a resolution passed at Asheville which, although deviously worded, would cancel the American Constitution, transfer our Army and Navy to a World Government, surrender our atom bomb (which only the U.S. possessed at that time), to this One-World organization, replace our Flag with the U.N. flag and our National Anthem with a One-World anthem.

In March 1950, after a hearing before the Legislature of the State of California at Sacramento where the real purposes of the World Federalists to destroy the sovereignty of the United States and make it a dominion in a One-World State were exposed, 23 of the State Legislatures quickly rescinded their action.

Following the exposure of its objectives, World Federalists more or less went into eclipse for several years, but it is understood to be active again with new names and a new line of approach but having the same overall objective of destroying the sovereignty of the United States.

The names of those who were associated with the movement at its launching and who have long Communist front records, have been published many times. We are not repeating them here for the reason that we not only do not have the space but we do not assume that many responsible Americans are again going to be taken in by an organization which seeks to dismantle the American Republic and convert it into a ONE WORLD SLAVE STATE.

HOW ABOUT KENNEDY?

IT'S NOT HIS RELIGION - IT'S HIS RECORD SHOULD BE EXAMINED

Senator Kennedy's religion is no problem unless his is not strong enough. The public spotlight focused so strongly on his religion has obscured his liberal record.

He was vaccinated for a Catholic, but how strong did it take? So much attention on his religion is ridiculous. Eisenhower attended no church until he became President although his parents were Jehovah Witnesses. Little attention has been paid to Adlai Stevenson, a Unitarian (and Unitarians do not believe in Jesus Christ), but we do pay attention to his liberal red ideas. Are the uninformed people going to support Kennedy just because they fear to be branded bigots? Are we losing our political balance?

If there ever were a time we needed to examine a Presidential candidate's qualifications, it is now.

Let's forget Kennedy's religion, that shock of hair, that smile and handshaking ability and his father's millions. The responsibilities of the next President will be terrific. Apparently Butcher Khrushchev looks at Kennedy with hope. Khrushchev says he wants to wait until after our election for a summit meeting. He doesn't like Ike or Nixon and he must see that Kennedy is making the most favorable progress of any candidate. Khrushchev no doubt has studied Kennedy's record and is not alarmed.

Kennedy himself does not remind us of his record for he wants votes. He knows the sound thinking voter, Catholic and non-Catholic, would oppose him if they knew his record. Organized leftist pressure groups know how he has served them—he is their darling and will have to serve them if elected, hence they go all out for him. He is their front, and if tolerance of religion can elect Kennedy, the liberal leftist will be in clover.

Not all of the enormous sums of money comes from Joe Kennedy, his Dad, Walter Reuther, who wrote back from Communist Russia "Work for a Soviet America," with his enormous union funds, is pouring money into Kennedy's campaign and Reuther's thousands of shop stewards have been ordered to not leave a stone unturned to put their stooge in the White House. Kennedy, member of the Senate Labor Rackets Committee, with his brother Robert, chief counsel, protected Reuther and David Dubinsky.

Kennedy's 2½ year record in the Senate shows him voting for the left 93 times out of 97 on key issues. He matched Hubert Humphrey who is the farthest left in the Senate. He voted to abolish the loyalty oath by college men whose tuition is paid by the government and is red hot to give taxpayer's money and farm surplus to communist Poland and Yugoslavia. He is the darling of the Americans for Democratic Action, a Jewish marxist front which gives him a 100% voting record.

Kennedy has stated over and over that had he been present when censure was voted on Senator Joe McCarthy, he would have voted against the patriot. He dared not

Senator John F. Kennedy

fight McCarthy until he was dead. Representative Chester Bowles, leftist, is his foreign policy adviser. Arthur Schlesinger (Harvard) is a close adviser. This man is a notorious leftist Jew. Hyman B. Raskin, former campaign manager for Adlai Stevenson, is also a close adviser. It is believed if Kennedy is elected he will appoint Adlai Stevenson Secretary of State and F.D.R., Jr. Secretary of the Navy.

On November 17-57, Kennedy was a speaker in New York before the American Jewish Congress, an aggressive Zionist group. May 25-57, Kennedy and Bishop James A. Pike were honored by plaques at the Jewish Theological Seminary.

Last year, Kennedy said in an interview that there had been no Catholic influence in his personal education. He could well say that for he never attended a Catholic school a day.

No one can deny he has been soft on Communism.

Lenin said—for every communist there are ten willing and able to do their work.

The Anti-Defamation League (Jewish F.B.I.) published and circulated a 50¢ book against the McCarran-Walter Immigration Act written by Kennedy.

Kennedy's nomination or election can only be harmful to the well-being of our Country, and especially so to Catholics who will be ashamed of him. He will open the gates to the Reds, equal only to F.D.R.

If this were Dean Clarence Manion, Catholics and all patriots could be proud of him. Rev. J. B. Carol, O.F.M., editor of "Marian Studies," a Catholic scientific publication, stated in an article that Kennedy is too liberal for him, and defines a liberal as "one who favors Bigger Government at the expense of individual freedom."

Rev. Francis J. Connell, former dean of the school of Sacred Theology at Catholic University, speaking of Kennedy said: "A Catholic would be guilty of sin if he voted for a candidate because he was a Catholic and passed over a non-Catholic candidate who he thinks would make a better President."

Kennedy's candidacy will stir up anti-Catholic animosity, to the delight of the Jews, who will be happy to have the heat taken off them!

Boston, Mass. October 30, 1958

A MESSAGE TO MASSACHUSETTS VOTERS

Dear Friend:

We are taking the unusual step of writing you in this fashion because we feel so keenly the importance of reelecting Senator John F. Kennedy to the United States Senate.

All of us have read about his ability, his integrity, his keen insight, his leadership and his full understanding of our problems. All Massachusetts citizens are appreciative of the assistance he has rendered the depressed industries of our state, such as the textile, leather and fishing businesses. All workers are indebted to him for his constant efforts to expand their protections, to eliminate abuses in labor organizations, and to improve their living standards. In fact, the record of his accomplishments is so long and so well known that it is neither necessary nor feasible to list them.

As members of the Jewish community, we would like to call particular attention to his support for and his efforts in behalf of the many projects which have benefited our community and for his consistent program of aid to the young country of Israel. One of his first actions after being elected to the Senate was to sponsor a resolution remonstrating against anti-Semitism and persecution of Jews in Soviet Russia. Then, when the arms race between Israel and her Arab neighbors became acute, he urged the Secretary of State to lift the embargo against the shipment of arms to Israel. During that same troubled period he sponsored a resolution calling upon the United States Government to refuse to acknowledge the request of the Arab Governments that United States agencies be prohibited from sending Americans of Jewish faith to posts in Arab countries.

Where Communist Power Lies

James P. Warburg

Edward M. Warburg

Jacob Schiff

Henry Morgenthau

Herbert Lehman

The following article was written by **Mr. A. K. Chesterton** in May 1954 and published in his magazine in London. We republish to help those who can think to understand how the Soviet Union became such a frightening power.

Critics of **Candour's** stand for the national sovereignty of the British peoples against incessant American pressures always base their argument on the supposition that such resistance must aid the Soviet Union. They find incomprehensible our assertion that the opposite is the truth, that as the breaking down of normal tissues provides the conditions favourable for malignant growth, so does every impairment of the principle of nationhood make us the more vulnerable to the cancer of Communism.

The belief that the United States affords protection against this danger, whatever may be its momentary truth, is historically false, and it is false not only because America seeks to break down healthy national cells as part of her nominal anti-Soviet policy but also because the Communist cancer was incubated, not in Moscow, but in New York.

SPECIAL PLEADING

Let doubters read with close attention the sixth of **President Wilson's Fourteen Points**, presented in an address to Congress in January, 1918:—

The evacuation of all Russian territory and such a settlement of all questions affecting Russia as will secure the best and freest co-operation of the other nations of the world in obtaining for her an unhampered and unembarrassed opportunity for the independent determination of her own political development and national policy and assure her of a sincere welcome into the society of free nations under institutions of her own choosing; and, more than a welcome, assistance also of every kind that she may need and may herself desire.

The treatment accorded Russia by her sister nations in the months to come will be the acid test of their goodwill, of their comprehension of her needs as distinguished from their own interests, and of their intelligent and unselfish sympathy.

That was a most amazing piece of special pleading. As American public opinion, then as now, was wedded to the system of private enterprise, it is clear that in thus furthering the cause of the bloody-handed, anti-Christian revolutionary terrorists President Wilson was not speaking for the American people. For whom, then, did he speak? The answer is—for the men who plotted and financed the revolution, men who—so far from being the horny-handed sons of toil of the popular imagination—were the international financiers at the heart of the New York Money-Trust. Prominent among them was **Jacob Schiff**, the **Warburg Brothers**, **Otto Kahn** and the European affiliates of their international banking firm of **Kuhn, Loeb and Co.** It was this same complex of interests which had used Wilson to sponsor

the creation of the Federal Reserve Board system whereby they gained control over the entire credit mechanism of the United States and became the effective secret government of that country. The same financiers accompanied the President to Versailles, dominated his actions there, and campaigned with the utmost vigour for their "Russian" proteges, then amiably engaged in exterminating their Christian opponents by the millions. I put the word "Russian" in quotation marks, because in truth the makers of the revolution on Russian soil were of the same race as the financial backers of the revolution in Wall Street—**Ashkenazim Jews**. These Jews, using every imaginable kind of fraud to defeat the immigration laws, had swarmed into the United States towards the end of the century, and by slick brains, energy, cohesion and abashless self-confidence had made themselves the biggest and wealthiest pressure group in the land. The British Ambassador, **Sir Cecil Spring-Rice**, placed on record their power to dictate American policy during the First World War. They were a state within a state, using their host's physical means to serve their own purposes all over the world.

RECONQUEST OF U.S.A.

When Wilson fell in the great American reaction, the political influence of these Master-Jews steeply declined, and for many years they were compelled to rely upon other countries—our own among them—to serve their special racial purpose, foremost among them being the nurturing of their Soviet founding and the preparation of the ground for the Jewish rape of Palestine. When Roosevelt came to power in 1932, however, they re-conquered the United States. They also made prodigious fortunes out of the New Deal. The outbreak of the Second World War found them again in a position to take over the secret government of that country and to pursue much the same sinister policy. America did not enter the First World War until Czarist Russia was overthrown, or the Second World War until Hitler attacked Stalin's Russia. Once the Berlin-Moscow axis was shattered, however, World Jewry swept to its revenge, in the process almost openly organising the United States as a part of the Jewish-Capitalist-Communist conspiracy against Christendom. Specially protected Reds were placed in key positions, where they evolved the policy which was fulfilled when the Russians were admitted to the heart of Europe and given their heart's desire in the East, and when the decision was taken for the United States to share the post-war world with the Soviet Union—which would assuredly have happened but for Stalin's inexplicable withdrawal from the plot at the end of 1945—at the expense of Great Britain and the other Western European nations. Innumerable instances of the conspiracy could be furnished, but perhaps none so clear-cut as that provided by **General Mark Clark**, who tells in his autobiography how, as the Allies pushed back the Germans in Italy, the formidable **M. Vyshinsky**, with the full knowledge of the U. S. Government, travelled in their wake to try to arrange for the eventual Bolshevisation of Italy.

BUILDING THE SUPER-STATE

Even while the war was still being waged the Jewish policy-makers of New York, using as tools Red agents such as **Alger Hiss** and **Harry Dexter White**, brought into being the United Nations as the basis of a projected Jewish super-state and the World Bank as the basis of a projected Jewish international credit monopoly. They also created U.N.R.R.A., the two-fold purpose of which was to bolster the economies of the new Soviet satellite states in Eastern Europe, where almost all the relief was distributed, and to finance the illegal Jewish migration to Palestine. So blatant had the policy-makers become in the pursuit of their designs that **Mr. Henry Morgenthau**, then Secretary of the United States Treasury, even sent the Russians plates so that they could print their own dollar notes.

No more alarming picture of Jewish world power exists than that of the seizure of Palestine, carried through under the direction of Jews armed with the diplomatic immunity which all countries, including our own, were coerced into extending to United Nations and U.N.R.R.A. personnel. There was scarcely a government which was not suborned to play an active part in the infamous proceedings. The picture was first given to the world by **General Sir Frederick Morgan**, European head of U.N.R.R.A., who related how train loads of prosperous Jews, with pockets stuffed with money, were allowed out of the Russian-controlled regions to take part in the illegal trek. There had clearly been a bargain between Zionist headquarters and the Kremlin to secure this result. General Morgan was finally dismissed from his post for daring to affirm that U.N.R.R.A. was functioning as a Communist espionage organization, his quietus being delivered by the New York Jew **Herbert Lehman**.

So unblushingly has history been falsified before our eyes that most people accept without question the idea that the era of the great American loans began when Washington decided to line up the West against Communism. That is pure fiction. The original proposals included an initial loan of one billion, five hundred million pounds for Russia and Marshall Aid, so far from being an anti-Communist measure, was intended—until Stalin withheld his cooperation—to be fed to countries behind the Iron Curtain. When the American reaction set in, as it had set in after Wilson's solid support for Russia at Versailles, the master-planners of Wall Street, paying the time but needful woe, concentrated upon building the West into their system through N.A.T.O. and its related bodies, cashed-in upon the seventy billion pounds worth of rearmament orders which followed the outbreak of the Korean War that had been contrived through the deliberate withdrawal of American troops, continued to work for "one world"—their world—and they now await a favourable opportunity of openly reuniting the anti-Christian forces of New York with the anti-Christian Soviet Union. That policy-objective outlined in Wilson's Point Six has never been dropped. Capitalism and Com-

United Jewish Appeal In A Crisis

Republished from the American Council for Judaism leaflet, "BRIEF."

The United Jewish Appeal is reportedly under investigation by the U. S. Treasury Department. The issue is presumably the manner in which UJA funds are used in Israel and, through the Jewish Agency, in the U. S. and elsewhere.

The World Zionist Organization controls the allocation of UJA funds, the UJA organization itself, and the beneficiary organizations abroad receiving UJA funds.

The American Council for Judaism has long opposed this political-national control over the major philanthropies of Americans of Jewish faith.

The present crisis was inevitable. Since Jews themselves did not investigate and cease objectionable practices—it was inevitable that the Federal government would. The big question is what kind of change will be effected: Whether it will be made to satisfy merely the Internal Revenue Code in some technical detail—or whether, for the first time, U.S. Jews will be given the opportunity to support a truly philanthropic endeavor, aiding only persons in need; not committed to Zionist state-building demands, as at present.

THE PROBLEM NOW

1. The Zionist Organization of America is a branch of the World Zionist Organization, subordinate to it, subject to its orders, and bound by its resolutions, its discipline, and its determination of what Zionism means and what duties it imposes on Zionists. In like fashion every "Region" or "District Zionist Organization" in the United States is part of Z.O.A. and subordinate to it. Every member of Z.O.A. is a member of W.Z.O. and is therefore subject to its authority. The final and binding word on Zionism and its program goes forth from W.Z.O.

2. The Zionist program requires as a duty of Zionists uncompromising support of the State of Israel, "ingathering of the exiles" and development among the Jews of the World of a "national" consciousness, the view that all Jews everywhere form one nation of which the State of Israel is the center.

3. The Jewish Agency for Palestine, with headquarters in Jerusalem, is one and the same organization as the World Zionist Organization, and the Agency's Executive is the Executive Arm of the W. Z. O.

4. The World Zionist Organization is an instrumentality or organ of the Government of Israel and is engaged in political activities.

5. The World Zionist Organization has established a chain or network of organizations to raise money for it. The bulk of funds raised by U. J. A. is turned over to one organ of W. Z. O. and by a chain of other organs passes to Israel, in a manner defeating final accountability. All funds thus transmitted become part of the budget of W. Z. O. to be disposed of as W. Z. O. determines. The ends to which the funds are put include governmental purposes of the State of Israel, political purposes in the United States and Israel, and indoctrination of American Jews in Zionist philosophy.

COUNCIL APPEALS TO DE-POLITICALIZE THE U.J.A.

We are seriously concerned that despite extensive operations by the larger Jewish philanthropic organizations in the United States, urgent needs of thousands of victims have not been adequately met, and many uprooted Jews are still suffering severely.

We believe that one reason for the critical lack of funds available for these victims has been a disproportionate use of funds directed to the massive financing of Zionist projects.

We are aware of the fact that there are among our members substantial supporters of Jewish philanthropic agencies throughout the country. We call their attention to the fact, however, that they and all Americans now have the opportunity to assist another category of needy Jews—by support of the ACJ Philanthropic Fund, whose available resources are used for strictly humanitarian purposes without political or Zionist bias.

KNIFE CUTS BOTH WAYS

By Marilyn R. Allen

Alien Minorities & Mongrelization

Order from C.E.A.

The inflated Negro NAACP agitator, Communist collaborator, sit-down-strike and boycott director, Rev. Martin Luther King Jr., said on recent Meet the Press interview, when questioned concerning unlawful negro invasion of private property and defiance of specific State laws, that they (negroes) appeal to a HIGHER MORAL LAW—presumably the law of God or 'Justice'—as against that of the State, and this gives them the right to ignore or violate State laws.

Well, of course, this knife cuts both ways: then, equally, Whites have the right to ignore and defy the unconstitutional Supreme Court Communistic, precedent-shattering decision of May 17, 1954. Whites have the right to oppose integration and thereby the mongrelizing and genociding of their own Race, inasmuch as the Bible distinctly does NOT uphold race-mixing (adultery of the races). Nor does the Law of Nature uphold it. Nor does the example of GOD, the "Original Segregationist," Who made the differing races and set "metes and bounds" for them, uphold the activities of the Communistic Jew-Negro Combine as against the White Christian Race and its rights per se. The LAW set forth in Genesis is "Everything after his kind." As aptly stated in May 1960 issue of The American Mercury, "The great need of our nation is a Civil Rights Bill for Christians." (page 64).

So, let's look at the record of Martin L. King as set forth in excellent anti-Communist newspaper, Common sense, issue No. 340, dated April 1, 1960, which also incontrovertibly documents Jewish organized backing for Integration as against the White Christian Race, both in America and Africa.

Anarchy and lawlessness, with soaring crime rate (especially on the part of our mis-led, brainwashed youth, who should be the HOPE, not the DISASTER, of America) are rapidly becoming a reality in this once-White Christian Republic.

THE ACCURSED BLIGHT

By C. M. Cadwallader, Victoria, B. C.

When Mr. Winston Churchill, shortly after World War I, described conditions in Russia he spoke also (probably unwittingly) of the state of affairs that, since, at one time or another, have obtained in every one of the Soviet's satellites—slave states—created by that Satan-spawned organization called COMMUNISM. He said in part—

Was there ever a more awful spectacle in the whole history of the world than is unfolded by the agony of Russia? This vast country; this mighty branch of the human family, not only produced enough food for itself, but is now reduced to famine of the most terrible kind, because the theories of Lenin and Trotsky have shattered the system of scientific communications by rail and river on which the life of great countries depend. . . because they have driven man from the civilization of the 20th century into a condition of barbarism worse than the Stone Age and left him the most awful and pitiable spectacle in human experience."

INFILTRATION— This is the brush with which the Western World is more than lightly tarred; for this Communism is the viper that we have nationally recognized, confirmed as an ally by treaty with its masters, and have been hugging to our bosoms, allowing its venom to poison every strata of society from the highest to the lowest levels in statecraft, industry, scientific, cultural and religious life, even to granting special privileges denied our own people, the while according its numerous delegation the red-carpet treatment, only to find that, with their ever present secret police, we are being undermined and gradually filched of our birthright by those agents of a foreign power—"disease carriers of a hated ideology." All this in the full knowledge of the peril which intelligence reports have given warning, and especially the communist manifesto which reveals their aim to be world domination, according to the Marxian-Communistic pattern of pure atheistic doctrine—the dethronement of God and replacement by a One World Government, ensuring enslavement of the individual where no vestige of personal freedom will exist. Concerning this plan Lord Vansittart, speaking from a lifetime of Foreign Office service, says—

"There should be complete ostracism of everyone and everything connected with Soviet Russia."

Their power in politics, labor, etc. is too well known for reiteration here, but, to the staunch churchman their burrowings in the realm of RELIGION will come as a distinct shock to find that THE CHRISTIAN RELIGION is one of their most fruitful fields. The statistics are startling.

The world is familiar with the names of the Red Dean of Canterbury and his Canadian counterpart Dr. Endicott, also American Bishop Oxnam. These are amongst its brightest intellectual stooges. Kingdom Digest Dec. 1956 reported Herbert A. Philbrick, former F.B.I. intelligence counter-spy on Communism, declaring that there are more names of Ministers than any other profession on the list of Communist supporters in the U.S.A. . . . In the Methodist denomination alone there are 2109 Ministers with Communist-front affiliations. What about the other denominations? Said Henry Badeaux, a New Orleans expert on Communism—

"I am appalled at the ignorance of some persons inside the church . . . They (the Communists) would go right inside the church and get themselves ordained a Bishop if they thought it would help their cause."

Our authorities elected to guide the course of government and religion cannot say they

have not been warned. State and independent intelligence services have rendered their report of unlawful operations within our borders. Then there are civil societies that, paradoxically, though despised by the highbrows of world-progress-ideas after the materialistic and humanistic trend, so carefully cultivated by Communists, have the soundest grounds for their conclusions, because they are based on the best and surest foundations, viz:— the Scriptures, whose exhortations have a very practical business application in both an individual and national sense, at which no reasonable mind can cavil. For proof of this—ever since we entered into alliance with the Soviet Union we have held the short end of the stick in everything. The war and its aftermath has cost the British Commonwealth and the U.S.A. astronomical billions in cash, enormous loss of life, ships and war material of every kind, and every international conference has seen us outsmarted by the unscrupulous principles of Soviet diplomats. The Western Powers have done their utmost to reach a just agreement with the Communist allies, but their efforts have met with nothing but obstruction. Conference after conference has broken down; proceedings of the Security Council were rendered a farce by the Soviet use of the veto, and a violent campaign of slander and lies was started against the Western World. And still in spite of all these humiliations we continue to turn the other cheek and go the other mile until Christian virtue becomes a laughing-stock.

The U.S. NEWS & WORLD REPORT says —“The U.S. and Russia have come together in 3400 meetings.” Out of these meetings came 52 major Agreements, 50 of which the Communists have broken, honoring only two, viz:—the promise made at Yalta to enter the war against Japan, and the Agreement giving aerial corridors to Berlin, both of which were life gifts on a silver platter.

WE ARE WARNED—

Of communism's chief listening post. Lord Beaverbrook is reported by American Mercury as saying—

“You Americans are a strange contradiction. You spend huge sums of money fighting the fifth column, but at the same time you have erected the biggest fifth-column headquarters in the world —THE UNITED NATIONS. It is filled with men who wish to subvert the government of the United States. You pay out good money (and Great Britain too) to bring these people into your midst. Why a great nation like the U.S.A. bothers to belong to such a monstrous organization — why any great nation would care to join is more than I can honestly comprehend.”

Elsewhere he advised—

“Evacuate the United Nations and don't meddle any more in the domestic affairs of foreigners.”

U. N. — COMMUNISM'S TROJAN HORSE

Apart from what some really wise people advise there are numerous Divine warnings (which are really the supreme of wisdom) such as that dynamic command—

“Be ye not unequally yoked with unbelievers, for what fellowship hath righteousness? And what communion hath light with darkness? Or what part hath he that believeth with an infidel? . . . Wherefore, come out from among them and be ye separate, and touch not the unclean thing? 2nd Cor. 6:14-17

But, by and large, folks nowadays prefer to listen to anything but Bible talk “That's away out of date,” they say.

Psalm 120 tells us what we must wake up to— “Woe is me that I sojourn in Mesech (Moscow). My soul hath dwelt with him that hateth peace. I am for peace, but when I speak they are for war.”

(Pray God it may not be too late)

There exist here and there, particularly in English-speaking countries, humanitarians noted for their labours at prison reform and the welfare of inmates. No matter how straitened their lot it is not likely that their incarceration is anything so brutal as that suffered by prisoners in Resck Prison, Hungary, or in any other Soviet-dominated country, which a hard-boiled reporter, recoiling at the tales of torture related by a former inmate, describes as—

“sadism, depravity, bestiality beyond imagination—these are the end products of a system which must invariably depend upon the dregs of society to protect itself from the wrath of the people it has defrauded.”

Reader's Digest May 1957

During the last thirty years, especially, of Communism we have seen its results in cruelty and oppression on an appalling scale. It will be remembered that the press of the non-communistic world was surfeited with execrations on Khrushchev for the atrocities committed in Hungary, but no outburst that has come to the attention of this writer is so applicable as that which Queens Anne and Margaret, in their loathing, heaped upon the Duke of Gloucester—later King Richard III, in Shakespeare's play of that title—

“Behold this pattern of thy butcheries. Thy deed, inhuman and unnatural which his hell-governed arm hath butchered. Villain, thou knowest no law of God or man. No beast so fierce but knows some touch of pity. Fouler than heart can think thee . . . Hie thee to hell for shame, and leave this world, thou caco-demon—there thy kingdom is.”

Khrushchev is the highest executive of this well-spring of evil called COMMUNISM, with which we are allied, and also a bed-fellow in its lair—THE UNITED NATIONS, whose delegations we have hosted so lavishly, exhibiting to them many top secrets.

Guilt by association is considered criminal, and quite a common charge these days. Then are we guilty? How much longer shall we continue to embrace this viper COMMUNISM whose interpenetrations have blanketed the whole world with its accursed blight?

COMMUNIST POWER

—o— Continued from page 2 —o—

munism, in terms of power, are merely their twin-mechanisms to destroy the sovereignty of the Christian nations and merge them into the projected super state, where Jewish finance will exercise full sway and masterdom through that monopoly of atomic energy which is being sought with such feverish and fiendish persistence.

The Ashkenazim Jews who have conquered America seek also to conquer us. They have already, under cover of our alliance, in large part destroyed the British Empire. That is why Candour proclaims the need for a great British revival and a British Declaration of Independence. We are being blinded by the alliance, with its fiction that our destroyers are our protectors. They are nothing of the kind. They will sell us into slavery as willingly as they will sell into slavery the American people upon whom they now wax fat and whose material resources they use for their own nefarious world-wide purposes. To say that in exposing their plans for world dominion we are playing the Kremlin's game is to act as an unconscious agent of Christendom's betrayal.

The tragedy is that although the facts I have narrated are well known to an increasing number of people in the United States, there is almost total ignorance of them in the British world, where even to mention them is to conjure up in sleepy, complacent British minds a sense of the preposterous—and consequently to be adjudged mad. The facts nevertheless remain facts. Nothing has been written here which cannot be proved. Fortunately the conspiracy has not yet fully succeeded. Whether

or not it does succeed depends in large part upon our capacity to warn our fellow-countrymen of their danger, because only the retention of British sovereignty and the restoration of British power can ensure to the world that stability which will save mankind from the appalling tyranny of the proposed all-embracing Jewish Police State. As things are, our people are lulled by Communist deposits lost at the polls. That is not the kind of Communism we have to fear. Communism is not a movement of poor men, but of rich men—the richest men in the world—and it does not need Communists in the British House of Commons to bring us crashing to the ground. That aim is achieved by attacking our national sovereignty in which cause Members of Parliament, forgoing their brains, only too often aspire to lead the van.

“It is my understanding that Israel asks only that she be given a guarantee of no further raids or blocking of Israeli shipping on the part of Egypt from the territory which Israel will relinquish. If such a promise is not forthcoming from Egypt, it seems to me that the United States as a leader of world opinion should make it clear that any such action or threat by Egypt from the territory at any future time would be met with prompt and effective action on the part of the United Nations, with recognition by the U.N. that Israel would then be entitled to defend her rights with any means at her disposal . . .”

He stated very concisely his position on Israel a short time after he came to the Senate when he made the promise:

“Israel will not surrender—she will not retreat—and we will not let her fall.”

Only this year Senator Kennedy has vigorously restated his program calling for the \$75 million loan promised through the Export-Import Bank to Israel and the development of the Jordan River Valley with United States assistance. The amendment to the immigration law which he introduced and guided through the Senate made 10,000 Jewish refugees from Egypt eligible for non-quota status, and he has introduced a number of private bills to aid individual Jews to enter this country.

However, it is not the fact that his record is so replete with illustrations of his understanding of Jewish problems that we urge the reelection of Senator Kennedy. We point to this record merely to show one of many illustrations of the human feeling and deep sympathy which has characterized the actions of Senator Kennedy during his service in Congress. We urge that all of you who feel as we do to vote November 4 to show your appreciation and confidence in Senator John F. Kennedy.

KENNEDY'S MARXIST RECORD

HIS RECORD IN QUESTION -- NOT HIS RELIGION

INVISIBLE GOVERNMENT PROMOTES HIM - WILL RULE HIM

BEHIND KENNEDY STANDS THE JEW

Catholics and Protestants have been taken in by a carefully devised plan by which Senator John F. Kennedy has been portrayed to the voters as an earnest, sincere, sample of an American Catholic of presidential timbre, opposed only by anti-Catholic bigots.

The Kennedy clan has relied on the advice of top political experts and on the results of surveys and polls conducted to determine the reaction of various segments of the populace to Kennedy's Catholic background, his wealth, political image, etc.

Long before Kennedy ever entered a primary he knew that his brand of Catholicism was going to be a tremendous asset politically. He has used his religion as a cloak to mask his real beliefs, to divert voters' attention away from his political record, to portray himself as an underdog fighting entrenched bigotry.

What will happen to this country and to American Catholics and other Christians if Kennedy becomes President?

(1) The Kennedys will become the new royal family, supplanting the decayed Roosevelt clan.

(2) The Felix Frankfurter-David Niles-Harold Laski plot to destroy America — initiated over forty years ago — will come into full fruition.

(3) The ADA (Americans for Democratic Action) New Deal axis will take over the national political patronage reins and establish a spoils system reeking with evil.

(4) The Anti-Defamation League-American Jewish Committee-American Jewish Congress organizational bloc — so beloved by Kennedy — will be given carte blanche by Kennedy so that they can proceed without the slightest hindrance in their plan to Judaize America and to debauch the youth of our Nation down to their own level of degeneracy. Kennedy will not be able to stop them; he is in too deep with them now.

(5) All Congressional, State and local investigations of subversive activities will be stopped dead in their tracks and any attempts to limit treasonous activities in the future utterly proscribed.

(6) America will be forced to accept unlimited immigration of the criminal, subversive scum of the world into this country.

(7) Segregation will be ruthlessly suppressed in the deep South.

(8) The United States will lose its national sovereignty and will become in fact merely a member state of a world state centered in the U.N.

(9) Individual liberty will be eroded to the vanishing point and the enslavement of the citizen of America under the domination of a world marxist-Jewish ruling cabal will become a virtual certainty.

This Plan of Destruction is the blue print of infamy which has guided the conspirators behind Kennedy and which has motivated every move he has made in his quest for supreme power in America. Kennedy has been chosen as a front.

Senator Kennedy chats with Liberal Party leaders (l. to r.) David Dubinsky, Al Rose, Adolf Berle at Hotel Astor, New York City, June 23rd. The Liberal Party conditions its members for communism.

Here is proof such a plan exists:

(1) From the first moment that Joseph P. Kennedy, the Senator's father, first appeared on the political horizon of America prior to World War I, when he started clawing his way up the ladder of success out of the jungle of Boston ward politics and saloon-keeping so dear to the Kennedys before 1914, he has shown that he was driven by a madman's ambition to achieve the very pinnacle of power, no matter what the cost to himself and his family.

At the age of 25 he manipulated himself into the presidency of a small East Boston bank his father had helped found. He married the daughter of the Mayor of Boston, a good political match. He attended Harvard where he could rub elbows with the wealthy intelligentsia he envied so bitterly.

He muscled his way into the film industry in Hollywood by gaining control over a film exhibitors chain of theatres, realized \$5,000,000 profit in a few years, and moved into Wall Street as possibly the most ruthless speculator ever to operate there in the 20's. When bankrupt millionaires were raining out of windows as suicides after the Great Stock Market Crash, Joseph Kennedy was sitting back chuckling and counting a fortune of \$700 million he had made on Wall Street by withdrawing from

the market prior to the crash. He had fleeced the wolves on the Street, the public and anyone that got in his way until the signal for the crash was given. He was one of the tiny handful of men who had advance knowledge of that crash. His actions at the time prove this.

He jumped on the Roosevelt bandwagon at the earliest possible moment and upon the recommendation of Felix Frankfurter, was rewarded with the Security Exchange Commission chairmanship by "FDR. He turned on his Wall Street associates and friends like a rending wolf and used the mailed fist of power given him by the Securities Exchange Act to smash the free market forever, in exact accordance with the instructions given him by his mentors. After this top New Deal plum had been handed him, he moved on to other jobs culminating in his acquisition of the choicest post in the diplomatic world, that of the Ambassadorship to the Court of St. James, which he held just prior to World War II. He had intended to use this as a springboard to the Presidency.

Sickeningly adulatory articles concerning the Kennedy clan and its every member have been planted in major magazines and newspapers for many years past. One, "The Amazing Kennedys," in the Saturday Even-

Our Government Is Subjugating Its People

By Merwin K. Hart
President National Economical Council
(From Letter 467)

Amendment IX to the Constitution of the United States says:

"The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people."

Amendment X says:

"The power not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

Presidents of the United States since 1933 have in important respects violated these provisions of the Constitution. They have by just so much brought the American people under unlawful government subjugation.

For there has been a tendency under the Roosevelt, Truman and Eisenhower Administrations to take more and more control of government and of government policy away from the American people.

This is true in both domestic and foreign affairs. The trend has continued as much under the Eisenhower Administration as under the two former ones. In fact in some respects the tempo has been stepped up.

We don't mean that Mr. Eisenhower has consciously been a party to this. But government has grown vastly—is now doing so many things that no single mind can encompass them all. The President must of necessity depend upon others, many of them "liberals" or left-wingers with grandiose ideas about "one world"—and who know exactly what they want. Since the President himself has never been a great reader, his knowledge of history is limited. The infiltration by world governmenters and even communists in the government has been great. Much has happened without Mr. Eisenhower realizing it, although a great measure of responsibility attaches to him.

There is not the slightest question that those, who from behind the scenes shape the course of government, are preparing to submerge America in a world government, which in all human probability will be directed and controlled from Moscow.

We point out a few instances of what we mean.

Every informed American knows that public spending and taxation have well-nigh burst all bounds in Federal, most State, and many local governments. In all three fields the spending in most cases has reached a point where it seems to grow by itself.

Now for several years past the Federal Government has brought its peace-time spending up to the level of the war years. Federal fiscal year 1959 had a deficit of more than \$12 billion.

New and gigantic expenditures are planned, or we have been committed to them. Example: the Narrows Bridge at New York, to cost some \$360 million—and no one knows how much more. Already the gigantic \$41 billion Federal highway plan has bogged down in recent months because the actual cost will go far higher. There are the various schemes for Urban Renewal which will have the three-fold effect of spending new and additional sums, will give certain insiders the opportunity for huge rake-offs, and will end by taking power away from the States, the local government and the people themselves.

There has been no such decline in Federal spending since the Korean War as there was after World War II. If even the present

level is maintained, freedom in America cannot survive. There would be almost no margin to allow us to bear the expense of another war—and there is a grave possibility we will become involved.

Most of those in our Government hold out little hope for the American taxpayer. Their view clearly is that the scale of public spending in future must keep up with the growth of national wealth, or as they are fond of saying, with the "gross-national product."

All this means, as we said above, that America has at the present moment lost control of its own affairs. Their general drift is being shaped by hidden forces. Amendments IX and X, with all the safeguards they were meant to give, have been largely ignored.

It is not only in spending and taxes that the hidden forces have been at work. The utterly uncalled for integration decision of the Supreme Court of the United States in May 1954 was carefully planned to create a discord that would add to the country's troubles. There is little doubt that the demand for that decision was communist-inspired, though perhaps none of the assenting Justices knew this was so.

It is common knowledge that down to 1954 relations between Negroes and Whites in the South had been improving steadily, though gradually, since the end of Reconstruction in 1877. Further and increasingly steady improvement in race relations could have been expected. But the integration decision, based as it was almost wholly on

IN APPRECIATION

To my many friends who sent beautiful cards and cheering words, please accept this as a public expression of my gratitude. When the outlook is not bright, it is consoling and encouraging to feel you are not alone.

Please continue your prayers and assist in any way possible so that we can manage to pull through the difficult summer months and not get further in debt. Many problems face us and now there is the added burden of hospital and doctors fees.

Time is growing short. Let's keep slugging and NOT allow these Godless gangsters to discourage us as we continue to open the eyes of more Americans and draw them to our side, the right side, the side for freedom as against slavery if we give in.

Conde McGhee

the writings of Gunnar Myrdal and other socialists, has not only stopped the upward trend of race relations in the South, but has reversed it.

The evil affects of this decision have extended to many parts of the country. In Washington, as is well known, thousands of White families have left the city for Virginia or Maryland. In New York City the same situation has taken place, and continues to take place, prompted by the narrow-minded vote-seeking eagerness of the Wagner Administration. There is trouble in Philadelphia and Chicago and in other cities.

During the past two years, a movement, communist-inspired as was the Supreme Court decision, has started to persuade the various States to adopt what is called "Fair Housing" bills. The model bill was drafted by the National Lawyers Guild, which has long been under fire by the Attorney General of the United States. This bill would forbid any person owning a two-family house or larger housing unit to raise any question as to the race, creed, color or national origin of a prospective purchaser or tenant. The bill has already been enacted in four States, Connecticut, Massachusetts, Oregon and Colorado. It will be pushed in all States, according to the National Lawyers Guild. Governor Rockefeller of New York has committed himself wholeheartedly to it.

Yet what this Bill does is to insure to people of other races than white that they may rent or buy wherever they please, while in effect refusing to white Americans the right to choose their neighbors and tenants.

No wonder this scheme is causing discord. And our cheap ambitious politicians are not hesitating to use it with the hope of gaining votes.

Similarly certain Supreme Court decisions affecting communism could hardly have been more pro-communist if they had been written in the Kremlin itself. State Legislatures have been refused the right to investigate communism on the ground that the Federal Government has reserved that to itself (which simply is not true). Convictions under the Federal Smith Act have been reversed and convicted communists freed. The Court has ruled that the State Department cannot refuse passports to communists.

It is hard to see how anything could cause greater dismay to persons who recognize the communist danger, or create greater confidence in the hearts and minds of communists, than these decisions.

But that is just what these decisions were intended to accomplish—not necessarily by the Supreme Court, but by the communist infiltrators who inspired them.

We said above that the tendency has been to take control of their own government away from the people. The actions such as Roosevelt's recognition, entirely on his own, without Senate approval, of the Soviet Government in 1933, or the Supreme Court decisions above cited, were in most cases the actions either of officials exceeding their proper authority (as in Roosevelt's case) or by appointed officials.

Due to the immense power concentrated in government, especially the Federal Government, the people seldom have the opportunity to speak up.

So much for domestic affairs. In foreign relations the situation has been at least as bad and probably worse.

We refer particularly to the effect of the defeat of the Bricker Amendment in 1955. This Amendment was introduced in the Senate on the opening day of the 84th Congress by sixty-four Senators. That was enough to insure the necessary two-thirds vote, had all of them stuck. But, President Eisenhower, who at first truthfully said that under the Constitution the President plays no part in the amending process, later reversed himself and went all out to defeat this Amendment. And it was defeated—by a single vote.

KENNEDY'S MARXIST RECORD

—o— Continued from page 1 —o—

ing Post of September 7, 1957, predicted that Jack Kennedy would become President, Bobby Kennedy the Attorney General and Teddy Kennedy the Senator from Massachusetts. And behind all of them their father, pulling the strings, would be the real power.

Already, the Roosevelt clan has hitched its wagon to the Kennedy's and indicated that it wishes to pass on the royal mantle. FDR, Jr., a number of years ago in New York, campaigned for Kennedy in Wisconsin and in West Virginia in return for a promise of rich rewards later if Kennedy won the Presidency. Eleanor, petulant as always, has been running hot and cold with Jack. His reticence to reveal his true attitude towards Senator Joseph McCarthy — at a time when it would have been politically inexpedient for him to do so — irritated Eleanor, so she sniped at him for some time in her column. Later, at the height of the Labor Rackets Investigation publicity engendered by the committee holding that investigation, of which Kennedy was a member while his brother ran the staff, Eleanor presented herself one day during the hearings and found to her dismay that Jack Kennedy had snubbed her and left the room.

By 1960, however, in the heat of the campaign, the deals were made. Eleanor, as moderator of a TV show at Brandeis University, had Jack appear on her show. She gave him her political blessing. (N.Y. Daily News, 1-4-60, p.24). She knows it is far better to be a political maid to the Kennedys than to live in obscurity with a few mementoes from her days as Queen of the Royal Palace.

(2) A man named James M. Burns, "a liberal Democrat and member of the Americans for Democratic Action in Massachusetts," wrote, after having been given full access to the Kennedys' private papers, a biography entitled John Kennedy: A Political Profile (Harcourt, Brace and Co., New York, 1959, 1960). It was reprinted in part in 12 installments in the Marxist-Jewish organ, The New York Post, starting with the May 16, 1960 issue. By this action the Post notified its readers — predominantly Jewish — that Kennedy was their man.

In this book John Kennedy is described in unmistakable terms as a "liberal" far over to the Left, "without emotion, without sentimentalism." He was educated at non-Catholic schools, a procedure followed by Joseph Kennedy with all of his male children, including Choate, a private school which had been attended by Adlai Stevenson and Chester Bowles, the latter currently Kennedy's adviser on foreign policy; Harvard; and the "London School of Economics to study under the noted communist professor Harold J. Laski, whom he (Joseph) knew through Felix Frankfurter from the old Boston days." Burns quotes Joseph as stating that "he wanted Jack to rub shoulders with the polyglot population of British Laborites, European refugees, radicals from the colonies, Indian civil servants, and others at the school. Joe Jr. had already studied under Laski, who had come to love the eager, zestful boy." The "others" referred to above were the materialistic, atheistic, marxist-Fabian and communistic professors and students who are trained in the London School in revolutionary tactics.

The London School of Economics is the most anti-Catholic, anti-Christian and anti-God institution on earth; it is even worse than Harvard.

Regarding Harold Laski, Jonathan P. Mitchell, before the Jenner Internal Security Subcommittee on Internal Affairs, testified that Harry Dexter White, Soviet espionage agent, considered Harold Laski's book, Faith, Reason and Civilization, "by all odds the most profound book which had been written in our lifetime, and that no one had foreseen with such uncanny accuracy and depth the way in which the world was going . . . White was so enthusiastic about Laski's book, which was an encomium of communism (that) when (Mitchell) was critical of

President 1964?

Walter Reuther

Strong man behind Kennedy now. Will he be President in 1964?

Laski and his book, White became so irate that he started what might have developed into a fist fight." (These Days, column in N.Y. Journal American, 4-16-54).

Regarding this book, Mr. Mitchell testified that: "the thesis could be put as saying that the 2nd World War was the end of a great historic period, and that private business or capitalism had proved itself inadequate, and that the faith which underlay it, the Christian faith, no longer had any validity for the people who were living then; and that, happily, the Russians had worked out a new system of economics and a new faith which could replace capitalism and Christianity." White believed the Christian era had come to an end, to be replaced with a Judaic-Marxist civilization. Karl Marx wrote: "The Jews have emancipated themselves to the extent that Christians have become Jews." This is the heart of the plot envisaged by Laski, Frankfurter, and Niles — a triumvirate of traitors — as based on Talmudic logic, codified in the Protocols, and developed by the so-called New Dealers.

Laski also wrote Karl Marx, another book, which developed the details of the plot. Laski was probably the most powerful communist agent in the world outside of the U.S.S.R. The difference between Laski and the normal stereotyped Soviet espionage agent, however, was that Laski originated world communist theory in his writings and initiated espionage activities against the free world at the very highest level. Frankfurter and Niles had acknowledged Laski as their political mentor even before 1920, the period during which Joseph Kennedy had been initiated into the cult they founded, the outward manifestation of which was the openly Marxist Ford Hall Forum, of Boston.

To this day Joseph Kennedy does not make a move without intimate consultation with Felix Frankfurter and his heir, Charles Wyzanski.

Joseph Kennedy sent two of his sons to study at the feet of one of the most Satanically evil Jews that ever lived upon this earth, a man who hated God, who plotted with his utmost strength to destroy Christianity. He and his whole clan are dedicated to furtherance of the Laski-Frankfurter-Niles Plan. Through these men, Kennedy made his great fortune on Wall Street.

(3) Herbert Lehman; Eleanor Roosevelt; F.D.R. Jr.; Arthur Schlesinger, Jr. (formerly Stevenson's speech writer), of Harvard; Henry Steele Commager, beloved to the point of idolatry by the Communist Party for his attacks upon anti-communists; John Kenneth Galbraith, of Harvard, another Communist-frontier; — all of these messengers of marxism have publicly declared themselves in favor of Kennedy as President. The first four named represent the ADA, in fact they are top leaders in that unspeakably corrupt and revolutionary group

of conspirators. These carrion birds of prey are circling now waiting to tear vitals out of the body politic which will be left to them once Kennedy has made the kill. The corruption which will result if Kennedy becomes President will inevitably elevate the ADA into the position of absolute ruler of both political parties.

(4) Kennedy's appearances before Jewish organizations has been so extensive that at present there is not a major Jewish group from Maine to California before which he has not appeared at some time during the past decade. No "Catholic" politician in this country has even approached his record of association with Jews. Kennedy's preference for Marxist Jews is so pronounced that he has avoided appearances before Catholic audiences unless it has been absolutely necessary.

His "Message to Massachusetts Voters," published in a Boston Jewish paper, (also published in our issue No. 344) was so Jewish in content that no rabbi could have done better. His speeches before the American Jewish Congress, the Anti-Defamation League, the B'nai B'rith, the American Jewish Committee, have all but promised the United States Treasury to Israel.

Kennedy's voting record in the House and Senate has consistently followed the line espoused by the Jewish opinion molders. Jake Arvey, Jewish political boss of Chicago has named Kennedy as his choice for President.

(5) He has supported aid to Yugoslavia. His biographer noted, with favor, that Kennedy had prepared a speech in favor of the censure resolution against Senator McCarthy which was not delivered because of a procedural delay at the time. "McCarthy symbolized everything Kennedy personally detested." Kennedy fought tooth and nail for the identified long-time Communist Party member, Corliss Lamont, in closed committee meeting when McCarthy wanted Lamont cited for contempt. He also voted to weaken the Subversive Activities Control Act and consistently opposed congressional investigations of communism throughout his political career. He opposed the loyalty oath for students receiving loans from the government. Over and over again his votes on anti-communist measures gave great aid and comfort to the Communist Party. Twice he voted against an immunity bill which would have compelled communists to testify and not use 5th Amendment.

(6) Kennedy wrote a pamphlet, A Nation of Immigrants, for the ADL (Jewish FBI), which agency has propagandized Kennedy's candidacy throughout the U.S. by distributing this plea for unlimited immigration of Jews into this country.

(7) Kennedy has never failed to support "civil rights" measures against the South. Time and again he has informed Jewish groups and others before whom he has spoken that he was pro-integrationist. There is no more deadly enemy of the South and of its way of life than Jack Kennedy. If Kennedy is elected, the death knell of the South's fight against integration will have been sounded. Nixon as a member of the NAAACP is actually of less danger to the Southerners than Kennedy is — and still there is evidence that Southern Democrats are bemused by Kennedy.

(8) Kennedy is completely internationalist in his outlook. His major speech on foreign policy recorded in the Congressional Record, June 14, 1960 is a grotesque plea for a tremendous advance in foreign aid to the entire world as the method of combatting communism. He called for aid to Red Poland and other Iron Curtain countries; opened the door for recognition of Red China by stating: "Perhaps a way could be found to bring the Chinese into the nuclear test ban talks at Geneva, for if we reached an agreement which did not bind Red China, then atomic tests could be continued on the mainland of China without inspection — and Red Chinese possession of atomic weapons could drastically alter the balance of power."

OUR GOVERNMENT IS SUBJUGATING IT'S PEOPLE

—o— Continued from page 2 —o—

The original Bricker Amendment reads as follows:

"Section 1. A provision of a treaty or other international agreement which conflicts with this Constitution, or which is not made in pursuance thereof, shall not be the supreme law of the land nor be of any force or effect.

"Section 2. A treaty or other international agreement shall become effective as internal law in the United States only through legislation valid in the absence of international agreement.

"Section 3. On the question of advising and consenting to the ratification of a treaty the vote shall be determined by ayes and nays, and the names of the persons voting for and against shall be entered on the Journal of the Senate."

Treaties have always been subject to ratification by the Senate. Pres. Theo. Roosevelt, early in the century, created a bad precedent when he effected an important deal with another country and called it an "executive agreement." For the first time in our history the Senate was by-passed in such a matter by a determined President. And this executive agreement idea prevailed. The Senate didn't have the wisdom and fortitude to challenge it. The same process was used by F.D.R. in the Teheran, Yalta and Potsdam Conferences.

Until something very like the Bricker Amendment is adopted, the Administration, advised by such men as Milton Eisenhower, Paul Hoffman, Charles Bohlen and others, will have the power to sell this country completely out either to a world government or to Soviet Russia itself. And the trend seems to be steadily in that direction.

It is not too late to remedy this evil, though it is very late.

All that is needed in order to preserve American freedom under the Constitution is for a handful of wise, influential and dedicated men and women in every Congressional District, and in every State, to determine that their Representative and their two Senators shall actively work and fight in their respective Houses to stop this trend. For the Congress of the United States is all powerful.

James W. Girard, Former Ambassador to Germany, in the New York Times, Oct. 8th, 1934, said: "As a friend of the Jewish race I want to state that if ever the American nation gets the idea that the Jewish race and Communism are synonymous, there is the possibility of a pogrom in the United States that will make those of the Czars' era look like a small parade."

KENNEDY'S MARXIST RECORD

—o— Continued from page 3. —o—

Such a statement is not just unrealistic; it is not merely a type of a plea which could have been written in Moscow; it is an indication of Kennedy's utter contempt for the intelligence of Americans. To negotiate directly with Red China in nuclear test ban talks involves direct recognition of their government and would open a Pandora's Box of Evil. Nor could Red China be bound by any agreement, no more than the Soviet Union has ever been bound.

(9) Kennedy has made an infamous deal with Walter Reuther in return for protection of Reuther's power in the unions. He and his brother tried desperately to destroy James Hoffa, not because the man is a racketeer and evil, but to merely eliminate one evil for a worse evil, Reuther. As a pay off, Red-fronting Michigan Governor G. Mennen Williams, has already jumped on the Kennedy bandwagon (under Reuther's instructions). This deal has been attacked by Westbrook Pegler and Barry Goldwater. Under Kennedy, Walter Reuther would assume dictatorial powers over the entire union world and eventually head a Labor Party which would be as destructive of individual freedom in America as is possible without an actual communist revolution taking place.

Catholics are being led into a terrible trap. Past exclusion of Catholics from the Presidency has blunted many Catholics' sensibilities as to the real issues involved in this upcoming election.

Catholics who vote for Kennedy because he is a Catholic, should examine his record. If elected, Kennedy will not be able to reject the liberals, socialists, communists, Marxist Jews, etc. who have put him in office. It will be a big move towards World Government and communism. All of this will reflect discredit on the Catholic Church.

There is a wide circulation of a letter dated June 17, 1960 to liberals stating that inasmuch as Adlai Stevenson cannot be nominated that all liberals back Senator Jack Kennedy. This letter — signed by the most left of the liberals among them.

Joseph L. Rauh, Jr., Past President of the Jewish red front Americans for Democratic Action, Arthur M. Schlesinger, Jr., National Co. Chairman of A.D.A., Arthur J. Goldberg, Walter Reuther's man who is chief counsel for the C.I.O., Harry S. Commanger of Columbia University who has 5 communist front citations, Al Segal of the B'nai B'rith Messenger is California campaign manager for Kennedy and Kennedy's administrative assistant is Myer Feldman. All six of these are ZIONIST JEWS.

If Adlai Stevenson is to be the next Secretary of State as Kennedy has promised, will the State Department be packed with homos again?

STEVENSON - REDS' CHOICE FOR SECRETARY OF STATE MAY PICK UP WHERE PAL ALGER HISS LEFT OFF

Why would Jack Kennedy as President be a dangerous man? It is not entirely because of the fact his mind was trained in Socialist-communist dominated schools — The London School of Economics and Harvard. You can well judge a man by his associates. The average citizen is not equipped to run down the red records of Kennedy's advisors and close associates upon whom he depends.

Common Sense is equipped with files and has the availability of looking into their records and has done so. Space will not permit us to give a complete rundown on each, however, our Issues No. 344 and No. 345 give enough information to justify the belief that should Kennedy be elected he will open wide the gates to pro-communists, Socialists, refugee-Marxists as FDR did. Hence we will take a big step toward total Communism.

When Anna Rosenberg was Assistant Secretary of Defense in charge of all manpower in 1950, she supervised the hiring of over a million people in 115 departments. When Senator McCarthy began to uncover them he was destroyed.

Adlai Stevenson has been the candidate of 98% of Jews and all communists. The New York Herald Tribune of August 15, 1960, carried a column by Joseph Alsop in which he tells of his experience in calling at the homes of 47 Jews in White Plains, N.Y. He was told that Nixon had been a "dirty word" in these households, that they were angry at Kennedy because he rigged the Convention and prevented Stevenson from being nominated, but because of their hatred of Nixon, and because of Kennedy's plan to place Stevenson in a strategic spot, the Jews in New York City would give Kennedy the heaviest Democratic vote ever.

"The Southern Israelite" of Atlanta, Georgia, August 12, 1960, carries an article by Dr. Emanuel Newmann, President of Zionist Organization of America who stated:

"Recently, as in other election years", he noted, "some Jewish spokesmen have announced to the world that there is no Jewish vote. It baffles me to understand why such gratuitous pronouncements are made. The Jewish vote is an unorganized but potent reality. Assertions to the contrary are inaccurate and misleading and convince nobody, least of all practical politicians and molders of public opinion."

Jack Anderson writing for Drew Pearson in the Pearson Column of August 6, 1960, says:

"At a private breakfast before the Convention, Kennedy told Drew and me that Stevenson deserves the first offer to serve as Secretary of State."

This has the full approval of Khrushchev as he told Joe Curran, President of National Maritime Union who just returned from Moscow:

**"HE WOULD MAKE A CLEVER
SECRETARY OF STATE."
— KHRUSHCHEV**

Adlai Stevenson

"I admire Stevenson greatly. He is a sincere, serious-minded man with a great intellect. He would make a clever Secretary of State for the United States."

The New York News with the largest circulation in America, in their editorial August 22, states:

"Mrs. Eleanor Roosevelt in supporting Kennedy reached this difficult decision chiefly because Sen. Kennedy assured her that he plans to 'work closely on foreign affairs during the campaign' with Adlai Stevenson. As we get it Kennedy is to take lessons from Adlai on how best to formulate U.S. foreign policy."

GOD HELP US.

We have given you the communist side of Kennedy's possible election. Catholics, can expect a worse mess than Castro brought to Cuba. Castro was backed by eleven Cath-

olic groups. Now priests are fleeing for their lives. Castro is not a communist — but the communists who helped put him in power have taken him and Cuba over.

The Catholics in the United States will have such embarrassment that a sterling Catholic could not be elected in 100 years.

STEVENSON'S RED RECORD

(1) Adlai Stevenson entered government service in 1933 when he was called to Washington by Henry Wallace to work in the legal division of the AAA, where he was associated with Alger Hiss. Hiss was at that time a part of the Hal Ware Cell which operated from the AAA legal division. From 1944 to 1947, in connection with the founding and first meetings of the United Nations, Stevenson resumed his friendship and collaboration with Alger Hiss. In the Hiss trial, the defense felt sure enough of Stevenson's attitude to seek — and get — his deposition as to Hiss' reputation for integrity, loyalty and veracity. (The Case Against Adlai Stevenson, by James Burnham, American Mercury, Oct. 1952, p. 17. — source hereafter listed as 'A'.)

(2) Archibald MacLeish, who has an extensive record of affiliations with communist fronts, brought Stevenson into the State Department and thus into contact with the U.N. (Stevenson's biography, p. 77)

(3) Claude Pepper, another long-time communist-fronter, arranged Stevenson's first active meeting with Franklin D. Roosevelt. (A, p. 17)

(4) The tenant of Stevenson's farm in 1952 was Marshall Field III, the angel and publisher of the notorious New York Compass, an outright pro-Soviet organ. (A, p. 17)

(5) Wilson Wyatt, former head of the Americans For Democratic Action, a revolutionary organization of political Marxists, was chosen by Stevenson as his personal campaign manager during his bid for the Presidency. (A, p. 17)

(6) Arthur Schlesinger, Jr., a former vice-chairman of the A.D.A., columnist for the N.Y. POST, was chosen by Stevenson as his research director. Schlesinger is married to the sister of John K. Fairbank, of Harvard, the Office of Strategic Services, the Office of War Information, Amerasia, and the Institute of Pacific Relations. Schlesinger has personally and politically supported Fairbank — of whom it has been testified under oath that he was a member of the communist party. The Military Occupation in Japan in 1951 denied Fairbank an entry permit — later granted by the State Department. Schlesinger refused to turn his back on the convicted communist perjurer, William Remington, and did not dissociate himself from the I.P.R. (A, p. 17)

(7) Bernard De Voto, another speech writer for Stevenson, attacked the F.B.I.

Development of Christ-Lacking Prayers with Divergent Views of Two Bishops

By Franklin Hichborn, Santa Clara, Calif.

The American Jewish Yearbook for 1948-49, prepared by the American Jewish Committee, contains the following item:

"International Conference of Christians and Jews: — A promising step forward in fighting anti-Semitism on a world-wide scale was taken in Switzerland last August when 60 delegates of Christian and Jewish organizations from the United States, Australia and European countries met to formulate plans for an International Conference of Christians and Jews. Dr. Samuel H. Flowerman of our staff represented the Committee at the meeting. The conference unanimously agreed on the necessity for a permanent organization and on a proposal to revise Christian religious teaching, particularly the story of the Crucifixion, in such a manner as to reduce the danger of implanting anti-Semitism in the minds of the young."

Long before that Switzerland meeting, Christians had endeavored to eliminate "anti-Semitism" from their prayers. For example: The ancient liturgical text used in Good Friday services read, "Oremus pro perfidis Judaeis" (Let us pray for the perfidious Jews). Recent Pontiffs amended it to read, "Let us pray for the unbelieving Jews". Pope John deleted the word "unbelieving", leaving the prayer to read, "Let us pray for the Jews".

Americans of the Jewish faith, who have dropped the hyphen and have become Americans in fact as well as in name, who, as Mr. Benjamin H. Freedman put it, "wish only to live and die as good Americans", (see *Economic Council Letter* for October 15, 1947), held that the Pope's fine example should be met by deleting offensive references to Christians from Jewish prayers.

"The Jewish News Letter", edited and published by such Americans of the Jewish faith, cited two such prayers: "Blessed be Thou, O Lord, that Thou hast not created me a Goy (Gentile)" and "Pour out Thy wrath upon the nations that do not know Thee", — a passage in the Hagadah which is recited every Passover at the Seder services.

The News Letter stated that such prayers "should not be in any Jewish, nor any other, prayer book"; that "some Jewish groups have deleted them", and comments:

"Rabbi Modceel Kaplan, the leader of Conservative Judaism, was formally excommunicated ten years ago by the Orthodox rabbinate for having the courage to drop those references from the Conservative prayer book." (See *Jewish News Letter* for April 20, 1959.)

However interesting and worthy these recent concessions to tolerance, the fact remains that fully a half-century before Jews and Christians got together to promote brotherhood and tone down unpleasant references to Jews in the New Testament, a determined drive was on to delete the name of Jesus Christ from public prayers, and has continued vigorously for more than sixty years down to the present day.

In 1897, I was one of a staff of five that covered the California State Legislature for the *San Francisco Examiner* (Hearst's paper). I found Senator Edward I. Wolfe, a Jew, urging that the Chaplain of the Senate omit Christ's name from his prayer on the ground that the Senator could not enter into the prayer if Christ's name were mentioned.

The incident seemed to me to be out of the ordinary and therefore news. I sent the story to *The Examiner*.

It was not printed. Instead, came a sharp letter from the then Managing Editor, Andrew Lawrence, warning me that The

SUBJECT OF ATTACK

Examiner did not attack any man's religion, and it wanted no more such stories.

It occurred to me that if any man's religion were under attack, it was my own. However, I observed Senator Wolfe for the next ten years urged the Senate Chaplains to eliminate Christ from their prayers, without mentioning the matter in my dispatches, although I was representing other papers than *The Examiner*.

In 1907, however, Wolfe's efforts got into the papers. The Protestant pulpits entered vigorous denunciation. The Rev. Cecil Marrack, Rector of St. Stephen's Church (Episcopalian) of San Francisco, in a widely-published sermon, denounced Wolfe's effort as a "crowning act of infamy", declaring:

"But now there comes the crowning infamy of all — an infamy so great that it demands instant and burning condemnation from every man or woman who feels a personal concern about the upbuilding of a Christian civilization in this frontier city of a Christian commonwealth."

"I refer to the action of Senator Wolfe of San Francisco in demanding that henceforth the Chaplain of the Senate refrain from any mention of the Saviour of the world — the founder of our Christian civilization."

Bishop V.H. Moreland of Sacramento, in a sermon in Trinity Church, that city, commented:

"It is a strange thing that in the United States, a land famous for religious liberty, and here in California, where even the Buddhist and the Hindoo are free to worship according to their conscience, there should have broken out such an exhibition of intolerance as lately disgraced the Senate of this State."

"The Chaplain of the Senate, a Christian minister, is asked to omit the name of Jesus Christ from his prayers, lest it offend the susceptibilities of Jews in the audience. The Chaplain should have declined or resigned at once. He could have said:

"No; I was known to be a minister of Christ when I was chosen in this office. I will not remain in it another moment if I am not left perfectly free to voice my convictions, to pray according to the dictates of my conscience. You are asking me to deny Jesus Christ for four dollars a day. (Senate Chaplains were then paid four dollars a day.) If I do it, I am no better than Judas, who betrayed him for thirty pieces of silver."

"I have a great respect for the Jewish religion, but also a great respect for the principle of religious freedom. I would see no great incongruity

in inviting a Jewish rabbi to act as Chaplain of the Senate, and should he do so, I believe there is not a Christian in that body who would demand that he trim down or modify a single one of his convictions. If the name of Jesus Christ is to be eliminated at the request of the Hebrew, then the name of God may be omitted at the request of the agnostic; then the prayer itself may be eliminated at the request of the infidel. If the Chaplain is a hired official, whose theology is to be regulated or colored by individual legislators, let the office be abolished.

"If he is permitted to make no reference to divine truth except such residuum as may be left after the prejudices of each Senator have been considered, then he is not a man but a slave."

"If the office is a mere sop to tradition or convention, and legislators feel themselves to be so perfect in righteousness and beyond all temptation as to have no need of prayer, then away with such a solemn farce. But if a Christian minister is to be asked to pray, let him alone. The value of the prayer is its reality. The value of a man is his sincerity. If I were a legislator, I should honor above all other names of history the name of Him who has been the Supreme Legislator of human liberties — the One most successful emancipator and deliverer of the human race." (See *Sacramento Union* for January 21, 1907.)

In this way did Christian pulpits respond fifty years ago, to the suggestion that the name of Christ be eliminated from our public prayers.

Rising to a question of personal privilege, Senator Wolfe replied to his critics. He charged that Rev. Marrack had attacked not only him but the entire Senate; that he had great respect for Rev. Marrack's church and its members; that Rev. Marrack had misquoted him. However, I had heard such statements from Senator Wolfe (R) for ten years, and his denial was not very convincing. He admitted, what was the crux of the controversy, that for ten years (1897-1907) he, with other Jews, "had waited on the Senate Chaplain and approached him in a respectful manner"; asked him "if he could so modify his prayers from a sectarian standpoint, that all of the members of the Senate for whom he prayed and whom he represented might pray with him"; that some Chaplains, whom he named, "had complied". Senator Wolfe concluded with:

"I shall take the liberty, Sir, of sending a copy of this address to the Rev. Cecil Marrack, and await his reply, and a copy to Bishop Moreland of this city."

"I want to say a word about his Grace, Bishop Moreland, of this city."

in Harpers Magazine according to the Daily Worker, 12/29/49. The Daily Worker of 2/13/47 also reported that De Voto headed a group which sought a permit for a meeting for the wife of Gerhardt Eisler, a communist espionage agent who fled the U.S. after exposure.

(8) James Wechsler, editor of the N.Y. Post and a speech writer for Stevenson, was an admitted past member, along with his wife, of the Young Communist League.

(9) The Internal Security Subcommittee took testimony from Admiral Adolphus Staton (March 1954) in which he revealed that Stevenson, as executive assistant to Secretary of the Navy, Frank Knox, shielded 500 identified communists in the wartime merchant marine radio operators service from being fired. These operators provided an espionage network for the Soviet Union. Stevenson called Staton into his office because of the Admiral's efforts as head of a Navy board — authorized by law — to weed out these communist radio operators. Staton defended his actions. Stevenson retorted:

"I don't think we ought to be too hard on the commies."

And that was that. Staton was retired and the program was shelved as of May 19, 1942 upon Stevenson's recommendation. (How Adlai Stevenson Protected Communists, by Hon. A.D. Baumhart, Jr., National Republic, May 1955, pages 1 and 2)

(10) Stevenson was a charter member of the A.D.A., even though he denied it in a letter to Sen Pat McCarran dated 8/23/52. (See A.D.A. World, Feb. 11, 1952, April 20, 1949; Daily Worker, June 21, 1949)

(11) Alger Hiss spoke at a student lecture series at Northwestern University on Nov. 12, 1946, given under the direction of Stevenson as a member of the faculty. (Chicago Tribune, speech by Senator McCarthy, 10/28/52, pp. 1-3)

(12) Stevenson was a member of the central committee of the World Citizens Association, Plank 5 of which stated:

"National States must be subordinate to world civilization: their jurisdiction must be limited by world law, and any local legislation contrary to world law must be null and void."

Stevenson admitted membership in the W.C.A. in 1941; Who's Who listed him as a trustee in 1945; a letterhead lists him on the central committee in 1948. (See citation 11 for source)

(13) The communist party supported Stevenson for the Presidency in 1952. (Daily Worker, 10/19/52). In 1960 The Worker also supported Stevenson for the Democratic nomination. The July 10th issue stated (p. 11):

"Stevenson's candidacy has received a tremendous boost among the voters of the nation since his firm advocacy of a foreign policy aimed at peaceful co-existence with the Soviet Union."

The Worker of July 24th, '60, issued after Kennedy won the nomination, stated (p. 1) in an editorial:

"On the central issue confronting our people, and the people of the entire world, the issue of peace, of peaceful co-existence, of disarmament, the convention passed up Adlai Stevenson, the candidate who showed the greatest sensitivity to the peace desires of the people and to the realities of world problems and the problems of our nation."

(14) Stevenson, as Governor of Illinois, vetoed the Broyles anti-communist bill, which called for the barring of communist teachers in the schools. He attacked "loyalty inquisitions" in this context. (See citation 11)

(15) The Stevenson for President Committee for N.Y. State in 1952, headed by Eleanor Roosevelt, included Anna Rosenberg, identified as a member of the communist party, and communist-fronters Helen Ga-

hagan Douglas, Morris Ernst, Marshall Field, John Gunther, Reinhold Niebuhr, Simon H. Rifkind, and Beardsley Ruml. (Original letterhead)

(16) Stevenson is a member of the law firm of Paul, Weiss, Rifkind, Wharton and Garrison in that his Chicago firm merged with this New York firm, which supported Alger Hiss and whose members have been cited as party members (Louis Weiss) or as veteran communist-fronters (Lloyd K. Garrison). (See N.Y. Post, 4/21/57 p. 20 and The Lady Chatterley's Lover Case, American Mercury, Jan. 1960)

(17) John Kenneth Galbraith of Harvard was a speech writer and adviser to Stevenson in 1952 and 1956. He is also a communist-fronter. (U.S. News and World Report, 7/25/60, p. 56)

(18) Negro communist-fronters as a group supported Stevenson for President in 1952. An ad in the N.Y. Times, 10/24/52, p. 13, lists Mary McLeod Bethune (28 red-fronts), Hulan Jack (16 red-fronts), Loren Miller, Adam Clayton Powell, Jr. (73 red-fronts), and Channing Tobias (72 red-fronts) among many others.

(19) An ad listing 1,065 Women for Stevenson in the N.Y. Times, 10/30/52, p. 37 contained possibly the longest list of communist-fronting women, or wives of fronters, ever to be compiled in one list. They included: Mrs. Max Ascoli, Sarah Gibson Blading, Louise Dahl-Wolfe, Mrs. David Dubinsky, Mrs. Morris L. Ernst, Josette Frank, Mrs. Tom Glazer, Mrs. Oscar Hamerstein II, Mrs. Sol Hurock, Fanny Hurst, Mrs. David Lillenthal, Louise Rainer, Martha Scott, Irene Selznick, Mrs. Robert Sherwood, Mrs. William L. Shirer, Mrs. John Steinbeck, Mrs. Rex Stout, Mrs. Channing Tobias, Mrs. Mark Van Doren, etc., etc.

(20) The 1960 Stevenson For President Committee of New York listed its Advisory Council in the N.Y. Times of 6/20/60. Veteran communist-fronters on the Council included:

Leonard Bernstein, Cass Canfield, Marc Connelly, Melvyn Douglas, Rev. Donald S. Harrington, Elia Kazen, Dorothy Kenyon, Max Lerner, Reinhold Niebuhr, Elmer Rice, Dore Schary, John Steinbeck, Shepherd Traub, Richard Watts Jr., and others.

CHRISTIAN SCIENTISTS PROTEST RED CHINA TIES

Plymouth, Michigan — The Committee of 1,000 Christian Scientists is calling upon all members of Christian Churches to rise in protest against the recognition of Red China. While this Committee is not connected with the Boston headquarters, it is composed of Libertarian Christian Scientists who protest all Leftward trends.

In speaking to a body of college educators at Harriman, New York, Mr. Canham recently said: "Since we cannot destroy the Peiping government, we must learn how to live with it. Of course, this means diplomatic relations and whatever contacts are possible, so as to learn the true dimensions of the problems."

"The editor of the Christian Science Monitor, Mr. Erwin Canham who also happens to be the immediate past president of the U.S. Chamber of Commerce, is speaking strictly for himself and not for all Christian Scientists," said R. Roy Pursell, executive secretary of the Committee.

"With Red China making ten times the quantity of dope that the medical world can use, we would be wholly unable to keep out the flood of narcotics if we opened direct trade with them. Even now it is getting the best of us. Morphine is a state industry and is used as a conquering arm of the Reds," said Mr. Pursell.

IN RESPECT TO GHANA,

Common Sense,
530 Chestnut Street,
Union, New Jersey
To Mr. Conde McGinley, Editor,

Dear Sir:

I wish to report on some factual information I have recently received from an individual returned from GHANA, formerly the Gold Coast West Africa.

—He states that the Israelis have sent into this newly created nation of native born Africans, five committees.

—That these said committees have invested well over sixty million dollars in GHANA buying up the most valuable concessions in the country.

—My informant an Orthodox Hebrew states that the individuals composing these said five committees are the most ruthless gang of cutthroats ever let loose on a primitive people, cheating them right and left, utterly bereft of ethics.

—This orthodox Hebrew said that he cannot stomach the machinations of some of his fellow religionists using the money they receive via frantic personal appeals to the American people's generosity to aid Israel, only to see it used in this manner; you see Mr. McGinley we are not only financing Israel, but to such an extent that we also finance their highly competitive foreign investments, for this learned Hebrew informs me that these groups in Ghana also agitate constantly against the United States and England, and were responsible for the eviction from Ghana of persons with records of constructive work in this country.

—In the light of the foregoing it looks as if the phrase "What fools we mortals be" particularly applies to those Americans falling for these constant canvasses by what some have termed the Bad Breath Societies of Israel.

—For reasons of personal safety since I live in a neighborhood of Anti-American pro Israel sentiment, I must content myself by signing as just

Food For Thought

The **TIME** magazine in its issue of Nov. 16, 1959 published an article about the Baptist General Convention which took place in Texas. This Convention adopted such an interesting resolution which we quote:

"Since the Roman Catholic Church is both a religious and an **AMBITIOUS POLITICAL SYSTEM** aspiring to be a state we recommend that our people bear these facts in mind when they are asked to vote for a Catholic official."

Being a Christian but neither a Catholic nor a Baptist I have no axe to grind in this controversy; one thing, however, left me wondering: how could it happen that our Baptist brethren overlooked in their declaration a certain "minority group" the activities of which are incomparably more dangerous to the whole structure of the American life than those of all American Catholics taken together? And did they really **OVERLOOK** this "minority," or some other considerations forced them to keep their mouths shut upon this subject, which is far more probable?

You, my Friends, accuse Catholicism of being an "ambitious political system"; but the "minority group" we are talking about not only cherishes the most ambitious dreams of the political domination over the whole world, but, in addition, wishes to replace our religion with their own which was always inimical to Christianity.

Presumably you studied carefully the teachings of the Catholic Faith before making your declarations; so we shall not repeat them here; but did you do a similar study of the dogmas of the "minority group" as well? If not, then permit me to bring to your attention a very short quotation which, in a nutshell, explains the basic ideals and aims of this "minority:"

"The **FIRM HOPE** of Israel has two facets: that Israel will return one day to the Promised Land of Canaan, (it did already, as you know, with the help of one of your Baptists, a certain Mr. Truman) and that a **PRINCE** will arise in Israel, **THE MESSIAH**, and make his God worshipped by **ALL THE WORLD**, and **HIS PEOPLE ITS RULERS**."

No, this sentence is not taken from the famous "Protocols" nor from any other "anti-jewish" publication; you can find it yourselves in page 1026 of your **Columbia Enc. of 1950** ed. under the word: **JUDAISM**. Is it clear enough?

And if it is so, then why not add to your resolution the following lines: "Especially, however, we wish you to think twice before you vote for a Jewish (Khazar) official who, as a carrier of the spiritual germs of Judaism, is aspiring for the world domination and destruction of all religions except his own."

A believing Catholic CAN be a good American, German, Chinese, etc., — and more than often he IS. But a Jew believing in the ideals of Judaism—as most of them, agnostics including, do—by the very nature of this doctrine, their loyalty must be questioned.

This is, of course, an old, old story so often repeated and so fiercely refuted. It is true, nevertheless, as all the past history of the Jewish people amply proves. The Jews are loyal to the state where they reside only when the interests of Judaism and that state happen to coincide; and if they don't,—then woe to the state!

Many Christians being constantly brainwashed by the Jewish-dominated "media" do not understand this simple truth; they cannot be blamed; but those who DO understand and fear to say it openly are the direct descendants of that breed of men who were so bitterly attacked by **OUR LORD** thousands of years ago Oh, ye Christian hypocrites!

CHRIST-LACKING PRAYERS

—o— Continued from page 2 —o—

Until Monday last, I always thought him to be a profound scholar and a man of the broadest mind and most liberal thought, and if he be correctly quoted in the Sacramento Union of last Monday, I will be compelled to change my opinion. We are charged with intolerance, because in a respectful manner, the suggestions have been made to our Chaplain as I have indicated. If there be any thought of intolerance, it is not with me or my colleagues; it is with the gentlemen who denounced the Chaplain and who denounced the Senate. There are some men, sir, who stand for a creed which is entirely their own, and, to my mind, are so narrow that if they could have their way, they would have a Christianity in which they could believe, and the people who did not believe with them they would expatriate perhaps, and we would go back to the Middle Ages.

"I desire to thank you, Mr. President and the members of the Senate, for the privilege accorded to me to reply to the articles referred to, and I hope I may never have to discuss such a question again upon the floor of the Senate of California." (See Journal of the California Senate for January 23, 1907, Pages 171-172-173.)

Over the years, with others, I have watched the steady gain of the Jewish policy, first called to my attention sixty-three years ago by Senator Wolfe's demands.

Senator Hiram W. Johnson, for example, wrote me from Washington under date of March 27, 1922:

"The prayer of the (Senate) Chaplain, it appears, was censored and he was not permitted to use the name of Jesus Christ. A letter from the Chaplain, in which he lamented the circumstances, was recently read to me. This may be interesting to some of our religious friends."

It was. Many refused to believe it possible.

The drive to eliminate Christ has continued quietly, but actively, down to the present day, and it is resented by Christian people, however acceptable to Christian leaders. Human Events for September 22, 1954, for example, contains the following item:

"Legion: At the recent convention of the American Legion in Washington, an interesting incident occurred. A resolution was adopted by the Legion Auxiliary's Resolutions Committee to 'delete' the words 'Jesus Christ' from Legion Auxiliary Devotions. The Auxiliary is the women's organization of the Legion. One determined lady, hearing about the action of the Auxiliary Resolutions Committee twenty minutes after it happened, swung into action. At her own expense she called long distance to top religious figures in the nation. The next morning important Christians all over the country had responded and the resolution which omitted mention of the name of 'Jesus Christ' in the official prayers of the Legion Auxiliary was withdrawn."

Up to about 1935, the motto of Harvard University was *Veritas Christo et Ecclesiae*. About that time the *Christo et Ecclesiae* was deleted. A Harvard man later asked about it replied: "I think the (Harvard) authorities felt they ought to get away from any narrow connotation".

In his Sunday TV broadcast for April 3rd last, Dan Smoot related in detail that at a convention of Young Methodists the name of Christ was not mentioned once in either prayer or address.

Press and, to some extent at least, religious leaders have been silent on the development, but the interest of laymen and the letter of Senator Johnson quoted above, written in 1922, 38 years ago, in mind, led me to go through six months of

the Congressional Record for 1958, to ascertain what happened to the opening prayers of the two Houses of Congress. The Record showed that mention of Jesus Christ was the exception. Some clergymen prayed in the name of "The Redeemer"; others in the name of the "Captain of our Salvation", but often times the controversial name of Jesus Christ was deleted without reference. For example, the following is taken from the Congressional Record for August 15, 1958:

"The Senate met at 12 o'clock meridian, on the expiration of the recess.

"The Chaplain, Rev. Frederick Brown Harris, D.D., offered the following prayer:

Our fathers' God and ours, in the darkness of our limited knowledge, we turn, in our deep need, to Thee, Whose dwelling place is light without the shadow of our earth-born clouds.

"We lift Thee grateful hearts for the heritage that is ours, bought by toils and tears other than our own.

"Grant that with a new birth of freedom, our dear land in this new day may play its full part in the fulfillment for all men of truly united nations in a leagued commonwealth in which Thy good gifts will be more fairly shared, where no more shall nation lift up sword against nation, but where each people shall enrich the world with the gifts of its excellence.

"So, may Thy kingdom come, and Thy will be done. Amen."

I called the attention of a number of Christian leaders to my findings — and was surprised at their reaction. There was no burst of indignation such as followed Senator Wolfe's request of fifty-three years ago. Indeed, there was quiet acceptance of the situation. For example:

The Rt. Rev. Bishop James A. Pike, J.S.D., S.T.D., wrote under date of January 9, 1959, as follows:

"I am aware that many of the Chaplains to these bodies are under considerable pressure to use prayers which are equally applicable to all of the faiths of the men who are there. I am not at all sure that such an act of courtesy is in any way a betrayal of the Christian Faith. Indeed, the Lord's Prayer itself, as you will note, has no mention of the name of Jesus, even though it is Jesus' own prayer.

"To me, a far more serious move is that on the part of certain people who would have public prayers completely removed from official governmental functions. This seems to me to strike a far greater blow to our faith than the practice of using prayers which are equally acceptable to our Jewish friends."

Some change in attitude in fifty years! What will the next fifty years bring forth? Shall we call it **INFILTRATION**?

"The Jewish News Letter" for May 2nd last observes:

"Several weeks ago, when the National Lutheran Council decided to launch a campaign to convert Jews to Christianity, the orthodox rabbinate in the United States (Rabbinical Council of America) issued a strong protest against the Council's action on the ground that such a campaign aims to make the United States a country with only one religion. It is noteworthy that the American orthodox rabbis, who fear so much the danger of a religious monopoly in the United States in the future, have failed to note the existence of such a monopoly in Israel today; and because of this monopoly thousands of Christian wives, married to Jews, and their children are **FORCED** by the rabbinate to embrace Judaism." (Emphasis that of the "News-Letter".)

CIVIL RIGHTS IN THE NORTH

**"NORTHERN RACE MIXERS PROMOTE HATRED IN SOUTH
AND MAY BRING RACE WAR WHERE RELATIONS WERE THE BEST"**

THE INVISIBLE GOVERNMENT CONTROLS NORTHERN PRESS

The public is being deprived of the facts concerning **Civil Rights**. Those who would like to understand the merit or danger of this program are afraid to inquire into it fully because of the noise being made by the organized **pressure groups**, which are inter-locked in a conspiracy to arouse Negroes and use their votes in the plan to replace good American lawmakers with those who will take direction from the **invisible government** which already has almost full control of both political parties.

In submitting to organized Marxist, political groups, the **Eisenhower administration**, including the **Supreme Court**, has used illegal, unfair and prejudiced methods against good people in the South.

The public does not get the truth from northern newspapers, which dare not go contrary to wishes of their Jewish advertisers, who furnish page advertising.

The pressure which forced a willing **Supreme Court** to exceed their authority and render the decision, was entirely by organized **Marxist Organizations** directed by Jews. The **Supreme Court** quoted as their most impelling authority for the decision, **Gunnar Myrdal** of Sweden, who is a noted **Socialist** and may be a secret communist. This red from Sweden, where a Negro is a curiosity, is the Court's authority for coercing the South which understands Negroes.

When Washington needed a decision in 1957 by a Federal Judge, to prevent **Gov. Faubus** from interfering with desegregation plans, U.S. District Judge **Ronald N. Davies** was brought down from **Fargo, North Dakota**, where there are practically no Negroes to **Little Rock, Ark.** Suppose a decision were needed in North Dakota concerning wheat farming, would they send a judge from cotton farming **Georgia**?

When Eisenhower sent the paratroopers into Little Rock and took over the ten thousand National Guardsmen at a cost to the taxpayers of 5 million dollars, he did it contrary to law and at the insistence of the Jewish power groups of **New York City**.

For twenty years communist Jews, unwelcome in all of Europe, have been flooding the United States.

MARXISTS INCITE NEGROES

Since **F.D.R.** opened the gates, these people have been remaking our laws, maneuvering their people in as Federal Judges and strategic spots in city, county and Federal positions. Determined to rule, they are only a small percent of population, hence, by clever methods, they are trying to regiment 19 million Negroes to use as another pressure block they control. These are the votes feared by office seekers.

The purpose of this issue is to show that the whole plan to force race mixing is dishonest and is part of the plan to communize the U.S. We are convinced that 90% of the Negroes do not want to be forced into schools with Whites.

YOU TOO, FATSO?

By BILL MCCLAMMAY
Dallas News Staff Cartoonist

Those most active in pushing integration are Jews and mixed-blood Negroes.

RALPH BUNCHE NAMED A RED

These marxist revolutionary organizations located in New York have for years been sending organizers into the south to incite the Negroes just as they have in the Congo and other parts of Africa. Enormous sums have been supplied to these groups to bring all Negro people of the world under communism. **Ralph Bunche** has been named a communist in sworn testimony before Congressional Committee by two former communists, **Manning Johnson** and **Leonard Patterson**. **Ralph Bunche**, as a representative of the U.N., has played a prominent part in setting up communism in Ghana and the Congo. Results in the Congo gives an idea of what the South may expect if our one-worlders succeed in their race-mixing plan. Thousands, not hundreds, of women, girls and Nuns were raped in the Congo. Our newspapers here do not print this for fear of the organized pressure groups which are promoting race-mixing.

Common Sense stated at the outset of this dastardly plot, that integration would never work and now we are more convinced than ever. Some religious leaders say it is sinful to educate black and white in separate schools. When did it become a sin? Why was it not a sin for 100 years? When the **Anti-Defamation League of B'nai B'rith** directed this move, these religious leaders were sucked into the parade.

When God created white and black and segregated them in separate parts of the earth, did He make a mistake?

SEGREGATION

**NEGRO SEGREGATIONIST SINGS
INTEGRATION BLUES TO TUNE OF
\$50,000,000 YEARLY LOSS TO NEGROES**

Davis Lee, Negro publisher of **The Herald**, **Anderson, South Carolina**, recently had the following to say regarding racial segregation:

"The efforts being made by certain paid agitators and pressure groups against segregated schools in the South may cause Southern Negroes to lose a lot more than they will gain.

"The trouble with this group, as with similar ones, is that the initiators don't count the overall cost to the race. The present effort is designed to destroy the whole pattern of segregation, and to establish an integrated social order in which there will be no distinction made in this country on the basis of race, religion, color or nationality.

"This is a laudable objective, but human nature just has not changed that much, and the achievement of such an objective could cause repercussions that might set the Negro back fifty years.

"Integration in the schools in the North and East is not a howling success. A Negro can attend most of the schools up here and get an education, but few of the states that educate him will hire him as a teacher. The State of Connecticut doesn't have twenty-five Negro teachers...

"Nowhere in these integrated states do Negroes get anywhere near proportionate representation. Every device is employed to keep qualified Negroes from being assigned. Recently a reputable New York labor union made a report on the employment of Negro teachers in New York City and charged that a systematic scheme has been adopted to exclude Negroes as teachers.

"This is not true, in the South. The State of Georgia employs 7,313 Negro teachers and paid them close to \$15,000,000 in salaries last year. North Carolina paid its Negro teachers over \$22,000,000 last year. Florida is another State that ranks at top on teacher pay.

(Mississippi paid \$7,414,278 in salaries to 6,753 Negro teachers in the State last year.)

"If these states, that are now pouring millions of dollars annually into Negro pockets which provides our people with money that enables them to enjoy the dignity of man, to enjoy the prestige and respectability, to buy homes and the necessities of life, are forced to abandon the segregated school, 75 percent of the Negro teachers in the South will lose their jobs. Not only that, but approximately 20,000 Negro principals will lose their jobs as well...

Navy Wife Is Stabbed As She Resists Rape

By FRANK SCHILD

An attractive 23-year-old housewife, resisting rape by a stocky young Negro with a knife, was stabbed and critically wounded shortly after 10 A. M. yesterday in the basement of a Queens apartment house. Her assailant escaped.

The victim was brunette, green-eyed Mrs. Sandra Noble, wife of Lt. (j.g.) Robert Noble, 26, stationed at 90 Church St. Lt. Noble is a night pre-medical student at Columbia University.

The attack occurred in a storage room in the basement of the six-floor house at 82-05 134th St., Kew Gardens, where the Nobles have a top-floor apartment.

Spending Day at Home

Saturday has usually been a free day for the Nobles since they returned to their native New York 10 months ago from Panama, where Lt. Noble had done a tour of duty. Yesterday he took time off from studies to be with his wife. A secretary with the Planters Peanut Co. in Long Island City, Queens, Mrs. Noble had a work-free weekend.

Early, Noble drove to a neighborhood gas station for minor repairs on his car. Mrs. Noble took the elevator to the basement with a bundle for the laundry room.

A Negro, perhaps 20, 5-feet-7, weighing 140 pounds and wearing black leather jacket, was near the elevator door in the basement. Mrs. Noble walked past him, put her laundry in a washer and returned to the elevator to go up to her apartment.

Seized From Behind

The stranger seized her from behind, clapped a hand over her mouth and said: "Don't fight me and there won't be any trouble. I've got a knife."

He released her mouth and whirled her around.

Terrified, Mrs. Noble tried to reason him out of the attack. "Don't do it," she said. "You'll get caught. You shouldn't do this terrible thing."

His grip tightened. Mrs. Noble somehow wrenched free and ran into a darkened storage room, hoping to duck around him if he followed.

Stabbed Eight Times

He did follow. He seized her. Mrs. Noble screamed. Eight times, the attacker plunged his knife into her. He fled as she slumped to the floor.

Poor Man's Doctor, Wife Beaten, Almost Killed by a Robber

By Arthur Noble and James Davis

An elderly physician who, though thrust into semi-retirement by chronic illness, continued to treat his poorer patients without fee, was savagely beaten yesterday by a thief who invaded his lower East Side combination office and living quarters. Also beaten into unconsciousness was the doctor's wife, who had entered the office when she heard cries.

The victims were Dr. Phineas Salzman, 79, and Mrs. Eva Salzman, 74. They had lived in the building, at 182 Henry St., about 10 years, during which time Salzman had won the reputation of good Samaritan. He had practiced in the neighborhood for 45 years.

The two were taken to Gouverneur Hospital. Both had skull fractures and were in critical condition. Last night, Mrs. Salzman regained consciousness briefly and told police the assailant was a light-skinned Negro whose face was partially masked.

Cabbie admits sex attacks on college girl, 5 other fares

NEW YORK (AP) — A young taxi driver told police yesterday he had committed a series of sex attacks on women customers, including the daughter of novelist William Wister Haines.

The cabbie, Robert Pearson, 27, father of a girl, 5, was charged with assault, robbery, sodomy and attempted rape against Laura Haines, 20.

Miss Haines, a Radcliffe College student, had taken a cab Monday night to catch a plane home for the Christmas vacation in California. She identified Pearson as the driver who assaulted her, and police said he admitted the attack.

Later, officers said, Pearson also admitted raping a Brooklyn woman and forcing four others to submit to indignities after they had engaged his cab. Two of these were in Brooklyn and two in the Bronx.

By Henry Machirella and Henry Lee

A pretty, 18-year-old secretarial student, returning from a religious club dance, was viciously beaten unconscious and raped in an alleyway only 300 feet from her home in the Wakefield section of the Bronx early yesterday.

Despite her injuries—a fractured skull, bruises and cuts on arms and legs and a face so badly swollen that she could scarcely talk—brunette Frances Porco was reported in fair condition last night at Misericordia Hospital.

During her brief moments of consciousness, she could give only a sketchy description of her assailant. More than 12 hours after she was found, police issued an alarm last night for a Negro about 20.

Sneak Thief Slashes Woman in a Church

A woman, alone in the Church of St. Gregory the Great at 144 W. 90th St., was slashed under the chin late yesterday when a sneak thief grabbed her pocketbook and then attacked her with a knife when she resisted him.

Della Considine, 55, who lives across the street at 124 W. 90th St., suffered a deep gash, which narrowly missed an artery. She was taken to Knickerbocker Hospital, where four stitches were needed to close the wound.

Snatches Her Purse

The Rev. Paul Marceau, pastor of the church, had just finished baptisms, and Miss Considine was alone at 5:20 P. M. when the thief, described as a young Negro, about 5 foot 6, grabbed her purse.

Miss Considine chased the slasher as he ran into 90th St., but he darted into a building at 125 W. 90th, fled to the roof and had disappeared before police arrived.

2 Negroes Held in Assaults on White Women

MILWAUKEE, Wis.—(P)—Warrants charging rape were issued today against two men named as members of a Negro gang which, police said, preyed on white women found walking alone on darkened streets.

Dist. Atty. William J. McCauley said the two men admitted taking part in a wave of rape assaults three years ago.

8 Held in Girl Attack

Three Others Sought in Assault on 16-Year-Old

Eight young men under arrest at Newark police headquarters today are charged with the rape of a 16-year-old girl early Sunday morning.

Inspector Edward J. Scanlon said all eight have confessed and that three other men are being sought for participating in the rape. The eight have been identified by the girl, Scanlon said.

His disclosure marked the second time this week that police have announced solutions to rape cases. Tuesday night, police said three men had confessed to the abduction and rape early Monday of a 20-year-old Newark secretary.

Called Most Brutal

The repeated rape of the 16-year-old girl was confirmed by an examination by Dr. Marcus Greifinger, who said the case was one of the most brutal in his experience. The girl also was attacked by the men, police said, and one of them threatened her with a knife.

2 N.Y. Negroes Beat Up Two Boys, Rape Mother

ROCKAWAY BEACH, N.Y., March 19 (P)—Two Negroes broke into an apartment today and raped a 49-year-old white woman after first beating up her two young sons, police said. The men were caught when they tried to flee.

Willie E. Lloyd, 20, and Sylvester Cholmondely, 18, both of the Hammels section of Rockaway Beach, were charged with rape, assault and robbery.

Police said the men had been drinking heavily. They broke into a basement apartment of a widow and her sons, 15 and 12.

The boys were quickly overpowered. And for 90 minutes the men brandishing a knife, terrorized the family, police said. They drank beer from

the ice box and demanded money. The woman gave them \$12.

When they took the mother into the bedroom to rape her, the older boy fled into the street shouting for police.

Two patrolmen quickly arrived and caught the men in a courtyard after firing five shots. No one was hit.

The woman was taken to Rockaway Beach Hospital in shock.

Woman Slain By Thief She Caught in Act

A burly burglar beat and kicked a 63-year-old woman to death after she surprised him in her apartment at 425 Classon Ave., Brooklyn, at 6:50 A.M. yesterday. The intruder also critically beat the woman's daughter when she tried to help her mother.

Mrs. Maria Otero saw the burglar climbing through her first floor bedroom window, police said. She screamed. The man punched her to the floor and stomped her.

Mrs. Otero's daughter, Mrs. Angelita Vargas, 42, was awakened by her mother's screams. She ran to her mother's aid and was punched unconscious by the burglar.

Mrs. Otero was pronounced dead at Kings County Hospital. Her daughter was admitted to the hospital in critical condition. Police broadcast an alarm for the burglar, a 200-pound 6-foot Negro.

2 Gals (1 Wears the Pants) Denied Bail in Taxi Killing

Two women, one the alleged gunslinger and the second her man-type accomplice were held without bail in Brooklyn Weekend Court yesterday on homicide charges in the Christmas Day stickup-slaying of a Brooklyn cab driver.

Magistrate David Malbin set tomorrow for hearings for Mrs. Kathleen Perry, 19, of 422 Fourth St., Brooklyn, and Thelma (Jerry) Davis, also 19, of 418 Madison St., Brooklyn.

It was Mrs. Perry who assertedly called police and admitted firing the fatal bullet into the back of the head of hackie Nathan Hyman, 56, of 469 Georgia Ave., Brooklyn, early Friday as he sat in his cab on Lincoln Place near Albany Ave., Brooklyn. The stick-up killing netted \$13.

Tells of Companion

After surrendering to police, Mrs. Perry said she had been accompanied by a casual female acquaintance she knew only as Jerry who wore men's clothes and frequented the Subway Bar and Grill, Nostrand Ave. and Fulton St., Brooklyn. Police staked the place out, and grabbed the Davis girl at 1 A. M. yesterday.

MISGUIDED DO GOODERS

The Radicals in the North have an obsession to do something for the Negro although they are the best treated people in the U.S. Millions live in the cities on welfare checks and occupy government low rent housing, can have several common law wives, and each additional child brings an increase in the welfare check to the woman.

Many hard working White people have a difficult time to keep up without these advantages and still pay the big part of the tax burden to provide this help to the Negro. The Jews have organized Negroes and fronts for them so politicians are afraid to refuse their demands.

In the north, where race mixing has been tried as an example to the south, it has upset the public school system. The whites have placed their children in private schools or moved out of the city.

In the Borough of Manhattan in N.Y.C. the Negro and Puerto Ricans in public schools, constitute three out of four children. In N.Y.C. two apartment projects were to have the same new school. One project has 2057 apartments occupied by Negroes and Puerto Ricans. The other 2583 apartments, occupied by whites, sent only four children to Public School 163.

In our Capitol, Washington, D.C. 74% of the school children are Negro. The law makers and people who can afford it have taken their children out of school in Washington, D.C., and moved to Virginia or Maryland. Such is rule by hypocrites who fear the ruthless minority political groups.

REDS RACIAL RECORD

William Z. Foster, present head of the Communist Party in America, declared in his book entitled **TOWARDS SOVIET AMERICA**:

"The American Soviet will of course abolish all restrictions upon racial intermarriage The revolution will only hasten this process of integration, already proceeding throughout the world with increasing tempo."
(page 305-306)

David Lawrence reported in his newspaper column (Times-Picayune, Nov. 12, 1958) that Prof. Allen Nevins, long time professor of American history at Columbia University, two time Pulitzer prize winner,

"is emphatically in favor of desegregation and calls upon the Southern people to face reality, as he tells them that intermarriage between the races in the coming years is inevitable."

The emergence of a powerful, left, anti-imperialist, anti-fascist current among negro people is unmistakable and is clearly discernible in the NAACP

Today, the Kremlin leadership in Moscow feels so firmly entrenched in the NAACP that the top official organ of the Communist Party in the US. has advised all of its followers that:

"We must support the NAACP in this struggle with every ounce of energy at our disposal."

(Political Affairs, official organ of the CPUSA, Feb. 1950, p. 23).

Sanford "Sandy" Griffith, Top ADL (Anti-Defamation League of B'nai B'rith) Spy Chief for New York area. Sandy Griffith has a number of ADL (Jewish FBI) spies under him and directs activities against Christian patriots throughout the U.S.

Well known as an ADL agent for at least 15 years, Sandy was surprised when the camera trapped him at COMMON SENSE headquarters.

The American Committee on Africa and New School of Social Research of New York City have been sending speakers into Africa, stirring up Negroes to revolt. Result ex-Premier Lumumba welcomed hundreds of communists, planes and arms into Congo.

Sanford Griffith has just returned to New York City after meeting with Lumumba. This same Griffith has for years been busy in our southern states inciting dissatisfaction and revolt.

MUGGINGS - N.Y. & N.J.

Reported - Unreported - WHY?

The New York Journal American Oct. 2, 1958 reports that:

"the wave of muggings which terrorized the city during August has tripled in number during September. More than 90 persons were attacked on the city streets last month. . . It should be emphasized that there are hundreds of muggings which are never reported for a variety of reasons."

From a reliable source, Common Sense has been informed that in the Metropolitan district, which includes N.Y. City and north-east part of N.J., an agreement is in force among the newspapers to report only one raping out of six. There are more rapes reported in the metropolitan area in one month than occurs in the entire south in 50 years. Yet it is this area that has produced the aggressive groups that dare impose their plan of race mixing on the south.

FAMOUS QUOTATIONS

Theodore G. Bilbo

"If our buildings, our highways, our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our white race should become corrupted and mingled with the blood of Africa, then the present greatness of the United States of America would be destroyed and all hope for the future would be forever gone. The maintenance of American civilization would be as impossible for a negroid America as would be redemption and restoration of the white man's blood which had been mixed with that of the negro."

SEGREGATION

— Continued from page 1 —

"This present movement to end segregation in the schools is merely the beginning of a well-laid plan to completely end segregation in everything in the South. If this happens, the Negro will be thrown into direct competition with the White race, and our business institutions will crumble."

"No place in the world do Negroes own and control as much as do those in the South. Atlanta is without question the Negro capital of the world. It is the center of Negro culture, education, business and finance. And both Negroes and Whites live, work and operate business without either being conscious of the other's race."

"This movement to integrate the schools of the South is loaded with more racial dynamite than appears on the surface and the Negro will be the one who is blown away."

"During the past two years I have spent more time in the South than I have in my office, and I have interviewed thousands of Negroes in all walks of life and I have found very few who favor mixed schools. They want their own schools, but equal facilities. This being the situation, one questions the fairness of forcing these colored citizens to accept what they don't want. If a little group of paid agitators succeed in forcing their will upon these people, it appears to me that they should at least be given an opportunity to be heard."

"Right now the Southern Negro is in a better spot educationally, politically and economically than the Negroes any place else in the world. Race relations are continually improving. Every day more Southerners are recognizing the Negro as a man and according him the respect that he merits, but the Southern Negro himself can do more about improving conditions than can courts, legislation or pressure groups . . .

"Despite all the hullabaloo about the liberal North and East, no Negro has been made head of a State College or University. Down South the woods are full of Negro college and university presidents. In Texas a Negro college president of a state school gets \$10,000 a year."

"Negroes need to refresh their memories on the fact that just a few years ago we were raising Cain because colored kids in the South were being taught by white teachers. We wanted them taught by Negroes until now Negro teachers have completely taken over."

"A group goes back into the courts declaring that the Negro is not satisfied with equal facilities, that the separate but equal law is unconstitutional, that nothing less than integration will do. That doesn't seem fair to me."

NIXON IGNORES VITAL ISSUES WHAT IS THE MYSTERIOUS FORCE RESPONSIBLE? DOES HE DARE CAMPAIGN TO WIN?

Kennedy is winning every round with Nixon; apparently it is planned that way. Reminds us of when Tom Dewey, a Republican, ran against F.D.R. Dewey was campaigning when it became known he was going to expose the maneuvering by Roosevelt, ordered by Churchill, to bring about the Pearl Harbor tragedy which cost the lives of over three thousand of our boys and a good part of our navy. Eleanor had said in a speech at Philadelphia:

"For eight days we listened to the radio, expecting a report of the bombing of Pearl Harbor."

The boys who were killed had not expected it.

Exposing the Pearl Harbor crime would have sunk FDR and elected Dewey, but the Invisible Government ordered General Marshall to go to New York and demand Dewey forget Pearl Harbor and use a milk-toast campaign. This election is similar to two boxers put in the ring with ten oz. gloves (4 oz. are used for a fight) and told to give the audience a good show but not get rough.

Those who advised Nixon to appear on television in Chicago apparently are for Kennedy, and if Nixon is free to do so, he should refuse to appear with Kennedy again. The comparison is all in Kennedy's favor. Good looks and quick retort, cause the audience to forget that Kennedy has surrounded himself with advisers who are known as liberals, Marxists, socialists or communists, all of them New Dealers who swarmed into Washington when Roosevelt opened the

Richard M. Nixon

gates to Marxists who forced us to take part in a war which resulted in building communism as a world threat.

We list the most important brains behind Kennedy without whom he would have no chance:

Arthur Schlesinger, Jr., Joseph L. Rauh, Jr., Al Segal, Ben Cohen, Dore Schary, David Dubinsky, Sam Rosenman (FDR's ghostwriter), Al Rose, Herbert Lehman, Jake Arvey (Chicago political boss), Arthur Goldberg (Walter Reuther's atty.), Myer Feldman (administra-

tive assistant to Kennedy), Anna Rosenberg (named as a communist in sworn testimony before Congressional Committee by Ralph DeSola, a former communist), also chief political adviser to Nelson Rockefeller until he failed to be nominated, now one of Kennedy's advisers.

All of the above are Jews. Nearly all have communist front citations.

Here are the non-Jew disciples and tools of Zionist Jews:

Chester Bowles, Adlai Stevenson, James Roosevelt, Franklin Roosevelt, Adolph Berle, Jr., Walter Reuther, Henry Steele Commager, John Kenneth Galbraith, Harvard Professor Archie Fox.

To the above must be added Eleanor Roosevelt with 102 red-fronts, Americans for Democratic Action, a Marxist Jewish political group, Anti-Defamation League, American Jewish Congress and American Jewish Committee.

Kennedy has cooperated closely with these. Kennedy, himself, is a Fabian Socialist educated under Harold Laski, top communist brain in London. The ADA stated that the election of Sen. John F. Kennedy as President is imperative for "strong liberal executive leadership."

The Invisible Government, to be doubly sure, has placed socialist advisers around Nixon: Among them Arthur F. Burns (Burnstein) from Austria; Joseph Kaplan, Professor, University of California; and David Sarnoff.

OUR STATE DEPT SCORES AGAIN FOR COMMUNISM

(Editor's Note: In the following article reference is made to a mysterious force in our State Department which is more powerful than the Secretary of State and the White House. These good former Ambassadors have not done sufficient research on the World Conspiracy to understand that this is the Invisible Government with irresistible pressure.)

FROM THE SENATE INTERNAL SECURITY SUBCOMMITTEE — 9/11/60

"Cuba was handed to Castro and the Communists by a combination of Americans in the same way that China was handed to the Communists," Senators James O. Eastland (D. - Miss.) and Thomas J. Dodd (D. - Conn.) said today in releasing the testimony of two former United States Ambassadors to Cuba, who appeared before the Subcommittee on Internal Security. The Ambassadors who gave evidence on which the two Senators based their statement were Earl T. Smith, who represented the United States in Havana when Castro rose

to power, and Arthur Gardner, who was Mr. Smith's immediate predecessor.

"The testimony of both these gentlemen demonstrates that American foreign policy is not made in the office of Secretary Herter on the fifth floor of the State Department," said Eastland and Dodd. "It is made on the fourth floor, by the unknown policy planners and memo makers who fill the Secretary's 'in' basket." According to Messrs. Smith and Gardner, Fidel Castro was the hero of the In-Basket Brigade. They worked with pro-Castro elements in the American press to make Castro appear as Robin Hood. They misguided American opinion in exactly the same way the In-Basket Brigade of 1945 misguided American opinion with the myth that the Chinese Communists were 'agrarian reformers'.

"The State Department has not been cleansed of those elements whose policies contributed so much to the loss of China to the free world. Secretary Herter, the man on the quarter deck, is not in charge of the ship."

The Senators drew particular attention

to this statement of Ambassador Smith.

"We helped to overthrow the Batista dictatorship which was pro-American, only to install the Castro dictatorship, which is pro-Russian."

According to former Ambassador Smith, the agencies of the United States Government which "had a hand in bringing pressure to overthrow the Batista government" were "certain influential people, influential sources in the State Department, lower down echelons in the CIA" and "representatives of the majority of the United States Government agencies which have anything to do with the Embassy" in Cuba.

Both former Ambassadors indicated that William Wieland, who had charge of Central American Affairs as Director of the State Department's Caribbean Division, was a supporter of leftist elements in Latin America. Both indicated that Roy A. Rubottom suggested policies which aided Castro's rise to power, although Mr. Smith expressed the opinion that Mr. Rubottom had done so only after "terrific pressure." Mr. Rubottom was

—o— Continued from page 1 —o—

Assistant Secretary of State for Latin American Affairs during the ambassadorships of Messrs. Gardner and Smith. He was recently named Ambassador to the Argentine.

Mr. Smith made the extraordinary revelation that William Wieland sent him (Smith) to **Herbert Matthews** of the *New York Times* to get a briefing on Cuban affairs before Smith departed to take up his post in Havana. This occurred in 1957, after Matthews had written a series of articles which made "a Robin Hood" out of Fidel Castro.

When Mr. Smith reached Havana, he found out that "Castro was a revolutionary and a terrorist. From the time that he was 'a university student, he was a gun-toter,'" said the former Ambassador. "I was informed by a diplomat that he had killed two priests and one nun in Bogota during the uprising in 1948."

"Whether he started out as a Communist or not I doubt. But Fidel Castro did make a number of statements at Costa Rica and out of Mexico (before he won the revolution) which clearly showed his Marxist line of thinking."

Mr. Smith was asked by Counsel **J.G. Sourwine**: "Is there any doubt in your mind, that the Cuban government under Castro is a Communist government?"

He answered, "I would go further.. I believe it is becoming a satellite, a Communist satellite."

"The U.S. Government agencies and the U.S. press played a major role in bringing Castro to power," continued the Ambassador.

"Three front-page articles in the *New York Times* in early 1957, written by the editorialist **Herbert Matthews**, served to inflate Castro to world stature and world recognition. Until that time, Castro had been just another bandit in the Oriente Mountains of Cuba with a handful of followers who had terrorized the campesinos, that is the peasants, throughout the countryside.

"Fidel Castro landed on the south coast of Oriente in December of 1956 from Mexico with an expeditionary force of 81 men. Intercepted by Cuban gunboats and patrol planes, Castro and a handful of stragglers managed to esconce themselves in the rugged 8,000-foot Sierra Maestra Range.

"After the Matthews articles which followed an exclusive interview by the *Times* editorial writer in Castro's mountain hideout and which likened him to **Abraham Lincoln**, he was able to get followers and funds in Cuba and in the United States. From that time on arms, money and soldiers of fortune abounded. Much of the American press began to picture Castro as a political Robin Hood.

"Also because **Batista** was the dictator who unlawfully seized power, American people assumed Castro must, on the other hand, represent liberty and democracy. The crusader role which the press and radio bestowed on the bearded rebel blinded the people to the leftwing political philosophy with which even at that time he was already on record.

"His speeches as a student leader, his interviews as an exile while in Mexico, Costa Rica, and elsewhere clearly outlined a Marxist trend of political thought.

"The official U.S. attitude toward Castro could not help but be influenced by the pro-Castro press and radio, certain Members of Congress picked up the torch for him.

"There were a number of times, number of occasions when I was asked as the Ambassador if we would help the church in its efforts to establish a bridge between Castro and Batista, or if we, in any way, would support a national unity government. Such government would act as a provisional government in Cuba to maintain law and order while elections were being held.

C. Douglas Dillon (Lapowski) — would like Dominican Republic's doors thrown open to Reds as was done in Cuba, China, Korea and many other countries.

"The United States would never agree to support or would never permit me to negotiate because it would be considered as intervening in the internal affairs of Cuba.

"As far as the disintegration of the armed forces around the Batista government, the answer is that this negative action helped shatter the morale of the existing government. The responsibility for the deterioration in the morale of the army, navy and Cuban Air Force dates back to many other forms of direct and indirect — I use the word "intervention" advisedly.

"Primarily I would say that when we refused to sell arms to the Cuban Government and also by what I termed intervening by innuendo (which was persuading other friendly governments not to sell arms to Cuba) that these actions had a moral, psychological effect upon the Cuban armed forces which was demoralizing to the nth degree.

"The reverse, it built up the morale of the revolutionary forces. Obviously when we refused to sell arms to a friendly government, the existing government, the people of Cuba and the armed forces knew that the United States no longer would support Batista's government."

"A decision such as prohibiting the sale of arms to a friendly nation can have devastating effects upon the government in power.

"We even did not fulfill our promise to deliver 15 training planes, which had been bought and paid for by the Batista government. In accordance with instructions from the State Department I informed Batista that delivery would be suspended, because we feared some harm might come to the 47 kidnapped Americans. The kidnapping by **Raul Castro** of 30 U.S. marines and sailors, 17 American citizens, and 3 Canadians occurred at this time.

"After the kidnapped Americans were returned we still refused to deliver these training planes because we feared that bombs could be put on the planes even though they were strictly for training purposes. "I reiterate that decisions such as these may determine whether a government can remain in power.

"Although they could buy arms and ammunition from other sources, the psychological impact on the morale of the government was crippling. On the other hand, it gave a great uplift to the morale of the rebels."

Former Ambassador Gardner declared that a shipment of military equipment to Batista, arranged under the mutual aid pact, was "stopped" on the New York docks. He declared it was "common gossip" that "Rubottom was the only man who could have stopped it."

At the same time, according to Mr. Gardner, shipments of arms and ammunition to Castro from the United States "were being

sent down surreptitiously almost every night. Every once in a while we were able to catch such a shipment and stop it. But we were not very active about it, and one factor which I think was one of the most serious was that the former President, named **Prio**, was living in Miami. I don't know whether you know this or not, but he was arrested, convicted and paid a five-thousand dollar fine for gun-running. He was also indicted a second time. And yet no action was ever taken on it."

This is Mr. Smith's testimony: The Batista government complained continually about the airlifts and airdrops of bodies and arms from the United States. I always kept the State Department fully informed.

"But we seem to have great trouble in enforcing our neutrality laws. I have sometimes wished that we had been half as diligent at that time in enforcing our neutrality laws as we have been lately."

Senator Eastland. Enforcing those laws now is an aid to the present government in Cuba, is it not?

Mr. Smith. Yes, sir.

In answer to a question from **Senator Dodd** as to whether he had ever discussed Castro with Mr. Rubottom, Mr. Smith said that he had done so on numerous occasions.

"Mr. Smith. In all due justice to Roy Rubottom, I think that Roy Rubottom was under terrific pressure from segments of the press, from certain Members of Congress, from the avalanche of Castro sympathizers who daily descend upon the State Department, and Rubottom may have taken the line of least resistance."

Mr. Smith said: "The espionage system of the Castro people was so good that they knew nearly everything that was going on. They had their spies planted in the Cuban Embassy in Washington before Castro came to power.

"Many of these people, who later became members of the first Cabinet of Castro were asylees in the United States. They had close contacts with members of the State Department.

"To name a few: **Urrutia**, the first President of Cuba, **Agramonte**, the first Foreign Minister of Cuba, the first Prime Minister of Cuba, **Miro Cardona**. As a matter of fact, the first time that I met Cardona was after Batista had left the country. It was about the 4th of January of 1959 in the Presidential palace. He turned to me and said, 'I am a good friend of **William Wieland**, a very good friend of **William Wieland**.'

Mr. Smith asserted that before the Castro forces arrived in Havana, they had been demanding tribute throughout Cuba. "By the fall or the late summer of 1958, they decided to also demand tribute by American business and American property holders. Toward the closing days of the Batista regime, I believe some Americans did pay protection money. They were paying taxes to the Batista government and were also paying taxes to the Castro people."

Mr. Smith also strongly criticized the haste with which the Castro government was recognized by the United States. He declared that the State Department had ordered him to recognize the Castro government before Castro himself reached Havana in January 1958. In protesting against the making of policies by the people "on the fourth floor" Mr. Smith said:

"I believe that the policies are determined in the lower echelon, and by the time the higher echelon receives them, policies have already been made, and they have to live by them.

"If they believed it was in the best interest of the United States to be friendly to another power and to give aid to that power, then our actions along that line should be guided accordingly."

Mr. Gardner declared that when he was Ambassador he endeavored to lay the facts about Castro and the Cuban situation before Secretary Herter, former Under Secretary **Robert Murphy** and Under Secretary **Loy**

Henderson, as well as others in the State Department. He said he was "ignored, overlooked and circumvented."

Both former Ambassadors emphasized that before Batista's downfall Cuba was enjoying the greatest prosperity in its history. "Today", commented Senators Eastland and Dodd, in their joint statement, "the Cuban economy has been reduced to chaos, according to standard Communist procedures for instituting systematic disorder before imposing the final acts of Red despotism."

OUR FRIEND FOR THIRTY YEARS DOMINICAN REPUBLIC — TARGET OF RED DIRECTED STATE DEPARTMENT

This red directed outfit has cancelled diplomatic relations with the Dominican Republic and has called on all countries to follow our lead of economic boycott.

Douglas Dillon, who is really running the State Dept. is quoted by Associated Press of 8/25/60 as saying,

"Trujillo is a tyrant, torturer, and murderer."

We don't remember hearing him say that about Khrushchev, the butcher, who murdered several million or Castro. Trujillo has brought his country from chaos, and a starving run-down country 30 years ago, built it up with beautiful buildings, clean streets and today they have no national debt. Long ago Trujillo cancelled diplomatic relations with Soviet Union, something the U.S. should have done.

It is mainly our State Dept. that has maneuvered the U.S. into such a staggering national debt, that economists are warning we face bankruptcy. Our State Dept. doesn't like dictators, meaning rulers who are rough on communism. Agents from the State Dept. ran Chiang Kai-Shek out of China, Syngman Rhee out of Korea and tried for years to run Gen. Franco out of Spain; and brought pressure on Belgium to leave the Congo to Lumumba to set up communism. And now Trujillo.

This same outfit refused to help Hungary and prevented Spain from sending troops to help Hungarian Freedom Fighters, who were being slaughtered by Khrushchev. He's no dictator? Castro is no dictator? Castro insults us everyday — steals several hundred million of American property, arrests our people and puts hundreds of Cubans before the firing squads for nothing. He has communist fighter planes, has set up a refueling station for communist subs., and communists have built a landing field. We keep turning the other cheek. Ike said the other day that Cuba was not our government, we could not interfere.

Trujillo has been our good friend for 30 years but has been rough on a gang of communists that escaped from Spain and who were trying to communize the Dominican Republic. We stick our nose into trouble all over the world but we are timid where communism is concerned. Are we trying to crush Trujillo and force his country under communism?

After the surrender of Germany hundreds of scientists and technicians trying to surrender to the U.S. were forced to go to Soviet Union. On whose orders? The State Department's. After Washington had agreed to lend money to Egypt to build Aswan Dam, our State Dept. cancelled out forcing Egypt to deal with Soviet Union. The State Dept. has assumed the power of the executive department and congress.

A few weeks ago we were speaking with a man engaged full time in patriotic work. He had just returned from a visit to all Caribbean countries, where he found in public buildings, posters with the Hammer & Sickle. He said:

"The only friend we have in the Caribbean is Dominican Republic."

So why not attack them, that is what we have been doing since 1941. Attack our friends and help our enemies — even if it bankrupts us!

ARGENTINA -- A COLONY OR A SATELLITE STATE OF ISRAEL?

Republished from the political review,
"Pregondo Verdades" in Buenos Aires
June 9th 1960

The Eichmann Case has to be investigated! The Zionist centers are academies of spy-work and subversion!

The people have suspicioned that here a policy with strange traits was in development, the details of which could not be clearly recognized, but had a determined aim, to undermine the fundamentals of our economic and political structure. For many, the problem was already clear as daylight and the facts which are eloquent and characteristic, give the reasons for the evaluation they have provoked.

THE STRATEGY OF THE SYSTEM

We have seen, how slowly but surely positions of strategical importance beyond any doubt on all reaches of our life have been snatched away, even those which have decisive importance for the economical and social organization and are narrowly tied and united to the defense of our country. This results from the old military principle that the capacity for action of the armed forces in case of war depend on the organization of the inner front, which has to be wholly homogenous to be able to give without delay the support, which an army, having defensive and offensive tasks, needs. The inner fronts must be watched carefully in modern times for it is a question of our own sovereignty and there can be no question, which may conspire against our security or may open a breach by which information may trickle out of the country, or elements able to commit sabotage against the production of war materials or may hinder their transport or deteriorate their quality.

WHO CONTROLS THE SOURCES OF IMPORTANT AND CRITICAL MATERIALS?

It is a strange occurrence that more than ninety percent of the production of vital materials, such which relates to national defense in Argentina is controlled by Jewish companies, and by a short survey we are able to demonstrate that fact: the great chemical laboratories which can be transformed into centers of military production, the laboratories of medicinal drugs and pharmaceuticals, which are indispensable to the country in case of war, the great metallurgical plants which are of vital importance for the production of war stores and equipment, the plants for manufacturing minerals and their further working up, the industries of food stuffs, of textiles, of artificial fibres and of auto-motors, moreover the petroleum-chemical industry in evolution, they all without any exception belong under this statement. That will say, the Zionist economy is managing the whole fundamental system of our defense.

WHO CONTROLS THE CENTERS WHERE PUBLIC OPINION IS FORMED?

At the inner front in time of peace and of war the organizations of opinion and information are important. That has nothing to do with the freedom of the press nor with the freedom to express one's own opinion, but it is a matter of security of the State. There exists a continuous execution of a program of taking away these means mentioned above, of snatching away reviews, magazines and newspapers, which are all transferred into Jewish hands. To them must be added the radio transmissions and radio stations, which are in the same situation of gliding more and more into Jewish hands; while permanently more and more Jews turn up as commentators in television and radio as far as these are not wholly controlled by Jews or by Jewish societies.

WHO CONTROLS THE SOURCES OF CREDIT?

How many banks and credit institutions in Argentina and in all America are controlled by Jewish capitalism? Following a strategical plan, the aim of which is to expand Jewish controlled economy, banks and companies have been established which make use of the enormous volume of capital they are able to dispose of, to throttle all possibility of development or all self-defence of the great majority of Argentinian enterprises, until either by economical pressure, stoppage, restriction or calling off credits they will have forced them to surrender into the hands of the Jews, who are supported by these companies of Jewish capitalists. The truth is that more than 70% of the national capital is controlled either by Jewish enterprises or personalities. By this way supposedly the economical potentialities of the Argentinians to live and to develop are Jewish controlled, which will transform us in a short time into slaves of a small power, that we will be forced to spend all our work and efforts only to the profit of Israel and of Jewish capitalism. There is only one way of salvation left that even with so much money they can not buy all consciences in the country and can not break all moral principles which we Argentinians generally strive to maintain.

INTERNATIONAL JEWISH POLICE FORCE

When we heard that on our territory, on our beloved fatherland agents of Israel's Secret Service have managed to arrest Eichmann and to abduct him by an avion to Israel, we first did not believe that such an aggression on Argentina's sovereignty was possible. But the hard facts and Israel's own confession have made the truth evident, and the matter has a much bigger dimension by the cynicism which is expressed in the note which Israel has submitted to our Minister of Foreign Affairs. We don't want to say here, how our laws have been violated and how international law has been offended, and we don't want to enter into an investigation of Eichmann's personality. It was enough that the whole world has heard about the coup made against us, that all newspapers and leaders of Zionism in the world began a perfectly uniform campaign to hinder Argentina from demanding Eichmann to be returned according to international law and rules.

THE SPY-WORK OF THE MOST RACIST RACE BY ZIONIST ORGANIZATIONS

The Argentinian Republic stands today at the second place in the world as to the density of Jewish population and in this respect is only exceeded by the United States. From this point of view, which most people ignore it must be stressed that the real Jewish State does not shelter as many Jews as Argentina does, the Jewish population of Argentina being more than three million persons. The racist feeling, developed in the highest degree among the Jews brings out that they never finally integrate into our nation nor in any other nation. The Jews have always remained isolated. There exists a Jewish axiom of their creed that absolute racial purity will allow them to rule the world one day. It is indeed this tendency aiming at the dominion of the world, which is far from all development of humanity (though this development tries to make itself free from sentiments of hatred inherited from their ancestors) which characterizes definitely the Jews as the only rabidly racial minded beings existing in the world of today. There is no assimilation to the surrounding world nor any attempt to reach such an assim-

ARGENTINA

—o— Continued from page 3 —o—

ilation. There is an absolute separation from our history, from all Argentinian efforts to create a better future. This will surely provoke the reaction of those who are only influenced by powerful interests and will set up a false defense of the Jewish cause. Those blare out the stupid slogans of "racial persecution", "beginnings of nazism", and "anti-semitic campaign", whenever these very serious problems are discussed.

Who orders that nobody is allowed to touch the Jewish subject?

One must break through the close veil and disclose the lie under the cover of which the Jewish organizations are working.

SECRET SERVICE AND SPY-WORK

We say that the structure of Jewish power in our country has made it possible to build up an efficient secret service; this statement being confirmed by the fact that Jewish penetration of our country is so all comprising that those forms of activity of national life, which are not yet brought under Jewish control are only exceptions. This apparently invisible penetration has been effected in a slow but stubborn way, gradually a strategy being employed which is based on a far reaching plan; and this plan has been conceived, ripened and put into effect with a view into the future. Our military or economical potentiality is in front of their financial power, around which our whole development is turning.

In many offices which have to do with these matters, there sit Jewish "fellow-citizens" as employees or clerks and access to information, which in other countries of the world would be totally closed to them, exactly because they are active as citizens of the Jewish State. But in spite of that all people are so misled to defend with cynicism their position not only in public administration, but also in the positions mentioned above. All these circumstances help them to collect information, which later on is classified and will converge in Tel Aviv, mostly by the way of New York, the center of the Jewish terroristic organizations —HAGANAH and the STERN GANG, which have contributed particularly to the creation of the State of Israel. Both these organizations, under an iron leadership, coordinate their efforts and spy-work in all countries. Eichmann was kidnapped from Buenos Aires by their spy service. Therefore it would be of special interest to know the names of their agents in Argentina, who have travelled during last December to New York or to Tel Aviv. There were several of them and some have been bearers of information concerning the stay of Eichmann, Dr. Mengele and other personalities persecuted by Israel and also of apostate Jews, who are condemned to death by the terroristic Jewish organizations.

JEWISH CLUBS AND CULTURAL ASSOCIATIONS AS CENTERS OF TRAINING AND ISRAEL'S SECRET SERVICE

When the Committee to Investigate Un-Argentinian Activities had been created by the Argentinian parliament, it took away legal personality from the German main association of cultural character and prohibited any further activity of the numerous German associations, saying they were centers of spy-work and Nazi propaganda. Many of these measures were taken because of accusations brought forward by Jewish centers and associations, which have always found a favorable acceptance with the interested authorities.

Today it is the question of the first centers of Jewish spy-work: training for Israel's secret service is made in apparently innocent Jewish clubs and cultural centers. We know from the information given to us by some young Jewesses that when the system has been introduced to make young Argentinian born Jews and Jewesses work in Israel, all the costs of their transport to

Israel being paid, these young Jews and Jewesses were prepared and trained in special Zionist camps and schools situated near to Buenos Aires. There they are taught fencing, boxing, judo, tactics of commando troops and spy-work. This training in camps is made obligatory for all Jewish youth enjoying their full sexual liberty. Of course these Jewish clubs and organizations are exclusive and don't admit any goy(non-Jew). The rigid racial consciousness of the Jews makes it difficult to get nearer information about the inside activities and the practice in these training camps, where also military exercises are made, all under inoffensive camouflage of cultural arrangements. It is important to know that all these Jewish associations and clubs serve as information offices for Israel's secret service and that nobody in the country dares say a word about it. It will be necessary to give more details particularly about certain organizations. At any rate, it is a concrete fact that in our country intense spy-work and dark activities are happening.

PALESTINE - WORLD CAPITAL

To quote a French Canadian paper, L'Unité Nationale, No. 4/1953, published in Montreal: "The President of the World Jewish Congress, Dr. Nahum Goldmann, at Montreal in 1947, declared: 'The Jews might have had Uganda, Madagascar and other places for the establishment of a Jewish fatherland, but they want absolutely nothing except Palestine; not because of the Biblical or religious significance of Palestine; not because the Dead Sea waters by evaporation can produce five trillion dollars worth of metaloid and powdered metals, not because (following Mr. Dulles) the sub-soil of Palestine contains twenty times more petroleum than all the combined reserves of the two Americas, but because Palestine is the crossroads of Europe, Asia and Africa, because Palestine constitutes the veritable center of world political Power, the strategic military center for world control.'—"

NIXON - VITAL ISSUES

—o— Continued from page 1 —o—

It appears that Nixon, had he been able to resist the pressure put on successful politicians, would be a strong character. But early in his career, in steps a clever A.D.L. Jew to control him. Murray Chotiner managed Nixon's first two political campaigns. Chotiner, because of his association with Nixon, although living in California, was hired as defense attorney by four different New Jersey concerns accused of defrauding the government on clothing contracts. In persuading the Justice Dept. to go easy with the prosecution, Chotiner operated from Nixon's office. Maxwell Rabb assisted Chotiner according to the press. Those involved as defendants were Herman Kravitz, Samuel Kravitz, George Klass and Nathan Lieberman.

Nelson Rockefeller, who is identified with the Invisible Government, has apparently made a complete captive of Nixon, who went to New York at Rockefeller's bidding, and after an all-night conference, went to Chicago and forced Rockefeller's policies into the Republican platform: Should Nixon be elected, who would run the government? Nixon in his TV debate with Kennedy in Chicago said a number of times how he and Kennedy were agreed. While Kennedy referred approvingly four times to F. D. Roosevelt, giving the impression he would follow the New Deal program, Nixon made no move to remind 73 million listeners that FDR had turned millions of helpless people in Europe over to Stalin.

Nixon must know that if he used facts from Walter Judd's speech which he heard at the Republican Convention, the Democrats would be discredited and Nixon would be President. Many people wonder what power prevents discussion of vital questions while the religious question gets the play.

Why not bring out the fact that no Senator has a more leftist voting record than Kennedy? To stop Kennedy is to stop the gang who surrounds him. Why does Nixon not dare win with facts like these? Under Democratic rule we turned the Balkans over to communism; we divided Poland and gave half to communism. It was a Democratic administration that divided Germany giving half to communism, leaving Berlin surrounded by communist territory — a lighted fuse for war. The Democratic administration divided Korea and let communism have North Korea. It was a Democratic President Truman who ordered the atomic bombs dropped on Japan after they had offered to surrender; he also recognized the illegitimate state of Israel. Millions of Russians who fled into Germany to escape communism were forced to return to the Soviet Union, where they were slaughtered. This was an order by a Democratic administration ruled by Zionists.

It is evident there is not a great deal of difference between the two parties. A president from either party is not a free man. We allowed this condition to slip up on us. Now we are trapped and puzzled as to what to do. We are not giving advice for this election, only information which may be helpful. Some patriots have been working to give thoughtful people an escape from this trap. In some states independent candidates are on the ballot. You can vote for them; they are not controlled. In other states there are independent electors on the ballot to vote for; and in at least one state there is a write-in campaign. Particular attention is called to Virginia, Arkansas, Florida, Louisiana, Georgia, Alabama, Mississippi, Washington, Michigan, Wisconsin and Delaware. Use your vote the best way to stop Kennedy.

FIVE CENTS

OUR NEXT FOUR YEARS WILL MINORITY GROUPS RULE UNITED STATES?

Promises — promises — no one could outpromise Kennedy. With the clever Marxist-minded advisors furnishing him reasons for more promises he was bound to develop sufficient emotion to put him over. These socialists and fellow-travelers using their communist front connections placed their influence behind Kennedy. The Americans for Democratic Action, Walter Reuther's crowd, David Dubinsky with his large garment workers union and his Liberal Party in New York, worked diligently for Kennedy.

There are over three hundred Jewish organizations in the U.S. It is believed they all voted for Kennedy. The greatest power of the Jews is in non-Jewish organizations which they dominate and direct with a small minority in key spots.

The NAACP stated a year ago they were making a vigorous drive to get Negroes registered, and this new heavy vote, directed by Jews who control the NAACP, went to Kennedy. Some exclusively Negro wards in Detroit voted nine to one for Kennedy.

Many Priests and Catholic laymen were vigorously opposed to Kennedy because of his leftist voting record; during the last two weeks of the campaign some of them changed over to Kennedy due to the attack on him because of his religion. The people who fought Kennedy because of his religion were ill-advised as they drove many, many Catholics to support Kennedy. Forty-one million Catholics in the U.S. cannot be ignored. Had this effort expended because of Kennedy's religion been used to expose his liberal voting record and the red records of his most effective supporters, Nixon would have been elected.

Had Nixon refused to appear on TV with Kennedy, he would have won. Kennedy's excellent appearance and appeal to such a vast audience gained him many votes even if his logic did not convince the thinker.

Nixon made a major mistake when he succumbed to pressure and went to New York City, where Nelson Rockefeller persuaded Nixon to work with him in forcing the platform committee to ruin the Republican platform, namely the civil rights plank. This lost thousands of votes for Nixon. Some think Rockefeller at heart is for what Kennedy is for.

Nixon was handicapped in several ways, one of which was Eisenhower's foolish actions when he was not playing golf such as being duped by the aggressive minority groups into sending troops to Little Rock and acting as a force in destroying Senator McCarthy. Millions of people including ourselves will never forget this.

Lodge lost many votes for Nixon by repeatedly announcing that Nixon would put Ralph Bunche in his cabinet. Bunche a Negro with 12 communist front citations, has been named as a communist in sworn testimony by two former communist comrades of Bunche.

Nixon allowed Kennedy on numerous

occasions to praise Roosevelt without countering with FDR's record as the greatest traitor in history. Nixon not once referred to Kennedy's red voting record. Both carefully did not mention how the U.S. arrived in this situation where we live in fear of the Soviet Union which was a fifth class power before World War II. Nixon could easily have eclipsed Kennedy by reminding the public that it was during Democratic administrations of Wilson, Roosevelt and Truman we had wars.

Kennedy praised FDR as a great President; Stalin thought he was great; and Khrushchev sent Kennedy congratulations saying he looked forward to Kennedy deal-

THE BROTHERHOOD

WE HEAR THIS WORD OFTEN,
BUT DO WE KNOW WHAT IT MEANS?

By Hilary Grey

"The Soviet earth satellites are not a portent of disaster nor a cause for despair but are a warning that mankind faces a choice between extinction and human brotherhood."

So Democratic presidential candidate Adlai Stevenson was reported as saying at the National Conference of Christians and Jews, when the organization presented its first "World Brotherhood" awards at the Waldorf-Astoria on November 11, 1957. Adlai's remarks seem to advocate appeasement. He does not appear unduly perturbed at the Soviet satellite ascendancy. It is the use of that word "brotherhood" which intrigues us — we hear so much of it these days.

We get it blared at us in the press, screen, radio, TV and the speeches of Liberals, Socialists, Pinks and Reds of every hue, and of our New and Fair (and double) Dealing politicians. It appears in profusion in the literature and propaganda of the UN, its allied World-Government and World-Federalist agencies; and in that of the occult-type, global-aspiring, world religious bodies which enjoy semi-official status at the UN: of the Baha'i, Theosophy, Rosicrucian, World Fellowship, World Congress, World Brotherhood of Faiths pattern. (Indeed "Universal Brotherhood" is the collective name for these and similar cults.) The term, "brotherhood," is also lavishly used by Modernist and "Progressive" Christians, both Catholic and Protestant, and by spokesmen of the Councils of Christians and Jews. The "pattern of brotherhood" can be seen, therefore, as embracing all those forces heading in a leftward direction towards a "One World" ideology. We are, in fact, being brainwashed into "brotherhood."

Well, what's wrong with that? An English archbishop recently said that "Every Catholic must believe in the brotherhood of man." And similar statements are being made by some Protestant leaders. It would appear to be obligatory for Christians to believe in "brotherhood" and the brotherhood of man. Nevertheless, let us see what the use of this current slogan of "brotherhood" may mean in practice — as used by our contemporaries.

In the political field, the feelings of "brotherhood" urged on us appears to be completely one-sided — to the left.

No brotherly feelings were entertained by the bulk of the commentators and opinion-moulding agencies towards Pat McCarran, Joseph McCarthy, Henry Ford, Sr., Charles Lindbergh, Generals MacArthur, Patton and Wedemeyer or William Jenner in the United States — or to Chiang Kai-

CHRIST - CLERGYMEN AND KARL MARX

Pomposity and pride are qualities hardly befitting a Christian clergyman. Yet officials and members of the **National Council of Churches** recently have issued pompous cries of indignation at charges in an **Air Force training manual** to the effect that some American churches are infiltrated with Communist doctrine.

Chairman **Francis E. Walter** of the House Comm. on Un-American Activities promptly stated that the charges are true and that he will investigate the sudden withdrawal of the manual. Likewise, **Rev. Clyde J. Kennedy**, president of the **American Council of Christian Churches**, said the charges of Communist infiltration are "entirely correct."

But what of the **National Council of Churches** and the ministers who insist such charges are "preposterous?" Are they hiding behind their ministerial garb, quoting only the press-release platitudes on brotherhood and following the line of least resistance? Are such pastors so proud as to believe their individual thoughts and organizations are invulnerable to the Communist deceit?

"PRIDE GOETH BEFORE A FALL."

Is it not true the Devil can quote Scripture for his purpose? What more clever and sinister way to influence a religious man than to confuse the teachings of Jesus Christ with the rantings of Karl Marx?

For instance, many Americans today are not sure which of these two men advocated the "share the wealth" philosophy. We are so accustomed to this idea of perpetual foreign aid, of sharing our wealth with foreign governments, that it seems the only Christian thing to do. We are so used to paying national blackmail and buying overseas friends that we've come to feel a holy satisfaction in this.

Still, this "share the wealth" deal has been sold us by Karl Marx, not by Christ. Marx and his current salesmen in America, whether they preach from a soap box or a pulpit, advocate the control of all private wealth or property by the state—presumably for "sharing" among all the people. (The state may dole out equal tiny bits of this wealth for the people and keep the rest to fatten bureaucrats and build massive armies.)

Christ never preached a "share the wealth" philosophy, as so many of our confused Christian clergymen now interpret it. Yet surely Christ did mean for us to help our fellow human beings in need.

The difference is a material taxation versus a spiritual giving. A required tribute which the government tells us will benefit

other peoples, as compared to a willing gift which does not pass through the hands of a bureaucratic middle man. The difference is between a promise of charity and the actual fulfillment.

Christ taught in terms of the individual human being, not in terms of the human masses, races or governments. His foremost objective was the spiritual enlightenment of each man, not necessarily the fulfillment of a man's material wants.

Regarding this wealth or property which Marx considers all-important, Christ taught that a man is entitled to what he can earn honestly and use wisely. Any able man who is supported by his brother will soon lose respect for himself and his brother; and this could not be brotherhood. Also, he will forget the meaning of Justice; and this could not be Godliness. A man who is supported by the state will naturally become a servant to the state.

Thus, our Greatest Teacher meant that each man must be free of material indebtedness or bondage in order to insure his own spiritual growth and salvation. Marxism means only materialistic stagnation.

Herbert Hoover, in a speech before the **National Council of Presbyterian Men** on February 13th, stated;

"The clergy can perform a great spiritual service to the American people if they would tear away the disguise and expose the meaning, the ultimate consequences and the destination of this Marxist infection."

The phrase "if they would" implies a certain laxness on the part of our clergy to date in probing and preaching the true meaning of Communism. This meaning is far more significant in the religious than in the political or economic sense. Since the voice of Marx is the voice of the devil quoting Scripture for his purpose, we might expect our ministers to know and lead us in a holy crusade against Marxism.

Clergymen, however, are still men. They are not immune to influence by an anti-Christian philosophy which has been passed off to them in the name of Christianity. Their groups are not assured against infiltration and subversion.

The **House Committee on Un-American Activities** report:

"A minute number of case-hardened Communists and Communist sympathizers have actually infiltrated themselves into the ranks of the loyal clergy. Only a very small number of clergymen in the United States have been fellow-travelers. The members of the clergy who have associated with Communist

causes is a minute percentage of the hundreds of thousands of patriotic men of the cloth."

These hundreds of thousands of patriotic men of the cloth, however, are not relieved of their responsibility to expose the Communist gospel simply because they have not been completely duped by it.

Indeed, their responsibility is the greatest of any single professional group in America. Their's is a duty to study the teachings of both Jesus Christ and Karl Marx—and to realize that these teachings are diametrically opposed. They must know the Marxist aims and objectives in this country, as well as throughout the world, and see clearly all the deceitful means used to promote those aims. And hear distinctly all the sinister words which spread this Devil's philosophy.

These clergymen must know that every one of the hundreds of Communist front organizations in America operates in the name of human welfare." Begs support and money in the name of Christian charity. Then mocks us over and over as this support and money—given willingly to fulfill the needs of other human beings—is used actually to control human beings, making of them human masses, subjects of the "welfare state."

Our ministers must know finally that such sweet-sounding terms as "charity, friendship and religion" are being used widely today—in this age of treason—to mask the most inhuman activities ever practiced on earth.

And knowing this, Christian clergymen truly are obligated in the name of God to perform this "great spiritual service to the American people" by tearing away the disguise and exposing the menace of Communism.

WILL AMERICAN BLOOD FLOW IN PALESTINE?

—OUR STATE DEPT. SCORES AGAIN—

A few quick words regarding a fuse that is burning in the Middle East; more complete article in later issue.

On May 14, 1948, President Truman recognized Israel six minutes after the Jews had completed a surprise revolution on the Arab population. Jews, mainly Yiddish speaking from Russia, had been smuggling machine gun parts packed and marked as agricultural implements and upon a given signal opened up on unsuspecting Arabs, taking their homes, businesses and farms and driving a million Arabs into the desert where they have existed like animals for 12 years.

The United Nations gives them seven cents a day for survival. This is something the Arab nation will never accept, and there is sure to be war and in the not too distant future. The strong Zionist politicians in the U. S. have forced our State Department to conspire against the Arabs who have been friendly to us but now, by betrayal, we have driven them into the arms of the Soviet Union.

Arab nations knowing that Israel plans to take over all of the Middle East has, for survival, been forced to accept military aid from the Soviet Union. Our State Department's bungling in Cuba has brought about a similar condition that is likely to develop in the Middle East.

President-elect Kennedy stated during his campaign before a gathering of Zionists in New York that he wanted to make it crystal clear that the U.S. would back Israel in holding on to the territory they stole from the Arabs. The Zionist Jews are at the bottom of all wars.

"OLD SOLDIERS NEVER DIE

—General Douglas MacArthur

General George Van Horn Moseley—retired, died of a heart attack November 7, 1960. The General, who was 86, had been living at the Atlanta Biltmore Hotel in Atlanta, Ga. for a number of years. He retired in 1938 while Commander of the Fourth Corps Area and the Third Army with headquarters in Atlanta, Georgia.

While General Douglas MacArthur was Chief of Staff in Washington, General Moseley was Deputy Chief of Staff; Dwight Eisenhower was for three years his aide. General MacArthur and former President Hoover were two of his closest friends.

In General Moseley's death, I have lost a very close personal friend of many years. Here was an American through and through. A courageous, high caliber character of great intellect who spoke out for principle regardless of criticism by Marxist forces. He was a patriot regardless. As a result of many years of research he hated communism and maintained that the President should use the army to clean out communism in the United States in one day.

General Moseley was the last of General Pershing's staff and picked all of the locations for our army in Europe for World War I.

The General made a number of Americanism speeches over the U.S. and years ago made two that startled New York City. Before the New York Chamber of Commerce and the New York Stock Exchange he warned that unless there was vigorous opposition against Jewish communism the U.S. would end up in slavery. A favorite quote of his was:

**HISTORIANS OF THE FUTURE
WILL MARVEL MOST OF ALL
AT THE NON-RESISTANCE
OF THOSE WHO HAD
THE MOST TO LOSE.**

May the soul of this great man rest in peace. He was buried at West Point.

General Moseley wrote a number of articles for COMMON SENSE. Should our readers who do not have issue No. 321 be interested, we will gladly mail you this issue with leading article by General Moseley.

shek, Syngman Rhee, General Franco, or Dr. Malan abroad — and the forces of Christian Patriotism which they represent. Nor were brotherly feelings shown to the American Mercury at the time of Dr. Matthews' article analyzing communism among certain Protestant ministers! So on both the National and International levels "brotherhood" appears to be a one-way street paved with concessions to, and leading towards, the World Communist state. It is the duty of Christians to oppose this kind of "brotherhood," for does not co-existence with the Devil mean Hell?

In the religious sphere, "brotherhood," as currently used, in the majority of cases either ignores the Incarnation of Jesus Christ altogether, or else reduces Him to the status of a mere man, of the caliber, perhaps, of Ghandi, Albert Einstein or Albert Schweitzer.

A great American Protestant preacher a few years ago denounced the World Fellowship of Faiths, which employs this latter technique, as follows:

"Our Lord Jesus Christ (in the World Fellowship) is just another guest at the table, just a great teacher but not the Lord and Saviour, not the King of Kings, not the Divine One."

A brotherhood which ignores the Incarnation, or shears Our Lord of His Divine status, is a diabolical one and no Christian can support it for an instant, however much such "brotherhood" would supposedly "serve world peace" or contribute to a "relaxation of world tension."

It is not these aspects of "brotherhood," however, that I wish to discuss but the horrible suspicion aroused by the unremitting, propaganda repetition of this word: Could "brotherhood" not be an abstract noun at all but a collective one? Trade union groups once used the word "brotherhood" in that sense to indicate the corporate strength of their members.

But, as the point is important, let us refresh ourselves on the subject of nouns by quoting from a school-boy's grammar:

"Abstract: the name of a quality, of something that has no actual existence materially, e.g. hope, love. Collective: the name of a number of things regarded as a whole, special group, e.g. crew, herd, team, squadron."

We have accepted the word "brotherhood" as if it were an abstract noun indicating a "brotherly" feeling, akin to love or friendship. This is how 98 per cent of our people read it. But it could be a collective noun indicating a group, or cabal of people — in this case a fraternity of international conspirators — acting together as one international body. If this hidden or double meaning is only secretly understood, say by the two per cent of initiates, we, who do not so understand or recognize its meaning, could be in great danger.

Nearly 50 years ago, in 1909, Walter Rathenau, a German millionaire Socialist Cabinet Minister and international financier, said:

"Only 300 men, each of whom knows all the others, govern the fate of Europe. They elect their successors from their entourage. These men have the means in their hands of putting an end to the form of any state which they find unreasonable."

Rathenau held a similar position in Germany in World War I to that then held by Bernard M. Baruch in the United States (the U.S. War Industries Board). Rathenau would appear to be the type of person of enormous influence who would be in the "brotherhood," especially as he was also the brother-in-law of former Comintern chief Karl Radek. A similar statement to the effect that "300 financiers rule the world" was made by the well-known French leftist, Jean Izoulet, in Paris in 1931.

Again, Winston Churchill in an article

on Leon Trotsky in his book, Great Contemporaries, (1937) refers quite openly to power in the USSR being in the hands of "the Brotherhood" and in a "self-chosen Priesthood." Apparently Lenin and Trotsky belonged, in Churchill's opinion, to the "Brotherhood" and so presumably would their millionaire financier backers—Jacob Schiff, head of Kuhn Loeb & Co., New York bankers; Max Warburg, banker of Hamburg, Germany; Israel Helpand Parvus of the Imperial Bank of Germany, and Jacob Asberg of the NYA Bank of Sweden. Asberg founded the Russian Commercial Bank in Moscow in 1921, is now banker-in-chief (behind the scenes) in the USSR. Major Jordan's Diary, says Asberg sent an emissary in March 1944, to the Wall Street multimillionaire and international banker Herbert H. Lehman (New York Governor and Senator) who was stated to be one of the seven real rulers of the United States, along with Henry Morgenthau and Felix Frankfurter. Max Warburg's nephew is James P. Warburg, the leader, now, of the World Federalist Movement in the U.S., who informed the United States Senate on Feb. 17th, 1950, that:

"We shall have World Government, whether or not we like it. The question is only whether World Government will be achieved by consent or by conquest." (Pages 494-508 Committee on Foreign Relations, Senate, Feb. 17, 1950, Washington.)

Each week and month Communism, backed by the forces which hate Christ and His followers, move closer to control of the U.S. Strange as it may appear, to the uninformed, strong elements like our State Department are pushing us to meet the Marxist forces half way. Unless the trend is reversed soon only martyrs will dare display this Cross in the U.S.A.

It will be remembered that the hard-headed chairman of the House of Representatives' Banking and Currency Committee, Louis McFadden, testified in Congress on June 10, 1932:

"Russia was designed to supply the manpower and this country (the U.S.) was to provide financial power to an international Super-State — a Super-State controlled by International Bankers and international industrialists acting together to enslave the world for their own pleasure."

The "international Brotherhood" behind communism and World Government — if such an unincorporated secret body could create it — would thus be, in the main, the Brotherhood of the Internationalist Bankers, past and present.

Much evidence could be supplied to support this thesis. For instance, one could mention how Lenin's first woman Cabinet Minister, Madame A. Kollontai, visited Marcus Wallenberg of Sweden at the end of May, 1951, to request a cease-fire in Korea when Red China was on the point of total internal collapse.

Madame Kollontai was then living "in retirement" in the USSR. A two-year cease-fire was arranged, in spite of the wishes of American military advisers and in spite of

THE BROTHER HOOD

General MacArthur's known ability and plans to beat the Chinese Soviet Communists and free Korea and China. Marcus Wallenberg is a Wimbledon tennis player—and an international banker.

Final proof of the collaboration between those internationalist bankers and Communism may have to wait until Communism is vanquished by Christianity and its dark secrets exposed to the light of truth, meanwhile let us apply a simple test. Whenever we see the word "brotherhood," add the definite article and substitute a capital "B" and see if it doesn't make more reality-sense as a collective noun.

Here are three examples:

(1) Lenin, Trotsky and Stalin all said that Communism in Russia would "prepare the way for Universal Brotherhood." Didn't their use of the word mean that Communism, spread from its initial base in Russia, would put "the Brotherhood" in possession of "universal power? Similarly "World Brotherhood" can mean that "the Brotherhood" will conquer the "world." The current Moscow slogan "Peaceful co-existence" is just another way of saying "Universal Brotherhood."

(2) The Presidential proclamation of "Brotherhood Week," in February, 1943, was issued under the slogan "Victory for Brotherhood." President Roosevelt said that the "Spirit of Brotherhood" was "Our War Aim" and that "It is our promise to extend such brotherhood earthwide which gives hope to all the world." Did Roosevelt mean that "the spirit of the Brotherhood" was his war aim, or that he was fighting for victory for "the Brotherhood," promising to extend the Brotherhood's power earthwide? Roosevelt incited Britain to go to war over the German invasion of Poland but ignored the Soviet Union's invasions, at practically the same time, of Poland, the three Baltic States, Rumania and Finland. At Teheran and Yalta he handed over large parts of the world to Communist slavery. He conspired to betray our ally, Nationalist China. Does this really sound like "brotherhood" as commonly understood?

It is very apparent that there is a "Brotherhood" of a very exclusive kind, from which many brotherly patriots are excluded—or exterminated!

Let us return, in conclusion, to Candidate Stevenson's soothing and apparently harmless remark. If we apply the test described above, Stevenson's 1957 warning at once becomes a sinister threat:

"The Soviet earth satellites are . . . a warning that mankind faces a choice between extinction and Brotherhood."

GOD GIVE US MEN

A U. S. SENATOR RECENTLY STATED:

"In the Senate of the United States there are probably twenty Senators adhering to their oath and serving the nation loyally, even though it may cost them their lives. The others are serving under the power of some strong influence, or under a minority group. The same general condition exists in the House."

The following letter is not intended for these patriots.

Gentlemen:

This is a letter of complaint from a citizen of the United States of America who is becoming quite disgusted with the ever increasing tyranny of the U.S. government.

Why must it be that a country born of courage and the un-compromising determination to be free, should allow itself to be swallowed up in a mass of corruption such as our's is? Why have we turned so completely from God fearing to Godless? How is it that once we had leaders devoted to the freedom of the people of this country and now God, only, knows what they are dedicated to? How is it that the Christian Church which was once the backbone of the nation is now becoming another highly organized institution dedicated to an alien purpose? Where is the mutual integrity that once bound us tightly together in an unpronounced knighthood of individuals? How are you, Sir, helping us to escape the heavy bonds of Prometheus into which we have been blindly led? Are you motivated solely by your love for the people you represent—the people who look to you and depend upon your love for them?

It seems to me that we are dying a hard death of hardening of the arteries and malfunctioning of the organs. The people are crying for a leader they can trust and put their faith in, but all they get is a multitude of lies and contradictions to bring about confusion. We have been "sold" leader after leader in the guise of benign strength, each of which turns out to be a sore disappointment. Where is the exception?

The government has grown unproportionally complex—any straight forward inquiry is now lost in an endless "passing of the buck." Do you not care? If you do, why, then, do you not do something about it—or if you cannot then why do you not dedicate your life to the effort? Is this asking too much? If so, why are you holding your present office which would seem to indicate that you are capable of such loyalty to our common good?

We are being devoured by the monster of usury, largely through the existence of the Federal Reserve Bank. There is a mountain of economic hodge-podge with as many would-be "experts" to thrust it upon us, telling us why our economic system is made more sound by such actions as would not be accepted by the average high school student. Do you think that our common sense does not tell us that it could not be much worse? Do we all not feel the prevailing chaos? Before the American Revolution our forefathers lived under the tyranny of British command and taxation; but this they would not continue to endure.

ing with the Soviet Union as Roosevelt did. Roosevelt turned several countries over to communism enslaving millions of innocent people. Khrushchev hopes Kennedy will turn over the others. Under Roosevelt our money plates were given to the communists with paper and ink to print hundreds of millions of dollars used mainly by Polish Jew communists to buy business and main street property in the U.S.

It was under Roosevelt and Truman that China was forced under communism, now our most dangerous enemy.

To reach West Berlin it is necessary to pass through 110 miles of Soviet-controlled Germany.

More than a million Russians who escaped into Germany were forced back to the Soviet Union to be slaughtered. This was under Roosevelt and Truman rule.

Truman promoted Harry Dexter White (X), the communist who ran our Treasury under Henry Morgenthau (X), this after the F.B.I. warned Truman twice that White was a communist.

Roosevelt set up Pearl Harbor and forced the Japs to attack, killing three thousand of our boys and a good part of our navy destroyed, putting us into open war. Can any sane person deny this?

It is difficult to understand how any Polish, German or people from the Baltic could vote for a man who would praise Roosevelt and Truman who enslaved their relatives to communism and forced themselves to come to the U.S. as refugees.

The Jews, who were the brains in maneuvering Kennedy's election, will manipulate more judges into Federal, State and County positions and otherwise tie up our judicial system.

We have Kennedy now and we should support him when he is right and oppose him when and if he succumbs to minority pressure groups. Don't worry about pressure from his Church; that will not happen.

There is a favorable thought now, that Kennedy is to be President. Likely the Jews and their stooges will try to swarm in and take over from behind scenes, but it is our belief Kennedy will not go as far as the plotters wish, not as far as FDR, for Kennedy is smarter and cannot be bluffed. When he learns about the conspiracy he will likely turn. He will do more, right or wrong, in six months than Eisenhower in eight years. Khrushchev will not bluff Kennedy like he has Eisenhower. Kennedy's father has an intellect to match the best and he will be available for consultation.

Patriots, let's not be discouraged, our side is gaining in numbers, wisdom and courage. Keep working. Christianity and civilization face the most ruthless, dangerous enemy in history.

Patriots will sacrifice energy and money and we will destroy the enemy. Now is the time to decide if you are willing to live on your knees. The motto of some liberals is: "BETTER RED THAN DEAD."

Our motto is: "LIVE FREE OR DIE."

KEEP CHRIST IN CHRISTMAS

Christmas Is Christ's Birthday

Recently the columns of the **National Republic Magazine** exposed a secret drive in New Jersey, launched by the Superintendent of the Sayresville public schools, to abandon Christmas observances. The directive sent out by Superintendent R. S. Pollack advised the principals of the schools in his areas to gradually drop the customary observances in such a manner as not to incite the public. The directive also specified that there would be no image of Christ displayed, no props representative of Angels and no singing of hymns, such as "Silent Night," "Hark the Herald Angels Sing" and other Christian hymns. "Folk Lore" was to be substituted, if indeed any observances of the great event were to be held.

Pollack stated in his directive that within the next few years all Christmas observances in schools in New Jersey would be ruled illegal under the **State anti-discrimination laws**. He said that he had been so advised by the **State Administration**. The exposure aroused wide indignation on the part of the people in New Jersey and an investigation was launched. The first report censured the Superintendent, but before an official and final report was issued, the Superintendent was absolved of any wrongdoing. The investigators evidently learned that the **New Jersey State Anti-Discrimination Board** was the culprit. Nothing more appears to have been done in the matter in view of the fact that the **State Legislature** had enacted an anti-discrimination law under the influence of **anti-Christian forces**, leaving it up to the School Board to determine the scope and enforcement of it. Many criticized **Governor Meyner** for having permitted the passage of such an act, as well as for his selection of certain Board members.

At the height of the uproar in New Jersey the anti-Christian group promoting the drive announced that similar drives in the future in other communities would be launched in July, thereby taking the fury out of the effort since the Christmas spirit would not be at its height at that time. The drive in New Jersey began in November of 1956.

In July of this year another successful drive was launched to take Christ out of Christmas in **Sierra Madre, California**. Over the opposition of a multitude of taxpayers, the Parent-Teachers Association and many others, the School Board sustained the move to adopt a ruling such as that which had been previously forced on Christians in New Jersey. And so there will no longer be displayed the Nativity scene or image of Christ and Angels and no Christmas carols will be sung in the public schools in Sierra Madre. But the stores of those promoting the anti-Christian move will be aflame in their commercialization of the observance of the birth of Christ, the Savior of mankind.

Other communities are confronted with anti-Christian drives. One effort in New York resulted in a mass turnout in the community, and the Board of Education had to rescind its action in the face of public indignation and a threat to boycott the schools.

HAPPY BIRTHDAY ON CHRISTMAS

The Christmas tree was lighted
The old folks gathered 'round
To get their gifts and listen
To the children's happy sound.

Our little Nell was singing -
Just as happy as could be -
As she danced 'round among us,
Gathered near the Christmas tree.

The tune that she was singing
Seemed to me to be all wrong -
Since her little melody
Was "The Happy Birthday" Song.

We thought — in her confusion -
Mixed up, but wanting to sing,
She'd thought of nothing better
Than that little birthday thing.

Then sweet her voice came singing:
"Oh, Happy Birthday to You,
Happy birthday, dear Jesus,
Oh happy birthday to You."

—Edward V. Wood

"Christmas in July" was celebrated by five Protestant churches in Vicksburg, Michigan, and Dover, New Jersey, this year. The off-season observance of Christmas, in all its glory, was in protest against the commercialization of Christmas by non-Christians. Some are proposing that the countermove be adopted in all sections of the country to combat the move to take Christ out of Christmas—**boycott those who boycott Christ**. On the other hand, many disapprove of sacrificing an event so memorable for even that purpose.

The drive to take Christ out of Christmas observances is only one plank in the anti-Christian nation wide move. In New York, New Jersey and other states the **Ten Commandments** are not permitted to be mentioned in public schools.

In Washington, D.C. religion in schools has also become a major issue. The Commandments and the Bible will become forbidden reading if the anti-Christian drive succeeds.

This is similar to Hitler's book-burning campaign of Communist literature, over which the world was aroused. A Unitarian minister, Dr. A. Powell Davies, of Washington, D.C., publicly dismisses Christmas as "a beautiful legend," but considers it ridiculous not to have courses in Marxism

Water Won't Run Up Hill

**BUT IT WILL BACK UP HILL
IF DAMS ARE BUILT TO TEMPORARILY
DEFEAT NATURE.**

So with integration and race-mixing. Handpicked political judges may issue orders to change nature and force race-mixing. They may create dams against nature, and those dams may stand for a while, but as with water, there will always be a pressure against the dams and when the pressure becomes strong enough those dams crumble.

It is worth noting that peace and harmony existed for more than a hundred years under segregation until two wars, unquestionably promoted by Jews, developed a situation where the large number of Jews forced out of Europe, built up tremendous financial and political power. The **Anti-Defamation League (Jewish FBI)**, the most conniving and effective of the 300 Jewish organizations, has organized them into a cooperative group; and added other groups they have infiltrated, such as some labor leaders, **Americans for Democratic Action**, the **NAACP**, the **Liberal Party**, **Socialists**, **Communists** and **Unitarians**.

These are organized political blocs masterminded by Jews and those non-Jews they have trained as **Felix Frankfurter** trained many non-Jews during his 20 years teaching at Harvard University. These trained seals were then forced into our government when **FDR** opened the gates and their influence still remains.

This organized gang of Marxists and their dupes backed by the **Zionist owned TV, radio and most publications** have brainwashed so many that the unorganized Christians have been unable to prevent the methodical placing of subservient judges to declare as law what these interlocked groups want as law. Hence, today, we are to be shackled and ruled by **INJUNCTION**. Foreign ideology is to guide us from cradle to the grave. The packed Supreme Court quoted a **Swedish communist** as their authority for the integration ruling.

The **Zionist Jews**, the most segregated group in the world, which set up communism in Russia in 1917, are maneuvering good neighbors into confusion, dividing them so they hate each other.

The plan is all set out in the **PROTOCOLS** which the Jews scream are a forgery. As **Henry Ford** said: "The **PROTOCOLS** fit the times for over 60 years and fit the times today." A small minority now directs the entire changing of our government.

Integration is one of the moves to condition us for communism and many uninformed people are helping the Marxists in these movements. The masterminds, carefully hidden behind scenes, have developed several false battle cries such as—"preventing Negro Children from attending school," that "we must integrate to impress the people" (who have not yet abandoned

Germany Under Zionist Rule

By Anthony Wayne

Since the prostituted press and other media of mass appeal refuse to print more than one side of the so-called German question, here are a few pointers from someone who has been stationed in Western Germany (Bremen and Munich areas) and who has experienced what it must be like to be a "rump-German." By that I mean one of the inhabitants of the 2/5 of the formerly German area, known as West Germany. The other 3/5 the hate-blinded grave diggers of Western ideas, civilization and Europe have handed over to Slavic lands and thus to Bolshevism. A West German is a man without a country and without any tradition. He lives from day to day, not giving a damn, and is drifting deeper and deeper into nihilism, because he has lost his national identity. The *Wirtschaftswunder* is nothing but the reconstruction period of a country that has been thoroughly and viciously destroyed by fire and bombs. To build up from smoldering ashes and rubble calls for effort, work, materials of all kind, and a will to survive, if not as Germans, at least as a faceless somebody with a chance to keep on making a living. Once the rebuilding has been finished, the economic climate in Western Germany will be pointing towards storm.

This West German is the fall guy for the entire Europe and its many, many sins, not all of them of German origin. Labor is less profitably employed in West Germany than in other European countries, all the babble about high wages notwithstanding. The German workman pays MORE than anybody else in West Germany for the foreign soldiers in Germany, for the multi-reparations to all comers and then some; he pays for the *Aufbau* (reconstruction) of cities, towns and villages. His voice might be heard but certainly is not heeded.

On top of all the miseries the hatemongers in Europe, USA and Soviet Union try to continue the war which, nominally only, ended in 1945. Our kept newspapers and the miserable other mass communication media have orders to knock Germany day in and day out, until the pitiful remnants of 2/5 of former Germany gives up the ghost and surrenders to East Germany and thus to communism. That seems the master plan. Hence the rehash and frightfully detailed stories about Nazi crimes, whereby a seemingly new fraud in the form of a diary by a ten year old Jewish boy is being employed to stir up hate for Germans and love for Jews. Communism is our dangerous enemy, yet we are doing everything to make our people hesitate to spring to arms if and when the red butchers start the war. No, we keep on yapping about Nazis, and every moron in the land knows that Hitler is dead as a doornail. Germany is swarming with heavily armed foreign armies. The Soviet Union has pointed hundreds of ballistic missiles at Germany and it would take no more than 30 minutes to blast that drastically maligned, persecuted and frightfully defamed country off the map. Just why do our newspapers and those who terrorize them into submission prefer to wipe Germany off the map and have Bolshevism take over?

We have in the USA millions of double-dealers who have ambitions to become people's commissars. Ask any refugee from Red Russia and he will tell you what kind of people ordered the mass executions of anti-Bolsheviks! Do not laugh, my friends, because one fine morning YOU will wake up and see armed mobs in the streets, with confusion being the leitmotif by which the minority will take over and YOU will, as did many millions of Russians, end your miserable life with a bullet in your neck. If you did nothing to stop the traitors in our midst, you would deserve that bullet.

You notice how the anti-semitic wave in

GERHART EISLER(☆)

Gerhart Eisler, for 12 years Chief of the Communist Underground in the U.S., escaped on a Polish ship in May, 1949. Since then he is Propaganda Minister for Communist East Germany.

Germany and the world was used to eliminate West Germany as an entity. While you were avidly reading wild, hysterical stories about what a drunk did to one of the holy cows (a returned Jew in Western Germany is called a holy cow, because nothing and nobody may touch him, no matter what he does, say or whom he insults), Communists are quietly and effectively moving in on us. Listen to New York radio station WMCA some night and find out how bold these red conspirators have become. They yell NAZI, NAZI, NAZI, while Russia puts ballistic missiles into Cuba, ninety miles from Florida! They yell NAZI while obviously Red submarines invade Argentine waters. They yell NAZI while the worst mass killer in government service, Comrade 'K', is telling the world that WE AMERICANS are finished as a power, degenerate, spent. Yes, they keep on yelling NAZI until they can take over, and then the masquerade ends and the conspiracy against you and all of us will come out into the street, armed, ruthless, burning with hatred against Christianity and law and order.

Radio in the U.S. and our three major T.V. networks run by Zionists continually smear Germans. The T.V. stations feature at least three anti-German films a week. A check in downtown New York last week showed twenty-eight theatres featuring "hate German" programs. While communism steadily saturates one country after another, the Zionist monopoly ignores this but goes all out to smear Germany which was crushed fifteen years ago. Apparently the Jews wish to promote indifference to Germany's plight so there will be no objection to communist-controlled East Germany taking over West Germany.

Communist Jews developed the Anne Frank fraud to make millions for the communist party and create hate of Germans. NOW, Adolph Eichmann's importance is exaggerated so as to create sentiment for six million Jews who are really enjoying prosperity in the U.S. Gullible Christians swallow this Jewish showmanship and deceit.

You will be surprised, what innocent, smiling brotherhood promoter and neighbor will introduce himself to you as your commissar! Ask refugees from Russia, they know!

But back to Western Germany. They are hopeless victims of hate. Their army is insufficiently armed, spiritless, not knowing for what or why to fight. Their country? WHAT Country? Their people? Who are they and where are they? Their military leaders have been declared "criminals," many of them have been hanged and not only at Nuremberg. In Landsberg an die Lech more than five hundred Germans have been hanged, quietly, efficiently, ruthlessly. In the communist countries they did not bother to count the Germans that were murdered. After all, we are only permitted to interest ourselves when Jews are mur-

dered; all others do not count.

Germany today is nothing but an allied colony, with Germans permitted to make a living and otherwise be treated like Chinese used to be treated in pre-communist Shanghai. The German knows who his masters are, but he doubts whether the whole, faithless, lying mess will endure, anyway. The Jews in his midst he pities, and he harbors a scale of feelings towards them, from Christian pity and remorse to the cold question: Why did you come back? Some of the Jews throw their weight around; some exhibit the proverbially dangerous chip on the shoulder; other Jews operate black markets. Some run "cafes" which our own American army in certain cities declared out of bounds. Any German who dares as much as glare at a Jew is hustled off to jail.

To be a West German is to be nothing, as far as national dignity, national consciousness and national pride are concerned. He works, eats, buys a car or motorcycle, and wonders what will be the lot of his children in five or ten years.

The world has refused to listen to Germany. It has refused to print the truth about the hundreds of thousands of German women who were mass-raped by the Russian soldateska, the very people we are now being taught to like, and to appreciate. Boy, we shall appreciate them all right, particularly our women should Cuba be the bridgehead for Ivans invading the United States! Go to West and East Berlin and ask one of the survivors of the greatest mass rape and mass killing in the streets of Berlin, by the communists from the Soviet Union. Go, ask them! You won't find any newspaper in the USA which would print these facts. Why? They are not permitted to do that, they are only permitted to print Nazi bad deeds!

Our time is running out if we Americans do not assert ourselves and keep the red flood under control. As a final word and warning: Do not worry so much about card carrying communists; they are bait. The ones you MUST worry about are the creatures who would be your death dealing commissars tomorrow morning, if you do not watch out and seek the facts of life and death. Believe me, the commissars of the future are not so foolish as to join any communist party. They have orders to dress like you, talk like you, but keep on poisoning your and my mind if we let them. Their reward: A Soviet America, with them as our lords over life and death.

Impossible? Why don't YOU ask a refugee from the Soviet Union? Let them tell you what happened in Russian cities in 1917. Then start stiffening your back and flex your muscles. Traitors are not only at the gate, they are right in our midst with false beards and false slogans;

West Germany is again being used by the Red conspiracy to drag the now proverbial Red Herring across our path to direct our attention away from the Soviet and Bolshevism. West Germans today are the most miserable slaves in modern times. Their masters are everywhere, their future is mortgaged, 3/5 of their land has been stolen from them, their strip of territory is grandiosely named *Bundesrepublik* yet is nothing but a section of former Germany occupied by six or seven different foreign armies. The biggest joke in Europe is the fact that one of the "protecting" armies is that of tiny Luxembourg, which has stationed its entire "army" on German soil to protect you, me and the West Germans from the Red Soviet! You must see them parade near Mayence (Rhein area) to appreciate the joke!

West Germans are now being brainwashed and browbeaten to get ready for more and more and more reparations to Israel and

May The Good Lord Bless & Keep You

As each year draws to a close, we are thankful for the many blessings we have enjoyed during the year. We are grateful for our friends who have helped to keep us on the front line in this fight to preserve Christianity and our beloved country.

This year has been extremely difficult one for us. Our Editor has been forced to "slow down" due to physical overstrain; we have been under-financed, overworked, and have accomplished only a fraction of the projects we started out to complete, but we are happy to be alive, with a warm building to work in, with enough food and clothing. But most of all, we are so thankful for our wonderful loyal friends who have made this possible. We take our enemies in our stride; we pity them.

We can't help but reminisce when Christmas time comes; and as each card is received with its beautiful remembrances, we visualize the sender. And we here would like to send each and every one of our friends a personal card with a personal message. But since that is not possible, we trust you will accept this as our personal wish to you. We hope the Savior, whose birthday we celebrate Christmas day, will bless you and your family abundantly with good health, happiness and contentment, and above all, give you the courage and strength necessary to face the coming year with renewed faith. It is our hope and prayer.

YOUR EDITOR AND STAFF.

RABBIS PROTEST CHRISTIANITY IN SCHOOLS

Again this fall, as every fall in recent years, we see in various newspapers throughout the country the efforts of rabbis and certain stupid gentiles to destroy Christmas observances in the public schools. This is obviously part of the Zionist drive to wipe out Christianity. The only excuse the rabbis can think of for their attack is the demand for "separation of church and state."

We hear them singing this verse over and over like a broken record.

To see their hypocrisy in this propaganda song we have only to look at the public schools of their own state of Israel. The lead editorial in the California Jewish Voice of Nov. 22, 1957 showed the complete and absolute unity of church and state in that Zionist totalitarian state. It even speaks of the "state religious systems."

"It goes without saying that the discussion of the need for greater stress upon the traditional, cultural and ethical values of Jewish life in Israel educating has been limited so far to the State schools: for in the State-Religious (sic) systems, religious living and tradition are their "raison d'etre" and they attempt to hand down to the child as much religious material as possible."

The completely totalitarian religious-cultural-racial training by the state in Israel ought to be called to the attention of every minister and layman who lets the rabbis lead him by the nose in the direction of religious and racial suicide.

(It is of interest that the same editorial describes the Jewish religion as more cultural and ancestor-worship than worship of God: "Judaism can hardly be called a religion in the ordinary sense of the word; it seems, rather to be compounded of national customs, festivals and ways of living, stress on personal ethics and a moral philosophy of history based on the conception of the divine power as a force making for righteousness. Judaism is a cult based on the hatred of Jesus Christ.")

in the schools. This month in New Jersey Attorney General Richman, Jr., ruled that the saying of Grace aloud or secretly will not be permitted in the schools, although he said that it is not illegal to read briefly from the Old Testament. The New York State Commissioner of Education, according to the American Legion of New York, upheld the singing of the off-color song, "The Lonesome Train," in the face of public protest, but he outlawed the Ten Commandments in the schools. The anti-Christians and Atheists have a big job ahead, for Bible reading is required by law in 37 of the states and the U.S. Government has recently added the words "In God We Trust" to the one dollar bill.

MARXISM IN CHRISTMAS CARDS

Reprinted from—

DAUGHTERS OF AMERICAN REVOLUTION magazine

How much do you plan to spend this Christmas in support of the anti-Christ propaganda expressed in certain greeting cards? It is a matter of public record that the creative arts have been deeply penetrated by Marxist symbolism and crypto-Communist messages. These facts can be readily ascertained by reading Senate and Congressional Reports on the subversive process.

In 1948, the United Press quoted a letter in the "Soviet Literary Gazette," published in Moscow, in which thirty-two leading American writers and painters declared they wanted to share the public duty assigned the "intelligentsia" of the Soviet Union to work to break the chains with which the United States capitalists have shackled creative workers!

One of the signers of this open letter to the Soviets was Philip Evergood (1947, 1948, 1949, 1951 Reports of Un-American Activities in California) who drew one of the Christmas cards on display at the headquarters of the Progressive Citizens of America (1947, 1948, 1949, 1951 Report of Un-American Activities in California) then at 205 East 42nd Street, New York, New York and also on sale at the Communist Bookstore Workers Bookshop, then at 50 East 13 Street, New York, New York.

Evergood pictured a Christmas tree being carried out of the North Woods in Canada by a French Canadian and a negro woodcutter. (The number of negroes in French Canada is very small; thus the use of the "unrepresentative" example was employed to get over a racial angle.)

A card by Joseph Hirsch (1949 Report of Un-American Activities in California) was an etching of an absolutely naked woman sitting cross-legged on the floor and throwing a naked baby up in the air. This was titled: "Mother & Child." Another card was a grotesque negro child's head with a halo, a crown of thorns and pierced hands.

Of the six artists who made this series in 1947, the following five are listed as sponsors of the Cultural and Scientific Conference for World Peace, which in turn was sponsored by the National Council of Arts,

Sciences and Professions (1949, 1951 Reports Un-American Activities in California), held in New York, New York, March 1949: Hirsch, Gross, Gwathmey, Evergood and Strand, the latter two having more than twenty citations each in the California Legislature's Reports on Subversive Activities.

So the radical Marxist invasion of the Christmas card field was established. For several years after, a New York City department store near Christmas advertised "The American Artists' Group," among them Adolph Dehn (1948, 1949), the late John Taylor Arms (1948), C. E. Burchfield (1948) and George Schreiber (1948) whose citations can be found in the California Reports of Un-American Activities for the years indicated.

The winner of the Hallmark Art Award for Christmas Cards in 1952 was Anton Refregier (1947, 1948, 1949, 1951 Reports Un-American Activities in California). Regardless of his record, he received \$2,000 prize money for a weirdly designed tree with a (Picasso) dove in suspension above it. (This, too, is a sly introduction of Communist symbolism for "Peace.") A further use to which this contest was put was the country-wide exhibition of the 100 best cards; the admission fee was given to UNESCO.

The nadir of bad taste was reached by Brentano's Bookstore, Inc. in 1953 when they sent out a brochure, which the writer has, advertising their "mischievous" Christmas cards. Just what is "mischievous" about the Feast of Christmas was not explained, but the cards were plainly sacrilegious in that they showed a drunk on the back of a speeding coach, a quartet of drunks singing carols, and even Santa Claus with a big glass of brandy.

By this time public opinion was beginning to sense something repugnant in the Christmas card business. The New York World Telegram & Sun's Murray Robinson was complaining about the Christmas cards put out by the Museum of Modern Art (one of which pictured a starved looking deer, half skinned with his "innards" showing like those of a dollar alarm clock). Ben Shahn (1949 Report of Un-American Activities in California) was included in the show; also, as late as this Spring, he had a show at Freedom House, New York City.

Famous columnist, Bob Considine, ran an article in 1953 on bringing Christ back on Christmas cards "where He is having as much trouble finding room as His family did in that inn at Bethlehem some years ago."

Again Murray Robinson protested against "novelty" Christmas cards. He had been sent a set by some greeting card company, and when he opened one card, his finger was caught in a mousetrap! He finished with the plaintive hope: "Wish somebody would stop 'em from putting mousetraps in Christmas cards. Mousetraps and comic poetry."

Nor is this conspiracy to put over the Marxist socialist message even on our most sacred Holy Day confined merely to the United States. In 1955, from Auckland, New Zealand came word that New Zealand has virtually banished "pagan" Christmas cards in what the islands printers describe as a "revolution" in public demand. "Cards which have nothing to do with the spiritual side of Christmas are gone from the market."

When you choose your Christmas cards, be alert to any outright or concealed technique indulged in to convey a clandestine MARXIST message. Let us remember that Christmas is a Christian observance of the birthday of Jesus, the Christ.

eating their foe and raping White women who came to Africa to help raise them from savagery.)

No Negro children have been prevented from attending school in the U.S. Many Negro schools are superior to White schools, but the Marxist plot forces Negroes against their will to abandon schools.

Martin Luther King (with a red record and a communist manager) states on TV,—"All people are born equal." What a silly statement! Some are born crippled, some morons and others normal. This is **Bolshevik thinking**. What a mess this world would be even if all adults were equal.

Regardless of political judges there will not be integration in the U.S. Spotted so-called integration temporarily, yes. But not successful integration unless we develop into a country like **Puerto Rico** and **Cuba** where the majority are half-breeds.

The **United Nations**, which was set up by the **American Jewish Committee** (see **JEWISH YEARBOOK**) works for **One World** with all races abolished.

Khrushchev must be laughing as he sees how we are being confused and divided at a time when he is preparing to spring the trap on the remaining free countries. **Marxism** marches on with **Kennedy** riding the **White Horse** in the parade. Kennedy was carefully picked to lead in a plot just as **FDR** was to **crush Germany** and make the world safe for communism. **Khrushchev** tells Kennedy he hopes he will carry on where **Roosevelt** left off.

Only one thing will turn the tide and defeat the Marxists and their judges from placing all State government in Washington: **STRONG PATRIOTIC SENTIMENT**. How to develop that? Prayer and intelligent work—hanging on like a bulldog—and weak-hearted lazy people who do not understand the conspiracy making room for dedicated patriots who are glad to give their energy and money. **Sacrifice—pray—work—fight**. It will not be easy or quick with TV and radio owned by the enemy, and newspapers owned or controlled through page-advertisers. If a sufficient number of people will give a few hours a week to soliciting subscribers to **COMMON SENSE**, we alone would gain sufficient strength to develop **Patriotic Sentiment**.

individual Jews. The last hate campaign against Germans and the ever more bold "love the Soviet" campaign are centered in England and America, with the rest of the world wondering what the death dealers are up to. The West Germans live in real terror, day in and day out. Their courts are dealing out draconic sentences for anti-semitic remarks that are commonplace in other countries. In West Berlin two men quarreled at a bar. One man took a bar stool and smashed his opponents jaw. Results: The man with the smashed jaw went to jail. His opponent was a Jew. He cannot be touched. All over West Germany the legal (court) terror has people whispering in anger and dismay.

A German married to a Jewess quarreled with her, as married couples do. Result. The German (husband) went to jail for anti-semitic remarks, although he couldn't be a Nazi because he did marry a Jewess, didn't he? Yet, to jail he went!

Schnellgerichte (Blitz courts) are dealing sentences right and left. In Hamburg two cars collided. One German went to jail, the other, a Jew, went free. The German had said something the Jew did not like. This is sheer terror against Germans!

The newspapers? Don't make me laugh! I am an American who speaks, writes and

Overwhelming for Kennedy How Jews Vote

By **HERB BRIN**

Jewish voters, in the big cities of America, were the determining factor in the election last week of John F. Kennedy as President of the United States.

Granted a shift of conservative Catholic votes in these cities to the Kennedy ticket—which offset the loss of Protestant votes in rural areas in protest to a Catholic as President.

But if the voting figures which are available from key precincts of virtually total Jewish population in Los Angeles are significant, it is apparent that even a split of Jewish voting in the big cities would have turned the tide for Nixon.

Here are the results in seven representative precincts of the Beverly-Fairfax district of Los Angeles:

Precinct 1662—Nixon, 6 votes; Kennedy, 127.

Precinct 1665—Nixon, 10; Kennedy, 159.

Precinct 1659—Nixon, 10; Kennedy, 250.

Precinct 1657—Nixon, 6; Kennedy, 231.

Precinct 1661—Nixon, 10; Kennedy, 186.

Precinct 1656—Nixon, 7; Kennedy, 211.

Precinct 1654—Nixon, 18; Kennedy, 168.

There was hardly a Nixon bumper strip to be seen at any parking lot of a Jewish institution.

Obviously, precinct sampling in Jewish districts of high economic interest would show a higher percentage of Nixon votes. But not in proportion to general voting practices of other ethnic groups.

I asked one authority for comment, since it was apparent that both candidates

reads German. I was in Germany only recently and this is what I was told:

Germans know that their newspapers are owned by licensees of the occupying powers. These newspapers and magazines are owned by scalawags and carpetbaggers. They are solidly against Germany and Germans. Their viewpoint is diametrically opposed to legitimate German interest. All of them, every single one, is strongly pro-Jewish and often controlled by Jews. All this is true of radio, television and the movies. **JUST LIKE THE UNITED STATES!**

We are experiencing a wave of terror which beggars description. The dance around the golden calf gets more and more frantic, and in the end: Red, bloody Bolshevism! That's behind the hate Germany campaign! Have you noticed how they left out East Germany? Why? Do you know who actually runs and rules there? Remember **Eisler**, remember "bloody" **Hilda** (**Benjamin**) who hanged countless young Germans after the East-German Rebellion had collapsed?

"Bloody Hilda" is East Germany's boss and prosecutor. She is a **JEWESS**.

THE PALESTINE ARAB DELEGATION STATEMENT BEFORE THE SPECIAL POLITICAL COMMITTEE OF THE U.N.

Speech by Mr. Emile Ghory Nov. 1960

It is in the Middle East that the fuse for World War III is burning. Zionist pressure on our State Department caused the U. S. to back Israel in their robbery of Arabs homes and farms, forcing more than a million adults and children into the desert where they have existed like animals for twelve years. The U.S. also reneged on financing the Aswan Dam until we have forced the Arab countries, who were our friends, to accept Soviet Union cooperation. War is brewing in the Middle East. Those who wish to understand this explosive situation will find this brochure valuable. It is an accurate lesson in history. Newspapers have not dared tell you the truth.

Congo Atrocities Against Whites WILL COMMUNISM RULE AFRICA?

— By Sam Crockett —

COMMON SENSE urges its readers to distribute this issue of our paper as widely as possible. It represents a journalistic scoop in every sense of the term. The horrifying truth of what actually has happened in recent months in Africa—and particularly in the Belgian Congo—has been almost totally suppressed by the world press. The events now taking place in Africa will have a direct effect on the lives and future happiness of every American citizen. It is a grisly and monstrous story—but it must be printed.

John Bell Williams, Congressman from Mississippi, on August 31, 1960, revealed on the floor of the House chamber (1) that

reports of the atrocities being committed in the Congo in recent weeks have shocked the sensibilities of the entire civilized world. Reports of children coming out of the Congo with mutilated hands, the unprovoked beating of American and Canadian airmen, stories of thousands of criminal assaults upon members of the white minority in the Congo, certainly have stirred the emotions of the world.

For weeks, since these reports began to come out of the Congo, I have waited for one of our many civil rights advocates whose hearts are always bleeding for what they call the persecuted Negro minority in the South, to rise on the floor to deplore these rapes and assaults against the civil rights of the white minority in the Congo. But, alas, I have waited until the last days of the Congress and they are silent as the tomb.

Whereupon, Mr. Williams introduced a resolution expressing "the deep sense of indignation of the United States at these acts of barbarism." The House agreed to the resolution without one word of comment and the subject was dropped like a hot potato. Mr. Williams inserted in the Congressional Record (pages 17354-17359) the entire text of the "Preliminary Report on the Atrocities Committed by the Congolese Army Against the White Population of the Republic of the Congo Before the Intervention of the Belgian Forces," made by His Excellency L. Merchiers, Minister of Justice of Belgium, on July 28, 1960.

In a recent issue, we suggested our readers write for a copy of the preliminary report on the atrocities committed by the Congolese Army against the white population of the Republic of Congo before the intervention of the Belgian Forces. We now learn that the Belgian Government "discontinued" sending out these reports. **WHAT PRESSURE HAS BEEN BROUGHT ON THE BELGIAN GOVERNMENT TO STOP DISTRIBUTION OF THIS REPORT?**

This report relates the details of rapes and abuse of 291 Belgian women; brutalities committed against 300 Belgian men; murder of 20 men; all by Congolese negroes.

— FRONT MAN FOR KHRUSHCHEV —

PATRICE LUMUMBA
—organizing Africa for communism.

These atrocities were described by Mr. Kanza, Minister of the Congo to the U. N., as "minor abuses;" by Patrice Lumumba, Prime Minister of the Congo, at the U. N., as cases in which possibly a few European women had "been disturbed in their honor." In Canada, Lumumba said flatly that no rapes had occurred and derided the assertion by the American Ambassador to the Congo Mr. C. Timberlake that American missionaries had been raped.

The Atrocity Report was made by a Belgian Commission of Inquiry composed exclusively of high judges of Belgian courts who were not under the control of the Government. A few cases from that Preliminary Report follow:

Wono (Thysville):

(Four men were seized at Wono on the 13th of July by Congolese policemen. They were brutally beaten and put in a truck.) The natives used violence trying to put rotten manioc into their mouth. At every stop between Wono and Kimpese, the prisoners were stoned and beaten by the natives . . . Imprisoned at Kimpese, they had to lie down on the cement floor. They were forced to drink from a cup in which the blacks had urinated.

Camp Hardy (Thysville):

On the fourth of July, after the four days of festivities which had marked the proclamation of independence, the whites noticed that excitement among the Congolese soldiers was growing . . . Armed with machetes, the threatening Congolese soldiers told their officers that they were now the masters . . . After the men had been made defenseless, the majority of the white women were raped. Raping scenes have been described by the victims in lurid terms. The Congolese soldiers attacked the women, even those that were visibly pregnant, women that had recently given birth to a child, and sick women

. . . Some ladies sacrificed themselves to avoid the worst for their children or for a sick friend . . . When they thought that their victims were dead, the soldiers ran away . . . These cases present a serious danger of venereal contagion.

One of the most pitiful cases at Camp Hardy was that of a Belgian officer named V . . . who was imprisoned with his wife, Mrs. Z . . . , and their three children aged less than 12, on the 5-6 of July, without food or drink. Rearrested on the 11th, he was stripped and soldiers tried to drown him in a barrel of water until a sergeant intervened. He was beaten and without food or drink for two more days.

To continue with the Commission's report:

On the same day (11th of July), his wife was assaulted in her bedroom. She was hit with fists and rifle butts by six soldiers, who got hold of her and made deep cuts in her arms, of which the Commission has found traces. They stripped her of her underwear and raped her. Six soldiers held her, while an undetermined number of soldiers raped her. Her 3 children were present at the scene, crying loudly. Other soldiers got hold of her daughter aged less than 12 and raped her several times. Shortly afterwards, 3 soldiers again entered her room and raped Mrs. Z The children were again present. . . other soldiers came to the house and raped Mrs. Z in the same manner. These scenes continued from dusk to dawn . . . The child of 11 who was raped was not questioned by the Commission. Her state of health does not permit it for the moment.

(In another case of a woman raped repeatedly the entire night of the 12-13th of July in the presence of her children, two boys of 17 and 13 and a girl 12, the Commission noted that): The sentries, who were posted by a non-commissioned Congolese officer for the protection of the women, were the first to break into the house.

Many other terrible scenes of torture and abuse at Camp Hardy are described in which babies nine months old were slapped, young children were beaten, and a woman's upper body was violently abused during a rape. Certain bestialities are inferred rather than described. Belgian paratroopers finally freed the whites on the 13th. At Lualaba in Kasai Province, 1500 Europeans were besieged from July 9th to the 10th when paratroopers arrived. A few who were unable to reach the main group of Europeans were beaten and—in the case of the women—stripped and raped publicly on the road in the presence of their children and husbands.

At Boende in the Equator Province all the whites were captured as the results of roadblocks set up at the instigation of the Congolese army. Forty women "were publicly raped, several of them with a child

in their arms, surrounded by soldiers, policemen and negro civilians who all had penetrated into the cells. Eight children were present, in tears, during these repeated rapes which went on the whole night of the 11th to the 12th of July . . . At daybreak, the missionaries of Djola who had also been arrested, arrived. There were three Nuns, their clothes in shreds, their capes torn away, who had been maltreated . . . the nuns, according to the testimony of one of them, were put in jail with two ladies and a baby. Negro soldiers attacked one nun and after a fierce struggle, raped her. Later, they attacked the second nun. Two men trampled her under foot. The nun lost consciousness and another nun said the sister had died. The soldiers were frightened and fled while the other soldiers reproached the attackers for having killed, which was not allowed . . . All of them were in the nude, the nuns and missionaries included . . .

All of the cases at Djola were particularly vicious. On the 11th "five ladies were raped, each of them at least 20 times, in the presence of 7 children. Mrs. X, having resisted, was horribly beaten with a rifle butt and with fists all over her body. One of her companions offered herself to avoid her daughter, age 8, being raped. The soldiers came in relays. Black policemen joined the rapers." Mrs. X lost her memory as a result of what had happened to her. Five nuns in another group were raped. White men had been tattooed with knives—a vertical mark between the eyes. All the nuns of the Mission were raped.

The foregoing accounts constitute a fraction of the cases cited in the Atrocity Report which in turn was merely a preliminary finding prior to the issuance of a final White Paper. Thousands of rapes and atrocities too vile to print have been reported since.

The rapes, beatings and humiliations were instigated and perpetrated by Congolese soldiers and policemen. Civilians who participated were allowed to do so by the soldiers under controlled conditions, usually at roadblocks and at prisons. Orders had obviously been issued to the entire army to avoid killing the whites and very few deaths resulted. Soldiers reproached (witness the testimony) when it was believed they had killed women after repeated rapings. In all cases cited, the blacks ran away in fright when they thought their victims had died—which would not have been the case had they not been in fear of retaliation from their black leaders. The atrocities began in a few cases on the 5th of July, but started in earnest on the 9th—as if by prearranged signal throughout the Belgian Congo.

Treatment accorded the Catholic nuns was heinous in the extreme and—as we will see—was planned by Lumumba and others. Wholesale massacre of the white populace had to be avoided at all costs by the leaders of the perpetrators of the atrocities because of their fear of world opinion.

ANTI-CHRISTIAN CONSPIRACY IN CONGO EXPOSED

On August 20, 1960 the Brooklyn Tablet carried a front-page story headlined as above which should have been picked up by every news service in America. Senator Thomas J. Dodd of Conn. inserted the story in the Congressional Record on Aug. 24th (page 16188); the Indianapolis Star reprinted it in full; Human Events quoted from it, and a few other organs of the press and radio carried it in part. The story follows:

Entebbe, Uganda (Special to The Tablet)

— An anti-Catholic conspiracy is clearly spelled out in secret instructions to followers of Patrice-Lumumba . . . (The Congo has more Catholics than any other nation in Africa, 4,865,813 out of a total population of 13,559,000.) . . . The secret instructions were brought by Congolese natives to neigh-

boring Uganda. They were translated into French and sent from this capital city to avoid possible reprisals. They are from a source which is completely reliable.

They are certainly believable as typical of the exclusive, fanatical attachment among members of rival tribes . . . The Republic of the Congo has described itself as "a secularist state" which "will use all possible means to prevent any religion whatever from being imposed directly or indirectly, particularly by means of education." It has threatened to nationalize all mission schools . . .

To a trained researcher of Communist propaganda it is plain that the following was composed by a Moscow communist and only signed by stooge Lumumba.

Letter To The Editor

A FACTUAL MEMORANDUM IN RESPECT TO GHANA, WEST AFRICA

Common Sense,
530 Chestnut Street,
Union, New Jersey
To Mr. Conde McGinley, Editor,

Dear Sir:

I wish to report on some factual information I have recently received from an individual returned from GHANA, formerly the Gold Coast West Africa.

He states that the Israelis have sent into this newly created nation of native born Africans, five committees.

That these said committees have invested well over sixty million dollars in GHANA buying up the most valuable concessions in the country.

My informant, an Orthodox Hebrew, states that the individuals composing these said five committees are the most ruthless gang of cutthroats ever let loose on a primitive people, cheating them right and left, utterly bereft of ethics.

This orthodox Hebrew said that he cannot stomach the machinations of some of his fellow religionists using the money they receive via frantic personal appeals to the American people's generosity to aid Israel, only to see it used in this manner; you see Mr. McGinley we are not only financing Israel, but to such an extent that we also finance their highly competitive foreign investments, for this learned Hebrew informs me that these groups in Ghana also agitate constantly against the United States and England, and were responsible for the eviction from Ghana of persons with records of constructive work in this country.

In the light of the foregoing it looks as if the phrase "What fools we mortals be" particularly applies to those Americans falling for these constant canvasses by what some have termed the Bad Breath Societies of Israel.

For reasons of personal safety since I live in a neighborhood of Anti-American pro Israel sentiment, I must content myself by signing as just

An American Citizen

3. Never be afraid to show and to convince other peoples of our superiority, because behind us we have a supreme force that will help us without hesitation in anything and everything.

4. After the other tribes have been intimidated by our menacing and shouting, we will be ready to dominate them completely.

5. Never be afraid to spend money—we have plenty — this is the only (shrewd) way to easily have all the Congo in our hands. Without wasting money we will not easily be able to attract supporters, because the Congo must become our Ankutshu possession and domain.

6. You know, of course, that the white man is our enemy; without him the Congo would already have been our domain, because in the time of the Arabs our race had already ravaged several countries and had put them under our domination.

7. We must pursue this goal of our forefathers, and if we do not succeed in submitting some obstinate people, we must have recourse to force, if not violence.

8. The strongest weapon which we must use from the very beginning is the Lie, because once the masses are aroused, the accused will see themselves attacked and will no longer be able to offer competition (to us).

9. The greatest enemy of our movement is the clergy; they have the most influence on many of the people. We must use every ruse to paralyze the clergy; never respect it; cause them every possible trouble so that they will not be able to oppose us. We must find every false means to create enmity towards them, even on the part of their own faithful, so as to overthrow their doctrine and impose our own teaching, which you know.

10. We must incite the masses never to practice nor believe the Christian religion so that they might more easily revolt against the missionaries.

11. When the Congo will be entirely under our power, we will put our own men in all the positions of command, and the intellectuals of other races will be eliminated little by little.

12. We must send men of our race to all the universities of the world, the greatest number to Russia, where we will have the most privileges. The monies that our political chief Lumumba has gathered are to be used especially for this goal.

13. You will first approach the peoples who are most easily fooled and dominated, because this will help us to convince their racial brothers to adopt our doctrines. They will all believe that we are working for their welfare and for unity with them, and everywhere we must treat them as did the colonialists, with seeming humanity.

14. We must never refuse to take in other races with us, but we must never place full confidence in them nor give them positions of importance.

15. We must never betray one another, even if it is a question of death. We must remain calm, even if we have no arguments to present. Thus we shall dominate the entire Congo, and we will subordinate all the Congolese peoples forever. Amen.

N.B. This must be kept secret among the Ankutshu only. It must never be shown to anyone of another race. If unfortunately it falls into the hands of another race, we must deny it categorically and say that our enemies have published these ideas to cause us trouble.

(signed)

EQUALITY — CONGO STYLE

In January 1959, following a series of riots which broke out in Belgian Congo, the King of Belgium declared that independence would be granted. Thousands of natives were out of work because of a fall in prices for copper, other metals and Congo's agricultural products. The Belgian government—in absolute control of the Congo (even white colonists had no say in the government)—as a part of a "new deal" for the blacks in 1958, began stamping out the last traces of the color bar. In spite of bitter opposition by Congolese Belgians, all public schools were integrated during the past few years, and by 1958 well dressed Blacks were allowed to enter Leopoldville's restaurants, hotels and bars. The color bar in government employment was abolished in 1959. The Belgians, by 1959 had built what amounted to a real "welfare state" in the Congo—the first in Africa. News stories from the Congo revealed that common laborers earning \$20 per month, were given housing allowances sufficient for rental of two story houses with three bedrooms and all modern conveniences. Employers were obligated by law to provide their men with special allowances if they had families, and with free medical care. Social-security pensions and workmen's compensation insurance were compulsory. Two universities were opened, attended primarily by black Africans. The literacy rate is the highest in Africa. There was no racial segregation at the universities—one Catholic and two non-sectarian, either in dormitories, classrooms or anywhere else. A second Ten-Year Plan (shades of the Soviet Union!) began in 1960 to develop the Congo's natural resources. The Belgians invested hundreds of millions in public works and related programs and planned even more.

In other words, the Congolese blacks were being treated as absolute equals (even had the lion's share of the government jobs) and were being lifted up right out of the jungles to residence in two story homes while earning only \$20.00 a month! This is a welfare-state with a vengeance and is directly comparable to that which is being prepared for the United States. What was the result of this enforced brotherhood? Enforced integration? Enforced equality?

THE BLACKS TURNED ON THEIR BENEFACTORS; RAPED & TORTURED & HUMILIATED THEIR WHITE WIVES, DAUGHTERS, & MOTHERS; KILLED & TORTURED IN BESTIAL FASHION THE WHITE MEN; LOOTED & PILLAGED THEIR HOMES & BUSINESSES.

DOWN WITH THE APES!

"A bas les macques! (Down with the apes!)," cried the thousands of former Belgian settlers demonstrating at Belgian airports as refugees arrived by air lift from the Congo. (Time, 7/18/60, p. 18) "As news of mutiny, rape and chaos in the Congo poured into Brussels, Belgium's dapper Premier Gaston Eysken at first shrugged it off with the remark, 'These are the minor growing convulsions of a young nation.' But as the situation worsened and the fury of the Belgians at home grew in intensity, the government reversed itself and paratroopers were rushed to the Congo. Time's description: "With a primeval howl, a nation of 14 million people reverted to near savagery, plunged backward into the long night of chaos."

Lumumba, who had triggered the madness with a speech to members of the 25,000 man Force Publique, went hiding, advanced every soldier in the army by one grade, making the Force Publique the only army in the world without a single private! "Antoine Saintraint, the civil administrator of the Madimba district . . . recounted how his wife and some 30 other women had fled to a Catholic convent for protection. Soldiers broke in and raped them all."

The U.S. News and World Report for 6-13-60 p. 6 and 6-20-60pp. 56-8 described the panic of the 115,000 whites in the Congo

Bunche Faces Pair Who Tie Him to Reds

By ROBERT PARKER

Dr. Ralph J. Bunche, head of the United Nations Trusteeship Department, dramatically faced two accusers for more than 10 hours yesterday as a five-man U. S. loyalty board started closed door hearings on Communist infiltration of the UN staff.

Details of the meeting were not disclosed by late last night with the session still under way. But it was known that Bunche Nobel

Dr. Ralph Bunche

The above clipping from a New York newspaper speaks for itself.

COLOR, COMMUNISM AND COMMON SENSE

prior to independence day, June 30.

An African newspaper (see quote from Uhuru at end of this article) informed the blacks that rape of white women after June 30th would no longer be a crime. Lists of unwelcome whites were circulated by blacks. The homes of European residents were inspected by blacks who informed the owners that they would be taking over after June 30th.

The whites, a minority by 130-1, were further panicked when it was reported in Leopoldville that blacks were actually selling tickets enabling the owners of the tickets to seize the white men's wives, homes and other possessions after June 30th. Thousands of whites prepared to flee the Congo.

Results? A political vacuum, chaotic conditions, riots, atrocities, etc.

Patrice Lumumba, the new premier of the Congo, had been a postal clerk who has served time in prison for stealing \$2500. in postal funds and again for complicity in the 1959 riots. There were only 13 blacks in the whole country with university degrees. Witch doctors were again legally allowed to practice their sorcery.

Over 300 millions of capital—in the main, Belgian—had been withdrawn from the Congolese banks and from the country. Hard currency—gold and silver—reserves had dropped from over 130 million in late 1958 to about 50 millions by March 1960. The public debt consumed a fourth of the Congolese budget every month.

Finally, the Congo crisis has covered a power struggle involving the future exploitation of one of the most valuable sources of material wealth on earth, the resources of the Congo and especially in Katanga Province. Industrial diamonds, cobalt, copper, tin, zinc, uranium, iron, bauxite, palm oil, manganese, gold, cattle, cotton, coffee, rice, rubber, platinum and unlimited hydro-electric power potential. More on this later.

A 12 man Soviet delegation was also present in the Congo before June 30th. In all 60 nations were represented by delegates present on June 30th. On July 11th—at the height of the raping atrocities—Lumumba "slept at the home of an American friend," unidentified by AP. Ignored by the entire world press was the fact that a treaty of "friendship" was signed between the Congo government and Belgium on June 29th which provided that Belgian troops were to be stationed indefinitely in the Congo. 2000 Belgian troops were present in the Congo at Ozone Camp, seven miles north of Leopoldville before the paratroopers were sent. No explanation has ever been given as to why these troops did nothing to stop the atrocities. It is known that the Belgian commander, General Emil Janssen, fled the Congo on July 10th and a mutineer, General Victor Lundula, took over his command.

Following the initial period of chaos a group of communists surrounding Lumumba almost gained control of the Congo. Serge Michel, his press officer; Vice Premier Antoine Gizenga, listed as a communist by the Belgian police; Soviet diplomat Andrei Formin; Madame Andree Blouin, his chief of protocol and censor of all radio broadcasts, a Guinean who had been expelled from the Congo by the Belgians for subversive activities in the days before independence; and Madame Blouin's friend, Josef Virius, Czech Communist consul-general in the Congo from 1955-60.

Eventually, Lumumba was put under "wraps" by the U. N. and protected from arrest or assassination by the U. N.'s Guinean and Ghanian troops. (Lekou Toure of Guinea is a Communist Party member; Kwame Nkrumah of Ghana was a C. P. member and is still a Marxist.) Col. Joseph Mobutu came to power and expelled the Russian and other Reds en masse.

At present the Congo is still in a state of near anarchy and will remain so until the various financial cabals pulling the strings behind the scenes have decided otherwise.

Two reports from the Congo illustrate perfectly the entire thesis of this article and provide a foretaste of what is planned for other areas of Africa, South America, and—yes—eventually the U. S. A.

"About a month before the election (of June 30th), the newspaper UHURU (Freedom) owned by Premier Lumumba himself, printed articles which told the people that the homes, cars and women of the white men would belong to them after independence."

Reported missionary Branton Blount, upon his arrival in the U. S. from the Congo. N. Y. TIMES, 7-19-60.

Reported SAL TAS (New Leader, Aug. 15-22, 1960 p. 3):

"I will not soon forget the scenes of villages burned to the ground, of heaps of hands and feet gathered together as trophies of victory. And I did not see the worst: the scenes of cannibalism."

SOUTH AFRICA WARNS JEWS

Our Treasury Department

A COMMUNIST GHETTO UNDER F.D.R.

Those uninformed people who do not realize to what extent the communist Jews took over our government when F.D.R. opened the gates to those Reds who smeared President Herbert Hoover and maneuvered Roosevelt's election, will be interested in a sample of the situation.

Here we see Henry Morgenthau packing our Treasury Department with Jews who worked 100% for their communist party. All of those mentioned in this article were Jews. Morgenthau now hides in France. This is the group of traitors who gave our plates to the Soviet Union to print our money which our taxpayers have redeemed. With the plates went three plane loads of ink and four plane loads of our secret paper which it took 50 years to develop.

The following is reprinted from the Boston Post, Nov. 11, 1953:

THE NET OVER THE TREASURY

Harry Dexter White, Frank Coe, Harold Glasser, Victor Perlo, Irving Kaplan, Sol Adler, Abraham George Silverman and William Ludwig Ullmann were employees of the Treasury Department during part or all of the period studied by the subcommittee.

All these persons were named by both Miss Bentley and Chambers as participants in the communist conspiracy. Perlo was identified also by Nathaniel Weyel. The names of Perlo, Adler, Silverman, and Ullmann turn up in the Nixon Memorandum of 1945. Several of those named were listed in the telephone finder of Nathan Gregory Silvermaster, identified by Miss Bentley in 1948 as the most important person she dealt with in the government underground.

The Kaplan story has already shown the interlacing connections with White, Coe, Glasser, Silverman, and Ullmann. Kaplan's tremendous responsibilities for American occupation policy in Germany have also been set forth.

How important were some of the others?

The answer to this question, so far as White is concerned, may be found in three Treasury documents. Here is the first, dated 8 days after Pearl Harbor, and signed by Secretary of the Treasury Morgenthau:

December 15, 1941.

TREASURY DEPARTMENT ORDER NO. 43

On and after this date, Mr. Harry D. White, Assistant to the Secretary, will assume full responsibility for all matters with which the Treasury Department has to deal having a bearing on foreign relations. Mr. White will act as liaison between the Treasury Department and the State Department, will serve in the capacity of adviser to the Secretary on all Treasury foreign affairs matters, and will assume responsibility for the management and operation of the Stabilization Fund without change in existing procedures. Mr. White will report directly to the Secretary.

Secretary of the Treasury.

Here is the pertinent paragraph from the second Treasury document which was dated February 25, 1943, and was sent to White by Secretary Morgenthau:

Effective this date, I would like you to take supervision over and assume full responsibility for Treasury's participation in all economic and financial matters (except matters pertaining to depository facilities, transfers of funds, and war expenditures) in connection with the operations of the Army and Navy and the civilian affairs in the foreign areas in which our Armed Forces are operating or are likely to operate. This will, of course, include general liaison with the State Department, Army and Navy, and other departments or agencies and representatives of foreign governments on these matters.

LIST OF WHITE'S TIE-UPS

Here is the third, a compilation of the interdepartmental and international bodies on which Assistant Secretary White was the official Treasury representative:

The Interdepartmental Lend-Lease Committee
The Canadian-American Joint Economic Committee
The Executive Committee on Commercial Policy
The Executive Committee and Board of Trustees of the Export-Import Bank
The Interdepartmental Committee on Inter-American Affairs
The National Resources Committee
The Price Administration Committee
The Committee on Foreign Commerce Regulations
The Interdepartmental Committee on Post-War Economic Problems
The Committee on Trade Agreements
The National Munitions Control Board
The Acheson Committee on International Relief
The Board of Economic Warfare
The Executive Committee on Economic Foreign Policy
The Liberated Areas Committee
The O.S.S. Advisory Committee
The U. S. Commercial Corporation
The Interdepartmental Committee on Planning for Coordinating the Economic Activities of United States Civilian Agencies in Liberated Areas (Exhibit 33)

White was also chief architect of the International Monetary Fund as well as its first United States executive director. Miss Bentley gave the subcommittee an extraordinarily revealing glimpse of how White's hands played with the inner levers of American policy.

The portion of the report concerning White concluded with a reproduction of a laudatory letter to him from President Truman when White went from the Treasury to the job of executive head of the International Monetary Fund. In it he said he was "confident that . . . you will add distinction to your already distinguished career with the Treasury."

White's real name was Weis. No one denies he was a communist who committed suicide a few days after he was nailed by House Un-American Activities Committee.

— SOUTH AFRICA WARNS JEWS — — Continued from page 3. —

African. The main principle of this bill is that it admits the existence in South Africa of a Jewish Problem. It is, perhaps, appropriate that Communism should be dealt with in a bill which also deals with the Jewish question because Communism, since its earliest days, has been linked with Jewry.

"Communism is International and the Jew is International in his outlook. Communism had its birth in the teachings of Karl Marx, a Jew. I remember the Soviet Delegation to the League of Nations included seven Jews and one Russian. We find that in most countries where Communism has taken root, the leaders of Communism are Jews.

"The Communist makes no distinction whatever on political, social or economic grounds, between the Black and the White races, which is particularly important for us in South Africa.

"Why is the principle of discrimination introduced into my bill? Because, in the first place, the Jew is not assimilable. That he is not assimilable has been shown by the records of history, and it is admitted by the Jew himself. Even in America, the so-called melting pot of the world, Jews have remained a separate nation.

It is INTEGRATION for all others, but strict SEGREGATION for the Jew.

"Ludwig Lewisohn, a well known Jewish writer, says: 'Assimilation is impossible, because the Jew cannot change his national character.' I find in 'A Book of Jewish Thoughts', by Dr. J.H. Hertz, this statement: 'What I understand by assimilation is, loss of identity. It is the kind of assimilation I dread most, even more than pogroms.' Basil M. Henriques, a distinguished Jew, made a speech in London, reprinted in the Zionist Record of South Africa, Jan. 29, 1939, saying: 'There must be no assimilation. We are a peculiar people and a peculiar people we must remain.' Ludwig-Lewisohn also says: 'We are a people; we are a nationality!'

"Another Jewish factor which causes friction is Jewish control of finance and business, the formation of monopolies and domination of the professions. This is particularly so with regard to finance and International Banking. The International Banker controls credit and through it he controls industry and trade.

"In Johannesburg, 65% of the attorney firms are Jewish; in Cape Town, the attorneys are 41% Jewish. As regards the medical practitioners, in Johannesburg 48% are Jews; in Cape Town 36% are Jews . .

"May I commend, sir, to this house, the words of a man who is a friend of the Jews —author Hilaire Belloc—who says: 'There is a Jewish Problem, and the Jews who resent the statement of the problem and an attempt at solving it, are not doing their own people any good; and they are at the same time denying us the right to put our own house in order — WHICH IS, OF COURSE INTOLERABLE.'"

— STEPPING STONES TO SLAVERY —

"President Eduard Benes of Czechoslovakia is an example of how Moscow uses a stupid fool at the top of a free government. Of all the Judas-goats in the long story of the Communist Global Conquest, he is nearly pattern . .

"... he believed . . . that negotiations with communists are safe . . . that there are shades and grades and kinds of communists . . . that nations may safely compromise with evil.

"Benes was not a villain. He was a fool. He refused to read history; he disregarded Moscow's record. He saw personal glory in 'peaceful solutions'. He 'went along' because he did not know.

"The patterns of communist conquest in Czechoslovakia during that period are standard. They include:

1. Trips to Moscow.
2. 'Cultural exchange'.
3. Infiltration of government.
4. Arrogation of power by the Executive.
5. Labor camps under fancy names.
6. Planned assault on national traditions and faith.
7. Bamboozlement of the people by the press.
8. Liquidation of the National Guard.
9. Paralysis of national resistance through agencies and institutions marked for liquidation when the Enemy takes over.
10. Internal division and dissension.

"Benes was not a communist. He was an ignorant fool who served their purposes as head of a government."

"International" Democrat Party For 1960 EVERYTHING FOR EVERYBODY PROMISES TO SPEND TAXPAYERS MONEY FASTER

THESE THREE ZIONISTS WROTE THE PLATFORM

Sam Rosenman

Philip Perlman

Leon Keyserling

CONVENTION HIGHLIGHTS —

It is difficult to spotlight activities of the **Invisible Government** although the influence in national affairs is **powerful**. Those delegates to the political conventions who would stand for principle and America first are forced to give in to the liberals, America Lasters.

The chairman of the **Democratic** platform committee, **Chester Bowles**, an extreme leftist, and **Charles H. Percy**, chairman of the **Republican** platform committee, are both members of **Rockefeller Brothers Fund** staff.

Chester Bowles was placed as chairman of the **Democratic** platform because he is not a Jew and yet is directed by them. The actual brains who wrote the platform were Co-chairman **Philip B. Perlman**, **Leon Keyserling** and **Sam Rosenman** — all Jew New Dealers.

The **Republican** platform committee of 103 had completed the platform when **Nixon**, on the first day of the Convention, was influenced to fly to New York where he spent all night until 6:30 A.M. with **Nelson Rockefeller**. He must clear it with **Rockefeller**. **Nixon** then flew to Chicago and began pressure on the committee to make radical changes in the plank on foreign policies and civil rights. Soon, **Nixon** was joined by **Rockefeller**

and for three days they hammered on the committee until they broke down and rewrote the platform.

About the only encouraging events of the two conventions were speeches by **Senator Barry Goldwater**, **Herbert Hoover** and **Congressman Walter Judd**. The applause made evident the fact the delegates were for the policies of these three as against the liberal policies as represented by **Rockefeller**. **Herbert Hoover's** speech was on **Nationalism** and **Americanism** and applause was lengthy. But for influence by liberal Republicans, **Walter Judd's** speech could be used as framework of all campaign speeches and the **Democratic** Party would be squashed for years.

During the **Democratic** Convention **Adlai Stevenson's** group of **Marxists** and **Communists** carried on a large demonstration led by **Dore Schary**, whose red record is well known. The cost estimated about 75 thousand.

Taking an active part in the Convention was **Robert Nathan** and **Joseph Rauh**, **Zionists** who are leaders of **Americans for Democratic Action**, the Jewish red front.

A prominent **Democratic** delegate stated that the U.S. could feed and clothe every person on earth. **Nixon** stated clearly the U.S. was going to rebuild the world.

The platforms of the two parties differ as much as two peas in a pod.

"INTERNATIONAL" DEMOCRAT PARTY

By a New Yorker

Common Sense is looking for an expanded mailing list of native Americans who are ready to rise in wrath and indignation against **DEMOCRATS**, who, by every phase in their 1960 Party Platform, have invited Americans to join them in scrapping the **Constitution** and **Declaration Of Independence**. Oh! What politicians will do to get votes from the rabble! For none but rabble can be identified with such a program. They promise everything to everybody, but with whose money?

This platform was written by **Marxists**,

whose very dream of human welfare is treason with complete destruction of the individual freedom of man.

The keystone of **International Zionist Communism** is complete subjection of all human thought, feeling and action to the State. The keystone of the 1960 **International Democratic Party** Platform is complete subjection of all human "mood", education, housing, social life and employment to the State, with the **Democratic** Party in control of that State.

To lure you into the net of this sucker deal, you can easily see, by reading between the lines, that the **Democratic** Party will give (or promise to give) you anything.

One speaker at the Convention stated:

"The U.S. can feed and clothe everyone on earth."

If this article is not couched in the refined speech of the drawing-room, you will soon see that such discourse does not fit a gutter topic. We're going to tear down that platform, plank by plank, and analyze it together. But first, a word about that Convention.

HANG ON TO YOUR NOSE

The **Democratic** Convention was the most disgraceful show in the history of television. A California smog settled like a blanket,

A FEW EXCERPTS FROM THIS BOOK
ARE AS FOLLOWS:

Page 109—"Louis Marshall was another of our lawyers, and so was Felix Frankfurter."

Page 271—"The Legal Committee, headed since 1939 by William H. Hastie, is made up of many eminent lawyers of both races. Famous members have been Moorfield Storey, Clarence Darrow, Louis Marshall, Felix Frankfurter, Francis Biddle, Frank Murphy, Arthur Garfield Hays, Morris L. Ernst, and James Marshall."

Page 19—"The White American is growing darker, and the colored American seems to be slowly growing lighter."

Page 85—"At Birmingham, I met the man who was to remain vividly in my memory among the people I had seen on this southern trip, the state secretary of the Socialist party in Alabama. I was at that time a member of the party, and had asked the New York Central Committee for this introduction."

Page 86—"He pulled a letter from his pocket. 'You'll be interested to see this for it's from a Negro comrade. Nicely written.' I examined the letter. It had the familiar ending. 'Yours for the revolution.'"

Page 100—THE NAACP BEGINS.

"The first of these statements is part of the resolution adopted at the second meeting of the Niagara Movement. Written by W. E. Burghardt DuBois, it was read by W. H. Hershaw at Harpers Ferry in the summer of 1906. The second statement is from an article on "Race War in the North," appearing in The Independent, September 3, 1908, and written by William English Walling."

"Out of these two statements the militant National Association for the Advancement of Colored People were born."

Page 101—"English Walling's article came out of the Race Riots at Springfield, Illinois, during the summer of 1908. He and his wife, Anna Strunsky, had just returned to America from czarist Russia where she had been imprisoned for a short time for her alleged revolutionary activities."

Page 107—"In the spring of 1910, we called Dr. Dubois from Atlanta University, giving him the title of Director of Publications and Research." "That fall he started The Crisis, a monthly magazine."

Page 108—"DuBois was a member of the board."

Page 112—"Most fortunately, about six months after we began, the Urban League was formed." "We could not have raised money for 'philanthropy' as successfully as an organization with a less militant program, and securing employment is a business in itself. So the two national organizations divided the field, working together from time to time as action demanded."

Page 252—"The Association at once looked up Parker's record. It found that when running for Governor on the Republican ticket in 1920, he had approved the literacy test for voters." "Then a campaign began against his nomination." "The branches, well-organized, thoroughly familiar with our work, knew what they were to do and did it faithfully, day after day."

Page 253—"It was a thrilling battle."

Page 262—"This summary of unsuccessful legislation may seem uninteresting now that the subject is no longer before the public, but it served as a basis for six years of continuous and successful propaganda. In its intelligent and persistent placing of facts before the public, it vied with the Suffrage and Prohibition movements. Never for a day was the subject allowed to rest."

"It is impossible to overestimate the value of the New York Evening Post when under Villard's management — 1897-1918." "We struggled under the expense of irregularly paid counsel until in 1913 Arthur B. Spingarn and Charles H. Studin took over our legal work, carrying it on in their office." "In 1939, William H. Hastie became chairman of the Legal Committee, and Arthur B. Spingarn became the present president of the National Association for the Advancement of Colored People, succeeding his brother, J. E. Spingarn, who succeeded Moorfield Storey. Without remuneration, these two board members, Spingarn and Studin, handled our legal work for us."

Page 111—"Members from farther away rarely attend our meetings." "Dubois, editor of The Crisis, attends board meetings as an elected member."

Page 223—"For a quarter of a century, the Association has been a power in California."

Page 243—"Our country needs his kind, both in our councils at home and abroad. And this man was the product of the blending of two dissimilar strains among the races of men."

The National Guardian of February 17, 1958, published at 197 East 4th Street, New York 9, New York, quotes W. E. B. Dubois as follows:

"I seek a world where the ideals of communism will triumph—to each according to his need; from each according to his ability. For this I will work as long as I live. And I still live." W. E. B. DuBois.

NAACP —

NOT A NEGRO ORGANIZATION

It is a sad commentary on the intelligence of one hundred and seventy million Americans when a handful of alien-born Bolsheviks can come over here and organize such a trouble-making outfit as the Zionist controlled NAACP and so thoroughly convince this vast multitude that the thing is a negro organization. Any well posted person knows the NAACP is a crew of Bolsheviks, run by Bolsheviks for Bolsheviks and their evil purposes. The negro is only the scenery in the show. The Bolsheviks skulk in the background and pull the strings which make the puppets dance. Memphis, Tenn.

"THE SECRET POWERS

behind REVOLUTION"

By Leo de Poncius

(Page 195 - 1929)

"The order of the B'nai B'rith is an order of international Freemasonry reserved exclusively for Jews (they demand to be admitted to all societies, but they nevertheless prohibit non-Jews from entering theirs). It was founded in New York in 1843 but at present its headquarters are at Chicago.

It divides the world into 11 districts of which 7 are in the United States. The number of its lodges is about 500 with nearly a hundred thousand adherents.

The four members of its executive committee who do not live in the United States are respectively at Berlin, Vienna, Bucharest and Constantinople. There are lodges throughout the whole world. The names of the directors (at least those who are known) are the same as are to be found in all the great Jewish organizations, the same names which crop up again and again."

(The Anti-Defamation League is part of The B'nai B'rith).

INTERNATIONAL DEMOCRAT PARTY FOR 1960

—o— (Continued from Page 1) —o—

after it leaked out that Lyndon had said to Kennedy — "You'll make me VP, or else!" Boy Scout Henry Jackson backed the play, but Sanctimonious Stu had a bee in his bloomers. Hadn't that job been promised to him? When a deal becomes so "rigged" that Police Action Harry Truman can't stomach it, brother it is bad.

The other party should latch onto the kinescope of that Johnson acclamation vote, and play it for the public a dozen times during the campaign. It will prove more "Nays" than "Yeas" for Lyndon's unanimity, and the laugh meter doesn't lie! It's like UNQUACK. MC Collins bore down too heavily on that 2/3 majority voice vote, for there ain't no meter in Westinghouse yet invented to count a 2/3 voice vote. In passing, it is worth mention to Westinghouse stockholders that their company spent 6 million dollars to bring you this fiasco, and the other one by the Repubs. That ought to put earnings on your shares in the deep freeze compartment. Brinkley of NBC tried to cover it up by saying:

"Evidently a lot of people shouted Nay, who aren't delegates."

These bungling hypocrites have told you the combination of a so-called Catholic, Jack Kennedy, and Free Mason, Lyndon Johnson, will assure Party harmony between the North and South. North and South is correct, but make it North Pole and South Pole. Here's the truth of the matter. The International One World Race Mongrelizers (Khazars) who are in complete control of the Party compromised the virtue and honor of the lovely Miss Dixie with black and tan Civil Rights. Had that old "smooth bore" Daniel Boone, himself, been present, there could not have been greater evidence of a shot gun wedding in bringing Kennedy and Johnson together.

RIGHTS OF MAN!

The opening sentence of the 1960 Platform is untrue. Jefferson's campaign of 1796 was not the "RIGHTS OF MAN." The "Rights of Man" was the cry of the illiterate mob of beasts in the French Revolution of 1789, when it tore down the Bastille. Publication of The Rights of Man was followed at once by mass murder, with the rabble as judges — called the "Reign Of Terror." Everybody who had wealth or property was escorted to the Guillotine, or as the ignorant rabble expressed it:

"They were shaved with the National Razor."

The 1960 Democrats forgot to tell you that Jefferson was "clobbered" in 1796 by a tough Patriot named John Adams. When he succeeded Adams in 1801, he had changed his tune.

PLATFORM: "In 1960, the Rights of Man are still the issue. It is our continuing responsibility to provide an effective instrument of political action for every American who seeks to strengthen these rights everywhere in America and elsewhere in our 20th century world."

So with Democrats we will reform the whole world, whether it wants it or not! Notice please, that it says: an instrument of political action. Phooey! on either legal or Constitutional action; just Democratic political action. The sentence is immediately followed by — "The common danger of mankind is war and the threat of war." Fine talk for the "Rights of Man Party", when the last three Democrat Presidents have brought this nation into four wars. But that is covered later. Meanwhile, do not be hoodwinked by their promise to oppose communism. The whole Platform reeks with communism, the creeping kind which promises to be the leaping kind.

INTERNATIONAL DEMOCRAT DISCRIMINATION AGAINST WHITE MAN ON HOUSING

PLATFORM: "The Right of every family to

Portrait of a 'Liberal'

I'M FOR
TOLERANCE,
FREE SPEECH,
AND DEMOCRACY—
BUT, IF YOU SAY
ANYTHING, YOU'RE
A FASCIST!

a decent home. A healthy expanding economy will enable us to build two million homes a year, in wholesome neighborhoods, for people with all incomes." But every Federal dollar, which is your dollar, Sucker, will be loaned only if every home is available to Negroes and so-called "Jews."

Under this building plan, you must share every facility of these apartment dwellings.

This means communal laundries, bath rooms, swimming pools, playgrounds, wash tubs, beauty parlors and barber shops. It matters not, which group carries around 85% of the syphilis and gonorrhea in the country. You'll just have to share these wash tubs, swimming pools and toilets and take your chances.

Two million homes times ten years equals 20 million homes. At 3.4 persons per family that will integrate 60,800,000 in the ten years. That is the only "conservative" statement in the whole Platform. Apartments will take care of many millions more. In ten years, about one half of our population will be living and lying side by side, with a fine mongrelization well under way.

INTERNATIONAL DEMOCRAT'S DISCRIMINATION AGAINST THE WHITE MAN ON IMMIGRATION

Platform: "We shall adjust our immigration, nationality, and REFUGEE policies to eliminate discrimination, and to enable members of scattered families abroad to be united with relatives already in our midst." They forgot to add the one truthful word at the end of the sentence. It should read:

"In our midst illegally."

There are over twelve million Jews many illegally in this country today. Bring in the families, which does not mean wife and children, but means cousins, aunts, uncles, brothers-in-law and a few million strangers who are friends. Thus we shall have a nice extra population of millions more from Central Europe. Heaven help this nation when the inflation panic hits! Whose burden is it to feed them? The Democratic Party? NO, TAYPAYERS! YOURS!

WORLD WAR III — DEMOCRAT WAR HERE IT IS! WATCH OUT PEARL HARBOR

Platform: "In the Middle East we will work for GUARANTEES to insure independence for all States. We will encourage direct Arab-Israel peace negotiations, to re-settlement of Arab REFUGEES in lands where there is room and opportunity for them, an end to boycotts and blockades, and unrestricted use of the Suez Canal, by all nations."

There is World War III all spelled out for you! Once again the International Democrat Party has admitted it is under International Jewish control. Does the "guarantee" to insure independence of all States mean that the Jewish thieves, who stole

Israel, plan to return those lands to the noble race of Arabs who owned them for over thirteen centuries? Even a Democrat knows a so-called "Jew" better than that. A Jew (Khazar) never returns anything.

But the Democrats are going to re-settle the Arab REFUGEES, in lands where there is room and opportunity for them. Do they have Siberia in mind? And they expect the Arabs to end boycott and blockade in the Suez Canal? It is open to every nation in the world except Israel who wants to bring in war material to destroy the Arabs. The Arabs will not be transported a half a world away, which the Jew would love. He wants his own land, plus the 61 billion dollar theft of property which are his. But there it is — War by Democrats! All for the benefit of Zionists.

DEMOCRAT WAR PRESIDENTS

Woodrow Wilson —

World War I — graduated Income Tax recommended by Karl Marx, Jew. Federal Reserve Act, giving private bankers the right to print our money.

Franklin D. Roosevelt —

World War II — Communism sole victor through treason in 17 European countries.

Harry S. Truman —

Korean War — Russo-Chinese Communism, sole victor. U.S.A. sole loser in war, through treason, when MacArthur had it won. He was dismissed because he wanted to win. 25,000 Amputees, 200,000 dead. Poor mothers, fathers, sweethearts.

John F. Kennedy —

World War III — What will it be? How many dead? — Victor, Jewish World Government.

INTERNATIONAL DEMOCRAT DISCRIMINATION AGAINST THE WHITE MAN — IN VOTING!

PLATFORM: "We shall take action to end literacy tests BY WHATEVER ACTION IS NECESSARY." It also pledges to eliminate poll taxes, in order to vote. It does not mention Constitutional Amendment, which is necessary to remove these qualifications. It says "whatever action is necessary." Look out Governor Faubus! You will be occupied territory again. Now about voting privileges! The last act that the Marxist Stogie Paul Butler, former National Chairman performed, was to call a meeting and introduce a Loyalty Pledge, under which every State Delegate must swear to uphold the treasonous platform and to work actively for it.

This is criminal bribery and blackmail of the people's duly elected Delegates in all of the fifty States. It is criminal bribery in buying votes, for the Democrats, including Delegates, in the Southern States at which this pledge is aimed. It is also criminal bribery to force elected officials, who have formally placed their renunciation of this Communist Zionist Unconstitutional Platform on record at the Convention, heard by the whole nation.

DEMOCRAT DISCRIMINATION AGAINST CHRISTIAN WHITE MEN IN "EDUCATION"

PLATFORM: "The time has come to assure equal access for all Americans TO ALL AREAS OF COMMUNITY LIFE, including voting booths, schoolrooms (word public left out), jobs, housing and public facilities."

When a group of Christian white men and women cannot operate a private club, society or school, without accepting Jews (THE pressure group) and Negroes, then we have reached the point of ANARCHY! When a store cannot refuse to accept any customer, with whom it does NOT wish to do business, then our KHRUSHCHEV has arrived. When an employer cannot decide that his employees be all Jew, all black, or all white, then human freedom and religious freedom are at an end. Any soldier or policeman who would enforce, or try to enforce this, is a traitor to the United States.

The very wording of such treasonous ideologies marks the Democrat Party as one

—o— Please turn to page 4 —o—

CIVIL RIGHTS

— is nothing but a dishonorable white man's political racket.

We are ashamed of the white politicians in both parties who incite race hatred in the South to win Negro votes in the North.

This can only harm the decent colored citizens in the South who are helpless pawns in this despicable political power play.

We hold in low regard the occupant of the White House and his heir apparent for their unsavory roles in this sordid game.

Now let's consider Senators Kefauver and Gore.

Why do we send them to Washington?

To protect our freedom and our property as prescribed in the Constitution.

The Constitution, which all office holders swear on the Bible to support, expressly prohibits Congress from passing this law. The language is clear.

ARTICLE 9

The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people.

ARTICLE 10

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

At a football game do we tear up the rule book and permit the referee to improvise rules as the game is played?

At church do we tear up the Bible and let the preacher act as God?

In Tennessee will we tear up the Constitution to accept arrogant masters with unlimited power? Will we permit our freedom and our money to be voted away in the vain, stupid hope of getting something for nothing?

The hour is late as the black despair of atheism and communism envelopes so much of the world.

Isn't constitutional law and personal freedom worth saving in America — the last bastion of Christendom?

governed by the followers of Karl Marx. **RED DEMOCRAT INFILTRATION THROUGH "TEACHERS"**

NOTE: (Most Zionist-Controlled newspapers deliberately withheld and edited out this paragraph).

PLATFORM. "We shall act **AT ONCE**, to help in building classrooms, **AND EMPLOYING THE TEACHERS THAT ARE ESSENTIAL**, if the right to a good education is to have a genuine meaning for all youth of America in the decade ahead."

This is International Democrat Communist treason! How dare a Federal Government employ teachers for my children! That is the sole duty of the Township School Board, that my vote put in office. That School Board is made up of local civic leaders, whose family backgrounds we all know. Where would these Federal Government teachers come from? Would they be newly immigrated foreigners? Communists? Jews (Khazars)? Negroes? Just check your local schools and you will find that they are there **NOW** — left over from the F.D.R. days and just try to get them out, you will be nailed as an anti-something.

I am a Christian white man, believing in Our Lord Jesus Christ who is Divine. I will not allow my children to be under the tutelage and care, seven hours a day, of Jews who worship false gods and **HATE** our Divine Lord! So-called "Jews" who are guided by the filthiest books (36 volumes) ever known to man, **THE TALMUD**.

I will never allow my children to be taught by Negroes (Pressure-Group) who are indoctrinated with class and race hatred through their Jewish-controlled NAACP, which is a communist front.

I will have no part of Federal Education or Teachers, which are solely and Constitutionally within the legal, social and economic jurisdiction of my State and my local School Board. I will defend this right, by force, if necessary!

**DEMOCRATIC TREASON!
SELLING THE USA
TO WORLD GOVERNMENT**

PLATFORM: "Through the United Nations we will work for disarmament, (of USA) and the establishment of a **WORLD POLICE FORCE**, the strengthening of a **WORLD COURT**, and the establishment of **WORLD LAW**."

Ah, you vile traitors! You spawn of Satan! In that paragraph you indeed destroy our precious Bill of Rights and our Constitution! You have acknowledged your guilt before the very shade of that now glorious American Patriot, Senator Joseph R. McCarthy! You, yourselves have shown the great light of **TRUTH** on his exact words about you: "The Democratic Party. The Party of Treason! Twenty years of Treason."

Now, indeed, every decent citizen sees and knows why every Democrat Congressman to a man, voted to censure this noble Patriot, whose boots you are not fit to lick. You are dominated and strangled with bands of Zionist-Communist **GOLD**. Their written theme and scheme is **WORLD GOVERNMENT** through Zionist-Communism. Your evil Party of Rabble with its phoney **RIGHTS OF MAN**, will lose every decent Christian American from its ranks.

Such Communist planks were written by three Jews: Philip Perlman, Solicitor General under Harry Truman; Sam Rosenman, who wrote most of F.D.R.'s speeches and Leon Keyserling economic advisor to Pres. Truman. Chester Bowles was the non-Jew front.

CLOSING

Let's face it! No man can take the oath of office as President of the United States swearing to defend the Constitution with his hand on a Holy Christian Bible, and at the same time seek election through this vile Zionist-Communist Platform. This

platform guarantees, in writing, the downfall of The Republic Of The United States, its government, and its people.

In conclusion, Common Sense addresses a plea to the Southland of this great nation and its wonderful people called Southerners.

How much longer can your stomach take the **BOOTS** of these International leaders in both Parties? How much does it take to drive you out, when you know that they want you out? You have been vilified, degraded, laughed at and are now cast off as rabble in the communications media these Khazars own. You, by virtue of your breeding, ancestry and culture help to make up our society of Native Americans. This nation is full of those who boast identical backgrounds, from Maine, to Iowa, to California.

You went along with that phoney F.D.R. descendant of opium smugglers, and all his Unconstitutional decrees laid down by Felix Frankfurter, Marxist Jew; Henry Morgenthau, who delivered our U.S. Money plates, ink and secret paper to Communist Russia; Sidney Hillman, Jew Communist and all of F.D.R.'s ilk. You did the same with that haberdasher, Harry Truman.

There is absolutely **NO** difference between a Southern Conservative Democrat and a Northern Conservative Republican. It's time to **MOBILIZE. MOBILIZE TOGETHER!!** The War isn't coming. It's Here !!!

REVOLT from this 1960 treason! It is your last chance. Again, destiny calls upon you to fire the first shot, but this time it is the destiny of a Divine Providence. Your eyes must be focused on the elections two years hence, in 1962, but the revolt must take place **NOW**.

WHEN YOU HAVE THAT FEELING —

that you want to do something helpful to stop these liberals who are doing the spade work for communism, **STOP** and **THINK**.

What change there would be in the thinking of people if twice as many were reading the facts printed in **COMMON SENSE**, facts your newspaper dare not print. The public is starving for the printed **TRUTH**. We know this from remarks in our mail from many new subscribers. If three times as many were reading **COMMON SENSE** the liberal Senators and Congressmen would be pushed in the background, and you soon would see real Americanism on the upgrade. People would again be proud to be patriotic and Americans.

This democracy hogwash brought in by the flood of Marxist refugees during the last 20 years would find few listeners. The organized minority pressure groups would encounter informed stubborn resistance. The trend would be turned.

How easy this could be done if each reader would secure two or three new subscribers, but human nature being what it is, many won't do it. But it can still be done if the wide-awake determined patriotic readers will make up for those who won't. We still won't make money at \$1.00 a year but we will be happy in reaching more people.

We thank our friends who continue to send in new subscriptions.

Our State Department Promotes Communism

**NO WONDER KHRUSHCHEV HAS CONFIDENCE HE CAN TAKE OVER THE U. S.
KENNEDY PROMISED STEVENSON SECRETARY OF STATE**

How much do you know about your State Department? Is it composed of patriotic Americans rendering honest service to the American taxpayers who pay their salaries? Or is it a haven for Marxist intellectuals from Harvard and Columbia and other Marxist incubators whose teamwork and influence far outweighs those who would be for America first?

There was a time Congress and the White House ran our government, but no longer. The flood of Marxist-minded refugees entered the political picture and while our kindhearted dupes have been interested in everything, but their government, Washington has been reorganized. We wake up to learn the national debt that was one billion dollars when Woodrow Wilson became President, has grown until officials are afraid to mention it — 290 billion published debt and 456 billion unpublished. Total 746 billion. The people owe this — the interest alone is more than 2 billion a year taxes on the people.

The State Department in April 1949 had 6,679 employees in the U.S. 11,279 foreign, total 17, 958. Figures for 1959, 11,000 in U.S., 31,000 in 75 foreign countries; total 42,000.

For 32 years the State Dept. has been a nest of communists helping to plant more communists and making life unbearable for real Americans in the Department who refuse to go along with them.

Today, this is a Frankenstein in our government which exercises more power than Congress and the President. In 1953, House Investigators learned that this Dept., which controls Germany since 1945, had spent 28 million dollars in housing in Germany without authority, including residences for five American officials, each costing 151 thousand dollars. This is only a drop in the bucket of millions of taxpayers money wasted in Germany by this sprawling communist-aiding outfit.

In 1955, the State Department destroyed 50 thousand words of Yalta Conference transcript. It was the State Dept. which forced 650 million Chinese under communism, which is now more of a threat to the U.S. than the Soviet Union. This same outfit — while Dean Acheson was top man — persuaded Truman to tie General MacArthur's hands so he could not win the Korean war, then fired him! When the General returned to the U.S., he was unable to learn who sent him the telegrams forbidding him to bomb the communists. The Defense Dept. said it was the State Dept., but the State Dept. knew nothing about them. Many of our boys froze and were burned alive by the Reds, because communists in Washington prevented General Stratemeyer's forces from bombing the Chinese Communists who were entering Korea. The State Dept. has hog-tied Korea

and Formosa Armed Forces to the United Nations, so they can function only with permission of the Security Council.

In 1956, when Hungarian Freedom Fighters were crying for help that could have caused a general revolt in communist-held countries and overthrown the Bolsheviks and prevented today's crisis, it was our State Dept. that prevented our helping them. 47,000 boys between 12 and 20 were put in boxcars and sent to Siberia in addition to thousands of adults and children shot and hung. Spain wanted to send guns and a division of soldiers to help the Freedom Fighters, but our State Dept. forbade it.

After our government agreed to lend Egypt money to build the Aswan Dam, largest in the world, the Zionists, through the State Dept., forced us to back out, hence Egypt, in order to carry on, was forced to accept the loan from the Soviet Union, which gave prestige to the communists and caused ill-will against the U.S. over the Near East. Were some communists in Washington trying to force the Near East into communist arms, just as they had forced the German scientists to surrender to the Soviet Union when they wanted to surrender to the U.S.? The State Dept. set up the exchange of visitors with the Soviet Union, allowing hundreds of spies to inspect our factories. Khrushchev, the butcher, was welcomed into our homes Coast to Coast via T.V. to neutralize and confuse us with brotherhood. One of the many diplomatic-planned blunders was President Eisenhower being forced to cancel his visit to Japan.

This State Dept. has protected many

communists in their department and prevented the Justice Department from arresting many communist spies operating in the U.S. For years this Department has done all possible to break down General Franco in Spain because he was rough on communists.

They manipulated Syngman Rhee out of his country, so it would go communist, just as they forced Chiang Kai-shek to leave, so China went communist.

The State Dept. manipulated Batista out of Cuba — he was brutal, you know, and would not recognize the Soviet Union. The State Dept. then backed Castro; ask Adam Clayton Powell. Now the State Dept. has started the quiet undercover plot to destroy Rafael Trujillo of the Dominican Republic, for he is too rough on communists; he doesn't let Jew lawyers delay their trial 3 years, then allow them to take the 5th Amendment. Trujillo just orders the Bolsheviks shot, so they don't take over his country. According to the State Dept., these dictators use the wrong method; they should coddle the Reds who are out to take over their country; be kind to them and co-exist under brotherly love. But Khrushchev is not a dictator even if he did direct the slaughter of several million Christians!

It seem there were two other dictators who were destroyed because they were too rough on communists, and we remember Senator Joe McCarthy also used the wrong method.

A CHAIN OF ERRORS

By Dominican Republic Press Society

The State Department has found itself in the necessity of recognizing that the energetic protest made by the people of Tokio against Eisenhower's visit, causing him to cancel it, constitutes a Communist victory. It also expressed the hope that in future, precautions will be taken to extract some sort of advantage to compensate for this triumph.

Unfortunately for civilization, this is not the only Soviet success in recent times. Moscow newspapers have gleefully published the visit to Havana and strengthening still further Russia's taking possession of her Communist province in America.

As a result, Russia will construct factories for the production of war material on Cuban soil, apart from the guided missile launching pad, news of which became known a few days back, although the sight has not yet been revealed. Furthermore, she is to send more and better trained technicians under the pretext of administering these factories, their real purpose being, of course, to counsel Fidel Castro in connection with his

The Hidden Influence: Jews Who Marry Christians

By Sam Crockett

For centuries, Jews through the intervening ages right up to the present day — their ceaseless quest for supreme power over all of mankind has led them down every conceivable path of corruption. Among the methods used by this evil cult and to seize power to exert influence in their own behalf has been that most ignoble practice: the corruption of honorable men through the wiles of Jewesses trained in all the arts of seduction and the alliance of Jewesses with dishonorable men for mutually evil purposes — in a word, the covert manipulation of Christian men by Jewish mistresses and wives.

SOVIET LEADERS MARRY JEWESSES

Let us trace the amazing number of Jewish-Christian marriages from the Bolshevik revolution to the year 1960.

Nicholas I. Bukharin, a major figure in Soviet ruling circles during the early decades of Bolshevism in the USSR, married a Jewess (A1). The term "married" is a relative one as there are no religious nor civil ceremonies in Soviet Russia for Communists who decide to live with a woman.

Vladimir Ilitch Ulianov (Lenin) was known as an Asiatic hybrid, though some sources claim that he was a Jew (B;C). (For example, **D. Petrovsky**, in his book, "Russia Under the Jews," on page 86, stated Lenin was originally named **Ilko Sroul Goldfman**, son of **Haym**. He offered no substantiation for his claim.) We do know, however, that Lenin married a Jewess, **Krupsakaya**, who spoke Yiddish, as did her mother, Lenin himself, and their children. Lenin allegedly died screeching, "Kill the Jews," (London Daily Mail, 2-1-24). (Stalin died after shouting, "Kill all the Jews.") (A2) Earlier, though, Lenin had written, in his "Lenin on the Jewish Question" (International Publishers, 1934 p.6), that "the Jews provided a particularly high percentage, compared with the total of the Jewish population, of leaders of the revolutionary movement." He also signed a decree on August 9, 1918 instructing "all Soviet deputies . . . to fear the anti-Semitic movement out by the roots. Pogromists and pogrom-agitators are to be placed outside the law." (page 23)

Joseph Vissarionovich Djugashvili (Stalin) married **Ekaterina Svanidze**, who bore him one son, **Yasha**. His second wife, **Nadya Alliluyeva**, bore him **Svetlana** and **Vassili**. **Nadya** was murdered by "suicide" so that Stalin's mistress, **Rosa Moisseyevich Kaganovich**, could replace her. **Rosa** survived Stalin's death because she is the sister of **Lazar Moisseyevich Kaganovich**, one of five brothers, three of whom have been powerful commissars, primarily in heavy industry. **Lazar** is at present temporarily "retired" from power.

Stalin's daughter, **Svetlana**, a divorcee, married **Mihail**, son of **Lazar**, in a wedding which cost \$900,000 (AP news item, 7-15-51). Stalin's son, **Vassili**, was betrothed to, and may have married before he too disappeared after Stalin's death, to **Svetlana Molotov**, daughter of **Molotov** and his Jewish wife, born **Polina Karp**, sister of **Sam Karp** of Bridgeport, Connecticut. (D)

Molotov's wife serves only Kosher food in their home. **Molotov's** cousin married the Jew **Daniel Lazarus** (A3) and this couple's offspring, a daughter, was honored by the **Stern Gang** in Israel for bombing the British. (X2) **Polina Molotov** visited the United States secretly in 1936 as the house guest of **Eleanor Roosevelt**. (E)

Leonid Borisovitch Krassin married a Jewess and played a dual role as a representative of the great German-Jewish capitalists on one hand and Lenin on the

other, under whom he headed five Soviet departments. (F)

Chicherin, ousted by **Litvinov**, a Jew, from the Ministry of Foreign Affairs, did not marry a Jewess, but his father did! (G) Soviet President **Klementi Voroshilov** (1958) married a Jewess (A3, see **Jewish Examiner**, 9-6-46) and **Time Magazine** printed her picture (4-5-58).

Two other members of the Central Committee of the Communist Party in the USSR (which comprised 59 members, 56 of whom were Jews) in 1935, namely, **S.S. Lobow** and **V.V. Ossinsky**, were married to Jewesses. (C2) Also, **Troyanski**, the Bolshevik Ambassador to the United States in 1936, was married to a Jewess. (C2)

Nikita Khrushchev, currently heir to the mantle of Stalin, and lately of Camp David and DeGaulle's parlor, caused grave discomfiture in the ranks of the Jewish praters of "anti-Semitism in the USSR" when he "let the cat out of the bag" on May 2, 1958. The **B'nai B'rith Messenger** of that date reported that

to show that Russia treats its Jews well, Soviet Premier **Nikita Khrushchev** this week remarked at a reception at the Polish Embassy that not only he himself and Soviet President **Klementi Voroshilov**, but also, "half of the members of the Presidium," the governing body of Russia, have Jewish wives. Mr. Khrushchev made this remark to Israeli Ambassador **Joseph Avidar** . . .

Time Magazine followed this stunner with its reluctant admission (5-5-58) that

"It is a fact that **Nikita Khrushchev** himself has a Jewish daughter-in-law."

We tend to think that Khrushchev's boast is not quite Kosher, but there is this to consider: he has had at least two other wives and literally nothing is known of one of them. Did he mean he had a Jewish wife? Or — and this is particularly intriguing — is he a polygamist? **Nina** — his publicized spouse allegedly married him in 1920. (Look Magazine, "The Woman Behind Khrushchev," 4-15-58, p. 77) Where did the other two wives come into the picture unless they were concubines? According to **Look**, **Nina** has been close to Stalin's second wife, to **Elena Malenkov** and to **Polina Molotov**. "A close acquaintance among the husbands followed." Also, **Nina's** "son, **Sergei**, is married to a Jewish girl, which is important in light of the suspected growth of anti-Semitism in Russia." **Nina** also is close to **Yelena Bulganin**, **Andrei Vishinsky's** widow, and **Aleksandra Zhukov**.

YIDDISH WIVES COMMON IN WORLD COMMUNIST PARTY

The sexual-political-racial influence of the Yiddish women married to world Communist figures is an extremely important factor to be reckoned with by Christians, yet it is ignored.

Joseph Cyrankiewicz, chairman of the Council of Ministers of the Polish Politburo and member of the Central Committee of the Polish United Workers' Party, married a Jewess. (B2) **Omer Nishani**, President of Communist Albania, married a Jewess. **Herman Matern**, head of the Central Control Commission of the East German Communist Party, married **Jenny**, a Jewess, who is State Secretary of the East German Ministry of Health. **Reverend Oliver Fielding-Clarke**, editor of **Magnificat**, monthly organ of the Communist Protestant clergymen in Great Britain, is wedded to a Jewess. **Marcel Cachin**, an editor of the French CP organ **L'Humanite** and Senior Communist Deputy and Politburo member in France, has a Jewish spouse, **Jacques Duclos**, Secretary of the French Politburo, author of the **Duclos Letter** which purged **Earl Brow-**

der in the U.S., also shares his bed with a Jewess. (All sources B2)

In Canada, **Tim Buck**, General Secretary of the Labour Progressive Party (CP), married a Jewess. (B2) And **Professor Raymond Boyer**, a Canadian espionage agent unmasked by **Gouzenko**, married a Rabbi's daughter (G2) who caused Boyer to adopt Judaism as his "religion." This woman, **Anita Cohen**, later became **Frederick Vanderbilt Field's** third wife. **Pieter Keunenian**, head of the Ceylonese CP, is a wealthy half-caste Gentile who chose an Austrian Jewess as his mate (1939 to 1951). **Janet Rosenberg**, a Chicago Jewess, attached herself to the **Indian Cheddi Jagan** and assumed absolute power over the **British Guiana CP** in South America. The British deposed her by the use of a battleship dispatched to its territory to re seize power. To no avail; she has resumed power via the electoral process. (All Sources B2)

Even more interesting is the case of the Jewess, **Harriet Levine**, who was secretary of the espionage organ, **Amerasia**, and niece of its managing editor, named Communist espionage agent **Phillip J. Jaffe**. (**Frederick Vanderbilt Field** was a member of **Amerasia's** board along with named Soviet agent **Owen Lattimore**.) **Harriet Levine** was **Owen Lattimore's** secretary in the **Institute of Pacific Relations**, a cited Communist-front and espionage cover for the USSR, and she refused on the grounds of self-incrimination to deny whether she was a CP member. She did admit that she married **Ch'ao-ting Chi** (also on **Amerasia's** board) in 1934. **Chi**, an identified Communist, and an espionage agent, is a Vice-President of the **Bank of China** in Peking, was with the **IPR** and an official under **T.V. Soong**, **H.H. Kung** and **Chiang Kai-shek** in the old Bank of China. **Chi** had appointed **Fred Field** as the US representative for the old Bank of China; while he, **Chi**, was secretly a spy for the Soviet Union. (See **IPR** hearings)

Of special interest is the triple turncoat, **Otto John**, once head of **Konrad Adenauer's Secret Service** in West Germany and at that time a darling of our own CIA and privy to a great number of its secrets. **John** defected to the Soviet Union and then redefected to the West. He spent a remarkably short time in jail after his return. (B2) His wife? The Jewess, **Giesela Mankiewicz**, is a daughter of a wealthy widow. **Giesela** had been **John's** secretary when he lodged in her mother's home in Hampstead, England. Her brother went by the name of **Max Mainzer**. (A4) **John** had been a close friend of a German Communist, **Karl Frank**, as far back as 1926. In 1951, **John** recommended the same **Frank** for security work in the American sector of Germany. **Frank** skipped to Russia in 1953. **John** had helped the British MI-5 prepare the details of the Nuremberg prosecution of the Nazis. Further, in 1944, **Guy Burgess**, a Soviet agent in Great Britain who is now in Moscow, had helped **John** escape via Madrid to England from Germany when **John's** brother, **Hans**, was executed for complicity in the 1944 plot to purge Hitler. **Burgess** had known **John** since 1942. (See H for details)

In Belgium some years ago all four leading Communists were non-Jews and all were married to Jewesses! They were **Henri Deboeck**, Secretary of the CP in Brussels; **George Vandenberg**, Secretary of the CP in Molenbreuck; **Willem Marc**, also a CP secretary in Brussels, and **Fernand Jacquemotte**. (J)

Vladislav Gomulka, leading CP official in Poland, although described as a Jew by one source (A5) has masqueraded — if he is a Jew — as a Gentile all the time he was Secretary-General of the Polish CP. In any event he is married to a Jewess. (London Jewish Chronicle, 10-5-56; and A7)

Similarly, Alexander Zawadzki, President of the Polish Politburo, and Edward Ochab, Secretary of the Central Committee of the Polish CP, both allegedly non-Jews, have Jewish bed-partners. (Same source.) These two men have also been named by one source as hidden Jews. (B2)

Luis C. Prestes, long-time Communist, recently released from prison in Brazil, has a Yiddish mate, Olga Benario. (A6)

"FIRST LADY" OF CP-USA ALWAYS JEWISH

A well-guarded secret of the Communist Party in the USA has been the fact that its top leader has always had a Jewish wife. This secret has been suppressed by our investigating committees. William Z. Foster was for years head of the American CP. His wife's name is Ester Abramovich. (Y) Not once does her name appear in the tens of thousands of pages of government and state hearings and reports on communism.

Earl Browder, lately an employee of the Fund for the Republic, was also at one time the head of the CP-USA. Browder's wife's name was Raissa Berkman, who went by the name Anna Gluzman in Moscow in 1921. Browder's Jewish wife was thus identified—as Berkman—in the New York Times of February 1, 1953 in a story on an Emergency Civil Liberties Committee conference. The same paper (August 17, 1955) carried this delightful little item:

Dr. Felix Browder, son of Earl Browder . . . has been named Assistant Professor of Mathematic at Brandeis Jewish University.

The marriage of Fred Field, millionaire Communist, to Anita Cohen has been mentioned. This Jewess skipped the U.S. in 1953 to avoid deportation. (D2)

William Remington, murdered in prison after conviction for perjury as a Communist espionage agent, was led into his Communist activities by his wife, Ann Moos Horowitz, daughter of old-time Communist Elizabeth Moos. This Jewess's testimony put her husband in prison. She went free. (K)

Langston Hughes, one of the most vicious anti-Christian Communists who has ever lived, a Negro who has claimed partial Jewish descent, married Sonia Croll, a Jewess, who had been the wife of Karl

Reeve a son of Ella Reeve Bloor, a top Bolshevik in America. (K)

Eugene Dennis, recently deposed as the secretary of the CP-USA, married William Schneiderman's ex-wife, the Jewess, Regina Karasick. (K)

Paul Robeson, Negro Communist revolutionary, married a half-Negro, half-Jewess, Eslanda Cardoza Goode. (X) And W.E.B. DuBois, NAACP founder and veteran Negro Communist is married to Jewess Shirley Kling. (K)

OTHER CURIOUS CASES

History is replete with examples of Jewish mistresses or wives exercising their malefic influence over non-Jews weak enough to submit. Gibbons, famous historian, identified Nero's wife, Poppaea, as a Jewess, as have other sources. (L) The famous Itzig sisters of Berlin during the 18th century were especially trained by their families and husbands to serve as "call girls" to Joseph II and Frederick II. (See J. Reeves, "The Rothschilds," pp. 274-5; and M).

One Fanny Elsner was deeply involved with Napoleon II and may have been instrumental in causing his death (M2). Mirabeau had as his mistress the Jewess, Henrietta Herz (M3), whose husband was a pupil of Moses Mendelsohn, who in turn had sons who married Itzig sisters. (Their father, Daniel, financed the French Revolution.) (N).

THE ROTHSCHILDS

The most shameless of all "great" Jewish families in the arrangement of marriages of convenience with Gentile families were the Rothschilds. Anna, daughter of Nathan's son Mayer, married Lord Roseberry (M4). Viscount Halifax's heir married the granddaughter of a Rothschild. Arnold Leese, in his book, "Gentile Folly: the Rothschilds" (1940) devotes an entire chapter to this subject, and points out that Lord Roseberry became Prime Minister in 1894, after his wife had helped organize the Liberal Party. One of her sons was Neil Primrose, whose daughter brought Rothschild blood into the family of Lord Halifax, she having married his son and heir. In 1934, Rosemary Rothschild married Hon. Dennis Berry, whose family then controlled The Telegraph, The Sunday Times and The Financial Times. Leese named many others.

JEWESSES CORRUPT ENGLISH NOBILITY

The 4th Earl of Aberdeen's son introduced into Parliament the Bill of 1853 to Emancipate the Jews. He was married to the Jewish daughter of Sir John Herschel (N). The same source names two others who, married to Jewesses, fought for Jewish emancipation. The members of British nobility who have married Jewesses are almost without number. (G3, G4, A8, 9, 10). Seventy cases of hereditary title holders married to Jewesses are given by just one source! (X3).

A man whose perfidious role in world history will never be completely known is Winston Churchill. He had a Jewish great grandmother! Pallycarpus von Schneidau of Sweden married Froëcken Jacobson, a Jewess, in Denmark. They came to the U.S. Their daughter, Pauline, was adopted by Mayor Ogden of Chicago. Pauline married the son of Leonard Jerome, a major stockholder in the New York Times; their daughter, Jennie, was the mother of Winston Churchill. (Wisconsin Magazine of History, September 1924, Volume 8, p.43) (O).

Prince Philip's uncle, Lord Louis Mountbatten, married a Jewess, Miss Ashley, whose maternal grandfather was Sir Ernest Cassel. Another Mountbatten, the 2nd Marquess of Milford Haven, married a mongrelized Gentile, Jewess-Negress (A 14). Philip wears a black skull cap at Jewish synagogue services (A 13, A 14). Racial chaos results from such miscegenations. (Q)

The English Labor leader, Hugh Gaitskill, married Anna Dora Creditor, one of the Chosen (A 9). H.H. Beamish, in his book, "The Jews Who's Who," cites (1921, pages 242-3) 30 cases of Jewesses interbreeding with French aristocrats.

FRANCE AND GERMANY

Jacques Maritain, left-liberal "Catholic" and deadly enemy of Father Halton of Princeton, married a Jewess named Raissa. (See Rivarol, recent issues)

Edgar Faure, French Minister of Finance under Mendes-France, married a Jewess (A 15). So did President V. Auriol (A 16), and Jules Romains, writer (R). Andre Malraux, DeGaulle's legman, a Red killer of nuns in Spain, married Clara Goldschmidt, his third wife (S). Maurice Couve de Murville, DeGaulle's Foreign Minister, married J. Schweisguth (S 2). Gen. Jacques Massu, who put DeGaulle in power, married a Rosenberg. (Time Magazine). Another who wed a Jewess was Barrachin, chairman of the DeGaullists Party (A 17). The Clemenceaus interbred too (N). German intermarriages with Jewesses are too numerous to mention at length (A 18). Matti Hari was one-half Jewish (A 19). Albert Schweitzer married Helen Bresslau, a Jewess (A 20) (See also T and J 2).

Count Ciano of Italy, a Rothschild favorite, was one-half Jewish. (See Leese's book, p. 52). Mussolini himself had a Jewish mistress, Margherita Sarfatti, "brilliant confidant and adviser of Mussolini, (who) shifts powerful levers of statecraft with a delicate touch. Just at the moment there is probably no woman in the world closer to the deep well springs of power . . . Rome notes . . . that . . . Signora Sarfatti is a Jewess, and it recalls happily that there has been no hint of anti-Semitism in the Italian Fascist regime. (She) and Benito . . . were soap-boxers together . . . She was a clandestine worker in the syndicalist and socialist movement of Italy . . . Through the tumultuous years they struggled to power together, and together they refashioned their philosophy — from the nadir of syndicalism to the zenith of Fascism. She is the author of the first "Life of Benito Mussolini" and the editor of his monthly journal, "Gerarchia." (The Sun, New York, September 30, 1933, story by Lemuel Parton.) Fascism was fashioned by a Jewish mistress!

RUMANIA

Magda Lupescu, nee Wolff, was the world-famous mistress of King Carol of Rumania

from 1925 to 1949, when he finally married her. He died in 1953. John Gunther, in "Inside Europe," gives some of her sinister history. Her father was an apothecary, had been a junk dealer and money lender. Magda held hypnotic power over the degenerate Carol; she committed such foul bestialities and butcheries upon Christians in the Royal Palace that the Rumanian Iron Guardists revolted against her rule in May 1934. She killed their leaders in 1938. (See Israel, Cairo, 1-5-39) Carol wore (N) the symbol of the goat to denote blood ritual sacrifices.

THE UNITED STATES

W.H. Auden, the communist-fronter poet, married the almost completely Jewish daughter of the Communist-fronting Thomas Mann (A 22). Hans Bethe, Los Alamos physicist, is a half-Jew through his mother, Kuhn (A 22). Russell Davenport, Fortune editor, married Marcia Gluck, daughter of the Jewess, Alma Gluck (O 2). "The Dupont Dynasty," by John H. Winkler, p. 120 (O 2) relates how Mary Belin, one-quarter Jewish, married Lamot Dupont in 1865.

Thomas Wolfe, the great novelist, had his natural anti-semitism contained under the influence of his Jewish mistress, Aline Bernstein, notorious Communist-fronting Broadway designer. (See many biographies on Wolfe).

Whittaker Chambers married Esther Shemitz. (See "Witness," p. 265) This explains his peculiar attacks on anti-semitism and distorted emphasis on the origins of communism. The present Police Commissioner of New York City is Stephen Kennedy, under whose leadership the police force has reached its lowest point in morale in history. Time Magazine, July 7, 1958, p. 17 pictures his Khazar wife, Hortense Goldberger, whom he married in 1929. Kennedy is an outright, unblushing tool of the Jewish action agencies. William C. Bullitt, the first U.S. Ambassador to Soviet Russia, is half-Jewish, through his mother, (Forwerts, 11-28-33) who was Louise Gross Horwitz. Bullitt married Anne Moen Louise Bryant Reed, who had been the wife of communist John Reed, whose statue stands today in Moscow.

Thomas K. Finletter, U.S. Air Force Secretary in 1951 and at present a flunky of Herbert Lehman, married Gretchen Damrosch, the Jewish daughter of conductor Walter Damrosch (N.Y. Post, 7-27-58, p. M 2). Cordell Hull married the Jewess, Rose Whitney nee Witz of Virginia, who was related to the Kuhn-Loeb (U). Newton D. Baker, Secretary of War under Wilson, married Elizabeth Leopold. FREE SPEECH IN NEW YORK ONLY FOR COMMUNISTS

Regardless of how we feel about Lincoln Rockwell, it cannot be denied his experience in New York City demonstrates clearly what would happen to free speech in our country once the so called "Jews" secured the same control of the U. S. that they enjoy in New York City. Never have we heard of Communists being denied the privilege of speaking there, but Rockwell, who applied for a permit, was not only denied, but the papers reported meetings of Jewish War Veterans and A.D.L. with a view of stopping Rockwell. WHY? He was going to criticize these Khazars. No objection to Communists who have slaughtered between 50 and 75 million Christians.

When Rockwell appeared at the courtroom in an effort to secure a permit, 200 Khazars yelling "Kill him" — knocked down several police trying to get to him. The head of the courthouse police, said that in all his years of service at the courthouse, he had never seen such a demonstration.

At this writing the A. D. L. has pressured a Washington, D. C. judge to order Rockwell examined by psychiatrists so as to lock him up under the Mental Health law.

These so-called "Jews" believe in Free Speech for themselves; if Christians want free speech, they are fascists.

State Department - Communism

program for the conversion of Cuba to Communism. The Commission sent by the Cuban government to Russia has handed over everything it has been asked for in exchange for its being allowed to visit areas which, until now, have been inaccessible, even to Russians.

All this signifies the strengthening of Soviet power in America, the emergence of a military fortress at the very doors of the United States and the establishment of a center for proselitizing throughout the rest of the Continent.

And to think that all this is the work of the United States herself! It was the United States administration that contributed to the imposition of a drastic change of government in Cuba without stopping to think what would take the place of the regime which was to be overthrown; a defective and dishonest regime, but one that at least was friendly and partial

towards United States policies. It was United States newspapermen and government officials who glorified the figure of Castro and bestowed on him the category of liberator. It is the State Department itself that has accepted all the humiliations Castro has heaped on it without understanding that each one of his insults and every act of submission on the part of the Department has increased Communist prestige and reduced that of U.S. officialdom. It was the prolonged errors on the part of the Department that produced in Cuba an atmosphere of readiness to accept Castro's will and tyranny and to supply the necessary masses to surround it with an apparatus of force and backing.

But neither this hard lesson, nor all those it receives daily, have served to modify the ambiguous, indecisive and erroneous conduct of the State Department, a conduct which often appears to be inspired by elements entrenched in its dependencies and interested only in the exaltation of Communism. During Eisenhower's tour round four American states, a tour that was supposed to be for the purpose of reconquering the United States' decadent prestige, the President repeated time and again that his government would not tolerate dictatorship of either the right or left; and while he was making these declarations, prepared by the State Department, Castro continued to get bigger and to clinch his tyranny and to vent his spite on an ever more cowering and quivering United States.

On the other hand, all the efforts of that same Department have been directed against an honest, sincere and free country. There can be no doubt that many of the aggressions committed against the Dominican Republic were known beforehand by the Department, and that the signature of its Ambassador to the OAS on the infamous and slanderous document which has so exasperated the Dominican people was fully authorized in the full knowledge that it constituted a gratuitous insult, imperialist aggression and an act of interventionism.

There can be no more obvious proof of the Machiavelian conspiracy hatched in the State Department itself in order to rouse Latin American feeling and extend Castro's example, than that absurd loan made to the new African nation of Kenya, to enable it to increase its production of coffee, as this constitutes a direct attack on the economies of many of the countries in our hemisphere.

The exaltation of Castro, the establishing of a Communist regime in Cuba, the rebuffs and insults heaped on Eisenhower at the failure of the Paris conference, Japan's resistance and hostility, the increasing disgust of Latin America at the complete backing being given to Romulo Betancourt of Venezuela, in order that he may one day launch himself against the U.S. oil inversions in the country, the report attacking the Dominican Republic, the strike at Cape Canaveral which is holding up the construction and testing of rockets and the enmity felt by the masses of Europe, Asia and Africa are all the fruits of the policy followed by the State Department over the last few years. And with a policy that produces such results, it is hoped to defend the democracies against the clever, coordinated and technical Communist invasion of the world!

ARNOLD FORSTER—Chief Counsel to the Anti-Defamation League (Jewish FBI).

The Congressional Record of Oct. 20, 1951 records that Forster is a member of a **COMMUNIST SPY RING**. Several moves made in Congress to investigate the A.D.L. were defeated due to the mysterious power of this invisible government. Many Jews themselves oppose and fear the A.D.L.

They honor important men with dinners, present them with plaques and get them on record and under their control.

SANFORD GRIFFITH — Ph.D. B., Chicago; studied, Dartmouth; graduate of Chicago and Ecole des Science Politiques. Lecturer and consultant on "minority" and border problems. Formerly correspondent, Berlin and Rome, N. Y. Herald; head, London Bureau, Wall Street Journal; consultant to several governments. Studied Franco-Moslem relations in Algeria, 1957.

The American Committee on Africa and New School of Social Research are sending speakers to Africa and our South to stir up Negroes. Griffith is top provocateur.

GORDON HALL. This spy operates in the Boston area, using different aliases. He talks on the radio and speaks for leftist groups throughout the country. To strengthen his weak approach, he tells his audience he worked for **COMMON SENSE**. He never worked for us in any capacity as long as one minute. It is known he did have a connection with two other patriotic concerns. Those who need a more complete report on this agent, who makes a living by deceiving people, may write us.

PLOTTERS EXPOSED

As a service to the pro-American anti-Communist cause we give patriots a brief report on the most active **SPY** operating in the East for Jewish-directed organizations.

Here is a man who has become wealthy deceiving Christians who dared to expose the world Marxist plot. This report contains only the most essential facts—it could be much longer.

Sanford Griffith operates under several aliases; he is known as **Sandy Griffith**, **Al Scheffer** and, in trying to infiltrate **COMMON SENSE**, he used the name of **Otto Kollmar**. He is French, owns a farm with mail address R.F.D. 1, Mt. Hope Road, Middletown, N.Y. where he spends "week-ends." He also lives at 27 Greenwich Avenue, New York City and operates from Hotel Ruxton, 50 West 72nd. Street, New York City. We have known of his operations for 15 years, spying mainly for the Anti-Defamation League and directing a number of other spies who try to join with patriotic groups to secure information which the ADL adds to their files. The ADL writes up smears on Christians who oppose communism or expose the Zionist conspiracy; then, through the pres-

sure of Jewish advertisers, newspapers run these smears as news items under the name of a small-time writer who receives pay from ADL.

Among those who operate under Griffith are: **Gordon Hall**, who operates around Boston and snoops on good Americans and spreads his smears on a radio program conducted by a Jew from Brooklyn who uses the name **Jerry Williams**. Then there is **H. Gunther Grimes** of New York City, and **Charles R. Allen, Jr.** of Philadelphia who operated in New York and Boston.

The ADL has sent Sanford Griffith on a number of important foreign missions such as Holland and to Algeria when France discovered oil there.

Sanford Griffith is very active but tries to camouflage his importance in the plot to remake the world. He is an important wheel in the New School for Social Research,

66 West 12th Street, New York City; here he is director of the **Center for African Studies**, believed to be an educational and directing force responsible for Negro uprisings in Africa and throughout the Southern part of the U.S.A.

Sanford Griffith, in trying to gain our confidence, appeared to be interested in our books and would make purchases. He wanted us to believe he had wealthy friends who would like to finance us in publishing certain books he suggested should have wide circulation. When we had watched him as long as needed, we unexpectedly took his photograph. He became angry and advanced on the cameraman to secure the film, but was quickly discouraged.

A few days later, March 23, Griffith phoned and threatened us if we published his picture, we have his words recorded.

He thinks **Charlie Smith** exposed him, but Mr. Smith has been in a hospital for seven months and did not know Griffith had called on us.

Thank our Lord no agent has been able to infiltrate us during the 15 years of publication. Of about 25 who have tried—three thought they were making progress. Some went out quietly; a few were thrown out.

THE SOVIET KNIFE IS AT THE DOOR

By Elizabeth Dilling
 Author, since 1934, of unrefuted anti-
 Red pro-Christian books, etc.
 Box 659, Chicago(90), Illinois

The scene is being set. The "climate" of public opinion is being created. The man-hunt is imminent. "Every hour, on the hour", by TV, radio and press, the people's eyes and ears are being dinned with the idea that our greatest menace is "Nazism". The hysteria fomented is counted on to prepare the people to accept the extermination of their own free speech and press, the surrender of all American liberties as quickly as they can be conditioned for it. This is the technique which so successfully railroaded a reluctant USA into World War II to make the world safe for bloody Communism over nearly half the earth now.

THEY STOLE OUR CONSTITUTION

No effort has been spared to keep the American public in ignorance of the fact that they lost their CONSTITUTION, and all that it means, when the UNITED NATIONS Charter of world government was ratified by our Senate(89 to 2) in 1945, as a TREATY. For, under Article 6 of the Constitution, a ratified treaty becomes the "Supreme Law of the Land, and the Judges in every State shall be bound thereby, anything in the Constitution or Laws of any State to the contrary notwithstanding."

GENOCIDE CONVENTION IS LAW

The same sly smoke screen was billowed across the public's eyes when the Genocide Convention became the law of this land Jan. 12, 1951. For, we are pledged to carry out UN law. The 13th article of the Genocide law provided that the law was to come into force as the law of all UN member nations, 90 days after the 20th UN member nation had okayed it. And that was Jan. 12, 1951. Check this in Document 87: "Review of the United Nations Charter" page 880 (price \$2.50 from the U.S. Printing Office, Washington, D. C.)

UN COURTS TO ENFORCE IT ARE SET UP

Of course there was no public information spread when the International Law Commission of the UNITED NATIONS ordered that courts to try individuals under UN law be set up as "national courts" until such time as local branches of an International United Nations Court to try individuals, could be established openly, to punish those who infringe the Genocide law. The infamous lynch law Nuremberg Trials shocked a civilized world. Bloody Red Russia sat on the judges' bench and convicted the Germans of the Katyn slaughter of Polish army officers which had been done solely by the Soviets. Yet, the UN General Assembly "unanimously affirmed the principles of international law recognized in the CHARTER and in the judgment of the International Military Tribunal for the prosecution and punishment of major war criminals (NURNBERG TRIBUNAL). In the following year, it directed the Intl. Law Commission to formulate those principles, and also to prepare a code of offences against the peace and security of mankind". This was "completed" in June-July 1950 (p. 314).

You will find this and more in the volume "EVERYMAN'S UNITED NATIONS, 1945-1955. Published by the United Nations Department of Public Information".

Only "individuals", high and low, were to be tried in these courts (page 315). And "pending the establishment of an international criminal court, the code might be applied by national courts" (page 316). The Genocide Convention, we are told, is aimed to punish not only killing people because of

their "national, ethical, racial or religious" standards, but also "causing them serious bodily or MENTAL HARM . . . Not only genocide itself but the conspiracy or incitement to commit it, as well as attempts . . . and complicity in the crime, are punishable under the Convention. Whether they are constitutionally responsible rulers, public officials or individuals . . . they shall be punished"(p. 222 of same).

Ever mindful of preventing public knowledge and revolt, Sept. 9, 1957 the CIVIL RIGHTS ACT authorized the establishment of a separate court system, with "voting" rights as its banner. A separate Attorney General heads it.

A Six-Man "Commission" (or commissariat) run it. These are appointed by the President. Its purpose is: "protection of civil rights including the right to vote". The vote is just part of the picture. The Act carries out the UN specifications to a dot.

You may be tried for "INTENT", to quote the Act:

"Whenever any person has engaged or there are reasonable grounds to BELIEVE that any person IS ABOUT TO ENGAGE in any act or practice which would deprive any other person of any right or privilege secured by subsection(a) or (b)" Then you may be socked.

You may be deprived of an attorney:

The Commissar or: "CHAIRMAN . . . may punish breaches of order and decorum and unprofessional ethics on the part of counsel by censure and BY EXCLUSION FROM THE HEARINGS". (That "decorum" business might even include the way the lawyer were dressed?)

You may be tried in secret and jailed for telling what happens.

With the usual eyewash (Sec. 102(e): "If the Commission determines that evidence or testimony at any hearing may tend to DEFAME, DEGRADE, OR INCRIMINATE ANY PERSON" (Note: Such tender hearts!) "it shall receive such evidence or testimony in EXECUTIVE SESSION . . . Whoever releases or uses in public without the consent of the Commission evidence or testimony taken in executive session shall be fined not more than \$1000, or imprisoned for no more than one year". (So, if you are beaten to a pulp in the secret hearings, do not peep about it).

The Commissars Decide Everything. You have no law to back you:

The "Commission . . . shall receive and dispose of requests to subpoena additional witnesses . . . The Commission is the sole judge of the pertinency of testimony and evidence adduced at its hearings". You may get a copy, by paying for it, of testimony at your hearings only when this is "authorized by the Commission".

You will be tried without jury:

Owing to rightist pressure, the provision was inserted in the Civil Rights Act of 1957 that if you are fined more than \$300 or sentenced to more than 45 days, you may ask for a jury trial. (Better not be lacking in decorum, or be contemptuous about anything!)

BUT on the ground that your "contempts" outside the court may have interfered "with the administration of justice", or on the ground of "misbehavior, misconduct, disobedience . . . in respect to the writs, orders, or process of the court" — YOU MAY be imprisoned without a jury for "contempt" for any length of time. So, the sky is the limit on soviet-like sentences and procedures. (Sec. 151, Part V).

For it is emphasized in Part 1, Sec. 151 that contempt proceedings "without a JURY, to secure compliance with, or prevent obstruction of . . . any lawful writ, process, order, rule, decree, or command of the court . . . including the power of detention", is a power which cannot be interfered with by anyone, or anything in the ACT. A U.S. District Court will hand down the sentence, laid out, presumably by this UN Star Chamber court system, Nuremberg style.

WHAT BETTER SYSTEM FOR CARRYING OUT THE GENOCIDE LAW?

Its Promoters and Lords, the American Jewish Committee

How did we get to this point?

Anyone who ever endeavors to say, print or infer any truth unpleasant to the ears of our unseen "lords", soon finds out that a certain power controls the press, radio, TV and the renting of public halls. How promptly AMERICAN MERCURY was barred from the news-stands when it began to tell the truth about this unseen power! Where is its head?

The all-powerful AMERICAN JEWISH COMMITTEE is a supreme united action center for world finance, industry, politics and world political strategy. In this Committee converge the Rothschilds, the Lazard Freres, the Kuhn Loeb, the Lehman, etc., banking interests and their world-

wide ramifications. It makes one dizzy just to see them enumerated.

Every year, in the American Jewish Committee's American Jewish Year Books, they take up, country by country, the events, the action taken by the Committee to control every situation in favor of Jewish plans and strategies. Their report of the Committee's own accomplishments has described, year after year, how the UNITED NATIONS was set up by them. First there was a preliminary Committee on "Peace", in 1940-41, before the USA entered World War II. It included Max Warburg from Germany who, with Jacob Schiff of Kuhn Loeb & Co. financed the Red Russian Revolution. This AJC banking cabal is intermarried, interwoven like a rug, from Felix Warburg down to James P., who told a Congressional committee we would have world government whether we liked it or NOT (Chicago Tribune 2/18/50).

The (in) "Human Rights Declaration" and Genocide Convention, in addition to the UN Charter, and every other phase of the launching of UN, are categorically claimed as an AJC accomplishment.

AVOIDING KNOWLEDGE AND REVOLT

But HOW KEEP AMERICAN PATRIOTS from knowing that their most cherished rights had been swept away and a camouflaged dictatorship substituted? THAT TOO was attended to by these AJC promoters of the UN, the AMERICAN JEWISH COMMITTEE.

UNDER THE ABA HALO

Almost every American looks up to the American Bar Association as a top mouthpiece on American law. Our neighbors and members of our families belong to it and use its library facilities, and we know they are good Americans, busy as they are. The public does not know that this tremendous organization of over 50,000 lawyer members is run like a little dictatorship. ONE slate of candidates is presented to the 48 state delegates to its national conventions, in advance of their opening. There is no record of anyone not saying "JA" to this hand-picked slate. The vote goes thru like a one-slate Soviet election, and a little self-perpetuating clique retain control of it.

BEFORE THERE WAS A UN

In 1944, before there was a UN, the American Jewish Committee set up in the American Bar Assn. a Special Committee, with a long title which was changed in 1945 to the "COMMITTEE for PEACE and LAW THRU the UNITED NATIONS." M. C. SLOSS, vice-president of the American Jewish Committee, was its directing member. At once, teams of UN promoters were sent out all over the USA and Canada, to propagandize the legal circles of leading towns in favor of UN. Always this was veiled by seeming criticism of some of its "minor blemishes", thus giving the appearance of Judicial impartiality. If the lawyers could be soothed or roped into the scheme, the layman who look up to them would follow suit and they DID. The whole UN Charter is a mass of double talk. It is a collection of alleged liberties and goodies of every kind, hauled in like a dog on a chain by a phrase like the Civil Rights Act uses so successfully. You may have a public trial and attorney, etc., unless the Commissioners say you can't. It is easier to depend on some lawyer's prestige than to figure out the crooked thing. The frosting is delectable and the cyanide hardly shows.

THE ALGER HISS FUNDS

Funds for these expensive junkets from Canada to Cuba came largely thru the Carnegie Association for International Peace (set up to promote world government). Alger Hiss not only headed this outfit before and after his conviction as a traitor to his country, but also presided over the San

WASHINGTON ADL DIRECTOR HAS RED CONNECTIONS

BEING SET-UP FOR CIVIL RIGHTS POST

"Before his appointment as the Washington director of the Anti-Defamation League, Herman Edelsberg was thrown out as counsel of the United Gas, Coke and Chemical Workers, CIO, because of his Communist connections. His wife, incidentally, was a member of the Washington Book Shop, cited as 'subversive and Communist' by the Attorney General."

(Congressional Record - Oct. 20, 1951, p.7)

We read in the newspaper clipping dated Jan. 25, 1960 that "Herman Edelsberg, Washington representative of the Anti-Defamation League, is being pushed for assistant attorney general in charge of civil rights."

GOD SAVE US!

NELSON STAMLER who lives in Union, N.J., former head of the Anti-Defamation League of B'nai B'rith for New Jersey, now on the National Board. The ADL is regarded by researchers as the Jewish F.B.I. or Gestapo. They have developed smear as an art. For years they have been working to abolish the Congressional Un-American Activities Committee which exposes communists. Stamler has now succeeded in having himself elected to the State Legislature.

TO OUR FRIENDS

—who want to keep us on the front line in this battle to reserve our freedom, we need your financial help urgently. The job we are doing is tremendous, far more than any but ourselves could know. However, the evil forces watch the effect of our factual exposures and are furious to stop us.

This, with the unusual problem of trying to publish a patriotic paper without advertising, makes it extremely difficult.

NOW especially we have obstacles which must be conquered if we are to carry on.

Our growth is pleasing but we must meet our bills and other obligations. We ourselves cannot do more; we must bury our pride and ask you to stand with us, not only to insure our continuance, but also to help build an improved paper with five times the circulation.

Your money in our hands is used wisely, just as we used all we had.

PLAQUES ARE TRAPS

Here in the U. S. we are living in the "pressure group" and "plaque" era. Congressmen and Senators are whipped into line by interlocking, well-organized pressure groups such as the Anti-Defamation League of B'nai B'rith, American Jewish Committee, American Jewish Congress, and the NAACP.

Politicians and officials who are in position to create or administer laws feel the whip of the pressure groups or are trapped as honorary guests at a public dinner at which they are presented with a plaque which costs the givers a few dollars, but places the recipient in such a position he dares not ignore orders from these Marxist-aiding groups.

We receive newspaper clippings from 50 states showing how this plaque racket is worked to the limit. An official who these plotters suspicion is not friendly, or may be overly influenced by American patriots in the future, is notified that he will be honored by a dinner and plaque. He is afraid to refuse for fear of being labeled unfriendly to the Jews or anti-Semitic; hence, he submits to this clever trap and is told that he is now a good American and a believer in brotherhood. Just as the cattlemen do when the bull reaches the stage where he must be controlled, a ring is placed in his nose. Some of these office holders submit reluctantly knowing that he is elected to represent all people and protect the constitution, but he fears the organized Jewish political pressure groups.

Millions of Americans felt insulted and betrayed because Khrushchev was parading over the U. S. and allowed to enter our homes via television with friendship and co-existence brainwash. They were surprised to learn the B'nai B'rith and Anti-Defamation League were presenting President Eisenhower with a plaque while Khrushchev was in this country. Label Katz, National Head of the B'nai B'rith in presenting the plaque stated: "I am privileged on behalf of the 400,000 members of the B'nai B'rith to present you with the B'nai B'rith 'Presidents Medal'. We are, therefore, particularly pleased to have the opportunity at this time to advise you that the B'nai B'rith endorses your actions of inviting Premier Khrushchev here and accepting a reciprocal invitation to visit the Soviet Union." This procedure is carried out where the Jews feel safe with Senators, Congressmen, Governors, Mayors, and Police Chiefs.

The Jews are careful to arrange for photographs and publicity so the entire community knows that this man has been placed under their control. This "Plaque Racket" has been forced on public officials in small and large towns where the Jews are strong enough to force acceptance.

Rabbi Benjamin Schultz, in his column "The Yiddish Press" published in the "Jewish Post," Friday, December 7, 1945, states: "It's about time," comments the DAY'S S. Niger, to stop paying the expenses of goyim from Washington, because they express sympathy with Jews. They come and read speeches at banquets. These big-shots 'read' —because we have written the speeches for them."

NAZI RABBI?

In a review of the book "Wir Juden" (We Jews) by the then Berlin, Germany, rabbi Dr. Joachim Prinz (now the President of the American Jewish Congress), "The Jewish Chronicle" (London) wrote in its issue of July 6, 1934, page 22:

"Dr. Prinz seems to have been bitten by the Nazi virus; being a Jew, it produces within him a sort of Jewish Nationalism on the Nazi model."

WHAT IS COMMUNISM?

You notice a hill covered with tender, green grass; beautiful flowers, trees and ferns. Birds are flitting about singing happily. Nearby a brook flows gently. A sign reads: "Communism". There is a door in the side of the hill with "Welcome" in large letters. The door is studded with precious gems and the floor inside is paved with gold. You enter.

A foul stench strikes your nostrils, growing worse as you proceed. Huge bats fly close to you. Slimy snakes glide about, wrap themselves around your legs. A loud flapping of wings—hundreds of buzzards—feasting on dead men and women. Horrified, you retrace your steps, cannot find the exit. A sharp stinging pain in your ankle; you brush away a huge scorpion. The wound hurts terribly, and you feel sick all over as you stumble around among the rotting corpses and cleaned bones of the dead.

Just as you are about to fall down and die you see a light, and are soon out in the clean, pure air once more. You glance back at the sign "Welcome" on the door of the cavern. You read there for the first time: "ALL HOPE ABANDON, ALL YE WHO ENTER HERE." You remember Milton's "Paradise Lost." You realize all the beautiful scenery was merely propaganda to deceive people and sell them that diabolical doctrine Communism. You hurry to a store, buy 25 cents of a strong disinfectant, rush home and apply it to yourself from head to toe. Then you get down on your knees and pray God to keep Communism out of your country!

Page 4 of Report No. 2290 of the House of Representatives, U.S.A., January 17, 1931, gives this definition of Communism:

"A world-wide organization advocating:

- (1) Hatred of God and all forms of religion.
- (2) Destruction of private property and inheritance;
- (3) Absolute social and racial equality, promotion of class hatred;
- (4) Revolutionary propaganda through the Communist International, stirring up Communist activities in all countries in order to cause strikes, riots, sabotage, bloodshed and civil war;
- (5) Destruction of all forms of representative government, including civil liberties, such as free speech, freedom of the press, of assembly and trial by jury;
- (6) The ultimate and final objective is by means of world revolution to establish the Dictatorship of the so-called proletariat dictatorship into ONE WORLD UNION of Soviet Republics with the capital in Moscow, Russia."

Ask yourself if YOU want that kind of government? To be government slaves—no freedom of any kind. Not even allowed to think for yourself. No individual achievement, no homelife, no privacy, merely as cattle kept by an owner.

CIRCLE OF PRAYER

MAY 1, 1960

Each year on May 1, those calling themselves "communists" hold demonstrations and proclaim arrogantly that they will conquer the world, bringing all peoples to their knees under the tyranny of socialist one world government. They have slaughtered many millions, mostly Christians, in their attempt to force this evil plan on the unwilling people. Rivers of blood and lakes of tears have drenched any land where the "communists" have trod. Those who survived have stood, helpless, while the ones they loved were torn from them to be deported or imprisoned or murdered. Never, since the Crucifixion, has there been such agony and suffering as has been caused by the hordes of Christ-hating "communists". Only last December these "communists" executed 150 teenage Hungarians who had sought in 1956 to free their beloved Christian Hungary from the "communists." These 150 youths had been held in prison until they should reach the "legal age" of 18 for execution. And, all the while, the "communists" cried, "Let us have peace," "Let us coexist," "Let us have peaceful competition". Only one who is naive or a fool would listen to these serpent words.

On this May 1, 1960 let us, as Christians, take renewed strength from and increased devotion to our Faith in God, His Son, and His Word. Pray for the souls of the millions of Christians slaughtered by these "communists." Pray today and every day to Almighty God that we Christians shall be delivered from the evil plan of our satanic enemy—the destruction of our Christian Faith and all Christian Nations.

SOVIET KNIFE AT THE DOOR

—o— Continued from page 4. —o—

Francisco launching of the UNITED NATIONS in 1945. Dulles, IKE, etc. sat as trustees and board members. Two Carnegie men became leading propagandists for this "Special Committee for Peace and Law Through the United Nations." One was George A. Finch whose internationalist record in *Who's Who* is second to none. He was with Carnegie from its inception in 1911. Manley O. Hudson, another Carnegie employee, has some of his Red connections listed in my irrefutable compendium, "The RED NETWORK". A Rhodes (Rothschild) scholar became a leading voice and the effects were marvelous, as opiates.

ANOTHER ACT TO THE SHOW

For some time, as the horrors of "Anti-Semitism" have been mounting in volume over what the American Jewish Committee calls "the mass media", something else has been going on. The "mass media", incidentally, will be broken down in AJC reports as embracing so many hundreds of radio, TV, forum, publicity blasts, a million leaflets to certain classes such as Christian ministers. It all sounds like the national debt for magnitude—and it is.

GOING AFTER LITTLE PEOPLE TO FRAME THEM

One by one little pamphleteers have folded up. Mr. Williams, Rev. Herrstrom, Wm. Stephenson have given up putting out releases. There are few, and they are far between, who know or care to explore Pharisee power over the U.S.A.

A good case is made for the enforcement of "CIVIL RIGHTS", as urged by Ike and embodied in the Genocide law and Civil Rights court. As the time is considered ripe, the manhunt for crucifying all free speech, habeas corpus, appeals, jury trials, all CONSTITUTIONAL rights, will get into full swing.

THE SUPREME COURT CURTAIN

The Supreme Court is a willing stooge for the world Government UN. It is lambasted for the wrong reasons because of its "queer" rulings. UN promoters encourage this. We are told, Myrdal, a Scandinavian writer, influenced the Court to pass the desegregation ruling. It is better for you to think this than to be told the ruling was UNITED NATIONS law, in one article after another in the UN Charter (no discrimination as to race, color or religion).

It was announced on a news broadcast yesterday, Monday, January 11, 1960, that the SUPREME COURT was to rule on whether the CIVIL RIGHTS ACT of 1957 is Constitutional or not. No ruling came yesterday. Ruling days are periodical, my lawyer family members, who practice before the Court, tell me. Perhaps this ruling will be delayed a month when the TV show is ready to break forth?

ONLY a PUBLIC AWAKENING to the truth can stay that upraised Soviet knife at the nation's door. RAISE your VOICE — WHILE YOU CAN. Raise it higher than the knife!

You have been deceived long enough by experts, by the American Jewish Committee's orchestral "mass media".

WAKE UP! IT'S ALMOST TOO LATE!

DID YOU KNOW?

The American Jewish Committee's official magazine "COMMENTARY" of November 1958, page 376 states:

"The international government of the UNITED NATIONS, stripped of its legal trimmings, then, is really the international government of the UNITED STATES and the SOVIET UNION acting in unison."
